

The Rapture & The Great Tribulation

By David Meade

The U.S. seems ready to enforce a Pax Romana on the world - we have 800 military bases in foreign countries. And the government seems to be pushing hard towards a Middle East "Peace" Agreement. Of course, the Middle East will never have peace until Jesus returns. But man is going to try.

On December 6th Donald Trump declared Jerusalem the capital of Israel. Seven days later, UN leaders almost unanimously voted against this.

Where are we now in Bible Prophecy? We are right at the door. The Revelation 12 Sign of course points forward, and as of January 1st 2018 we are 100 days beyond this Sign.

The Vice President is scheduling a trip to Israel to speak to the Knesset about peace sometime in January.

[1Th 5:2-3](#) For yourselves know perfectly that the day of the Lord so cometh as a thief in the night. For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.

The New Year is one full of economic and war threats. The stock and bond markets have been pumped up by massive monetary injections by the central banks of the world. Paper money - fiat paper money chasing paper instruments. Total insanity.

This new nationalism reminds me of Peter, Jesus' apostle who was first named Simon. Simon was a zealot, says the Bible (he wanted to "make Israel great again"). But Jesus knew this wasn't the plan, and changed his name and his occupation and made him a "fisher of men." Jesus was not political.

We are arming Ukraine to enable it to attack the breakaway provinces of Novorussia. We are threatening North Korea. Even Venezuela is in our sights.

In the opinion of many, Russia's low key and cautious diplomacy has increased the likelihood that Washington will err and give the world a third world war.

INTRODUCTION – The Psalms Prophecy

There is a theory out and about, that the Psalms all relate prophetically to their corresponding years, starting with 1901. So that Psalm 1 relates to 1901, Psalm 2 to 1902, etc. Let's look at examples:

- Psalm 46 - 1946: first year of peace : "He maketh wars to cease unto the end of the earth" v.9
- Psalm 39-45 - 1939-1945: The Holocaust.
- Psalm 48 - 1948: Israel is born.
- Psalm 91 - 1991: Desert Storm War – "Not afraid of the arrows flying by night" (Missiles) "Pestilences" (fear of chemical weapons)
- Psalm 115 - 2015: Two consecutive earthquakes in Nepal, where they sacrifice and offer to idols – "Idols have eyes but cannot see"

Look at this:

- Psalm 117 - 2017: Foretelling The Imminent Rapture! – (by the end of the month of March, 2018)
- Psalm 118 - 2018: The Great Tribulation

Psalm 117 –THE RAPTURE

[Psalm 117: 1-2](#)

O praise the LORD, all ye nations: praise him, all ye people.

2 For his merciful kindness is great toward us: and the truth of the LORD endureth for ever. Praise ye the LORD.

It's a small, strange psalm. It sounds like all nations are praising Jesus for merciful kindness (the rapture?). In other words, they've been moved out of harm's way.

Psalm 118 – 2018 – THE GREAT TRIBULATION

But Psalm 118 reveals the ENTIRE STORY of The Great Tribulation, from beginning to end.

Its focus is on Israel, fighting for her life. Surrounded by enemies. Look at the highlighted portions of the Psalm, below. Let's look at the first twenty one verses:

O give thanks unto the LORD; for he is good: because his mercy endureth for ever.

2 Let ISRAEL [the nation] now say, that his mercy endureth for ever.

3 Let the HOUSE OF AARON [the Priests] now say, that his mercy endureth for ever.

4 Let THEM NOW THAT FEAR THE LORD [the remnant] say, that his mercy endureth for ever.

5 I CALLED UPON THE LORD IN DISTRESS: the LORD answered me, and set me in a LARGE PLACE

6 The LORD is on my side; I will not fear: what can man do unto me?

7 The LORD taketh my part with them that help me: therefore shall I see my desire upon them that hate me.

8 It is better to trust in the LORD than to put confidence in man.

9 It is better to trust in the LORD than to put confidence in princes.

10 ALL NATIONS COMPASSED ME ABOUT: but in the name of the LORD will I destroy them.

11 They compassed me about; yea, they compassed me about: but in the name of the LORD I will destroy them.

12 THEY COMPASSED ME ABOUT LIKE BEES: they are quenched as the fire of thorns: for in the name of the LORD I will destroy them.

13 Thou hast thrust sore at me that I might fall: but the LORD helped me.

14 The LORD is my strength and song, and is become my SALVATION.

15 The voice of rejoicing and SALVATION is in the TABERNACLES [tents] of the righteous: the right hand of the LORD doeth valiantly.

16 The right hand of the LORD is exalted: the right hand of the LORD doeth valiantly.

17 I shall not die, but live, and declare the works of the LORD.

18 THE LORD HATH CHASTENED ME SORE: BUT HE HATH NOT GIVEN ME OVER UNTO DEATH.

This is the early Tribulation war of the nations against Israel.

19 Open to me the gates of righteousness: I will go into them, and I will praise the LORD:

20 This gate of the LORD, into which the righteous shall enter.

21 I will praise thee: for thou hast heard me, and art become my SALVATION.

Conclusion

These two Psalms speak of the concluding events of 2017 and the year of 2018. Revelation 12 of course pictures the Rapture and Great Tribulation in verses 1-5.

So when I came upon this video, this confirmed it for me. This is the most single brilliant piece of cryptography and analysis I have ever seen, and it is the answer and conclusion to the Revelation 12 Sign. It explains the Blood Moon Tetrads of 2014-2015 and indicates precisely where they point, as well as Revelation 12 and the Super Moons of December 2017 and January 2018.

You have to watch this now - in conjunction with my [books](#) you will understand everything - everything.

According to [Infowars](#):

“Author James Rickards, who is known to have intelligence contacts, says the Director of the CIA told him the United States will be at war with North Korea within 12 weeks.” That translates to March 20th, 2018.

The reason - Pompeo told a small think tank group on October 20th, 2017 that it would not take North Korea more than five months to have an arsenal of nuclear-armed ICBM missiles.

By deductive logic the U.S. will have to orchestrate a pre-emptive strike before that date. Otherwise these missiles could strike any U.S. city with almost no warning.

This data from an intelligence source therefore confirms the video and the time frame indicated in the video to be correct, beyond any reasonable doubt.
