Dear Reader: This is a republication of my original February 2012 document.

I believe that the Road Map to Peace Agreement released April 30, 2003 is the sentinel event for the Bondservant Bound by a Contract Prophecy Riddle. *(It is also interesting that **March 20, 2003** marked the launching of the second Desert Storm War.)* Israel and the Palestinian Authority accepted and signed the agreement from the **Quartet [the United States, European Union, United Nations, and Russia]**. America brokered this agreement with Israel and the Palestinian Authority. **Is this the Covenant from hell that will be annulled by God?** **Did Israel sell itself into bondservant status to America (and the Quartet) through signing this Roadmap to Peace Treaty released April 30, 2003?**

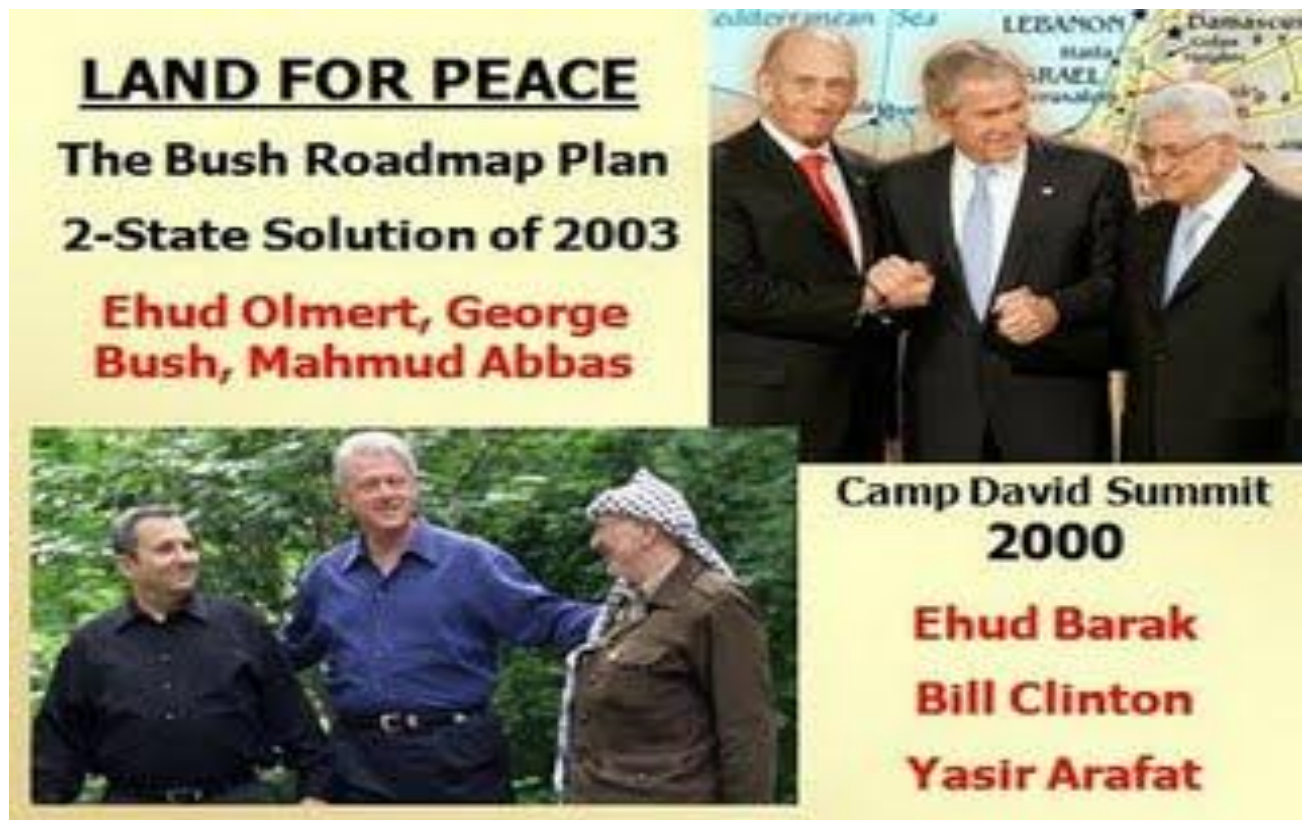

In my original 2010 publication, I asked the question: Did Israel sell itself into bondservant status to America (and the Quartet) through signing (along with the Palestinian Authority) **the Roadmap to Peace Agreement (Treaty) released April 30, 2003?** While the Roadmap to Peace was the original document, it now appears to me that Israel's Prime Minister, Ariel Sharon, created an additional document called **"Israel's Unilateral Disengagement Plan"** based on ill-conceived advice from Ariel's son Gilad, who wrote that he gave his father the idea of the disengagement. **This "Gaza Expulsion Plan—Hitnatkut" or "Unilateral Disengagement Plan Implementaton Law" (voluntary bondservant agreement under great duress) was then finally approved by the Israeli Knesset on February 16, 2005.**

[Please notice that according to God's "Hebrew Bondservant Law" the bondservant is ELIGIBLE for freedom after six full years of service; and, MUST BE SET FREE NO LATER THAN SEVEN FULL YEARS OF SERVICE. Based on the above date of February, 16, 2005, God's Law says that Israel must be set free no later than February 16, 2012 which has passed! I previously wrote, Judgment will now come onto the responsible parties, of which America is the Prime Party involved!] But wait, I now realize that the Isaiah 21:16 Twin Riddle applies to Isaiah 16:13-14; and, it says "within one year" and that means after the 7th year 'NLT' limit has been reached, hence 2-16-13.

So, Saudi Arabia (Kedar) will soon be severely pruned by the God of Israel—(Kedar was the first born of Ishmael Gen 25:13). Also, **Isaiah 16:13-14** still seems to point to the "key" sentinel event date of **January 18, 2009.** **Within 3 years of a certain sentinel event date, Jordan (Moab) will also be severely pruned by the God of Israel.**

Could it be **January 18, 2009**, the end of the Operation Cast Lead War against Palestinian Gaza and its allies—**the Palestinians are Jordanians—(i.e., Moab)**. The **"Hashemites of Jordan"** created the lie and travesty of presenting the Palestinian State to the United Nations as being legitimate and have also made their claim to East Jerusalem!

Please notice that **Isaiah 16:13-14** are the last verses of **Chapter 16**, and then comes **Isaiah 17:1 the Destruction of Damascus!!!** While **Jordan's "3" years expired Jan 18, 2012**, it now seems to me that we must add 'one more year', i.e., **Jan 18, 2013 based on Isaiah 21:16 which ties into Isaiah 16:13-14 as a twin prophecy regulating Hebrew bondservants bound by God's Biblical contracts.**

The "Mother of all Middle East Wars" is coming soon.

[Red Alert: We are poised for Desert Storm War III with the Iranian madman, Mahmoud Ahmadinejad, working 24/7 with his Arab terrorist allies to launch a final nuclear war of

annihilation against Israel.] He (and his allies) want to **wipe the Nation of Israel off of the map** and **kill every Jew so that the name of Jacob (Israel) will be no more be in remembrance on this Earth (Psalms 83:4).**

Palestinian President Mahmud Abbas

Israel can define itself as a Jewish State, "*but I don't accept it and I say so publicly*"

Ramallah Speech 4/2009

The **Hamas** Charter

#1 - Israel will exist and continue to exist until **Islam** will **obliterate** it.

#2 - The **land** of **Palestine** is to be **Islamic** consecrated to future Muslim generations until Judgment Day

#3 - There is only 1 solution to resolve the conflict and that is **Jihad**

Author Bill Salus states that for over six decades the international community has attempted to convince the Arabs and Jews to get along peacefully. It has reduced American presidents from kings to real estate brokers attempting to barter land for peace, and to what avail? The geo-political situation in the cradle of civilization worsens daily. The flawed land for peace policy *does nothing more than ask the nation Israel to take a lethal bullet from point blank range* for the good of the international community.

Israel realizes now, more than ever before, that their enemies don't want peace with the Jews; they want peace without the Jews. The Arabs don't want a 2 - State Solution; they seek a 1 - State Solution consisting of a final Arab State in the Mideast called Palestine. Furthermore, they now believe it is obtainable. The Palestinians and their Arab and Persian cohorts are no longer lobbing protest stones at the Jews but are on the verge of going nuclear! Hence Israel has "entered into a covenant with DEATH and HELL". [Isaiah 28:14-18(KJV)]¹⁴ Wherefore hear the word of the LORD, ye scornful men, that rule this people which is in Jerusalem.¹⁵ Because ye have said, WE HAVE MADE A COVENANT WITH DEATH, AND WITH HELL ARE WE AT AGREEMENT; when the overflowing scourge shall pass through, it shall not come unto us: for we have made lies our refuge, and under falsehood have we hid ourselves:¹⁶ THEREFORE thus saith the Lord GOD, Behold, I lay in Zion for a foundation a stone, a tried stone, a precious corner stone, a sure foundation: he that believeth shall not make haste.¹⁷ Judgment also will I lay to the line, and righteousness to the plummet: and the hail shall sweep away the refuge of lies, and the waters shall overflow the hiding place.

¹⁸ AND YOUR COVENANT WITH DEATH SHALL BE DISANNULLED, AND YOUR AGREEMENT WITH HELL SHALL NOT STAND; when the overflowing scourge shall pass through, then ye shall be trodden down by it.] CONCLUSIONS: It is much later on God's time clock than most people realize. It is way past time to "WAKE UP" and prepare to meet thy God, O Israel (and America)!!!!...Amos 4:12.

ISAIAH 21:16 (NIV) ¹⁶This is what the Lord says to me: "WITHIN ONE YEAR, as a servant bound by contract would count it, all the pomp of Kedar will come to an end". Dear reader, please remember that in my Desert Storm War III is Now Imminent (Article #2) posted on Five Doves October 22, 2010, I linked you to Avi Lipkin's video interview with J.R. Church and Gary Stearman, in which Avi Lipkin gave absolute proof that Barack Obama is really a plant for the Saudi Arabian government! Wow! Folks, Kedar is

Saudi Arabia in Isaiah 21:16, which is in the Desert Storm Wars Chapter! <http://www.fivedoves.com/letters/oct2010/harveyt1022.htm>

[Excerpted from my Emmaus Road Ministries Newsletter for September/October 2009 titled: IS DESERT STORM WAR III, THE LYNCHPIN?] **Written for “the Rabbi” by an adopted son. Harvey Troyer [Marinatha!]**

MAN’S ROAD MAP TO PEACE IS:

GOD’S ROAD MAP TO WORLD WAR III

[Matt 10:34(KJV) ³⁴ **Think not that I am come to send peace on earth: I came not to send peace, but a sword.**]

But the **day of the Lord** *will come as a thief in the night*, in which the heavens will pass away with a great noise, and **the elements will melt with fervent**

heat; both the earth and the works that are in it will be burned up. Therefore, since all these things will be dissolved, what manner of persons ought you to be in holy conduct and godliness, looking for and hastening the coming of the day of God, because of which the heavens will be dissolved, being on fire, and **the elements will melt with fervent heat?**

2 Peter 3:10-12 (KJV)

WORLD WAR III WILL BE HORRIBLE!

History and Discussion of **Israel's Unilateral Disengagement Plan** also Known as the **"Gaza Expulsion Plan—Hitnatkut" or "Unilateral Disengagement Plan Implementaton Law"**

http://en.wikipedia.org/wiki/Israel's_unilateral_disengagement_plan

I previously asked the question: Did Israel sell itself into bondservant status to America (and the Quartet) through signing (along with the Palestinian Authority)

the Roadmap to Peace Agreement (Treaty) released April 30, 2003? While the Roadmap to Peace was the original document, it now appears to me that Israel's Prime Minister, Ariel Sharon, created an additional document called "Israel's Unilateral Disengagement Plan" based on ill-conceived advice from Ariel's son Gilad, who wrote that he gave his father the idea of the disengagement. **This "Gaza Expulsion Plan—Hitnatkut" or "Unilateral Disengagement Plan Implementaton Law" was then finally approved by the Israeli Knesset until FEBRUARY 16, 2005.**

[Please notice that according to GOD'S "HEBREW BONDSERVANT LAW" the bondservant is eligible for freedom after six full years of service; and, MUST BE SET FREE NO LATER THAN SEVEN FULL YEARS OF SERVICE. Based on the above date of February, 16, 2005, God's Law says that Israel must be set free no later than FEBRUARY 16, 2012 which we just passed! Judgment will now come onto the responsible parties, of which America is the Prime Party involved!]

Ariel Sharon first announced this Unilateral Disengagement Plan at the 4th Israeli Herzliya Conference on December 19, 2003. This was Sharon's way of trying to overcome the total non-compliance and non-performance, on the part of the Palestinians, regarding the Roadmap to Peace Agreement which the Palestinians had signed.

It took until June 6, 2004, for Sharon's government to approve an "AMENDED DISENGAGEMENT PLAN". Opponents of this plan, and some ministers, such as [Benjamin Netanyahu](#) and former minister [Natan Sharansky](#), called on Sharon to hold a national referendum to prove that he had a mandate, which he refused to do. Following are just some of the events that marked a tremendous fight inside the Israeli government to get this very unpopular plan approved.

On October 26, 2004 the Knesset gave preliminary approval for the plan with 67 for, 45 against, 7 abstentions, and 1 member absent. Netanyahu and three other cabinet ministers from Sharon's ruling Likud government threatened to resign unless Sharon agreed to hold a national referendum on the plan WITHIN FOURTEEN DAYS. **On November 9, 2004** Netanyahu withdrew his resignation threat, saying "In this new situation [i.e., the death of [Yasser Arafat](#)], I have decided to stay in the government". This followed the vote from fourteen days earlier and Sharon's subsequent refusal to budge on the referendum issue. Thus the three other cabinet ministers from the Likud party also backed down from their threat within days.

On December 30, 2004 Sharon sealed a deal with the Labor Party to form a coalition, with [Shimon Peres](#) becoming [Vice Premier](#), restoring the government's majority in the Knesset.

Finally on February 16, 2005, the Knesset finalized and approved the plan with 59 in favor, 40 opposed, 5 abstaining. A proposed amendment to submit the plan to a referendum was rejected, 29-72.

However, this new law was not enacted and implemented until August 2005. Those Israeli citizens who refused to accept government compensation packaged and voluntarily vacate their homes prior to the August 15, 2005 deadline, were evicted by the Israeli security forces over a period of several days. The eviction of all residents, demolition of the residential buildings and evacuation of associated security personnel from the Gaza Strip was completed by September 12, 2005. The eviction and dismantlement of the four settlements in the northern West Bank was completed ten days later, September 22, 2005.

U.S. government position: U.S. president George W. Bush endorsed the plan as a positive step towards the road map for peace. At a joint press conference with Ariel Sharon on April 11, 2005 he said:

I strongly support [Prime Minister Sharon's] courageous initiative to disengage from Gaza and part of the West Bank. The Prime Minister is willing to coordinate the implementation of **the disengagement plan** with the Palestinians. I urge the Palestinian leadership to accept his offer. By working together, Israelis and Palestinians can lay the groundwork for a peaceful transition. **And in his May 26, 2005,** joint press conference welcoming Palestinian leader [Mahmoud Abbas](#) to the [White House](#), President Bush elaborated:

The imminent Israeli disengagement from Gaza, parts of the West Bank, presents an opportunity to lay the groundwork for a return to the road map... To help ensure that the Gaza disengagement is a success, the United States will provide to the Palestinian Authority \$50 million to be used for new housing and infrastructure projects in the Gaza.

On April 11, 2005, President Bush stated: As part of a final peace settlement, Israel must have secure and recognized borders, which should emerge from negotiations between the parties in accordance with [UNSC](#) Resolutions [242](#) and [338](#). In light of new realities on the ground, including already existing major Israeli population centers, **it is unrealistic that the outcome of final status negotiations will be a full and complete return to the armistice lines of 1949.**

In his May 26, 2005 joint press conference with Palestinian leader Mahmoud Abbas, in the [Rose Garden](#), President Bush stated his expectations vis-a-vis the Roadmap Plan as follows: Any final status agreement must be reached between the two parties, and changes to the 1949 Armistice lines must be mutually agreed to. A viable two-state solution must ensure contiguity of the West Bank, and a state of scattered territories will not work. There must also be meaningful linkages between the West Bank and Gaza. **This is the position of the United States today, it will be the position of the United States at the time of final status negotiations.**

On 4 January 2006, Israeli Prime Minister Ariel Sharon suffered a severe stroke that left him in a [persistent vegetative state](#). I believe that Ariel Sharon's unusual circumstances of holding onto life by a thread since January 4, 2005 are reflective of just how serious God is about this whole matter. We shall soon see. **Judgment will fall any day now. Ariel Sharon defied God's warning not to divide His land!** He is still in a coma. He is a sure sign of imminent judgment which will now be forthcoming in my opinion.

Please take note that when I originally published this article in October, 2009 I stated the following regarding the fulfillment of this **BONDSERVANT BOUND BY A CONTRACT PROPHECY RIDDLE FROM ISAIAH 21:16**. **I based that conclusion on the sentinel event date of April 30, 2003—the release of the Roadmap to Peace Agreement of the Quartet.**

However, in this republication article I have changed the date of fulfillment of this **Bondsर्वant Bound by a Contract Prophecy Riddle (Isaiah 21:16)** to the above **"CORRECTED" SENTINEL EVENT DATE OF FEBRUARY 16, 2012**, based on the additional information which I have provided showing explicitly the process that was followed by the Israeli government in approving the Gaza Expulsion Plan, Hitnatkut.

My "Original" Publication's Sentinel Date Follows: "The bottom line is that this prophecy points to fulfillment no later than April 2010. Israel served out six full years under the Roadmap to Peace Agreement in April 2009, and we are now in the "7th year"!!! Please read the following more detailed explanation.

Again, in early 2012, I changed that previous no later than (NLT) date to **FEBRUARY 16, 2012** based on new information discovered, which showed that February 16, 2005 was the correct starting date for this prophecy. I then added the maximum allowed time of '7 years' which came to 2-16-12. After that date had passed, I continued to pray and study these complex Twin Prophecy Riddles (Isaiah 21:16 and Isaiah 16:13-14) until I finally realized that "within one year" in Isaiah 21:16 applies to Isaiah 16:13-14 also; and, that it means after the 7th year NLT limit has been reached. That required adding 'one more year' to February 16, 2012 and extended the final deadline to February 16, 2013. Also, the Feb 16, 2013 date overrides the January 18, 2013 sentinel date of these two twin Prophecy Riddles, IMHO. [Precious people, do you see how this Isaiah 16:13-14 Prophecy Riddle follows the exact pattern of three years, then add one more year, as in the Parable(s) of the Fig Tree AND ALL THE TREES?]

Luke 21:29-32 (NIV) ²⁹ He told them this parable: **Look at the fig tree AND ALL THE TREES.** ³⁰ **When they sprout leaves, you can see for yourselves and know that summer is near.** ³¹ **Even so, when you see these things happening, you know that the kingdom of God is near.**

³² **I tell you the truth, this generation will certainly not pass away until all these things have happened.**

Please note: This same parable is also found in **Matt 24: 32-35** and **Mk 13: 28-31**; however, both only mention The Fig Tree and omit mentioning "all the trees". I will comment later on the importance of not only looking at the Fig Tree, but also looking at all the trees as Luke has recorded. **Luke's Gospel was written for everyone, especially the Gentiles!** So then, if today's Israel represents the Fig Tree in this parable, **then today's Gentile nations represent "all the trees".**

Also, please notice now that the fig tree is mentioned in a completely separate parable of Jesus in Lk 13: 6-9 as follows. **This fig tree is planted in a man's vineyard and it has a problem with bearing fruit; in fact, it has no fruit!** Jesus gave them (the Jews) this parable after preaching to them "**REPENT OR PERISH**", Luke 13:1-5). Read Isaiah Chapter 5 (also following) to find out who the owner of the vineyard is and who is tending it.

Luke 13: 6-9 (NIV) ⁶ Then he told this parable: **"A man had a fig tree (Israel), planted in his vineyard, and he went to look for fruit on it, but did not find any. ⁷ So he said to the man who took care of the vineyard, 'For three years now I've been coming to look for fruit on this fig tree and haven't found any. Cut it down! Why should it use up the soil?'**

⁸ **Sir, the man replied, 'leave it alone for one more year', and I'll dig around it and fertilize it.**

⁹ **If it bears fruit next year (~~Jan 18, 2012?~~), fine! If not, then cut it down."** (Please notice that the date of Jan 18, 2009, the actual end of Israel's Operation Cast Lead War, plus 3 years is Jan 18, 2012 matching Luke 13:6-7). And, the 'one more year' fell on **January 18, 2013 right on the eve of "THE RAISING CEREMONY"**. Please Click on the following URL LINK:

Folks, I believe with all my heart that (per Isaiah 16:13-14 and Isaiah 21:16), the Twin Bondservant Prophecy Riddles have now bound Israel's Masters by God's unbreakable law and there will be no more grace extended for repentance after February 16, 2013. We are in the final countdown to the release of Almighty God's overflowing Cup of the Lord's Wrath. Every nation involved will drink of this cup and America, the End-time Babylon, is at the top of the list as most guilty.

Isaiah 5:7 (NIV)

⁷ **The vineyard of the LORD Almighty is the house of Israel,** and the men of Judah are the garden of his delight.

And he looked for justice, but saw bloodshed (Psalm 83 Enemies in full bloom!);

for righteousness, but heard cries of distress. (Israel's Operation Cast Lead War broke out 12/27/2008 and ended JANUARY 18, 2009!)

How many days are there between **April 11, 2012(Mid-Trib1260)** and **January 18, 2013?** **Answer: 280 Days**—A Human Gestation Period added. [Note: Jan 18th was counted from sunset Jan 17th and it was the 4th Anniversary of the Operation Cast Lead War's ending date. Who does not remember how we all anticipated the arrival of the Antichrist on April 11, 2012? I find it most interesting how this links to January 18, 2013 and the Raising Ceremony. Also, January 19, 2013 was Epiphany or Theophany for Eastern Churches following the Julian

Calendar, because for the "13-day" difference today between that calendar the generally used Gregorian Calendar. And, of course, the American President's four-year term of office ends and begins again from 12:00 noon on January 20th, 2013. Wow, what a "coincidence", right? Way to set things up Roman Catholic Church Hierarchy! Good Job working with the Freemason Illuminati, et. al! **Oh, and as of 2-11-13 Pope Benedict XVI announces his retirement commencing February 28, 2013 so the Peter the Roman, "Petrus Romanus—the Final Pope, can emerge right on queue.** And Obama is planning to fly to Jerusalem on March 20-21, 2013 for Special Meetings with Bibi Netanyahu, etc. [March 20 sunset to March 21 sunset is Nissan 10 which is the day the Israel is supposed to select and set aside their spotless lamb without blemishes for the Nissan 14th Passover Sacrifice. Now who does not know that Nissan 14th was the day the Jesus Christ of Nazareth, King of the Jews, my most holy Lord and Saviour was Crucified? What's going on? **Stop Children What's That Sound, Everybody Look What's Going Down—Buffalo Springfield folk rock band 1966.**

Now if just showed you that symbolically this "Omen" (Nemo backwards) AC baby's gestation was from April 11, 2012 to January 18, 2013—Right? Does my God who numbers the hair on my head and knows when a sparrow falls to the ground, have it together? You are not going to believe this one.

Above Buffalo Springfield Band debuted on April 11, 1966 exactly 46 (2 x 23) years to the day before April 11, 2012 (MidTrib1260)! He used Nebuchadnezzar, Balaam the Moabite Sorcerer, and Balaam's Jack A—, Oeps donkey, so why not Buffalo Springfield? Listen to the Song and Check out the Lyrics:

God gave a final 7-day warning to Noah to get everything loaded and then it (the Day of Judgment) would commence on Cheshvan 17th. Through Charity's Vision the Lord warned us to count a long number of repeated slammings of Noah's Ark Door starting with the initial Slam on Cheshvan 17th, which was Thursday, November 1, 2012. February 14th, 2013 (Valentine's Day) will be the 16th (16=Love) Slam. Since the count goes: "5", "6", "7" Jesus; my Bondservant Prophecy Riddle Sentinel Event Date of February 16, 2013 falls on Saturday (Charity Day 7) and at sunset in Jerusalem it will change to Sunday (Jesus) to match the 16th (16 =Love) slamming of the Ark Door. That is the Final 7-Day Warning per Genesis 7:10-11. **Exactly 7 days later we reach Saturday February 23, 2013 and at Sunset in Jerusalem it will be the start of Adar 14, 5773, the Feast of Purim. This will also be the 17th (17=Victory) Slamming of Noah's Ark Door.**

How may days between Pentacost (sunset May 28,2012) and Jan 18, 2013? Answer: 234 Days—Vincent Tan's Number. July 4, 2012 to 2-22-13 (George Washington's BD) is also 234 Days—Vincent Tan's Number. [Note: July 4th was counted from sunset July 3, 2012] Feb 22, 2013 is the Illuminati's Target Date [22=Light as in Day of Light—23=Death as in Brotherhood of Death 322(Gen 3:22)] The number 234 divided by 153(the Big Fish Catch Number) = 1.53 Read **Matt 13:47-50 Parable of the Net (it is dynamite)!**

I have much additional exiting information to give you about how the Rapture and Sudden Destruction signs are all pointing to Purim. Stay tuned!
