Dear John Tng and all Faithful and Beloved Doves

Subject: A very Important Rapture S/D Timeline Update Pointing to the End of Gregorian and Jewish Calendar Years 2014—A Must Read!

PLEASE TAKE A VERY CAREFUL LOOK AT THE FOLLOWING CHART!

A Word About the Solar Eclipses in the Following Chart

Please Click on the Following URL LINK to verify that the **First Blood Red Moon of the Tetrad *did fully occur in the designated Time Zones on the Evening of April 14, 2014 (Nissan 14, 5774), thus marking Jewish Passover*, the very day that Jesus Christ of Nazareth was crucified in Jerusalem on the Temple Mount.**

Notice that the Tetrad actually follows the days of the week in order.

All the blood moon Tetrad charts I've seen online are missing the **October 23, 2014 solar eclipse which happens to fall exactly on the missing Thursday from all the others. Interestingly though, the eclipse on Oct. 23, 2014 is exactly 7 days after the 8th day of Sukkot which is known as the "Day of Assembly".**

Did you notice that the Solar Eclipse on March 20, 2015 "MARKS EXACTLY THE END OF JEWISH CALENDAR YEAR 2014" exactly following the pattern of J.C. Years as I outlined (above)! I see this as the prime date for fulfilling the final great battle of the Ezekiel 38/39 Gog-Magog War. This tremendous date right at the Spring Equinox will play a pivotal role in fulfilling the prophecies concerning Jewish Purim as I have written about so often.

In this post by Brother Calvin on October 17, 2014; notice how the entire CONUS MAP IS DESIGNATED AS "GROUND ZERO" in the imminent Sudden Destruction that this October 23, 2014 partial Solar Eclipse portends. This should shock you!

Now consider the following "retrospective analysis" of both Gregorian and Jewish Calendar Years 2010 through 2014.

1. How many days (years) are there from July 4, 1776 and July 4, 2010? Answer: 85, 466 Days or **234 Years**

This gave us exactly the Vincent Tan Terminal Number "234" and how excited many of us were back then.

2. How many days (years) are there from July 4, 1776 and July 4, 2011? Answer: 85, 831 Days or **235 Years**

To me this seems to clearly show that the Year 2010 was Year 1 in the Parable of the Barren Fig Tree in the Vineyard.

[Luke 13:6-9\(KJV\)](#)

6) He spake also this parable; A certain man had a fig tree planted in his vineyard; and he came and sought fruit thereon, and found none. **7)** Then said he unto the dresser of his vineyard, ***Behold, these three years I come seeking fruit on this fig tree, and find none: cut it down; why cumbereth it the ground?*** **8)** And he answering said unto him, Lord, let it alone this year also, till I shall dig about it, and dung it: **9)** And if it bear fruit, well: and if not, then after that thou shalt cut it down.

If "year 1" was 2010 marked clearly by the Vincent Tan Terminal Number "234 Years", and it was without even a fraction, then years 2011, 2012 and 2013 and up to the inspection at the start of 2014 are clear enough.

Now notice that in the final year "year 2014" request is made as follows: Luke 13:8-9(KJV) And he answering said unto him, **Lord, let it alone this year also,** till I shall dig about it, and dung it: 9) And if it bear fruit, well: and if not, then after that thou shalt cut it down.

Tell me that this does not clearly allow for the "cutting down" of this worthless Fig Tree at the end of Calendar Year 2014? That date is by New Year's Eve 2014 right ahead of us!

And please take notice that Jewish Calendar Year 2014 does not end until March 20, 2015 on Adar 29, 5775. How could it be made any clearer for us? Let me repeat what I wrote above:

Did you notice that the Solar Eclipse on March 20, 2015 "MARKS EXACTLY THE END OF JEWISH CALENDAR YEAR 2014" exactly following the pattern of J.C. Years as I outlined (above)!

I see this as the prime date for fulfilling the final great battle of the Ezekiel 38/39 Gog-Magog War. This tremendous date right at the Spring Equinox will play a pivotal role in fulfilling the prophecies concerning Jewish Purim as I have written about so often.

**To get the full impact and significance of December 23, 2014 let's
review my post on Sunday December 21, 2014 and my
Rapture/Sudden Destruction Dream from the LORD on December
23, 2011 @ sunset!**

22, 2014 with sunrise @ 6:**35**AM and sunset @ **4:40**PM (JT).

[**Above the time 1:03 becomes "13--Apostacy; Depravity; and Rebellion"** by dropping the "0" and likewise **440 becomes 44--Judgment of the World and POTUS 44** or think of it as **44 x 10 = 440 raised tenfold!** The sunrise has **6--Man's Number** and **35--Rapture.**] Of course, this all just happened by "accident"; right?

Now let me add that **December 22nd 2014 or (7)** is the **Day of Light** and **December 23** starting exactly at sunset **Monday, Monday; @ 4:40PM (JT) also, is the Day of Death** and sunrise is @ **6:36AM** where **36 = Enemy!**

Consider that in addition to all of this the Jewish calendar for the **Dec 21 = Kislev 28--(Eternal Life); Dec 22 = Kislev 29--Departure** and @ sunset changes to **Kislev 30--(Dedication of the Blood of Jesus Christ)** and is also **Dec 23--(Death)**

Now in addition to all of this consider the following: **1)** The **(3)** three days of dark moon are December 21, 22, and 23 with the first sliver of waxing new moon showing up on December 24th Christmas Eve; **2)** The New Moon Peak is to happen on Monday, Monday @ **01:35AM** just **32 = Covenant Minutes** after the Winter Solstice Peak @ **1:03AM.**

So we find **35--Rapture** twice on the 22nd here with the New Moon Peak; and, then again @ sunrise (see above); how cool is that? Of course in RMI these 35 are also **53 = Marriage Supper**; **3)** This New Moon Peak is the perfect time to now fulfill John Lawler's dream vision from December 30, 2010 where he was told that the greatest explosion that this Earth has every experienced will happen when the Moon is at "The Top of its Phase"; **4)** Also, Tracy Thompson was told by the LORD that on this dark moon surprise attack on Israel, the enemy would have **5 men** for every Israeli soldier.

Please allow me to now show you what I now see that I had not yet realized a week ago.

The LORD may very well have set up the following final "End of Year Revival Meetings" in Dr David Owuor's home town of Nakuru, Kenya in the Kaptembwa Grounds to set up for his final show of Tremendous Healing Miracles and Out Pouring of God's Glory, as the Rapture will now take place.

The first meeting is on Tuesday December 30, 2014 and "30" = Dedication of the Blood of Jesus Christ. It all now fits perfectly. It will still be Monday,

Monday in much of the world this first meeting kicks off on a Tuesday Morning @ 0900 in Nakuru.

[Remember Dr David Owuor's Prophecy and Video from April 27, 2011 – This could be it's fulfillment! I for one will be ready!]

In Daniel 12:12 (KJV) we read the following:

Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days. <[1335 Days]>

Now look at the following timeline from April 27, 2011 the Date of Dr David Owuor's Rapture Prophecy and Video that time is now completely over and the Rapture can happen at any moment. Dr

David Wilkerson was also called home unexpectedly on this very same date!

I want you to recognize the number of days 1260 as representing the complete Second Half of the allotted 2520 days of the 7-Year

Tribulation Period. Then also notice that added to this 1260 day period of wrath are an additional 75 days (30 + 45 = 75) the maximum

number of add on days per Daniel 12:12 (above) making a total of 1335 days.

****From the Second BRM on October 8, 2014 to Deceber 23, 2014 is 75 Days****

I can assure you that this did not happen by accident!

What are the odds that this well known maximum number of days (1335) for the 7-Year Tribulation Timeline has shown up here as follows be accident?

Notice that from April 27, 2011 to Harvey Troyer's Rapture Vision (3rd Anniversary (December 23, 2014) is 1335 Days (1260 + 75)! Daniel 12:12

Even Gematria 1212 is special:

1212 divided by 101 = 12--Perfect Government (Perfect order)!

How many days are there between February 26, 2011 (Harvey's Miracle Motorcycle Accident) and June 22, 2014?**

**Answer: 1212 Days = [2 x 2 x 3 x 101 or (12 x 101) or 3.32 Years]<-
-The number 101 is very powerful see Bible Wheel GR LINK 101--
Command, And it is so!**

http://www.biblewheel.com/GR/GR_101.php

Or 3 Years + 7 Months + 25 Days

43 Months + 25 Days

190 Weeks + 5 Days

953 Weekdays <--[953 RMI = 359 + 1 = 360]

3.65 Years (Enoch's Sign) of Rapture<-- [RMI = 563 or (560 + 3-- Sign of Jonah and Trinity) Days) 560/365.242 = 1.5332]

$$953 - 7 = 946$$

$$1260 + 75 = 1335$$

Now if 7 additional days are added to the above Christmas Eve endpoint (sunset 12.23.14) it takes us straight to December 30, 2014 and Dr Owuor's first Revival Meeting. The Charity/Angela Template also fits perfectly counting from Thursday (Charity Day 5) December 25th Christmas Day! The LORD told Angela that we should be ready at any moment and I intend to do just that!

How many days are there from the anniversary of my Miracle Motorcycle Accident (February 26, 2013) and December 26, 2014?

**Answer: 669 Days or [669 = 3 x 223—Wow!] [Also, 669 + 1 = 670
or**

[600 = War + 70 (7→The seal of God x 10--Testimony; Law; and Responsibility. Gematria 7 = Resurrection; Spiritual Completeness; Father's Perfection)]

1 year 10 Months 1 Day

[22 months←[December 22 Day of Light followed by 23 Day of Death represented as "2223"]

Now just add the three (3) the Trinity Sign of Jonah days to this timeline ending on December 26th and you come to the Eve of Dr David Owuor's first End of Year Meeting December 29, 2014 Monday, Monday in "THE WEST". And Gematria 29 is (Departure) and 28 is Eternal Life. Please remember that when it is 13:44 (1:44PM) in Nakuru, Kenya on Tuesday December 30, 2014; it will still be Monday, Monday December 29, 2014 @ 23:44 (11:44PM) in Honolulu, Hawaii the place that Obama claims to be his Birth Place. You do not even have to be reminded that 23 = Death and 11 = Disorder and JUDGMENT and 44 = Judgment of the World and POTUS 44! In Washington D.C. it will be 0:444AM ET and where I now live in Tacoma, WA it will be 01:44AM PT. The Island of Adac at

**the Tail of Earth's Time Spear will be the same time as Hawaii @
23:44 (11:44PM) 12-29-14 Monday, Monday.**

Kiritimati, which is also called Christmas Island, is at the very Tip of Earth's Time Spear; and, its time will be 23:44 (11:44 PM) Tuesday December 30, 2014. In just 16 = Love minutes the Tip of Earth's Time Spear will enter Wednesday December 31, 2014 which is New Year's Eve!!!!!!!

Some may recall that last month I identified the following: Monday, Monday November 24, 2014 can be written as 11: 24/7 thus judging Satan's Ordo Ab Chao devotees (11 = JUDGMENT for all the Disorder); and, now we have passed on Christmas Eve December 24, 2014 a perfected time for a perfect kingdom 12: 24/7 pointing to the very near Millennial Reign of Jesus Christ with a Rod of Iron with 12 (Perfect Government)!

Notice how 12-24-2014 + 7 days = 12-31-2014 (New Year's Eve). This is the perfect scenario (IMHO) for bringing it to a sudden end; and, the wicked will be trapped in their Ground Hog Day time warp with no way to get out of it. The joke will be on the Luciferians, because on December 30, 2014 (30 = The Dedication of the Blood of Jesus Christ) Christmas Island at the Tip of the Time Spear in "THE WEST" is now set perfectly to demonstrate this to all for eternity. Remember, Christmas means Christ's Mass and Mass is all about the Holy Communion celebrated with the sanctified holy bread or body of Jesus Christ along with the sanctified holy red wine or blood of Jesus Christ.

How entirely fitting that the LORD had me write the following poetic verses over Christmas exactly 3 Years ago.

Harvey Troyer (27 Dec 2011)

**"THE NAUGHTY, NAUGHTY CHILDREN",
WHO HAVE REJECTED THEIR KING

AS THEY STAND..., "BEFORE HIM"!**

"CAUGHT WITH PANTS DOWN",**

**THEY WILL NOW HOWL AND WAIL

THEY WILL GROVEL IN SHAME AND NO LONGER SING.**

Now take a quick look at the following Nicole Poon Vision Pictures and notice how they

" perfectly overlay" my Miracle Motorcycle Accident which happened on **Saturday February 26, 2011 @ 7:50PM CST (19:50 or 19.5—a special number in hyperdimensional physics)** in Austin, Tx?

Consider this: In 2011 on December 10 at sunset I got my Monday, Monday Dream Vision on 12:11:11 as we arrived at Monday. Now December 22, Monday, Monday is looming large as the Prime Target.

While there is yet just a little time left, may I again URGE YOU to take a quick and careful look at my following two posts on Five Doves on Sunday December 21, 2014. These should certainly help you to see clearly that we have, indeed, finally arrived.

It's time to tell everybody that this is really it; at least in my humble opinion it is. You use your best spiritual discernment to decide if you agree with me. Let's all be ready.

The 223 (above) pulls up Titus 2:13 the Blessed Hope (the Rapture) on the Bible Wheel Gematria. Notice that 223 is hidden in "2223" and this explains why certain individuals have been shown these numbers in supernatural ways. It is also very interesting that $153 + 35 + 35 = 223$ or $188 + 35 = 223$. Also, NOTICE THAT 223 IS LINKED ON THE BIBLE WHEEL TO EZEKIEL 34:16 THE "THE PIT BULLS" THE TERRORIST WHO GO DOWN TO THE PIT.
