## The Warning will purify God's children in preparation for My Second Coming

*December 8, 2012*

My dearly beloved daughter, just as My Father prepared the world for My First Coming, so now He is preparing His children for My Second Coming.

All Heaven rejoiced when I was born, for they knew that I was sent to save mankind from eternal damnation. Now the hierarchy of all the angels and all the saints rejoice because preparations are now underway to make the world ready to welcome again Me, Jesus Christ, the Son of Man.

**Only My Father knows the dates, but I can tell you that it will take place not too long after The Warning has played out.**

This is the time My Father has patiently waited for. Finally He can throw the Beast and his demons, who – tormenting His children – haunt the earth, into the abyss.

**The Warning will purify God's children in preparation for My Second Coming.**

This is necessary because it will lead many people, who otherwise would not have done so, to now ask for the forgiveness of their sins.

The earthquakes, storms, floods and weather that is abnormal for the season will combine to cleanse the earth of the poison. The land, sea and air will also be purified to be completely ready for the New Paradise, when Heaven and earth will merge into one.

Everything is carefully organized according to My Father's divine plans. Very little is known among men about the divine laws governing My Father's Kingdom on earth and in Heaven.

You have been taught much, by the prophets and by My teachings. But there is much that remains a mystery to you. In time, when the mysteries are revealed to you, you will understand the reason for human suffering.

**Many of you, wise divines, adhere as best you can to the laws laid down by Me.**

**Know then that the love that God has for His children is beyond theological reasoning.**

**The same goes for the simple soul who feels a sincere love for Me, their beloved Jesus, without analyzing why.**

By trusting in Me and believing that My love is merciful and longsuffering, know that I will fulfill My Father's promises.

His Divine Will will finally be done. Only His Will can bring peace among His children. That will be the revelation by which all His creation will love Him and accept His love and gifts He desires to bestow upon His children.

The world has seen only a fraction of the wonders created by My Father.

His children have yet to behold the real glory of the Kingdom that awaits them.

After much pain and suffering caused by the hatred inflicted on earth by the fallen angels, led by Satan, all will now be settled.

The final battle will ensure that the destruction of evil is finally completed.

**The Warning is a miracle, granted by My Father to ensure that as many of His children as possible can enter My New Kingdom.**

**Because of the apostasy and doctrinal errors spread by misguided ordained servants over the past four decades, this is the only way to unite humanity quickly.**

The size of the world's population today means **that billions could be saved** by this miracle of the Illumination of Conscience.

**As the time now moves into the Great Tribulation, I, the Lamb of God, will reveal to the world the true meaning of the contents of the Seals given to John .**

The Book of Truth is the Word of God, which has hitherto been given to mankind through My Father's Book. It reminds God's children of the Truth, as so many have forgotten it.

**It will also reveal some of the mysteries of the end times as given to Daniel** so that you are all prepared to enter the New Paradise of your own free will.

Do not reject the truth as it is now given to you, for that would be like a sick person refusing treatment for the disease. Without the Truth you will be ill-prepared to enter My New Paradise.

You Jesus
