

(FROM A DOCTOR)

A couple of days ago I was running (I use that term very loosely) on my treadmill, watching a DVD sermon by Louie Giglio... and I was BLOWN AWAY! I want to share what I learned.... but I fear not being able to convey it as well as I want. I will share anyway.

He (Louie) was talking about how inconceivably BIG our God is... how He spoke the universe into being... how He breathes stars out of His mouth that are huge raging balls of fire... etc. etc. Then He went on to speak of how this star-breathing, universe creating God ALSO knitted our human bodies together with amazing detail and wonder.

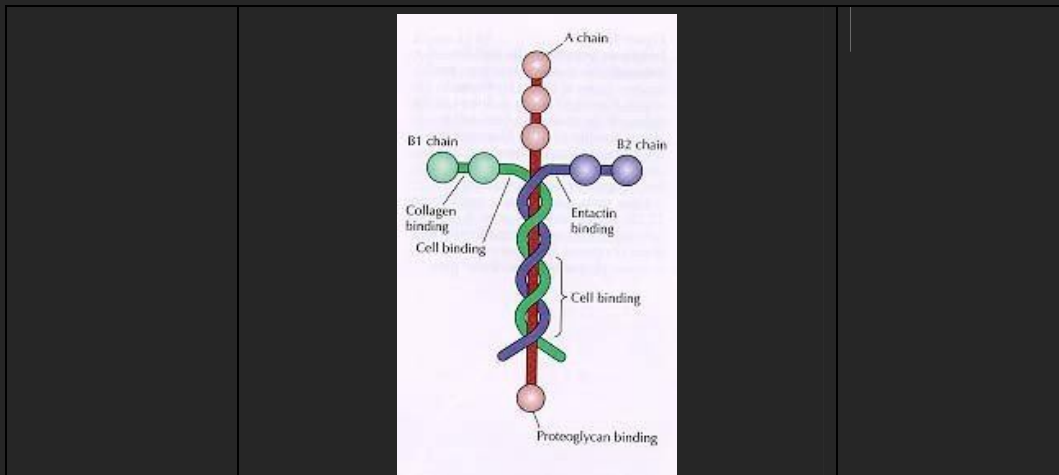

At this point I am LOVING it (fascinating from a medical standpoint, you know.) and I was remembering how I was constantly amazed during medical school as I learned more and more about God's handiwork. I remember so many times thinking.... "How can ANYONE deny that a Creator did all of this???"

Louie went on to talk about how we can trust that the God who created all this, also has the power to hold it all together when things seem to be falling apart...how our loving Creator is also our sustainer.

And then I lost my breath. And it wasn't because I was running my treadmill, either!!! It was because he started talking about laminin. I knew about laminin. Here is how Wikipedia describes them: "Laminins are a family of proteins that are an integral part of the structural scaffolding of basement membranes in almost every animal tissue."

You see.... laminins are what hold us together.... LITERALLY. They are cell adhesion molecules. They are what holds one cell of our bodies to the next cell. Without them, we would literally fall apart. And I knew all this already. But what I didn't know is what they LOOKED LIKE.

But now I do. And I have thought about it a thousand times since (already).... Here is what the structure of laminin looks like... AND THIS IS NOT a "Christian portrayal" of it.... if you look up laminin in any scientific/medical piece of literature, this is what you will see...

Now tell me that our God is not the coolest!!! Amazing. The glue that holds us together ... ALL of us Is in the shape of the cross. I immediately Colossians 1:15-17 comes to mind:

He is the image of the invisible God, the firstborn over all creation. For by Him all things were created; things in heaven and on earth, visible and invisible, whether thrones or powers or rulers or authorities; all things were created by Him and for Him. He is before all things, and in Him all things HOLD TOGETHER.

Call me crazy. I just think that is very, very, very cool. Thousands of years before the world knew anything about laminin, Paul penned those words. And now we see that from a very LITERAL standpoint, we are held together... one cell to another... by the cross.

You would never in a quadrillion years convince me that is anything other than the mark of a Creator who knew EXACTLY what laminin "glue" would look like long before Adam breathed his first breath!!

LAMI NIN! The glue that holds us all together. In the shape of a cross. In other words, it looks something like this:

So let us take a deeper look at LAMI NIN and see whether it was deliberately designed to look like the cross, or whether this is just a very strange but interesting coincidence. And what better way to do this than by turning it into a number and examining its codes?

Many years ago, shortly after Adam breathed his first breath, he fell into sin, and signed his own death warrant. It was then that the shape of LAMI NIN began to be revealed to mankind for the first time:

So the Lord God said to the serpent:

“Because you have done this, you are cursed more than all cattle,

And more than every beast of the field;

On your belly you shall go, and you shall eat dust all the days of your life.

And I will put enmity between you and the woman,

And between your seed and her Seed;

He shall bruise your head, and you shall bruise His heel” – Genesis 3:14-15.

Who is He? Because when He bruised Satan's head, for the first time since Adam's sin, a solution was found which would hold men's lives together and prevent their destruction.

In his book, *The God Code*, author Gregg Braden shows how the letters that make up the name of God, YHV [as in YHVH], as well as the letter “G,” all of which have numerical values, can be substituted for the atomic masses of the four elements that make up the living cell, hydrogen, nitrogen, oxygen and carbon.

It is these substituted Hebrew letters that make up the message “God-eternal within the body” which is found in every living cell in the creation, including animals and plants. And these living cells, which all contain the same concealed signature of the Creator, are all held together by LAMI NIN.

Therefore ...

"And just as in every book, before chapter one, there is an introduction or a preface or a foreword, it appears that the same thing happens in the cells of our bodies. Before we get into the deeper layers of the code, there is an introduction in every cell of our body. And it is that introduction that is the first thing that was translated and is the subject of the book ... God/Eternal within the body" - Gregg Braden.

It is precisely this concept that was envisioned by the writer to the Hebrews when he wrote about the Messiah, saying, "Then I said, 'Behold, I have come - in the heading of the book it is written of Me - to do Your will, O God'" (Hebrews 10:7).

LAMINI N, shaped like the cross, is the glue that holds all living cells together. Without it, everything will fall apart and be destroyed. When we study the 70 weeks of Daniel, we see that Daniel 9:26, the crucifixion of Jesus Christ, is followed by Daniel 9:27, the advent of Antichrist. In this chronology, those who have rejected the cross are plunged into the fires of the seven-year tribulation.

During this time of intense judgment, God is still merciful, but there is a difference. Those who accept the cross will be put to death, "a great multitude which no one could number" (Revelation 7:9), but their souls will be saved. But at the end of the seven years, those who still reject the cross, will be destroyed forever.

For as LAMINI N holds our cells together and gives us physical life, so too it is the cross of Jesus Christ that determines our physical and spiritual destiny - eternal life.

When we look at the number above, it ends with a marker, the number 5776. In the vision, this is the Hebrew year 5776 which marks the year in which Jesus Christ will return to the earth and destroy all those who have the mark of the beast, Antichrist [see Revelation 14:9-11].

The exact day is *Yom Kippur*, 10 Tishri 5776 or 23 September 2015.

Perhaps some may doubt this interpretation of 5776, but when we analyse the numbers that precede it, there can be little doubt that this deep code of LAMI NIN, the chemical substance that has been designed in the shape of the cross, carries a profound warning to those who have rejected the cross.

Consider this number: 1208186648395776

ONE	TWO	NOUGHT	EIGHT	ONE	EIGHT	SIX	SIX	FOUR	EIGHT	THREE	NINE	5	7	7	6
8	96	5	72	8	72	6	6	18	72	54	2	2	27	27	6
80244904034304															

What does it mean? If 5776 is the end of the matter, the conclusion of God's purposes as revealed to us in the Scripture and in the seven Feasts of the Lord, which begin with the cross - when does this time of judgment begin?

In the vision of the 70th week, it begins on 'The Day of The Lily.' As we have explained in this book, on this single day in the vision, two events will take place on the earth, the one following the other in quick succession.

These are the Rapture/Resurrection at the end of the Hebrew year 5768 AM in 2008 AD. This is the true purpose of the cross, that the Lord Jesus Christ would die to save mankind. It is this mighty company of the saved, from those who still live on the earth to those who have died, that will be joined together to the Lord Jesus as His eternal bride on this glorious Day.

Within weeks, in the Hebrew year 5769, the Peace Treaty of Daniel 9:27 will reveal the Antichrist and begin the seven-year countdown to 5776.

The ancient promise of His coming, His name, His signature on all living matter, and how all things are held together through Him and for Him until He comes, is told in the codes of a single English word, LAMI NIN.
