SO TEACH US TO NUMBER OUR DAYS, THAT WE MAY APPLY OUR HEARTS UNTO WISDOM

By Dave Watchman on Sunday, October 2, 2011

As we are now past the potential fulfillment of the Feast of Trumpets (Lev 23:23-25) during Rosh Hashanah 2011, and Comet ELEnin has disintegrated into snow cones as of late August, and war seemingly is the only predictable path to a Palestinian State, and the three days of darkness in late September were simply replaced by cloudy skies, and the satellite that crashed harmlessly into the Pacific Ocean, as well as the asteroid and solar flares that have by-passed the earth being all non events; I want to know therefore, if the Bible offers any clues to the timing of Christ’s return to this earth, rather than men’s prognostications that have all failed? Now I know all about the “no man knows the day and the hour” verse, but could the Bible provide Christ’s watching Bride a little broader time frame for the Bridegroom’s return? After all, Paul told us in 1Thess 5:4-5 But ye, brethren, are not in darkness, that that day should overtake you as a thief. Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness.

Moses must have had a curious nature as well, because he prayed this prayer: Psalm 90:12 So teach us to number our days, that we may apply our hearts unto wisdom. Therefore, I’m asking the Holy Spirit now to honor this prayer for our generation! After all, Jesus said this about the Holy Spirit our teacher in John 16:13 Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come.

Earlier, in the 90th Chapter of Psalms, Moses stated in Psalm 90:4 For a thousand years in thy sight are but as yesterday when it is past, and as a watch in the night. In the New Testament, Peter offers a second witness to this Scripture: 2Peter 3:8 But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day. Hmmm …one day is with the Lord as a thousand years, and a thousand years as one day.

As I start my search for clues, one of my favorite O.T. verses came to my mind: Isaiah 46:10 Declaring the end from the beginning... Therefore, according to this verse, the clues I am searching for are hidden in the shadow of the Old Testament. Genesis chapters one and two, speak of the Seven Day Creation account, and therefore prophetically represent 7000 years, according to Moses and Peter http://www.thewatchmanstime.com/7000%20Year%20Biblical%20Timeline%20Overview.pdf!

Then, I recalled reading in the 6th Chapter of Joshua (meaning Jesus), how God supernaturally annihilated the City of Jericho, thru the obedience of Joshua’s ability to carry out his detailed instructions, when the time came for Israel to claim their land promised to them according to the Abrahamic Covenant. Do these detailed instructions contain clues that might point us to the final Jubilee year, where Jesus (meaning Joshua) personally returns ... every man unto his possession Lev 25:13, from the land, the Arabs stole from Israel, during the future time of Jacob’s Troubles? Here are those detailed instructions given to Joshua (meaning Jesus) from God:

Jos. 6:1 Now Jerico was straitly shut up because of the children of Israel: none went out, and none came in.
Jos. 6:2 And the Lord said unto Joshua, See, I have given into thine hands Jerico, and the king thereof, and the mighty men of valor.

Jos. 6:3 And ye shall compass the city, all ye men of war, and go round about the city once. Thus shalt thou do six days.

Jos. 6:4 And seven priests shall bear before the ark seven trumpets of rams' horns: and on the seventh day ye shall compass the city seven times, and the priests shall blow with the trumpets.

Jos. 6:5 And it shall come to pass, that when they make a long blast with the ram's horn, and when ye hear the sound of the trumpet, all the people shall shout with a great shout; and the wall of the city shall fall down flat, and the people shall ascend up every man straight before him.

Now please consider these facts. According to the Gregorian Calendar, humanity entered it’s 7th Millennium (7000th year = 7th day) on January 1, 2001. Also, please consider the word “times” (as in seven times in Jos. 6:4) could prophetically represent “two years” as it does in Dan. 12:7 and Rev. 12:14; therefore the seven times (7x2=14 years) the priests bearing the ram’s horns circled Jericho (Israel’s inheritance) on the 7th day (7 days =7000 years) in Joshua 6:4, could prophetically represent the year 2015! (2001 + 14 = 2015).

Is it a coincidence, the next Jubilee year will be proclaimed on September 23, 2015, while the current Sabbatical year, as well as a series of extremely rare Lunar and Solar Eclipses occurring on Holy Jewish Feasts dates (http://www.fivedoves.com/letters/oct2011/dave101.htm) will all converge together during “Tabernacles” in the Fall of 2015? Is it any wonder, watching Christian’s are sensing “the time of the end” is soon approaching: some mistakenly said this September 2011, and others believe it will start in the Middle of Passover in the Spring of 2012 (start of the time of Jacob’s Troubles on April 11, 2012 + 1260 days = Sept. 23, 2015)?

Couple this information with the floods, fires, earthquakes, wars in the Middle East, global economic meltdown, Comet ELEnin , proposed Palestinian State, Arab Spring, now Palestinian Winter, ect., ect., and it is high time for us all to awake out of our slumber, and realize “the time of the end” is at the door! Just take 11 minutes and watch this excellent video is case you have forgotten: http://www.youtube.com/watch?v=IW2kB2JUohU&feature=autoshare And please refrain from calling me a date setter, because nowhere in this article did I say when I think the rapture might take place; and even if I did, there is always “two calendar days” occurring simultaneously on the earth at any given moment in time! I will however say I believe the rapture will “most likely” occur sometime between now (10/02/2011) and the end of September in 2015! Rev. 22:17 And the Spirit and the bride say, Come...

Luke 21:24 “fulfilled”, when Jerusalem came back under the control of Israel in the 6-day War: “resetting” the Jubilee Feast clock in Lev 25:8-13!

From the Middle of Passover in 2012 until the Day of Atonement on Sept 23, 2015 is 1260 days!
