

Hi Doves,
Reply to Gino re the 3 beasts – Dan. 7:4–6

Gino (12 Jan 2025)
"Can there possibly be a modern aspect to this, as well?"

(Could the lion, leopard, bear, and the wild beast mentioned in Hosea 13:7-8:)

Hosea 13:7 Therefore I will be unto them as a lion: as a leopard by the way will I observe *them*:

8 I will meet them as a bear *that is bereaved of her whelps*, and will rend the caul of their heart, and there will I devour them like a lion: the wild beast shall tear them.

(Possibly have any prophetic significance in light of the lion, bear, leopard, and the dreadful and terrible beast, mentioned in Daniel 7:3-7?)

Hi Gino, Of course they will!

I thought I had thoroughly explained this topic of **the 3 beasts** in my many letters to 5 doves, regarding the **revival** of parts of these **THREE ancient beast empires**, i.e., Babylon **lion**, Macedon-Greece **leopard**, and Media-Persia **bear according to Dan. 7:12**. **THEN** they reappear in **Revelation 13:1–2** (in the New Testament age) on their original territory—but, as a **SINGLE composite Islamist Beast/Caliphate** that wars against the Saints as the **7th head on the beast**, during the Islamic conquest and afterward AD 700 → until it received its mortal wound during WWI, being healed in 2014 with the revived **Islamic State Caliphate**.

Hosea's **THREE beasts** are the 'tools of God' (like those mentioned in Dan. 7:4–6, which are domiciled in Asia, Mesopotamia and the Middle East). My book at: <http://beastandbabylon.com> explains it all.

N.B. Dan. 7:11 says the **fourth** 'dreadful and terrible' beast (Roman Empire) is destroyed by fire... I believe this refers to the manifestation and destruction of the **fourth beast in Europe**... via the Holy Roman Empire, German Empire, and Nazi Regime. <https://www.fivedoves.com/letters/mar2023/ear312-2.htm> When you follow the Daniel and Revelation text it is clear that the final conflict will be between the **Islamist powers** (dominant in the three beasts' territories), versus the powers that adhere to **Biblical values**.

The Revelation 13 beast that **looks like a leopard, has the feet of a bear, and the mouth of a lion**, equates to parts from the three empires bolded below; this composite animal/beast is located on the same territories previously occupied by five Middle Eastern 'heads/empires' (i.e., Babel, Assyria, **Babylon, Media-Persia, Macedon-Greece**) followed by Rome (the 6th C/f. Rev. 17:10–11) whose divided eastern and western heirs were eventually destroyed in WWI and WWII (respectively). See [THE KINGDOM OF GOD AND THE DESTRUCTION OF END TIME KINGDOMS - PART TWO \(fivedoves.com\)](#) See page 6 for an illustration of the beast.

The 7th and 8th (yet to come) Islamist beast heads (C/f. Rev. 13:1 and 17:11) from the same territories, are prophesied to terrorise the saints/Israel in the end time; they arise out of **ten sovereign horn/nations**, i.e., **Turkey, Syria, Iraq, Iran, Afghanistan, Pakistan, Jordan, Lebanon, Egypt and Libya. Mecca is their Mother!**

Remarkably, Hosea (as well as John in Revelation) saw that these **THREE wild beasts** that represent God's tools of destruction have amalgamated into ONE powerful '**beast of the field**' (margin Hosea 13:8 **NKJV**) in the end time! Hosea focusses on **the retribution that God has stored up because of the sins of Israel**.
