

Study on future events according to Scripture with tangible evidence

*It is the glory of God to conceal a thing: but the honour of kings is to search out a matter.
Proverbs 25:2*

*Study to shew thyself approved unto God, a workman that needeth not to be ashamed,
rightly dividing the word of truth.
2 Timothy 2:15*

*The New Covenant is in the Old Covenant concealed,
and the Old Covenant is in the New Covenant revealed*

First I'm going to lay down the frame work, in order for us to understand the outcome, so in the end we as the Bride of Moshiach (Christ) will be prepared spiritually for the time ahead. In this study, I will not adhere to any Denomination, nor apply any Biblical Commentaries, (only by reference) but I will reflect on the evidence that has been revealed to the son's and daughter's by our Heavenly Father, YaHuaH (YHWH)¹. I will be using the King James Version, unless otherwise stated, in order to validate the words from the Hebrew and Greek.

Also by no means will I confirm that "Thus sayeth the LORD" or any revelation or vision, but by just studying the Word of YaHuaH and by the guidance of the Ruach HaKodesh (Holy Spirit) and my conclusions are not date setting but actual facts based on Scientific and Biblical evidence.

In Daniel 9:2, it is written how Daniel was reading the scroll of Jeremiah, the Prophet that the exile into Babylon would lasted for 70 years, and where he then prayed to YaHuaH for forgiveness and repent for the whole nation of Israel due to their disobedience and who have forsaken HIS Commandments and HIS Torah (Word of GOD).

From this passage, Daniel only read the scroll of Jeremiah, the Prophet to realize that the 70 years is coming to an end, and therefore he interceded for the nation of Israel and repented for the sins of the people. He did not use Commentaries or even the Babylonian Talmud (Commentaries on the TaNaHak [The Old Testament]) which was available at that time.

In Daniel 9:22, Daniel informed us that Gabriel came to him and saying; *O Daniel, I am now come forth to give thee skill and understanding.*

¹ Within the early Scripture including the Dead Sea Scrolls, the Name of 'GOD' is revealed as the Tetragrammaton, יהוה "YHWH" which is translated in English. In order to pronounce the Name, vowels have been added to pronouns HIS Name (Yah- oo-wah). There are many different pronunciations but the point is that we now know the Name of our Creator and Saviour.

What is interesting to note in this passage is that although Daniel had wisdom and could interpret dreams by YaHuaH's Will, he still needed '*skill and understanding*' regarding this specific vision.

My point that I want to make is that even if we had studied for years, attend seminars and Bible school, receiving credentials, and learned what we can, we still lack the '*skill and understanding*' that can only come from YaHuaH and by HIS Spirit, the Ruach HaKodesh. (Set Apart Spirit/Holy Spirit)

In Daniel 12:4 it is written; *But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased.*

From the above scripture there are five points that I want to point out as follows;

- Shut up the words
- Seal the book
- To the time of the end
- Many shall run to and fro
- Knowledge shall be increased

My observation is that the first two statements are connected to the third statement which says '*to shut up the words and to seal the book*' relating to the '*time of the end*'.

To determine the *time of the end* is related to the last two statements which are '*many shall run to and fro, and knowledge shall be increased.*'

Not to go into much detail, the statement "*run to and fro*" is referred to in the Hebrew as; [shuwt] which is found 6 times in the TaNaHaK, and the meaning is referred to as "*by implication, to travel*".

The next statement "*and knowledge shall be increased*" is divided by two Hebrew words. The word '*knowledge*' is referred to in Hebrew as; [da'ath] and the meaning is referred to as "*discernment, understanding, and wisdom*", whereas "*increased*" is referred in Hebrew as; [rabah] which one of the meanings is to "*multiply*". By putting the two words together "*discernment, understanding, and wisdom*" will "*multiply*".

Therefore, the last two statements are related to the time of the end and it is common knowledge that in the last 100 + years, the human race has mastered air travel, even went into space and we have advance technologically to an extent that with astronomical software, we can move backwards in time and forward in time to see exactly where the Constellations and Planets, were positioned in a certain time period.

I need to add a small detail that most of the Bride of Moshiach missed or neglect which indirectly are not our fault, due to the fact that the Shepard's (Pastor's, Teacher's, etc.) have not taught the flock

these powerful Words form Yahshua² (Jesus) Himself. I will quote some of the Scripture verses and expounded on them, regarding the urgency why Yahshua has taught this concept.

Matthew 24:42;

Watch therefore: for ye know not what hour your Lord doth come.

Matthew 26:41;

Watch and pray, that ye enter not into temptation: the spirit indeed is willing, but the flesh is weak.

Mark 13:33;

Take ye heed, **watch** and pray: for ye know not when the time is.

Mark 13:35;

Watch ye therefore: for ye know not when the master of the house cometh, at even, or at midnight, or at the cockcrowing, or in the morning:

Luke 21:36;

Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

Now, this is only a part of the Scriptures, but what I want to bring over is the highlighted (**Bold**) word “Watch” used in these Scriptures. This word ‘watch’ has the Strong’s # G1127 and it is defined as follows;

gray-gor-yoo'-o (Greek)

From G1453; to **keep awake, that is, watch (literally or figuratively): - be vigilant, wake, (be) watch (-full)**

If you read the context of these Scriptures, you will recognize these verses by now of by heart because this is what we have been taught in Church that ‘no one knows the day or the hour’ but what is not being emphasized is the word that gives the verse an action or provide the body of the verse, and as can be seen, the word was repeated many times.

According to the Oxford Dictionary, the word “watch” in this case is presented as a *noun* and is described as follows; “The act of watching, especially to see that all is well, constant observation or attention, keep watch.”

² The Hebrew Name that was instructed by the angel Gabriel, to be given to the child that was born was Yahshua which is a compounded word between YaHuaH (YAH: *yod-heh*) and SHUA (*shin-ayin*), which means salvation, and therefore the Name YaHshua means “YaHuaH is Salvation.”

This description of the word 'watch' could be seen as a root word, and there are various references to it being 'Watchmen' and 'Watchman' in the TaNaHaK, but I will single out two verses to make my point.

Isaiah 62:6, 7;

*I have set **watchmen** upon thy walls, O Jerusalem, which shall never hold their peace day nor night: ye that make mention of the LORD, keep not silence, and give him no rest, till he establishes, and till he make Jerusalem a praise in the earth.*

Ezekiel 33:3-6;

*If when he seeth the sword come upon the land, he blows the trumpet, and warn the people; Then whosoever heareth the sound of the trumpet, and **taketh not warning**; if the sword come, and take him away, **his blood shall be upon his own head**. He heard the sound of the trumpet, and took not warning; his blood shall be upon him. **But he that taketh warning shall deliver his soul**. But if the **watchman** see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; **but his blood will I require at the watchman's hand**.*

Notice verse 3 – 5 relates to sounding of the trumpet to warn the people of impending disaster and if the people doesn't hearken to the warning, their blood will be on their own heads. But those that hearken to the trumpet blast and the warning, it is written that those who take the warning serious **shall deliver their souls**.

Powerful Scripture and something to ponder upon!

In the latter Scripture (verse 6) the one that speaks is YahuaH Himself, so how does this applies to the Bride of Moshiach?

A Watchman is called and equipped by ABBA YahuaH Himself as his purpose in this life that stands apart from the Five-fold Ministry. One can be called to be a Pastor, Teacher, Evangelist, etc. and also be a Watchman which is a big responsibility, based on the obedience or disobedience of watching to see if the sword is coming, and to warn the body of Moshiach of what is coming.

There is a Scripture that I want to point out which Yahshua said Himself and this is very important.

Mark 13:37;

*And what I say unto you I say unto all, **Watch**.*

The preceding verses culminates into this verse and I believe what is required from the Bride of Moshiach is to be vigilant, awake and to be watchful.

I believe the most important Scripture relating to 'Watch' is found in **Revelation 3:3**;

*Remember therefore how thou hast received and heard, and hold fast, and repent. If therefore **thou shalt not watch, I will come on thee as a thief, and thou shalt not know what hour I will come upon thee.***

Read this again and let it sink in....in this verse Yahshua said that if you shall not **watch**, HE will come on you as a thief and you will not know which hour HE will come!

My friends, do you see now that what was written by Matthew and Mark, probably between A.D. 55 and 65, was given in part as oppose to what was written by John on the island of Patmos (Revelation) in about A.D. 95, where the phrase '*no one knows the day or the hour*' has been answered!

So now is the question, what should we be watching?

It is clear that one can find some of the information in Matthew 24, and in Daniel 9 and of course in Revelation relating to the time of the end. The instruction that was given in Mark 13:37 is clear that we all are commanded to 'Watch'.

It is understandable and agreed by many scholars that the prophecies that had been penned, some are **symbolic/symbolism**, some are **figurative**, and some are **factual** meaning real, also observable, as described which I will point out during this study.

According to the 'Oxford Dictionary' the word "*Symbolic / Symbolism*" is described as a *noun* and means '*use of symbols to express things*' and "*Figurative*" is an *adjective* and means '*using or containing a figure of speech, metaphorical, not literal.*' The phrase '*figure of speech*' reveals a '*word or phrase used for vivid or dramatic effect and not literally.*'

Before we go further, I want to draw your attention to Genesis 1:14, in the beginning of the Bible, where it is written;

And YaHuaH said, let there be lights in the firmament in the heaven to divide the day from the night; and let them be for signs and for seasons, and for days, and for years.

Now we arrive at the topic of this study regarding events that will soon befall upon mankind. First let's go to the Word of YaHuaH as the starting point.

When the topic of Prophecy or a Word is given, the Scriptures makes it clear that we need two (2) or three (3) witnesses in order to validate that what was given, as per the following Scripture;

Matthew 18:16;

But if he will not hear thee, then take with thee one or two more, that in the mouth of two or three witnesses every word may be established.

2 Corinthians 13:1;

*This is the third time I am coming to you. In the mouth of two or three witnesses **shall every word be established.***

Do you see how powerful this word is, when you read Scripture relating to a specific topic and you study intently, you need a second witness knowing that 'every word' written 'will be established'.

So, by taking that into consideration, I will present now the first witness relating the topic of this study.³

Jeremiah 32:20;

You have set signs and wonders in the land of Egypt, to this day...

Isaiah 19:19,20;

*In that day there will be an altar to the LORD (YaHuaH) in the **midst** of the land of Egypt, and a pillar to the LORD (YaHuaH) at its **border**. And it will be for a sign and a witness to the LORD (YaHuaH) of hosts in the land of Egypt... for they will cry to the LORD (YaHuaH) because of the oppressors, and He will send them a Saviour and a Mighty One, and He will deliver them.*

The Great Pyramid of Giza!

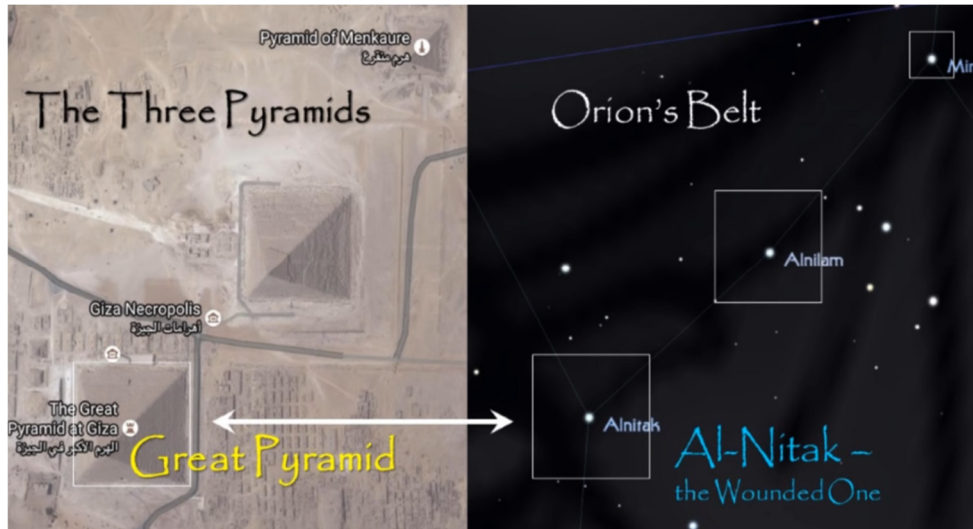

Giza means *border*;

Giza was in the middle, but at the boundary of upper and lower Egypt.

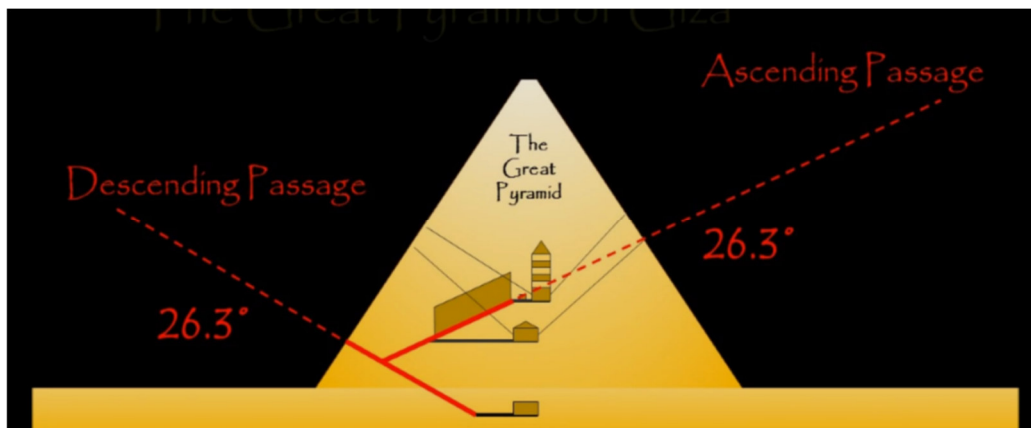

The three main Pyramids represents Orion's Belt. The left belt star is the Great Pyramid.

³ Credit is given to Daniel W. Matson at www.watchfortheday.org for the excellent work that he has done.

The Ascending and Descending Passageways are the same angle.

Passageways and Chambers

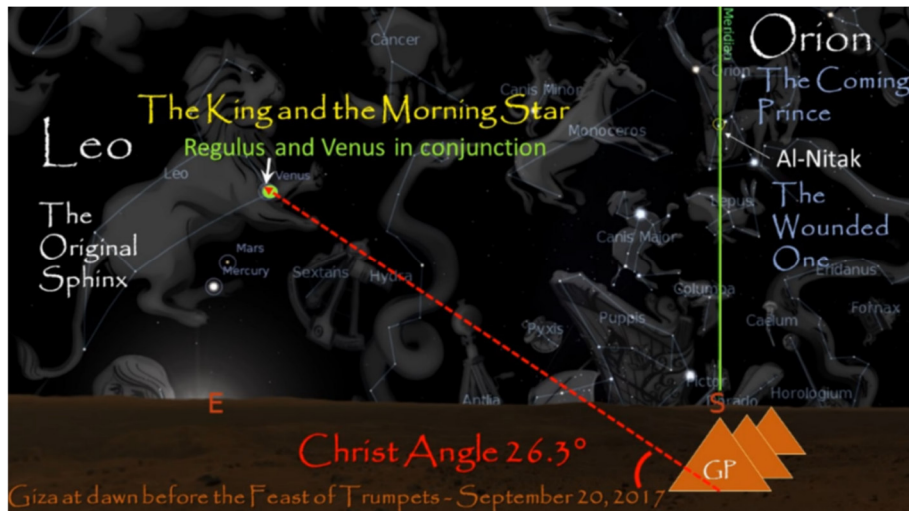

26.3° is known as the Christ Angle.

26.3° north of the east was the site of the Birth of Christ.

At sunrise September 20, 2017, the Heavens and the Great Pyramid are aligned...like no other time!

The Great Pyramid Star of *Al-Nitak* is at meridian, as the concealed moon and sun break on the eastern horizon. The constellation Leo represented by the ancient Sphinx is in the east. Leo's King star, Regulus, is precisely at the Christ Angle above the eastern horizon. Venus, the Morning Star is at the same time in conjunction with Regulus. It is then also at the Christ Angle 26.3 degrees.

The next day is the observed day of the Feast of Trumpets. Jupiter is then at the Christ Angle below the horizon in Virgo (*Bethulah in Hebrew*).

Two days later we arrive at the second witness as commanded in Scripture. Attention is drawn to the fact that the Biblical Hebrew day starts at sundown to sundown, whereas the Roman-Greek day starts at midnight to midnight.

Before we go any further into this study, the following has to be explained which might be a bit technical so to speak, but in order to understand the layout of the Scriptures from a Hebrew mindset, we need to explore the contextual hermeneutics, which is defined as *“the branch of knowledge that deals with interpretation, especially of the Bible or literary texts.”*

What is being conveyed here, is the fact that the Word of YaHuaH (*TaNaHak and the Brit Chadashah*), the Old Covenant and the Renewed Covenant, are not penned in Linear time but in Cyclical time.

According to internet resources, *“Linear Time”* is defined as *“as a concept where by time is seen sequentially, as a series of events that are leading toward something: beginning, and an end.”*

Whereas, *“Cyclical Time”* is defined as *“a cyclic pattern of events that is happening again and again in the same manner, meaning happening in cycles.”*

That being said, if Biblical events are ‘Cyclical’ then we need to substantiate this line of thought within the Scriptures as stated above *“In the mouth of two or three witnesses shall every word be established.”*

The following Scriptures are per exemplar to substantiate the fact thereto;

Isaiah 46:10;

I make known the end from the beginning, from ancient times, what is still to come. I say, ‘My purpose will stand, and I will do all that I please.

Psalms 90:4;

For a thousand years in thy sight are but as yesterday when it is past, and as a watch in the night.

Matthew 24:37’

But as the days of Noah were, so shall also the coming of the Son of man be.

Ecclesiastics 1:9;

***What has been will be again, what has been done will be done again;** there is nothing new under the sun. (NIV)*

Ecclesiastics 1:10;

*Is there anything whereof it may be said, See, this is new? **it hath been already of old time, which was before us.***

Ecclesiastics 3:15;

*That **which hath been is now; and that which is to be hath already been;** and God requireth that which is past.*

From the above exemplar's, it is clear that '*what has been will be again*' and one of the famous Scriptures is the one that we all know; "*But as the days of Noah were, so shall also the coming of the Son of man be.*"

Taking this passage on face value, have you ever considered what is been stipulated here? In order to understand the '*coming of the Son of man be,*' one needs to be educated with the facts as to what has happened '*in the days of Noah*'. I want to add that "*as the days of Noah were*" has little to do with the flood, because the days of Noah was 600 years up to the flood and then lived another 350 years when he passed away, a total of 950 years, and one needs to study what happened in his life time, just a thought, but that is another teaching.

So now, let's look at the second witness and to unravel what will provide clear and undisputed evidence of the biggest event in human history, that will transpire in 2017. As per Daniel W. Matson, these two events (*witnesses*) will not happen again and therefore I believe that **THIS** is what we've been called to watch for.

The Scripture reference is;

Revelation 12:1-5;

*And there **appeared a great wonder in heaven;** a woman clothed with the **sun**, and the **moon under her feet**, and upon her **head a crown of twelve stars**: And she **being with child cried**, travailing in birth, and pained to be delivered.*

*And there **appeared another wonder in heaven;** and **behold a great red dragon**, having seven heads and ten horns, and seven crowns upon his heads.
And his tail drew the third part of the stars of heaven, and did cast them to the earth: and the **dragon stood before the woman, which was ready to be delivered, for to devour her child as soon as it was born.***

*And she brought forth a man child, who was to rule all nations with a rod of iron: and her **child was caught up unto God, and to his throne.***

For the sake of consistency most Scholars and Bible Commentaries refer to Revelation 12: 1-5 as meant to be the following;

The woman, representing Israel being in labour to give birth to the Messiah

The dragon, representing [s]atan, and a third of the heavenly host was cast down to earth

The dragon, representing [s]atan stood before the woman, to devour her child (Jesus)

The man-child, referring to Yahshua (Jesus) was caught up / away to YaHuah and His throne

I have a different line of thought, regarding the above-mentioned passages, with proof that the evidence presented in Revelation 12 is for a future time and place, as according to YaHuah's divine plan that He have declared from the beginning. (Isaiah 46:10)

Now I will analysis each passage and put the verses into context relating to the time that we are in and events that will arrive in 2017.

Revelation 12:1

*And there **appeared a great wonder in heaven**; a woman clothed with the **sun**, and the **moon under her feet**, and upon her head a **crown of twelve stars**.*

First, notice that the verse states that there "**appeared a great wonder in heaven**" (**Factual**). This part indicates that this is a visual sign that will be able to be seen from earth in the heavens. Also note that when this Scripture was penned, there was no way that the people of those days would have been able to see the 'wonder in the heaven' due to the fact that because the sun is above the 'woman', the sign would be in **daylight**, but today with the technology available with telescopes and astronomical software, we are able to view the Constellations (*Mazzaroth in Hebrew*) with precision and accuracy to the year, month, day and hour.

The question is, why is it so important to be knowledgeable regarding the *Mazzaroth* in the heavens? Please note that this is not '*astrology*' which has nothing to do with the Word of YaHuaH, but its origin came out of Babylon and it is used in this day and age for fortune telling, which is witchcraft from the evil one and forbidden in the Word of YaHuaH.

So what was this "*great wonder*" that the Scripture are talking about? The second clue is "*a woman*" (**Factual**) and now we have to look to the heavens to see if we can find a 'woman' in the *Mazzaroth*.

According to the *Mazzaroth (Constellations)* there is woman, called "*Virgo*" (in Latin) which is also translated as '*The Virgin*' and in Hebrew she is called "*Bethulah*", and this particular Constellation is of utmost importance.

According to the commentaries which states that the "*woman represents Israel*" we need Scriptural evidence and according to the following Scripture confirms that statement;

Jeremiah 3:8;

*And I saw, when for all the causes whereby **backsliding Israel committed adultery I had put her away, and given her a bill of divorce**; yet her treacherous sister Judah feared not, but went and played the harlot also.*

In the preceding passages it is noted ABBA YaHuah was talking to Israel which HE had married when the Torah was given at Mount Sinai after the Exodus, by giving the Hebrews the Marriage Contract and where the 12 Tribes agreed to do everything that is stated in the Marriage Contract (Torah).

Another evidence that the 'woman' is Israel, ABBA Yahuah cannot marry a 'male' and therefore by giving Israel "the woman" a bill of divorce, I agree with the Bible Commentary that the woman represents Israel.

The second part states that the woman was "clothed with the **sun**, and the **moon under her feet**," (**Factual**). Now this is not figurative or symbolic, but an actual reference to the heavenly bodies particular to the 'Sun' and the 'Moon'. This can be related directly to the statement in Genesis 1:14.

The third part states "and upon her head a **crown of twelve stars**." (**Factual** and **Symbolic**) "Upon her head" is **factual**, whereas "a crown" is **symbolic** and "of twelve stars" are **factual**. At this time, I want to interject and refer to Genesis 1:16 (*The Sacred Scripture of YaHuaH, Restored Name Version*) where it is written;

And Elohim made two great luminaries. The greater luminary to rule the day, the lesser luminary to rule the night, and the stars.

Notice in this Scripture YaHuaH refer to the Sun and the Moon as 'luminaries' and the stars.

So now let's see what is revealed in the heavens relating to the Mazzaroth. In the Mazzaroth, where you can find the Constellation of Bethulah, you will find above her head the Constellation of Leo. One can find the two Constellations with *Stellarium software* images to get a better picture. (*I will provide the pictures below*).

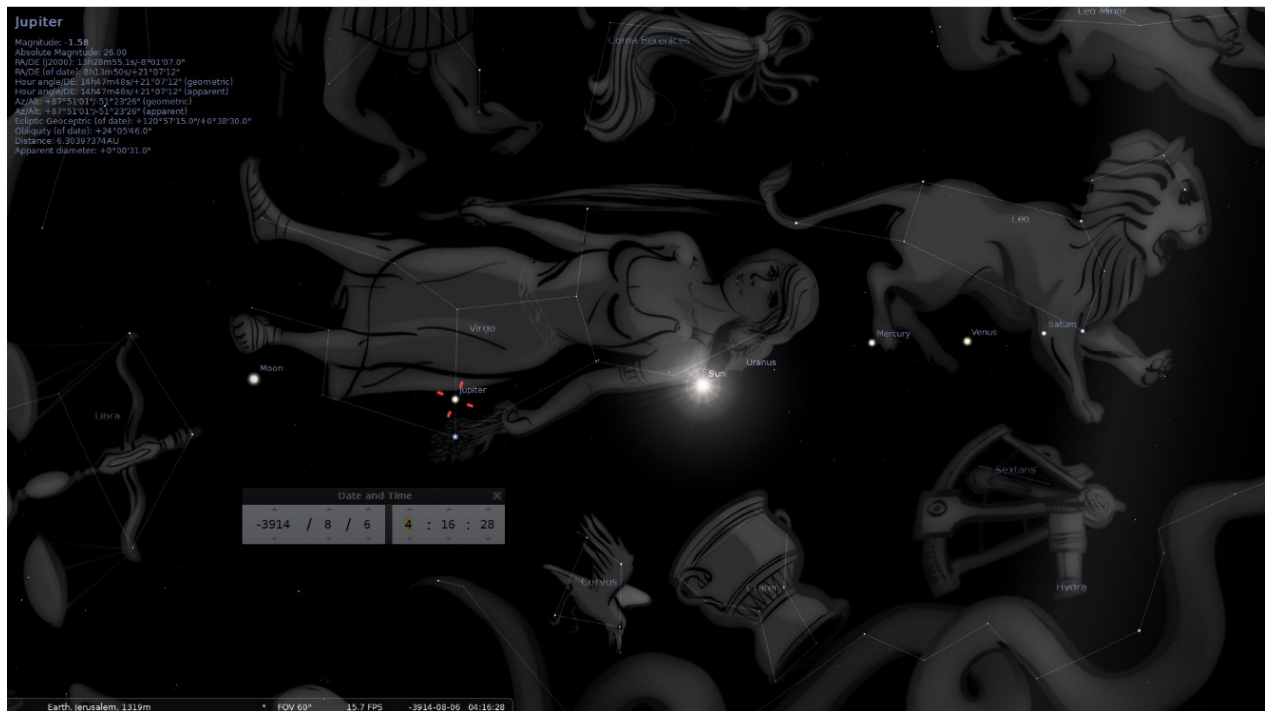

When one looks at the Constellation of Leo, you will find that there are only nine (9) stars visible in the Constellation and that there are three (3) stars missing. Now, it is interesting that we need to find the absent three (3) *luminaries* and according to astronomical software (*Stellarium*) we can move forward in time to see if there are any evidence of any heavenly bodies that will be in the vicinity of the Constellation of Leo to add to the nine (9) stars.

It just so happens, according to *Stellarium* on the 23rd of September 2017, the planets Venus, Mercury and Mars will come into alignment above the head of *Bethulah* (Virgo) completing the crown of 12 stars mentioned in Revelation 12:1. Note that 'Venus, Mercury and Mars' are also called "wandering stars".

See the picture below as presented on the 23rd of September 2017.

It should be noted that by going back into time to see if this type alignment had appeared in the heavens, and according to the *Stellarium* software, it revealed that this alignment appeared on the 6th of August 3914 BCE (Before the Common Era).

An observation to add is that the sign in -3914 BCE could not refer to Revelation 12, due to the fact that Abraham was born in -1800 BCE which would become the father of all nations. The sign in -3914

BCE was in the life of Seth, Son of Adam and Eve and therefore could not be related to Revelation 12, which refers to a future event and the Book of Revelation has not been penned yet.

Notice in the two screenshots above that red highlighted object is Jupiter, which is often known as "The King Planet." Jupiter is the biggest planet in our solar system, and therefore has significance in this 'heavenly sign' as mentioned in Revelation 12.

Thus, it is in or near the abdomen of Virgo for a day short of 42 weeks after which time it is born out of the abdomen of Virgo. Note: Normal human gestation is from 37-42 weeks, based on the fact that according to *Stellarium* Jupiter is making a retrograde motion in the womb of Bethulah, which has never happened before and will **never happen again!**

This is evidence that this sign on the heavens is of utmost importance to be watching for by the Bride of Moshiach.

Revelation 12:2 provides the next narrative; *...And she being with child cried, travailing in birth, and pained to be delivered.*

This Scripture is **symbolic**, due to the fact that a Constellation consisting of a group of stars cannot give birth to a planet (Jupiter). Because of the *Cyclical time* we need to look for an event in Scripture that we can identify with the above Scripture which relates to the time of the end.

1 Thessalonians 5:3;

*For when they say, "Peace and safety!" then suddenly destruction comes upon them, **as labour pains upon a pregnant woman***

I want to point out that Revelation 12:2 has a direct link to an announcement, when they say "*Peace and safety*" when read in context which relates to a future event. It just so happened that on the 15th of January 2017, 70 nations are coming together in Paris to make a decision regarding a "Two-state solution" between Israel and the Palestinians, and to divide the Land of Israel.⁴ (Daniel 11:39)

Scholars and Bible Commentaries commented that the '*woman being with child*' refer to 'the Messiah to be born'. This reasoning is problematic, due to the fact that the Prophecy about the birth of Yahshua (Jesus) was foretold in Micah 5:2 and Matthew 2:6.

I've found no Scripture that stated that the '*Star of Bethlehem*' refers to '*The Sign in the Heavens*' and the prophecy given, was fulfilled at the time of Yahshua's birth. The word '*Bethlehem*' in Hebrew is '*Bet-lachem*' which means "*House of Bread*" and relates to what Yahshua said about Himself in John 6:35;

⁴ <http://www.charismanews.com/opinion/62071-circle-january-15-70-nations-will-gather-in-paris-to-discuss-the-creation-of-a-palestinian-state>

And Jesus said unto them, I am the bread of life: he that cometh to me shall never hunger; and he that believeth on me shall never thirst.

Also in John 6:47-48, Yahshua said;

Verily, verily, I say unto you, He that believeth on me hath everlasting life. I am that bread of life.

Also according to internet resource⁵ provide an alternative view of the ‘Star of Bethlehem’ being not a ‘star’ nor a ‘planet’ due to the fact that both of these heavenly bodies are in constant motion and cannot stand still over a particular place as mentioned in Scripture, and I’ve also have come to the same conclusion that it was a supernatural event.

The star had to appear each night for several months in order to lead the magi all the way from Persia in the Far East. The possibility of a super-nova or a planetary alignment is ruled out by the fact that the star constantly moved, leading the magi first to Jerusalem and then to Bethlehem where the star hovered over the house where Mary and Joseph had moved to with the Christ Child.

*The renowned Messianic Jewish scholar, Alfred Edersheim, has proposed another solution to the mystery. He points out that the Greek word translated “star” really means “**radiance**.” The “star” could therefore have been what the Jews called the “**Shekinah**” — that is, a physical manifestation of the Glory of God in the form of a supernatural radiance.*

So now the question that needs to be answered is, who is the ‘man-child’ that is going to be born in the future, being the case that Yahshua cannot be born again, and that HIS prophecy has been fulfilled, based on the fact that the ‘Sign in the Heavens’ is set within a specific timeframe in Scripture and place. I will try to provide further evidence within this study, not to create any confusion.

Revelation 12:3 gives the next event; *And there **appeared another wonder in heaven**; and **behold a great red dragon**, having seven heads and ten horns, and seven crowns upon his heads.*

The ‘Holman Christian Standard Bible’ reflects the passage as *There was a **great fiery red dragon** having seven heads and 10 horns, and on his heads were seven diadems.*

What is interesting, some of the translations refer to Revelation 12:3 as the wonder in heaven as a “great fiery red dragon” and further down in Revelation, it only mentions the “great dragon” and I believe that they are not related, seeing that the first relates to an observable event, whereas the latter refers to a vision of the ‘war in heaven’ as seen by John.

⁵ <http://christinprophecy.org/articles/mysteries-of-the-star-of-bethlehem/>

The Strong's no. for "dragon" is G1404 which in Greek is "drakōn" which means "a dragon, a great serpent." Also note that "the serpent" was also present in the Garden of Eden, and there he was a visible being and not a metaphor or symbolic.

If one looks at the above passage, what clearly stands out is in relation to the words used in the first wonder and the second wonder *appearing* in the heaven. According to the Lexicon, with Strong's no G3700 for the word 'appeared' which is "optanomai" and it means "to look at; behold" and what is interesting is that the 'other wonder' is referred to as "a great red dragon" which would be able to be looked at.

This part becomes technical but I will provide evidence regarding this 'wonder' further down. What I want to emphasize is the fact that the Scriptures refer to heavenly bodies such as stars and planets and I have a hard time to comprehend that the reference to "**a great red dragon**," equates to [s]atan, which cannot be verified or identified as a star or a planet in our Solar System and seen within *Bethulah* (Virgo). Even the phrase "having seven heads and ten horns, and seven crowns upon his heads" might be symbolic, but after further research the identification might change.

According to the Strong's no G4450, the word "red" has the Greek word "pyros" and referred to as "having the color of fire; red" and as mentioned previously, the 'sign in the heavens' will not be seen from Israel due to the fact that it appeared in daytime. Therefore, based on Revelation 12:3, I believe that the "great red dragon" is referred to as a heavenly body which I will expound later.

Revelation 12:4 provides the next event; And his tail drew the third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.

Now we have to dissect the above-mentioned passage for clarification and understanding;

And his tail drew the third part of the stars of heaven, and did cast them to the earth:

Bible Commentaries and Scholars have the view that this passage refer to [s]atan being cast out and with him a third of the angelic host who rebelled against Yahuah. Upon further examining the text, their view has no ground and no Scriptural base and I will provide evidence of such. Lucifer and a third of the angelic host rebelled against YaHuaH, was cast out of the third Heaven before the creation of Adam and Eve, and therefore Revelation 12:4 cannot relate to that event because it will serve no purpose for end time events. They were cast out before the re-creation of the world in Genesis 1 and therefore could not have been cast into the earth.

Before I go further, we have to consult the original Greek Scriptures.

From the 'Greek Concordant Literal Version', the following text from the Greek to English is provided hereunder;

*And **the tail of him is dragging the third of the stars of the heaven** and cast them into the earth...*

The Greek word used for “*is dragging*” is “*surei*” and ‘dragging’ has the Strong’s no G4951, as mentioned within John 21:8;

*And the other disciples came in a little ship; (for they were not far from land, but as it were two hundred cubits,) **dragging** the net with fishes.*

Another point I want to illuminate is the text used in this sentence, stated “*And **his tail drew the third part of the stars of heaven.***” The following Scripture contradicts the notion that Revelation 12:4a refers to the event when [s]atan and his followers will be cast out of the second heaven.

Revelation 12:9;

*And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out **into the earth**, and his angels were cast out with him.*

In order to follow the thread of verse 9, one also needs to read verses 7 and 8 and the point I want to make is that the event in Revelation 12:4 happens before verses 7 to 9. Notice in these passages, there is no mention of a ‘red’ dragon just a ‘great dragon’ and I believe that this was not a typo error but symbolic to what will transpire **on the earth after the war in heaven** and he (satan) and his followers were cast out of the second heaven and are confined in the first heaven, earth’s atmosphere.

Revelation 12:9 states that “*he was cast out **into the earth**, and his angels were cast out with him.*” And Revelation 12:4 states that “*And the **tail of him is dragging the third of the stars of heaven** and cast them into the earth.*” Here are two passages that is not written in chronological order, and what is obvious is that verse 4 make mention of having a ‘*tail dragging the third of the stars of heaven*’. This doesn’t correlate with Revelation 12:9, which indicates that [s]atan was cast out and his angels with him by the angel Michael. In Revelation 12:9 it states that Michael cast out [s]atan and his angels were also cast out with him. Meaning his so-called ‘tail’ could not drag his angels with him, and cast them to the earth.

[s]atan is an angelic fallen being which doesn’t have a tail nor can he drew the third part of the stars of heaven, being the fact, scientifically a ‘star’ is a ball of gas which gives off heat and a star is much bigger than the earth, so a star cannot fall onto the earth.

The Strong’s no for ‘tail’ is G3769 and is written in Greek as “*oura*” which is translated as “*a tail*” in the literal sense, as also mentioned in Revelation 9:10 and 19. Therefore ‘[s]atan’s’ so called tail cannot “*drew*” a third part of the ‘stars’ onto the earth.

The Strong's no for 'drew' is G4951 and it is written in Greek as "syrō" which is translated as "to draw; drag" which is a verb which expresses an action, and in Revelation 12:9, it doesn't have the notion that he is dragging anything. Also note that the word "dragging" is also mention in John 21:8 above with the same Strong's no.

In Matthew 24:29 and Mark 13:25 the passages make mention of "the stars of heaven shall fall" after the tribulation which again does not mean the stars that we see in the night sky, but they are meteorites and asteroids entering our atmosphere, and that is where the saying "shooting stars" or "falling stars" comes from.

Revelation 12:4b states **and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.**

Again, Bible Commentaries and Scholars have the view that the 'dragon' is [s]atan which stand before the woman (maybe Mary) soon to deliver her child (Jesus).

This doesn't make sense, due to the fact that the prophecy of the birth of Yahshua was fulfilled some 2000 years ago, and was identified not as a 'sign in the heaven' (Rev. 12:1) but by an observable supernatural event, and so this event playing out in the heavens in 2017 must have some other meaning. For example, when Yahshua was born there was angelic beings singing and appeared to the shepherds in the field and there is no proof in Scripture that [s]atan was present or 'standing before the woman' and to 'devour her child as soon as it was born.' I've noticed something that I cannot give evidence of and have no proof within the ancient text, but the construct of the last part of the Scripture states, after the comma; **for to devour her child as soon as it was born.** The preceding verses stated that the child will be a "man-child" so why did the writer refer to her child as an 'it' and not "as soon as he was born?"

Also, according to Matthew 2: 9-11 make reference to when the star that they (*wise men*) were following, stopped where the young child was, and verse 11 clearly stated that when they come **into the house** where the child and Mary were, they worshiped him and presented the gifts. Notice they came into the house not a 'manger' or 'stall' as we have been taught by the church, and when Herod heard that the wise men has mocked him by not returning to him, he ordered to kill every young boy child **two years and under.** (Matthew 2:16) This means that Yahshua was about 2 years old when the wise men found him, not at His birth.

Revelation 12:5 provides the next passage;

And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne.

In order to understand this Scripture, I need to go back to basics and to show how the Scriptures were penned and what has changed in order to read the original text and then to try to explain the above Scripture.

This would be an history lesson in order to understand the Scriptures. The original Torah (Old Covenant and Renewed Covenant) was written with only consonants. No vowels were present and the picture below indicates how it was presented before the vowels were added by the Masoretes between the 7th and 10th century.

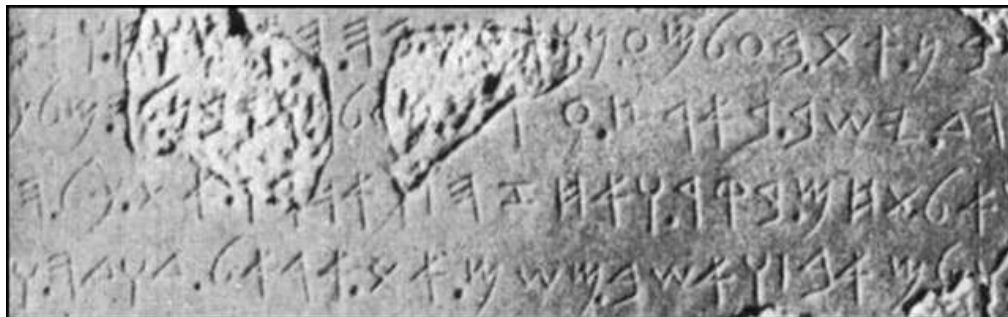

Without vowels

כל בני האדם נולדו בני חורין ושווים בערכם ובזכויותיהם.
כולם חוננו בתבונה ובמצפון, לפיכך חובה עליהם לנהוג
איש ברעהו ברוח של אחוה.

With vowels

כֹּל בְּנֵי הָאָדָם נוֹלְדוּ בְּנֵי חוֹרִין וְשׁוּוִים בְּעֶרְכָּם
וּבְזִכוּיֹתֵיהֶם. כֻּלָּם חוֹנְנוּ בְּתַבּוּנָה וּבְמִצְפּוֹן, לְפִיכֵךְ
חֻבָּה עֲלֵיהֶם לְנַהוֹג אִישׁ בְּרֵעֵהוּ בְרוּחַ שֶׁל אַחֻוּהָ.

The above exemplar shows in the first paragraph the Hebrew text without ‘vowels’ and the second paragraph with ‘vowels’. Also, below is a more ancient Hebrew text written with “Phoenician” characters.

Notice these are single letters, the same as the Hebrew letter above.

The Masoretic Text was primarily copied, edited and distributed by a group of Jews known as the Masoretes between the 7th and 10th centuries CE (Common Era). Though the consonants differ little from the text generally accepted in the early 2nd century (and also differ little from some Qumran texts that are even older), it has numerous differences of both greater and lesser significance when compared to the manuscripts of the Septuagint, a Greek translation (about 100 years older than the MT made in

the 3rd to 2nd centuries BCE) of the Hebrew Scriptures that was in popular use in Egypt and Israel (and was used in the quotations in the New Testament, especially by Paul the Apostle). The oldest extant manuscripts of the Masoretic Text date from approximately the 9th century CE.⁶

This also meant that in the TaNaHak, there was no punctuation, or numbered verses, or chapters. Every book was written on its own scroll, for example in Luke 4:17, when Yahshua entered the synagogue and the Scroll of Isaiah was given to Him and He found the place and read from Isaiah 61 and what He read is reflected in Luke 4:18 – 19.

But if we go to Isaiah 61:1 – 2 we read the following;

(1) The Spirit of the Lord GOD is upon me; because the LORD hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound;

*(2) To proclaim the acceptable year of the LORD, **and the day of vengeance of our God; to comfort all that mourn;***

But when Yahshua read Isaiah 61 in Luke 4, He read the following;

(18) The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised,

(19) To preach the acceptable year of the Lord.

Notice that He according to the above layout of Scripture, He stopped in the middle of the sentence, or so it seems within the English grammar. But there were no chapters, no verses and no punctuations or even capital letters or small letters in the original Isaiah Scroll, He just stopped due to the fact that He said that this 'statement' has been fulfilled in this day!

With this understanding, lets return to Revelation 12:5 and see if we can put some analytical insight within the context of the Scriptures.

*And she brought forth a man child, **who was to rule all nations with a rod of iron:** and her child was caught up unto God, and to his throne.*

If we dissect the above Scripture, the following has been uncovered;

And she brought forth a man child

In order to rightly dividing the Word of Truth, the above portion of Scripture coincide with Revelation 12:2 and it states, "And she being with child cried, travailing in birth, and pained to be

⁶ https://en.wikipedia.org/wiki/Masoretic_Text

delivered.” Because **after travailing in birth with pain, she brings forth a man child**, and now I need Scripture to put some light on this two combined passages.

In Isaiah 66:6 – 8, YaHuaH spoke by the mouth of His prophet Isaiah the following words;

*A voice of noise from the city, a voice from the temple, a voice of the LORD that rendereth recompense to his enemies. **Before she travailed, she brought forth; before her pain came, she was delivered of a man child.** Who hath heard such a thing? who hath seen such things? **Shall the earth be made to bring forth in one day? or shall a nation be born at once? for as soon as Zion travailed, she brought forth her children.***

From the above Scripture, it is clear that what is stated in Revelation 12:2 is expounded on in Isaiah 66, with more detail as to who the man child is referring to and the prophecy related to the creation or establishing the Nation of Israel on 14 May 1948, where **Israel was born in one day**. Notice as soon as Zion (Jerusalem) travailed, she brought forth her children! Remember *cyclical* time frame.

The next part of the Scripture reads “who was to rule all nations with a rod of iron” and I will focus on the part ‘to rule all nations with a rod of iron’ and to see if we can get clarity on this portion.

I want to point out that the “**The New Covenant is in the Old Covenant concealed, and the Old Covenant is in the New Covenant revealed.**” Therefore, everything in the New Covenant can be found in the Old Covenant, so let’s search out the matter regarding the above portion.

First, in the Old Covenant, in Psalm 2:8 – 9 it is written, YaHuaH is speaking;

*Ask of me, and **I shall give thee** the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. **Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel.***

Revelation 2:26 – 27; (Supplement added in brackets)

*And he [born-again believers] that overcometh, and keepeth my [Yahshua] works unto the end, to him will I [Yahshua] **give power over the nations**: And he [born-again believers] **shall rule them [nations] with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I [Yahshua] received of my Father [YaHuaH].***

From this Scripture, there is a hint to the fact that we as born-again believers will reign with Yahshua as mentioned in Revelation 5:10;

*And hast made us unto our God kings and priests: and **we shall reign on the earth.***

Revelation 20:6;

*Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power, but **they shall be priests of God and of Christ, and shall reign with him a thousand years.***

Note in the above Scripture, that the born-again believers shall reign with Yahshua only for a thousand years i.e. one day on YaHuaH's counting.

Revelation 12:5b stated that "*and **her child** was **caught up unto God**, and to his throne."*

From the above information, I've shown that the *man child* was referring to Israel being born in one day and now the above Scripture indicates that the 'man child' was '*caught up unto God*'.

My observation is that I believe that the '*man child*' are those that believe in Yahshua which is directly related to Revelation 12:17.

Again, Bible Commentaries and Scholars have the view that "her child" is referred to 'Christ' which was 'caught up' with the Ascension unto God.

First, it has been built within me to question everything before I just except it as truth, and examine the evidence presented with Scripture, in order not to being deceived by the accuser of the brethren, or fall for doctrines and commandments of men, as it is written!

If the 'man child' was referring to Christ, where in Scripture does it states that has He has been "*caught up*"?

According to the Strong's Concordance the Strong's no. '*caught up*' is G726 and is translated in Greek as "*harpazō*" and is described as "*to seize; carry off by force; to snatch out or away.*" In the four Gospels, I cannot find any reference to the evidence that Yahshua was '*caught up*' and therefore my conclusion is that the phrase, "caught up unto God and to his throne" relates to another group and not Yahshua nor all of Israel.

Also the phrase, "*caught up*" is found in 1 Thessalonians 4:17 which is the most well-known Scripture relating to what is been called in modern times the 'Rapture'. We all know that the word 'rapture' is nowhere to be found in the Scriptures, but the following give some understanding;⁷

Our modern understanding of rapture appears to have little or no connection with the eschatological event. However, the word is properly used of that event. Rapture is a state or experience of being carried away. The Latin translation of this verse used the word "Rapturo." The Greek word it translates is "Harpazō," which means to snatch or take away. Elsewhere it is used to describe how the Spirit caught up Philip near Gaza and brought him to Caesarea (Acts 8:39) and to describe Paul's experience of being caught up into the third heaven (2 Cor. 12:2-4). Thus there can be no doubt that

⁷ <https://bible.org/question/where-did-term-8216rapture%E2%80%99-come>

the word is used in 1 Thessalonians 4:17 to indicate the actual removal of people from earth to heaven.

So my observation is that if the 'man child' is referring to the 'children of Israel' which is the offspring of *Bethulah*, but we need to examine the Scriptures to identify *the children of Israel*, pertaining to those who have come to the knowledge of the Truth and has accepted and received Yahshua HaMashiach of Nazareth as King, Saviour, Creator and as YaHuaH in the Flesh according to 1 Timothy 3:16; John 1:1, 14; John 14:8-9.

*And without controversy **great is the mystery of godliness: God (YaHuaH) was manifest in the flesh, (Yahshua) justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory.***

In Romans 11, Paul (Shaul) spoke of the 'Olive Tree' according to the following webpage;⁸

The Olive Tree is the Spiritual Commonwealth of Israel

If the Olive Tree is not the Church and it is not Israel, what is it? My conviction is that it is what Paul elsewhere refers to as the Commonwealth of Israel, and that the Olive Tree is none other than the Spiritual Commonwealth of Israel.

Wherefore remember, that ye being in time past Gentiles in the flesh, who are called Uncircumcision by that which is called the Circumcision in the flesh made by hands; 12 That at that time ye were without Christ, being aliens from the commonwealth of Israel, and strangers from the covenants of promise, having no hope, and without God in the world: 13 But now in Christ Jesus ye who sometimes were far off are made nigh by the blood of Christ. (Eph. 2:11-13)

The Olive Tree is Spiritual, Composed of Righteous, Born-Again People

*The word the Apostle uses for commonwealth is *politeiva (politeias)*, akin to the English words *politics, peoplehood or nationhood*. Through the blood of Israel's Messiah (Christ), we Gentiles who were once aliens, have been made nigh (near) to the Commonwealth of Israel, but not identical to it. Thus we have the figure of the Olive Tree, which I suggest is the Spiritual Commonwealth of Israel.*

It is spiritual, because only righteous, born-again, blood-bought believers are in the Olive Tree, whether Jews or Gentiles. It pertains to Israel, because the root is the fathers of Israel — Abraham, Isaac and Jacob — and the natural branches are Messianic Jews, who remain in the Olive Tree by virtue of their faith in Yahshua, the Mashiach.

The Olive Tree is a Commonwealth, with Allegiance to the King of the Jews

⁸ <https://www.levitt.com/essays/olivetree/>

Furthermore, the Olive Tree is the Commonwealth of Israel, because Gentiles who have been attached (grafted in) to the Olive Tree owe allegiance to Israel's Book (the Bible), Israel's God, and Israel's Messiah. We Gentiles who have trusted in Yahshua (Jesus) the Messiah have a special relationship with Israel, its people and Land, and have sworn allegiance to the King of the Jews.

In Romans 11:16 – 21 it is written that;

For if the firstfruit be holy, the lump is also holy: and if the root be holy, so are the branches. And if some of the branches be broken off, and thou, being a wild olive tree, wert grafted in among them, and with them partakest of the root and fatness of the olive tree;

Boast not against the branches. But if thou boast, thou bearest not the root, but the root thee. Thou wilt say then, the branches were broken off, that I might be grafted in. Well; because of unbelief they were broken off, and thou standest by faith. Be not high-minded, but fear: For if God spared not the natural branches, take heed lest he also spare not thee.

From this Scriptures it is clear that we as 'Gentiles' are identified as being a "Wild Olive Tree" which has been grafted into the "Olive Tree" (Israel) and therefore we as born-again believers partake of the root and fatness of the Olive Tree (Israel) and partake in all the Blessings, Commandments, Statuettes and Ordnances found in the Word of YaHuaH.

Therefore, we as believers in Yahshua form part of the Commonwealth of Israel (*Spiritual Israel*) and that means we are included within the phrase "*brought forth her children*" mentioned in Isaiah 66:8.

Scriptural evidence is required to substantiate what has been reflected in the above paragraphs, and to add to the objective of this study.

In Revelation 12:6 - 9, 13 – 14, 17 it is written;

*And the **woman fled into the wilderness**, where she hath a place prepared of God, that they should feed her there a **thousand two hundred and threescore days**.*

*And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, and prevailed not; **neither was their place found any more in heaven**. And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.*

*And when the dragon saw that he was cast unto the earth, he persecuted the woman which brought forth the man child. And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, **where she is nourished for a time, and times, and half a time, from the face of the serpent.***

And the dragon was wroth with the woman, and **went to make war with the remnant of her seed, which keep the commandments of YahuaH (God), and have the testimony of Yahshua HaMashiach (Jesus Christ).**

I believe the above-mentioned passages paint the canvas of time that we can get a better understanding up to this point, before we arrive at the crux of this study. I will now go into more detail verse by verse to give understanding as to what is given by Yahshua, for the testimony of Yahshua is the Spirit of Prophecy. (Revelation 19:10)

The 'woman who fled into the wilderness' is (**Factual**) being Israel in verse 6 is directly related to verse 14, where the method is provided as to how 'Israel' gets to the wilderness. What is also very interesting, is that in verse 6 the time frame that Israel will be fed in the wilderness which are "*a thousand two hundred and threescore days*" (**1260 Biblical days**).

And also in verse 14 the time frame is reflected as "*a time, and times, and half a time*" (**1+2+½ =3½ Biblical years**). Do these time frames ring a bell? These are the same time periods given to Daniel in Daniel 12:7 and is directly connected to Daniel 9:27 where the beginning of the 3½ years is mentioned which is also called the "**Great Tribulation**"!

Verse 9 provide evidence as to when [s]atan and his angels were cast out after the war in with Michael and his angels which are just before 'Israel' fled into the wilderness and **the start of the 1260 days** which is also the start of the "**Great Tribulation.**"

This is also the time when [s]atan saw that he cannot persecute the woman (Israel) he then turns **to make war with the remnant of her seed, which keep the commandments of YahuaH (God), and have the testimony of Yahshua HaMashiach (Jesus Christ).**

Who is the remnant of her seed? From the above Scripture, the remnant of her seed has a requirement for being anyone to be included and it is those people who **keep the Commandments of YahuaH, and have the Testimony of Yahshua HaMashiach!**

According to the 'Merriam-Webster Dictionary' the meaning of the word "*remnant*" as mentioned in the above Scripture means; "**a small surviving group – often used in plural.**" This meaning of the word 'remnant' alludes to the fact that the believers that keep the commandments of YahuaH and have the Testimony of Yahshua, are a small group that was left over after the dragon and his angels has been cast into the earth and the event mentioned in Revelation 12:5b.

My view is that after the *man child* has been *caught up*, what would be left is a remnant and those are the ones that [s]atan will persecute and beheaded, which confirms the Scripture in Revelation 20:4 for the witness of Yahshua (Jesus). I strongly believe that those who are lukewarm will not be included in the event mentioned in Revelation 12:5b.

The above Scriptures cannot be taken lightly and should be seen in a serious light, the fact being that the evidence presented started with the “Sign in the Heavens” according to Revelation 12 and the start of the “Great Tribulation” as prophesied in Scripture!

Again, point in case, the events in Revelation 12 has a specific time frame as ordained by ABBA YahuaH and not be man, meaning that when the ‘sign in the heaven’ appears, it doesn’t mean that this would be the start of the 1260 days as mentioned further down in Revelation. Prophecy is not determined by date but prophecy is observed after the prophesied event as mentioned in Amos 1:1, last part.

At his point, we arrive at knowledge and information that I have been accumulated for the last 10 years, but most of the detail was hidden from me, according to the Will of YahuaH, until now.

I also provide credit to Scott Clarke from www.erfministries.com, Daniel W. Matson from www.watchfortheday.org, Luis B. Vega from www.postscripts.org and Gill Broussard from www.planet7x.net for their hard work and to bring the very important information to the Bride of Yahshua.

So what have we learned so far? On the 23rd of September 2017 there will be a Sign in the Heavens according to Revelation 12 which put the gears in motion for end time events as it is written. It is also evident that after the sign appeared in the heavens, the next event on the prophetic time table is the start of the last 1260 Biblical days (360 days per year) in which the Bible calls the “Great Tribulation”.

Now I want to step back to identify the *fiery red dragon* as mentioned with in Revelation 12:3. When John penned Revelation, he was privileged to see into the future and he described what he saw exactly as he has seen it, and try to describe what he saw in the best way as he can because some of the things that he saw, he had no words for it and therefore if he said he saw a ‘great red dragon’, it meant it **looked like** a great red dragon to him.

The following information, I will not use the Apocryphal Books, not Extra Biblical Books, unless I need to emphasize a point. I will use historical books, ancient text from various sources, due to the *cyclical time* referring to what has happened in the past will happen again, just as in the days of Noah.

The evidence provided relates to the ‘*great red dragon*’ where the Scriptures stated ‘**appeared**’ in the heavens which means it wasn’t there before **since** John penned the Book Revelations. This also means that the ‘*great red dragon*’ is not a star that we can see in the night sky.

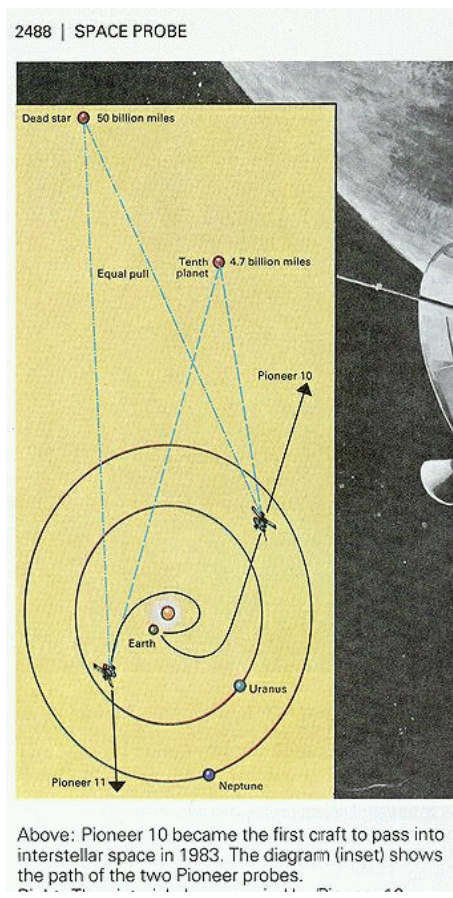

Before Babylon, there was a civilization, called the Sumerians, in Sumer, in Southern Mesopotamia more than 5000 years ago. They developed a writing system whose wedge-shaped strokes would influence the style of scripts in the same geographical area for the next 3000 years. This is one of the most ancient groups of people that is recorded in history. They left clay tablets (*Cuneiform*) with Sumerian text giving record of events in their time.

As I mentioned that the 'Great Red Dragon' could possibly be a heavenly body, and based on the Sumerian text, they refer to an object in the heavens as 'Nibiru' which is translated as "The Planet of Crossing".

Internet resources⁹ states that "The Sumerians say that Nibiru is a large planet, possibly comparable in size to Saturn or Uranus and that it has an extremely vast elliptical orbit and that it takes 3600 of our years to complete just one orbit around our Sun. They also say that Nibiru is the dwelling place of the 'Anunnaki,' their Gods."

Now this sound very much like a fairy tale, but in the Science Digest in **1983**, the following drawing appeared relating to the path of the Pioneer 10 probe;

Clearly, it shows the 'Tenth Planet (Planet X)' and the 'Brown Dwarf star' which might be its center of gravity. The fact of the matter is that NASA knew that there is some object in the far reaches of space that is altering the orbits of Neptune and Uranus. The fact being that the planets are set in their orbits, and what concerned NASA was that there is an object with such a strong gravitational pull, that it could influence massive planets. Now this was in 1983, and according to the information that I will provide, Biblical Prophecy will unfold in front of our eyes.

⁹ <https://subharanjan Gupta.wordpress.com/2012/06/05/case-for-nibiru-the-sumerian-angle/>

This is now 34 years after the publication and still NASA and the US Government deny any proof of this object that is inbound into our solar system. With the launch of the Hubble Telescope, NASA viewed the object and it was a live feed, where some astronomers had been able to visually observe this object, just as the Sumerians wrote about.

There are a lot of disinformation floating over the internet provided by governments and groups which main objective is to keep the human population in a slumber state. Then there are people that starts to question everything and do their own research, and what they've found was astonishing, to say at least. Some of the researchers, such as David Meade, John Moore, Gill Broussard, and many more has dig deeper than any before and what their objective were is to verify their findings in line with YaHuaH's Word. In the writing that will follow, I will provide snippets that I've found on the internet relating to the evidence that will build up to the event as prophesied in Revelation 12.

It is also a known fact that some individuals that have found evidence of the approaching object and want to publish their findings which died suddenly and if it was a one or two, it would have gone unnoticed, but there are 46 and counting which are too many just being a coincidence.

Below is some of the evidence of astronomers, scientists, and researchers who's lives ended prematurely.

Susan Duclos, wrote "Dead researchers and scientists have been in the news before (lists are [here](#) and [here](#)), theories over the mysterious illnesses, accidents and other strange circumstances of their demise has been the topic for many conspiracy theorists, but much information is revealed about specific projects some were working on, data they revealed before their untimely deaths..... information on Comets and Nibiru aka Planet X. Whether one believes in Nibiru or claims that it is coming and will cause massive destruction on Earth or not, the strangeness of so many scientists' deaths, specifically men associated with research into the topic, should still be examined.

Is it all coincidental? How many "coincidences" does it take for someone to say it is too many? What exactly did they discover? What did they know that we don't?

(Source: <http://www.stevequayle.com/index.php?s=145>)

The most famous astronomer, Dr. Robert Harrington, died in a mysterious death due to the fact that he has written a paper providing evidence of Planet X, as it was called.

Dr. Robert S. Harrington, the chief astronomer of the U.S. Naval Observatory, died before he could publicize the fact that Planet X is approaching our Solar System.

Many feel his death is part of a cover-up. One in which government agencies quickly moved to conceal the most earth-shaking discovery in history. If so, the search for truth begins in New Zealand.

In 1991, Dr. Robert S. Harrington, the chief astronomer of the U.S. Naval Observatory, took a puny 8-inch telescope to Black Birch, New Zealand, one of the few viewing points on Earth optimal for sighting Planet X, which he definitively calculated to be approaching from below the ecliptic at an angle of 40 degrees. Dr. Harrington says the most remarkable feature predicted for Planet X is that its orbit is tilted 30 degrees away from the ecliptic, the main plane of the solar system, where all previous searches have concentrated. His models also predict a greater distance from the Sun, about 10 billion miles, or between two or three times as distant as Pluto.

By analyzing time-lapse photographs using the "blink comparison" technique, originated by famed Pluto discoverer, Clyde Tombaugh, Dr. Harrington proved that Planet X was indeed inbound into our Solar System. Harrington sent back reports of this ominous discovery, but died of what was reported to be esophageal cancer before he could pack up his telescope and come home to hold what would have been a highly publicized press conference." (Source: <http://yowusa.com/planetx/2008/planetx-2008-05b/1.shtml>)

He wrote a paper called "The location of Planet X" in 1988¹⁰ just before his untimely death and another source wrote;

There is evidence of an ongoing resurgence of the Planet X (also known as Nibiru) cataclysm conspiracy theory following the publication of new scientific studies in 2015 claiming evidence of a mysterious unnamed planet lurking beyond Pluto. The scientific claims were based on observations of gravitational influences on a group of space bodies termed the "extreme trans-Neptunian objects" (ETNOs) orbiting our Sun beyond the planet Neptune.

*A slew of messages and YouTube videos currently being circulated in the conspiracy theory blogosphere **claims that a NASA study published in 1988 revealed details about the mysterious Planet X/Nibiru with an estimated orbital period of more than 1,000 years. NASA, the Pentagon, and the CIA are aware of the approaching rogue planet. The Vatican has also been briefed, but the public is being kept in the dark about the impending apocalypse. But despite efforts to keep the information secret, there have been leaks.***

*The comprehensive report submitted to the White House estimates that **about two-thirds of humanity will be wiped out when Planet X induces a pole-shift. Two-thirds of survivors will perish over another six months due to starvation and exposure to the elements.** According to the research study titled "Extreme trans-Neptunian objects and the Kozai mechanism: signaling the presence of trans-Plutonian planets," published in June of 2014 in the journal Monthly Notices of the Royal Astronomical Society Letters, there are at least two planets — part of our solar system — larger than Earth, lurking out there beyond Pluto, and whose presence can be detected through their gravitational influences.*

¹⁰ http://www.thelivingmoon.com/45jack_files/03files/Planet_X_VS_Nibiru.html

*According to the emerging conspiracy theory, NASA embarked on the New Horizons project two years **after the 1988 publication revealed the existence of Planet X**. The final destination of New Horizons is Planet X, but to prevent mass panic, **NASA pretended that the destination of the space probe is Pluto and the Kuiper belt**.*

In the 1990s, the agency pretended it had abandoned the search for Planet X by leaking false information that the latest measurements by Voyager 2 proved that Planet X does not exist. According to NASA at the time, measurements taken by Voyager 2 showed that the alleged irregularities in the orbits of Uranus and Neptune which led to the Planet X hypothesis were due to overestimation of the mass of Neptune.

*But according to conspiracy theorists, **the claim by NASA scientists was a deliberate ruse to cover-up the actual destination of New Horizons beyond Pluto and the Kuiper belt – Planet X**.*

***NASA knows that Planet X is real and that Armageddon is near**, according to conspiracy theorists. The researchers suggested that Planet X is likely ten times more massive than Earth and probably lies about 250 AU from our Sun.”*

From the above publication, I always say that if there is smoke there is a fire and if one studies the Bible, there is a lot of evidence that alludes to the passing of this object in the past, which is also confirmed in the history books of many cultures around the world.

This object has been given many names during its course through the history of mankind, which are;

“The Destroyer” in the TaHaNaK (Old Testament) of the Bible

“The Destroyer” in ancient writings of the Egyptians

“Wormwood” in the book of Revelation

“Nibiru” in the writings of the Sumerians and Babylonians

“Marduk” in the Babylonian religion

“Phateon” in the Greek literature

“Nemesis” in Greek mythology

“Apollyon” in Babylonian mythology

“Apollo” in Greek mythology

“G1.9” as a working title by NASA

“Eris” the name given by NASA to the newly discovered 10th planet could also be it

“Planet X” by various astronomers and authors

“The Plant of the Crossing” in ancient writings

The biblical term used is “The Destroyer” and the following Scriptures alludes to the passing.

Exodus 12:23;

*“For the LORD will pass through to smite the Egyptians; and when he seeth the blood upon the lintel, and on the two side posts, the LORD will pass over the door, and will not suffer **the destroyer** to come in unto your houses to smite you.”*

Jeremiah 48:7-10;

*“Since you trust in your deeds and riches, you too will be taken captive, and Chemosh will go into exile, together with his priests and officials. **The destroyer** will come against every town, and not a town will escape. The valley will be ruined and the plateau destroyed, because the LORD has spoken.”*

If you read Revelation, during the “Great Tribulation” nearly all the calamities that will befall mankind will be natural disasters, earthquakes, volcano eruptions, tsunamis, etc. It is also speculated that there will be a pole shift, meaning that the object that approaches from the south will grab hold of the south pole and move it to a new position. This is confirmed in the Scriptures, in Amos 8:9;

*“And it shall come to pass in that day, saith (the Lord) YaHuaH, that **I will cause the sun to go down at noon, and I will darken the earth in the clear day:**”*

Scientific observation is that the sun cannot go down in midday, but if there is a ‘pole shift’ then by tilting the earth, it would look like as if the sun went down in midday.

By studying ancient historical evidence, we can form a picture of what has happened in the past and as Scripture states ‘what has happened, will happen again’, following *cyclical time*.

Ancient Egyptian writings, although not inspired of YaHuaH, give us their account and a warning of the red dragon / planet of crossing’s return, named the Destroyer. It should be noted that the Egyptians were not anxious to point out anything, but the natural causes for their destruction. Otherwise they would have given credit to the GOD of the Hebrews who controls all nature. We can read their historic encounter with the Destroyer in the *‘Scroll of Adepta, Chapter 5.’*

Para 1

*“The Doomshape, called the Destroyer, in Egypt, was seen in all the lands thereabouts. In color it was bright and **fiery**, in appearance changing and unstable. It twisted about itself like a coil, like water*

bubbling into a pool from an underground supply, and all men agree it was a most fearsome sight. It was not a great comet or a loosened star, being more like a **fiery body of flame.**"

Para 4

"This was the aspect of the Doomshape called the 'Destroyer,' when it appeared in the days long gone by, in olden times. It is thus described in the old records, few of which remain. It is said that when it appears in the Heavens above, Earth splits open from the heat, like a nut roasted before the fire. Then flames shoot up through the surface and leap about like fiery fiends upon black blood. The moisture inside the land is all dried up, the pastures and cultivated places are consumed in flames and they and all trees become white ashes."

There is further mentioned of the Destroyer to be coming back in future times. From the "**Great Scroll**," Para 1 *"men forget the days of the Destroyer. Only the wise know where it went and that it will return in its appointed hour."*

Para 3

*"When ages pass, certain laws operate upon the stars in the Heavens. Their ways change, there is movement and restlessness, they are no longer constant and a great light appears **redly** in the skies."*

Para 4

*"When blood drops upon the earth, the **Destroyer** will appear and mountains will open and belch forth fire and ashes. Trees will be destroyed and all living things engulfed. Water will be swallowed up by the land and seas will boil."*

Also in the ancient text, called "**Book of Creation, Chapter 3**" further evidence is being revealed what had happened in ancient past.

*"At the time of the great destruction of Earth, GOD caused a [celestial] **dragon from outer heaven** to come and encompass her about. The **dragon was frightful to behold, it lashed its tail** and breathed out fire and hot coals and a great catastrophe was inflicted upon mankind. The **body of the dragon** was wreathed in a cold bright light and beneath on the belly was a ruddy hued glow while behind it trailed a flowing of smoke.*

It spewed out cinders and hot stones and its breath was fowl and stenchful poisoning the nostrils of men. Its passage caused great thundering and lightning to rend the thick darkened sky, all Heaven and Earth being made hot. The seas were loosened from their cradles and rose up pouring across the land. There was an awful shrilling trumpeting which outpoured even the howling of the unleashed winds. Men stricken with terror went mad at the awful sight in the heavens.

They were loosed from their senses and dashed about crazed not knowing what they did. The breath was sucked from their bodies and they were burned with strange ash. Then it passed leaving Earth enwrapped with a dark and glowing mantle which was ruddily lit up inside. The bowels of the Earth were torn open and great writhing upheavals and a howling whirlwind rent the mountains apart. The wrath of the sky monster was loosed in the Heavens. It lasted about in flaming fury roaring like a thousand thunders. It poured down fiery destruction amid a welter of THICK BLACK BLOOD [Red ash].

So awesome was the fearfully accepted thing that the memory departed from man. His thoughts were smothered under a cloud of forgetfulness. The Earth vomited forth great gusts of foul breath from awful mouths opening up in the midst of the land. The evil breath bit at the throat before it drove men mad and killed them. Those who did not die in this manner were smothered under a cloud of red dust and ashes, or swallowed by the yawning mouths of the Earth or crushed beneath crashing rocks. In this manner the first Earth was destroyed by calamity descending from the skies. Men and their dwelling places were gone. Only sky boulders and the red earth remained where once they were. But amidst all the desolation a few survived for man is not easily destroyed but crept out of their caves and came down the mountain sides.

Their eyes were wild and their limbs trembled. Their bodies shook and their calls lacked control. Their faces were twisted and their skin hung loose on their bones. They were as maddened as wild beasts driven into an enclosure before flames. They knew no law being deprived of all the wisdom they once had and those who had guided them were gone.”

From this ancient text, it clearly shows a celestial heavenly body affecting the earth and all the calamities that is described in the Bible relating to the end, and the text also calls it a “Dragon” which doesn’t imply that it is a real dragon but in the following evidence that I will present, it is obvious that it looks like a ‘Red Dragon’.

The heavenly body, called “Nibiru, Planet x, the Tenth Planet” has the following characteristics;

*Mythologically speaking, it has the appearance of a **fiery beast, appearing in the sky like a second sun**. Nibiru is a magnetic planet, causing the Earth to tilt in space as it passes.*

*Nibiru is believed to have **four times the diameter of Earth and is 23 times more massive**, a truly gigantic planet.*

*According to ancient texts, Nibiru is wrapped in a cloud **of dust iron oxide red, making the rivers and lakes acquire a reddish color**. It is believed that it would cause days of obscurity while passing next to other planets, possibly even stopping their rotation during its transition across space due to its incredible magnetic properties.*

*Nibiru is also associated with great dangers. Some researchers believe if a planet like Nibiru would come close to Earth, it **would cause large earthquakes, tsunamis, volcanic eruptions creating an entirely new geography and climate.***

*It is called “**The Destroyer**” in the Kolbrin book, located in the monastery of Glastonbury in Scotland; Men forget the days of the Destroyer. Only the wise know where it went and that it shall return at the appointed time. ... It is the Destroyer ... Its color was bright and fierce and ever-changing, with an unstable appearance ... a fierce body of flames.*

*According to the US News World Report, Planet X or Nibiru exists, the article; “Shrouded from the sun’s light, mysteriously tugging at the orbits of Uranus and Neptune, is an unseen force that astronomers suspect may be Planet X – a 10th resident of the Earth’s celestial neighborhood. Last year, 2008, the **infrared astronomical satellite (IRAS)**, circling in a polar orbit 560 miles from the Earth, detected heat from an object about 50 billion miles away that is now the subject of intense speculation.”*

According to an article published in Newsweek on July 13, 1987, NASA disclosed that there might be a 10th planet orbiting our Sun. According to NASA research scientist John Anderson, Planet X might actually be out there, but nowhere near our planets. The article from Newsweek states: “if he is right, two of the most intriguing puzzles of space science might be solved: what caused mysterious irregularities in the orbits of Uranus and Neptune during the 19th Century? And what killed off the dinosaurs millions of years ago.”

On October 23, 1996 an article from AP called “New rebel planet found outside the solar system” states the following: A new planet that breaks all the rules about how and where planets form has been identified in orbit of a twin star about 70 light years from Earth in a constellation commonly known as the Northern Cross. The new planet has a roller coaster like orbit that swoops down close to its central star and then swings far out into frigid fringes, following a strange egg-shaped orbit that is unlike that of any other known planet.”

On the 6th of August 2016, the following article was released;

*“THE NIBIRU PLANET X DISCLOSURE FILES – PREPARING FOR 2017! Astrologist, Ex Government officials, Political insiders are all saying the same thing... 2016 is the year we have all been hearing about. The return of Planet X or Nibiru to some, Wormwood to others. Is John Moore correct in his statements that Planet x, or Nibiru, Wormwood are actually on a close approach of Planet Earth? Research delving into the issue of Wormwood, Planet “X”, aka Nibiru. With Obama’s recent speech on Global Warming, take notice to what he also had to say about a **possible end of life as we know it here on earth.** Why was this said? With so many conspiracies of the end times coming already spreading around the world. Why make such a statement?”*

John Moore has interviewed dozens of US Navy submarine and surface fleet veterans on the subject of rapid global sea level rise, gleaning information from the questions he asks, questions the main stream media is afraid to ask. His investigative prowess has allowed him to produce two major videos on the subject of Planet "X"; videos that are backed up by diligent research, documented history and scientific fact.

John Moore also broke the story in the alternative media on the actual stoppage of the Gulf Stream in June of 2010. Through his carefully cultivated ties with noted domestic and international scientists and with learned academics, he was able to bring to the public's attention the potentially devastating effects of current's termination off of the coast of Cape Hatteras. Unfortunately, the Winters of 2010-2011 and 2011-2012 have borne out his fore-stated hypothesis of bitterly cold winters afflicting the UK and much of Western Europe.

Let us all Pray that these people are wrong, and life will continue to proceed as normal, or as normal as we have come to except into 2016. But if they are right, let us all be very Thankful for this information while there was still time to receive it."

Now I believe, everybody is asking how does this 'heavenly body' ties in with Revelation 12? As I have explained that the appearing of the "great wonder in the heavens" happens on the 23rd of September 2017, and now we need evidence of the "other wonder in the heaven" also appearing.

When the first photo was taken by the Hubble telescope, before the live feed was cut, below is the object in color. Notice the red oxide hue that surrounds the object.

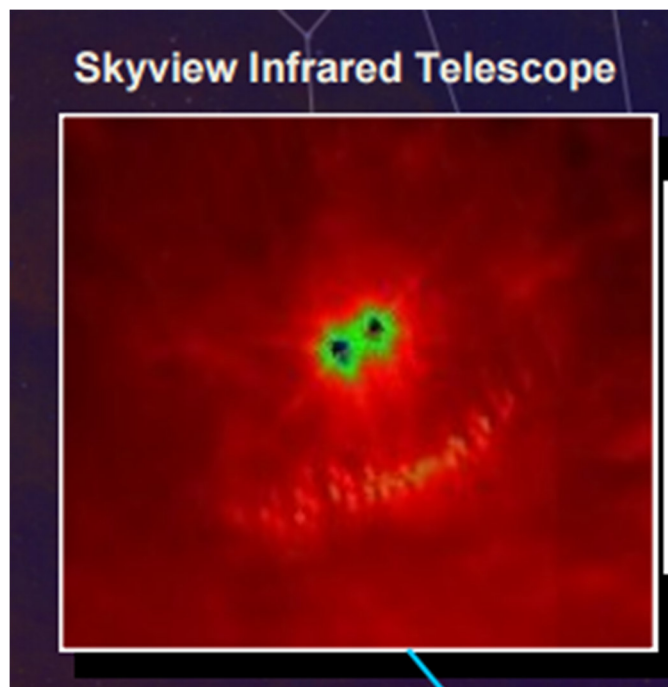

Also, notice in the right hand corner, there are two planets, and according to some sources, Planet X might have a Brown Dwarf Star as the center of gravity and that there might be more planets with their

moons in the system. The people in the know has provided the following specifications regarding the heavenly object;

- Nibiru is 5 times larger than Jupiter
- Jupiter has a volume 1321.3 times larger than Earth (according to Wikipedia).
- Therefore, Nibiru is 6,606 times greater than Earth.
- Nibiru is highly "Massive"; therefore, holder of " Field Gravitational one " is very powerful.
- Nibiru also has a " magnetic field " giant that operates the center itself, a diameter 8 AU or a distance of 4 AU (Astronomical Unit).
- Each AU equals 150 million km or the distance from Earth to the Sun!

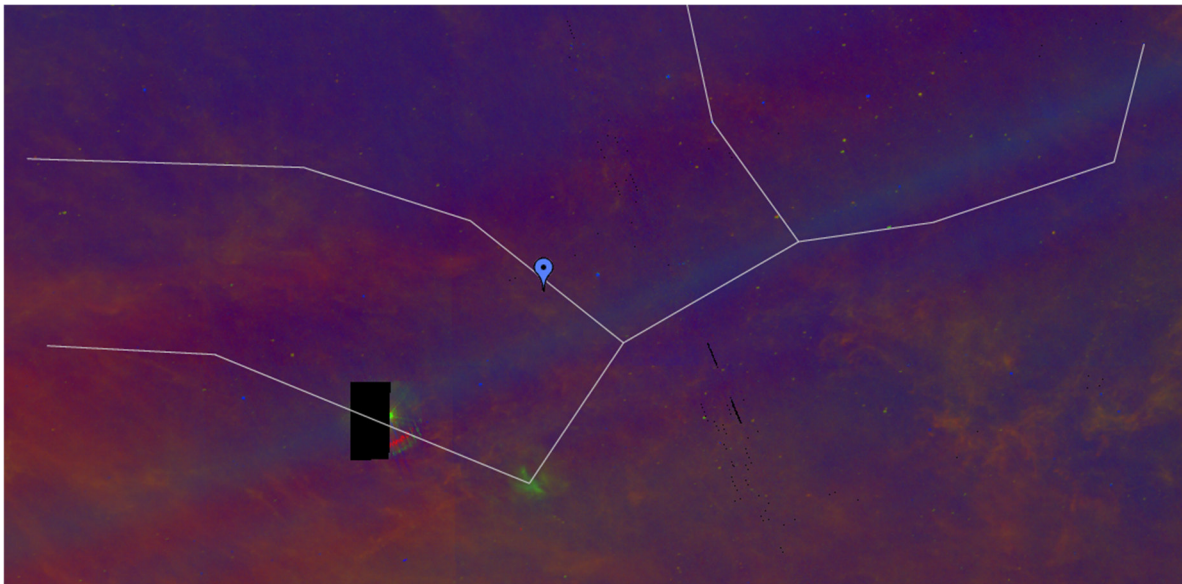

Now what is interesting is that the following image was captured on 'Sky View' from NASA and when they found that it was visible, they blocked out the image.

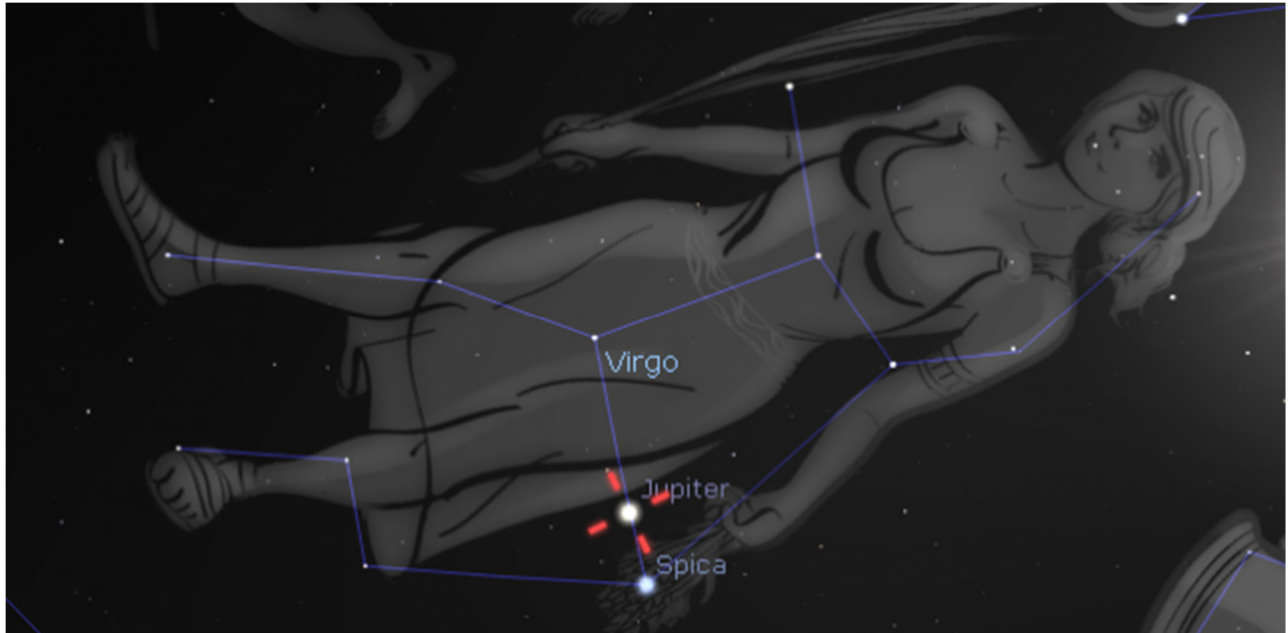

As you can see, the photo resembles a 'dragon' and you can also see the 'red' that is around this object. The question is why did NASA blocked the image out, unless they do not want the public to see this. Now I'll show you the blocked out picture;

The picture shows the blocked out rectangle, but seeing that the earth is moving with our solar system through the galaxy, the object is moving out from under the stationary blocked part. Now I will show you correctly where in the night sky is this object and close to which Constellation, because we are looking for the second *'wonder appearing in the heaven'* as mentioned in Revelation 12.

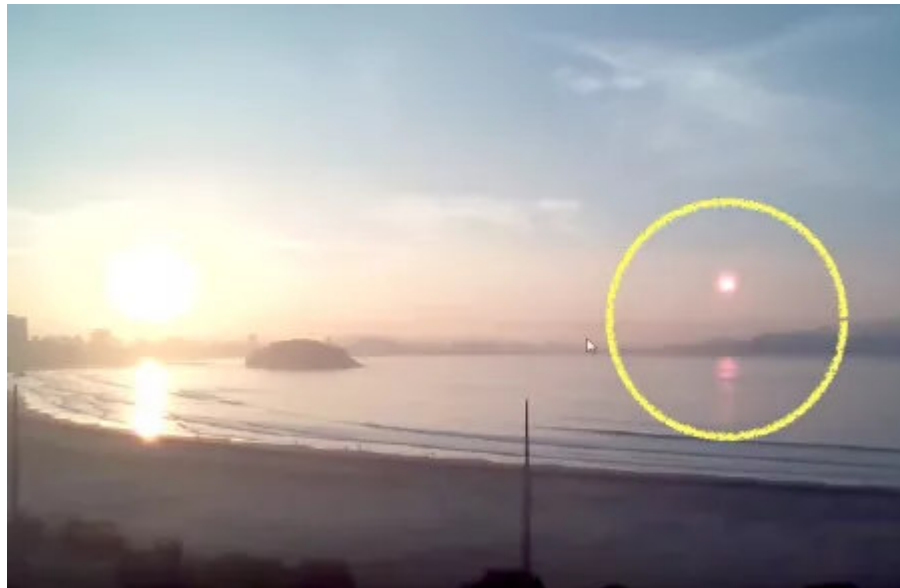

Here you can see the position of where this object is located which is between the legs of *Bethulah* (Virgo) and below is another picture of where Jupiter is;

Can you now see where Jupiter exits *Bethulah* and where the 'Red dragon' is positioned, and this will be reflected in the heavens on 22nd and 23rd of September 2017! Just remember that the planet moves faster than the object depicted above, meaning the object doesn't follow the course of the planets because it follows an ecliptic path around the sun.

Also pictures have been taken around the world that cannot be explained away by the scientific community and this is not sun dogs or lens flare that is produced when taken with any camera.

Clearly there are the sun on the left and an additional object to the right. Notice the difference in the reflection on the water. The one on the right has a light reddish color to it.

There has been numerous researchers and Bible scholars that have done excellent work on this object, and it is only in the last year or so that the approaching object or system has been connected to the increased earthquakes, volcanoes, strange animal deaths, birds falling out of the skies, severe storms that is unprecedented relating to the last 30 years.

A word of caution, the internet is full of videos and photos and one needs discernment to sift through the disinformation and men's opinion's where they say that this is a hoax and want the human race to go on with their lives as if there is nothing to be worried about.

Yahshua has mentioned the results of disregarding the signs in the heaven in Luke 21:25 - 26;

*“And there shall be **signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring;***

Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.”

This two Scriptures cannot be taken lightly and if you analyse the construct of the events mentioned in the two Scriptures, one realise that this are serious calamities and we've never has experienced this type of events in our life time.

I want to add another author to the list that also has provided us with information, that narrows it down, Gilbert Eriksen from www.millenniumprophecy.com and I will quote his findings;

As long as our solar system remains in its current configuration, the catastrophism of the Wormwood brown dwarf star will keep redefining Earth history periodically along with whatever version of civilization that happens to exist on Planet Earth during each perihelion visit. But that means that it can also function as a clock to define the possible destruction points of prior civilizations in Earth history.

*Using a Wormwood periodicity (epoch) of 3657 years (current best non-classified estimate), the most recent prior visit would place it at 1645 BC during the time of the Exodus of the Israelites from Egypt... assuming a 2012 inbound reappearance. While the 1645 BC date is not favored by the academic community it does harmonize with the accounts of Josephus and Manetho (competitor historians during the time of Christ). If it doesn't become visible in the northern hemisphere **until 2014 or 2017** (or whenever), then adjust the dates accordingly. It should become visible when it is about one Jovian orbital radius from the Sun... approximately. The closer it gets to the Sun (from the point of plasma induced “visibility”), the more brightly its atmosphere will glow and the longer its “comet style” tail will get. It is not a “comet” in the ordinary “comet sense” of the term. However, it will have a capacitive charge reaction with the solar wind just like comets do... only MUCH BIGGER. **And its “tail” will be the largest, longest (millions of miles long) and brightest solar wind tail of any object seen in our solar system for the last 3650 years.***

*So... going back in time using the Earth orbit inbound proximity estimate (2012/2014/**2017** closest proximity to Earth's June or July orbital position prior to solar perihelion) ... (ex: 2012 - 3657 = - 1645 or 1645 BC... BCE):*

Ref: 2012 2014 2017

1.) 1,645 / 1,643 / 1,640 BC (Exodus... re: Josephus and Manetho)

2.) 5,302 / 5,300 / 5,297 BC (flood of Noah) (major civilization destruction)

3.) 8,959 / 8,957 / 8,954 BC (Atlantis civilization... remnants?)

And so on... just keep adding 3657 to reach back farther and farther into the past. If the really bad Wormwood affects happened only every 4th perihelion trip, then the starred visits are the major destruction events with the other perihelion visits being less severe (significant parts of the prior civilization survived the disruption-assault).

This means that we should align our views of history and our lack of long term history here on Earth with the disruptions of Wormwood. Here is an interesting alignment of this information with the Genesis account of Adam's genetic line. It's very "illuminating" when you look at the periodicity of civilization this way. Suddenly the numerous "lost civilizations" begin to make more sense and archeology is not at cross purposes with the Bible accounts. They fit nicely.

Genesis 5:3: When Adam had lived one hundred and thirty years, he became the father of a son in his own likeness, according to his image, and named him Seth.

Adam marks the beginning of a new genetic/DNA/bloodline on Planet Earth... not the beginning of Planet Earth civilization(s) per se. In other words, God "arranged" the appearance of a new genetic line of human beings 1656 years (6958 BC) before the destruction of the Great Flood (5302 BC) of Noah's era. He also arranged that the survivors of the Great Flood were members of this new genetic (Adamic) line but the satanically polluted bloodlines of the Nephilim from the prior civilization were wiped out.

5:4: Then the days of Adam after he became the father of Seth were eight hundred years, and he had other sons and daughters.

5:5: So all the days that Adam lived were nine hundred and thirty years, and he died.

5:6: Seth lived one hundred and five years, and became the father of Enosh.

5:7: Then Seth lived eight hundred and seven years after he became the father of Enosh, and he had other sons and daughters.

5:8: So all the days of Seth were nine hundred and twelve years, and he died.

5:9: Enosh lived ninety years, and became the father of Kenan.

5:10 Then Enosh lived eight hundred and fifteen years after he became the father of Kenan, and he had other sons and daughters.

5:11: So all the days of Enosh were nine hundred and five years, and he died.

5:12: Kenan lived seventy years, and became the father of Mahalalel.

5:13: Then Kenan lived eight hundred and forty years after he became the father of Mahalalel, and he had other sons and daughters.

5:14: So all the days of Kenan were nine hundred and ten years, and he died.

5:15: Mahalalel lived sixty-five years, and became the father of Jared.

5:16: Then Mahalalel lived eight hundred and thirty years after he became the father of Jared, and he had other sons and daughters.

5:17: So all the days of Mahalalel were eight hundred and ninety-five years, and he died.

5:18: Jared lived one hundred and sixty-two years, and became the father of Enoch.

5:19: Then Jared lived eight hundred years after he became the father of Enoch, and he had other sons and daughters.

5:20: So all the days of Jared were nine hundred and sixty-two years, and he died.

5:21: Enoch lived sixty-five years, and became the father of Methuselah.

5:22: Then Enoch walked with God three hundred years after he became the father of Methuselah, and he had other sons and daughters.

5:23: So all the days of Enoch were three hundred and sixty-five years.

5:24: Enoch walked with God; and he was not, for God took him.

5:25: Methuselah lived one hundred and eighty-seven years, and became the father of Lamech.

5:26: Then Methuselah lived seven hundred and eighty-two years after he became the father of Lamech, and he had other sons and daughters.

5:27: So all the days of Methuselah were nine hundred and sixty-nine years, and he died.

5:28: Lamech lived one hundred and eighty-two years, and became the father of a son.

5:29 Now he called his name Noah, saying, "This one will give us rest from our work and from the toil of our hands arising from the ground which the Lord has cursed."

5:30: Then Lamech lived five hundred and ninety-five years after he became the father of Noah, and he had other sons and daughters.

5:31: So all the days of Lamech were seven hundred and seventy-seven years, and he died.

5:32: Noah was five hundred years old, and Noah became the father of Shem, Ham, and Japheth.

7:6: Now Noah was six hundred years old when the flood of water came upon the earth.

7:7: Then Noah and his sons and his wife and his sons' wives with him entered the ark because of the water of the flood.

130 + 105 + 90 + 70 + 65 + 162 + 65 + 187 + 182 + 600 = 1656 years from the "beginning/creation/inception" of Adam to the Great (Wormwood driven) Flood of Noah.

5302 + 1656 = 6958 BC as the “inception” point of Adam... and “Adamic” civilization (2012 baseline assumption). But remember that Adam lived for 800 years after the birth of Seth which would take Adam forward to the era of Lamech before Adam died. Noah was born to Lamech after Adam died.

If this Adamic race interpretation of Genesis 5 is the accurate and proper way to look at the bigger picture of Earth’s history - - one that includes the **Wormwood brown dwarf star (from Revelation 8)** in the grand scheme of Earth’s disrupted past... then a lot of interpretive issues and archeological issues that seem at odds with the Biblical historic accounts are dissolved. The problems just “go away”. The Biblical record integrates nicely with real historic and archeological information when all the correct information is in and the timelines are properly harmonized.

The Wormwood Clock lets us see into Earth’s past civilizations with new eyes. The diorite stone shaping technology of the builders of Tiwanaku (Puma Punku, Bolivia), the temple and civic complexes of Cusco, Machu Pichu, Sechin, Pachacamac, Quenco, Ollantaytambo, Sacsayhuaman, etc., in Peru, the basalt log buildings of Nan Madol (Pohnpei, Micronesia), the submerged temple (civic) complex at Yonaguni, Japan (under 400 feet of water), the Pyramids and Sphinx at Giza, Egypt as well as the pyramids in Mexico, China, and Bosnia along with the underwater pyramids off the east coast of Florida and the west coast of Cuba - all these things make more sense in light of the cyclic civilization destroying effects of the brown dwarf’s perihelion visits.

In a way, the real wonder that so many ancient civilizations developed to the high level art forms that we see in their now silent stone work. Our predecessors here on Planet Earth were indeed clever and innovative people. How did the engineers at Tiwanaku cut those very hard diorite stones with such smooth precision? How did the engineers cut and polish some of those red granite stones inside the Great Pyramid at Giza? Their work is accurate to less than .001” across 6 foot spans. That’s the kind of precision we have on micro flat reference stones in machine shops today. How did the ancient engineers and technicians do it back then? Hmmm - - most intriguing - -

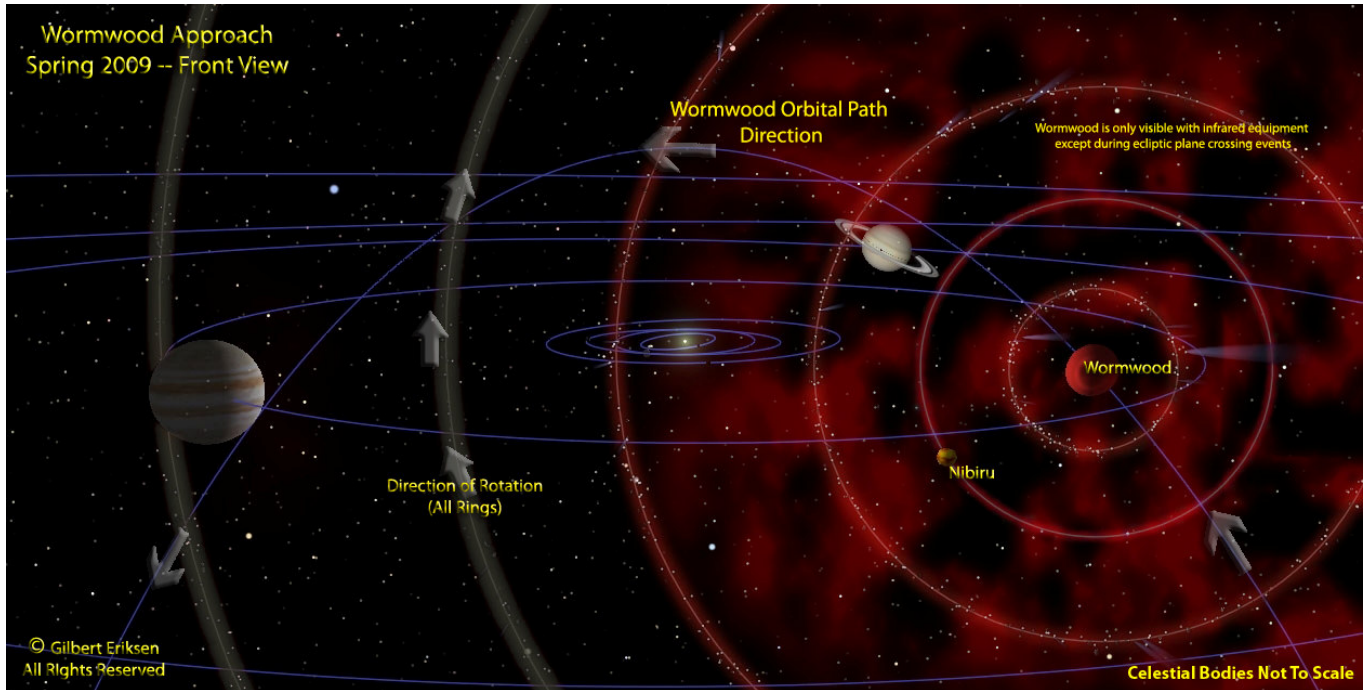

Additional questions arise with regard to just how far up the technology ladder ancient Earthlings might have climbed. Did they fly airplanes? The models of the Vimana flying machines from Egypt, India and Peru suggest that they did. Did they use electricity? Did they do genetic engineering? Did they build steel and glass sky scraper office buildings? Did they go to the Moon? Did they conquer gravity and the physics of time, space and dimensionality? Did they move out to other star systems and explore the stellar neighborhood? Just how far up the technology ladder were they able to climb as civilizations before the brown dwarf star came around and laid waste their advancement efforts? The questions make for some interesting speculation. But at least we know that the civilization growth process has been going on for quite some time here on Planet Earth. Hopefully some of our predecessors (Atlantis, Kronos or whoever) were able to advance the development process farther along than we have. And who knows, maybe someday in eternity future we will get to hear some of their stories first hand. Wouldn’t that be interesting - -

What is interesting from his assessment is the fact that this object has been here before and Father YaHuaH can use any object in the universe to fulfil His Word, He even used a donkey / ass. (Numbers 22:28-30)

The work of Gill Broussard has the same conclusion as to previous flyby’s and the destruction the object created.

One should not make the mistake that the object inbound, is the one as referred to as ‘Wormwood’ mentioned in Revelation 8:10 – 11, where ‘Wormwood’ is identified as a star that will fall on the earth. We know that it cannot be a ‘star’ per sé but an asteroid, big in size, to bring the destruction as mentioned in this verses.

Below is a presentation by Gilbert Eriksen as to how the Nemesis system might look like and the position of the “Planet of the Crossing” aka Nibiru just for illustration purposes.

You’ll notice that he referred to the Brown Dwarf Star as ‘Wormwood’ which is actually referred to as ‘Nemesis’ in the known circles, meaning it doesn’t correlate with Revelation 8.

I know this is a lot to take in but it is of the utmost importance to not believe what I’ve written here but to seeks YaHuaH’s Face regarding what is written in Scripture ties up with the astronomical evidence.

Now want to take you back to Revelation 12:6 & 14 where it states that the woman will be protected for 1260 days, meaning for 3 ½ years. So if this is the second part of the so-called 7-year period, what happened to the first 3 ½ years, (*if there was a reference in the Scriptures pertaining to a 7-year period*). Commentaries and Scholars teach about a 7-year Tribulation, and I still cannot find any Biblical reference thereto.

Irvin Baxter from www.endtime.com explained to a reader regarding the question of 7-year Tribulation;

*Many people say that there is a seven-year tribulation but there’s not one scripture to prove that. However, there are six specific scriptures that say the great tribulation will last for three and one half years. Let me give those scriptures to you. Daniel 7:25 says that the little horn (the Antichrist) will **make war against the saints for time, times, and half a time**. This is repeated several times throughout scripture as time being one year, times two years, and half a time being half a year. We know that for sure because the exact same prophecy is in Revelation 13:5, there it says power was **given to the beast to continue 42 months**. So it says he would continue for **three and a half years, a time, times, and half a time**. In Revelation 13:5 it says that he will make war against the saints for 42 months. Then in Revelation 12:5-6 it says that the dragon made war against the **woman Israel***

for 1,260 days; that's also three and a half years. All these passages are describing the length of the *time of the great tribulation*. Finally, Jesus said in Matthew 24:15 that when you see the Abomination of Desolation, let those which be in Judaea flee because *then shall there be great tribulation such as never has been before, nor ever again shall be*. So Jesus said the Abomination of Desolation is the event that will trigger the great tribulation. We know from **Daniel 9:27 that the Abomination of Desolation will occur halfway through the final seven-year period called Daniel's 70th week. There is a seven-year period **called Daniel's 70th week**, described in Daniel 9:27. **But the Abomination of Desolation occurs in the middle of that seven-year period, and Jesus said *that's the event that triggers the Great Tribulation*. So the first three and a half years of Daniel's 70th week **will not be great tribulation at all, it doesn't start until the halfway point**.****

Irvin has put the answer very constructively with evidence, but needless to say, Daniel Matson has provided the evidence of the beginning of the first 3 ½ years which match perfectly with the 'Sign in the Heavens' on 23rd of September 2017.

He has calculated that from the sighting of the first blood moon on 15th of April 2014, and count forwards up to 23rd of September 2017, you have counted 1260 days!

I just want to make it clear again, that we are not saying that the '*caught up*' of the Man-child will happen on 23 September 2017, but this is the day for the Sign in the Heavens that we should watch for.

My last thoughts, is that wickedness abounds more now on the earth as last year and the previous year. Laws are being created to move people away from the Word of YaHuaH (Bible / Torah) and move into Humanism and open doors for all the filth that the adversary can through at you and it is our duty as true followers of Yahshua HaMashiach of Nazareth (Jesus Christ of Nazareth) to be obedient to His Commandments as mentioned in the Renewed Covenant and the Old Covenant, because Scripture does not lie, as it is written in Revelation 12:17;

***And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ*.**

I need you to ask yourself, what group of people around the world today "**keeps the Commandments of GOD (YaHuaH) and have the Testimony of Jesus Christ (Yahshua HaMashiach)**"?

Yahshua has spoken these words by Himself;

John 14:15;

If ye love me, keep My Commandments.

John 14:21;

He that hath my commandments, and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him.

John 15:10;

If ye keep my commandments, ye shall abide in my love; even as I have kept my Father's commandments, and abide in his love.

Here in the last Scripture, Yahshua stated that He has **kept His Father's Commandments**, and there is a requirement in order **to abide in His Love** and that is IF **you** keep **HIS** Commandments.

I pray that the Grace of Yahuah, by the Power of Yahshua of Nazareth will lead you and teach you and draw you closer to Him and to sit by His feet and listen to His Voice as sheep listen to the Shepard's Voice, as we are approaching this time period. And as Shaul (Paul) has written to Timothy describing our world today;

2 Timothy 3:1;

*This know also, that in the **last day's perilous times shall come.***

Now read further, verses 2 to 7 and you will realise that the hour is late.

Do not be consumed by the things of the world, because it will pass away and we have only this time to choose who we will follow, and to know HIM in Spirit and in Truth, not just by the Letter.
