

AQUARIUS CODE HIDDEN IN THE PASSOVER

A TYPOLOGY RELATING TO THE END OF THE AGE & THE RAPTURE OF THE CHURCH

This illustration seeks to depict a prophetic correlation of the 4 Passover Cups of Redemption to the Church Age Dispensation. The Passover account in the 1st century is striking in that Jesus noted that the Sign of the place and time would be a man carrying a jar of water. The 'Code' or Sign that Jesus gave His Disciples could be a similar 'Code' or Sign to His End Times Disciples in the last century. It is a cosmic foreshadowing of when the 'last' Passover of the Christian Era will coincide with the Astronomical Sign of the man carrying a jar of water. This is the Sign of Aquarius. Will this Cosmic Sign herald when the end of the Church Age is to conclude with the Rapture of the Church? A timeline superimposes the 4 Cups of the Passover Seder of Redemption. The first 3 Cups of the Passover appear to correlate to be a type and shadow of how the Church Age has transpired. Each Cup seems to reflect the tone of the 7 Church Ages of the past 2000 years. The 4th Cup called the Hallel Cup would then correspond to the Millennial Reign of Christ. However, there is an apparent intermission due to Israel's divine judgment that is correlated to the 5th cup of Elijah that is to last for 7 years after the Rapture event that is called the Tribulation Period and the Time of Jacob's Troubles.

The Blood of Jesus Christ, the Messiah was the Passover Lamb without sin. -1 Pet 1:19

The Chinese word for 'Blood' is a picture of a nail use for 'piercing'. It is an Altar and Blood flowing from the sides.
