

A summary of the 2,000 year Gospel Age that reveals the time of the Tribulation

In the scriptures the time of the tribulation is revealed through recognizing the number of years from two different historical events, the resurrection of Jesus in approximately 30 to 33 A.D., and the blossoming of the fig tree when Israel became a nation in 1948.

The 2,000 year gospel age to the Gentiles that is hidden within 12 Biblical stories represents the years from Jesus resurrection in 30 to 33 A.D. to the beginning of the tribulation in approximately 2030 to 2033. And the numbers 83 and 90 in Exodus 7:7 and Genesis 17:17, appear to be prophetic for the years from when Israel became a nation in 1948 to the first and last years of the tribulation in 2031 (1948+83) and 2038 (1948+90). In other words the 2,000 year gospel age from the resurrection points to the approximate time of the tribulation, while the prophetic numbers 83 and 90 reveal the years from 1948 to when the tribulation will take place.

In Exodus 7:7, before the 10 plagues of God's judgment on Egypt, the scriptures say Moses was 80 and Aaron was 83 when they began to speak against Pharaoh saying, "Let Israel go out of this land," Ex 6:11. Moses and Aaron are types for the two witnesses who will confront the Antichrist in the tribulation. And Aaron's age of 83 is a hidden prophetic clue for 83 years from 1948 in 2031, when the two witnesses 1260 day ministry will begin in the first year of the tribulation, before God's judgments are poured out on mankind.

And in Genesis [17:17](#), Sarah at the age of 90 giving birth to the promised son Isaac by Abraham's faith, (Rom 4:18-21) is a veiled prophecy for the 90 year old end-time nation of Israel, the wife of God (Jer, 2:2, Isa 54:6-10) in the birth pangs of the tribulation, when the children of promise in Israel will be born-again by faith in Jesus in 2038 (1948+90=2038), Galatians 4:28, Jer 30:6-7, Isa 26:17-21.

Jeremiah 30:6-7 Ask now, and see, can a man (Israel) bear a child? Why then do I see every man with his hands on his stomach like a woman in labor? (Israel in the birth pangs of the tribulation) Why has every face turned pale? (7) Alas! That day is so great there is none like it; it is a time of distress for Jacob; yet he shall be saved out of it, (born-again)

Galatians 4:28 Now you, brothers, like Isaac, are children of promise (born through faith in God).

In addition to 83 and 90, there are two stories with the numbers 85 and 850 that are prophetic for when the full number of tribulation saints will be killed at 85 years from 1948 in 2033, when Jesus seals the 12 tribes of 12,000 and the Wrath of the Lamb begins for unbelieving mankind in the last 5 years of the tribulation, Rev 6, 7.

There will also be **four blood moons** in 2032 and 2033. And three of these blood moons will **appear over Israel** as an ominous warning sign just before the Wrath of the Lamb begins in 2033, Joel 2:31-32, Rev 6:9-17.

Joel 2:31 The sun shall be turned to darkness, and **the moon to blood**, before the great and awesome day of the LORD comes.

And there are 5 stories with the number 38 that are prophetic for the last year of the tribulation in 2038.

When you recognize the 2,000 year gospel age in the scriptures that points to the approximate time of the tribulation, the numbers 83 and 90 that represent the years from 1948 to the tribulation, **the four blood moons** in 2032 and 2033 that will appear just before the wrath of the Lamb begins, and five stories with the number 38 that are prophetic for end of the tribulation in 2038, you begin to understand this is not a coincidence but a divine prophetic mystery that is revealing when the tribulation will be near. All of the prophetic numbers pointing to the tribulation and the four blood moons in 2032 and 2033 are in agreement and appear to be revealing the years of 2031 to 2038 for the seven years of tribulation.

Jesus said we will not know the exact day or hour when the tribulation will begin, however he did say when the fig tree blossoms (Israel becoming a nation in 1948) then you will know that summer is near, (Mat 24:32-44, Dan 2:34-35, Amo 8:1-14) the scorching heat of God's tribulation judgment for rebellious and unbelieving mankind, Rev 16:8-9.

The Feast of Trumpets that Israel observed is God's prophetic picture for the 7 years of tribulation. And even though Israel did not know the precise day or the hour when the Feast of Trumpets would begin at the first sighting of the new moon, they knew when the feast was near from observing the monthly cycle of the moon.

Therefore we also might know when the tribulation will be near, if we are observing the end time signs and studying the prophetic scriptures. And if God has hidden in His Word the actual years for when the tribulation will take place, then [like Israel](#) we will know when the prophetic Feast of Trumpets is near, however we will not know the exact day or hour when God's seven years of tribulation judgment will begin.

The prophetic numbers that point to the years of the tribulation and the **four blood moons** in 2032 and 2033 will be explained in greater detail in,
