Dear John Tng and all Faithful and Beloved Doves

Subject: The Rapture Could Happen Now at any Moment Based on this Evidence—See Part 2 Page 11 for Latest Evidence of Imminent Sudden Destruction

As we reach the end of Wednesday May 22, 2013 in Jerusalem at sunset and start Thursday May 23, 2013, please be aware that this could be a very significant time marker. Be prepared for Rapture and the accompanying Sudden Destruction at any time. [By the way, since May 17, 2013 we have entered an uncertain time when we can anticipate our Earth crossing the Black Star (Nibiru's) incoming orbit (nearside) according to TerralO3 and others. It is believed that this can cause sudden major Mega Earthquake Events, Sudden Earth Axis Pole Shifting, Tsunamis, etc. Keep in mind that a sudden large change in the Earth's normal tilt of about 23 degrees could render our GPS Satellite Communication Systems basically useless (temporarily) for many purposes. Even electronic banking would probably crash immediately.

Many of us recently heard Godshealer 7 warning us to prepare for a Cataclysm, a pause, and then Sudden Destruction. Many people are counting on the fact that the Rapture cannot happen until we have certain major cataclysms like a major global coastal event (Mega EQ's and Tsunamis) etc. I do not claim to know all the answers; but, I know that Dr Owuor was told and shown in his April 27, 2011 Video on the Rapture being very near and "time is over", **that when the Rapture does happen, the Earth will be changed IRRETRIEVABLY and IRREVERSIBLY.** My point is this, that the Rapture Event itself could be the cataclysm.

Clif High at Half Past Human uses Web Bots and Remote Viewing to see into our future. In no way am I endorsing Clif High. He is not a Christian to my knowledge. I find it interesting though that he is consumed right now with a major Global Coastal Event happening in the Pacific North West that is going to be absolutely devastating. He has set May 26, 2013 as his "drop dead date" for this to happen.

Isaiah Chapter 24 is, in my mind, the Classic WW 3/Day of the Lord's Wrath Scenario. In verses 1 and 19-20, it mentions the Earth being turned upside down and also being moved exceedingly and reeling to and fro like a drunkard.

In Zechariah 12:4 the Lord says that He will smite every horse of the people with blindness. The horses are the big powerful guided nuclear missiles of all sorts. Their guidance and radar systems are tied into Satellite GPS Systems. If the Lord knocks out the functionality of all GPS Systems, it will be impossible to guide missiles, etc to their intended targets accurately. This is a real concern and issue at this exact time as Israel prepares with bated breath to defend itself from all their enemies' incoming missiles—and they have very many well-armed enemies.

So in summary I want to put forth the possibility that the Rapture will be the next big event and it will, in all likelihood, create a catastrophic cataclysm for those left behind. Obama will get a whole new concept of what "CHANGE" can mean from God's perspective.

Having now shared these thoughts with you, I would now like to tell you why I believe that we have arrived at a very critical juncture on the Lord's timeline. I want to use Charity's Vision as the basis for this timeline. Following is a quick review of what Charity's Vision was all about.

November 1, 2012 fell on a Thursday (Day 5 of Charity's Template). Charity's Template goes 5, 6, 7 (Jesus) and Charity heard this repeating in her head REPEATEDLY, and then SHE SAW AND HEARD the door of Noah's Ark slamming shut with a LOUD BANG with each JESUS. Again, Charity said that this repeated over and over. But it gets better!

Enter Angela bebeautifulyou on Youtube. Very early at 3:50AM while in prayer on December 8, 2011 (a 1-Year Warning to Hanukkah Eve Dec 8, 2012) Angela, who had never heard of Charity's Vision, was given the same VISUAL NUMBERS 5, 6, 7 written on a white board or surface and **Angela says: I don't know what it means exactly; but, I think that it means to get ready at any moment.** **Jesus said to Angela: Remind my people to be ready at any moment.** Yes, I am coming to take my people home very soon.

For those who are not familiar with the Lord's template timelines and Charity's Vision received April 22, 2009, [please click on the following URL LINK](#) and read my post on Five Doves December 14, 2012—it contains her original post verbatim.

Let me show you what is extremely important about Thursday—Charity Day 5, **May 23, 2013 (Sivan 12, 5773).** **Gematria 23 = Death** while Gematria 22 = Light. [The deceived Illuminati and the Skull and Bones Society or

most appropriate to be Raptured, consummated and dedicated at the Marriage Supper of the Lamb as I have shown.

Please realize that Gematria 28 = Eternal Life and Gematria 29 = Departure—obviously pointing to the Rapture, were achieved respectively on May 9 and May 16, 2013. Also, on Sunday May 19, 2013 we celebrated Pentecost and the correct full Omer Count of 50 per the Sign of Jonah prophecy give be our Lord Jesus Christ. Note: the KJV Bible changes Jonah to Jonas.

Matthew 12:39-41 (KJV) ³⁹ But he answered and said unto them, **An evil and adulterous generation seeketh after a sign; and there shall no sign be given to it, but the sign of the prophet Jonas:** ⁴⁰ **For as Jonas was three days and three nights in the whale's belly; so shall the Son of man be three days and three nights in the heart of the earth.**

This year Nissan 14 (Passover) fell on Wednesday March 27, 2013. Almost 2000 years ago, Jesus was crucified on this day and died in the afternoon and was buried in the tomb of Joseph of Arimathea by Sunset starting the count of the Sign of Jonah Prophecy of 3 days and 3 nights in the heart of the earth. That count ended after 72 hours at sunset on Saturday May 30, 2013. Jesus was bodily resurrected at this time at sunset on the weekly Jewish Sabbath. At this sunset time it became Easter Sunday (Resurrection Day) the first day of the week and the Day that the High Priest waved the Barley Omer Sheaf of FirstFruits before the Lord in the Temple. We celebrated that day as our Easter Sunday, March 31, 2013. There are exactly Fifty (50) days inclusive from March 31, 2013 to May 19th, 2013 completing the Omer Count and the Sign of Jonah.

Now get this! We, the Lord's end-time bride watchers and the entire world, have been given the confirmation of the Sign of Jonah fulfillment; and, very few realize this fact. Let me explain.

A huge Grey Whale was actually sighted off Israel's central coast at Herzliya on Saturday May 8, 2010. [Click of the following URL LINK.](#) Notice that it appeared on a Sabbath and Jesus was resurrected at about Sunset on a Sabbath, thus fulfilling the Sign of Jonah being in the belly of the whale 3 days and 3 nights. Jesus was crucified and died in the afternoon on a Wednesday and was buried by sunset.

Pasted from <<http://www.newscientist.com/article/dn18883-stray-grey-whale-navigates-the-northwest-passage.html>>

It has been three years since the Great Whale was spotted on May 8, 2010. Therefore, $365.2422 \times 3 = 1095.7266$ days. Rounding off to 1096 days it turns out that there are exactly 1096 days Gregorian from May 7, 2010 to May 7, 2013. Remember that May 8, 2010 started at sunset May 7, 2010. Now remember that we just passed the amazing Ring of Fire Wedding Ring Solar Eclipse on May 9/10, 2013 trumpeting a major sign to us the Bride of Christ (Ecclesia) of our near Wedding Supper of the Lamb. Look at this Gematria sign: From May 8, 2010 to May 11, 2013—the day after the Wedding Ring Eclipse is 1100 days or (11—Judgment x 100—the Elect).

This fits Calvin's (and others) dreams and visions of endless streams of 11's coming to America from the North. These 11's are the nuclear tipped cruise missile pairs about to be unleashed on America the Babylon in the now very imminent Sudden Destruction. This entire past week is full of the news about Israel's enemies are now preparing and training their heavy nuclear and NBC warhead capable missiles at Israeli cities and targets. It's horrible!

Now let me give you the Nicole Poon connection and confirmation from the Lord. As you review several of the Nicole's Vision Pictures, notice the **BIG FISH, THE NET, AND THE ARK OF NOAH. The big fish and net can represent the big fish catch and number 153. Also the fish can represent the whale or Sign of Jonah.**

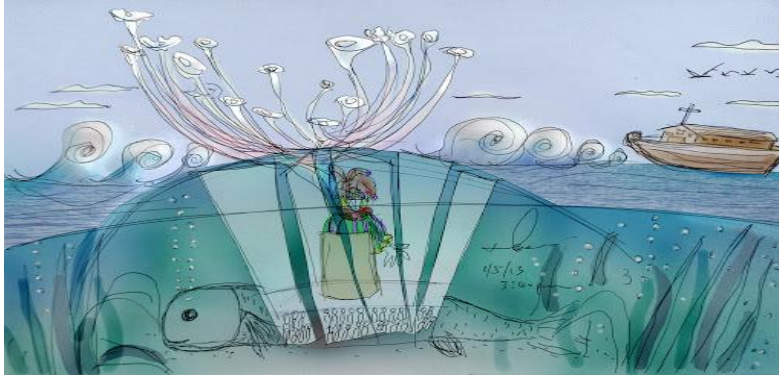

Notice how the dates match the timeline for May 2013. May 1, 2013 starts by introducing the coming whale (Sign of Jonah) and we all know who the joker clown is orchestrating this travesty off of the coast of Israel. Then on May 16, 2013 the very day that news first broke that Assad was training his Tishreen 1100 pound capable warheads at Tel Aviv, the Lord showed the whale of Jonah leaping above the water as whales do; and, the fish is hit 'bull's-eye' by a flying missile.

Then the following day on May 17, 2013 the Lord is confirming that what I am saying in this post about counting the repeating slams of Noah's Ark Door per Charity's Vision is absolutely correct IMHO!

May 1, 2013

There were a lot of signs pointing to the end of April as a timeline end point. Here is one that no one has talked about. Concerning Vincent Tan's Number 234 given to him by the Angel Gabriel, I discovered the following: Converting 234 weeks into days = (234 x 7 or 1,638 days. There are 1638 days from OCTOBER 29, 2008 TO APRIL 24, 2013 (Second Passover). Since 234 cannot be exceeded in unit count (in this case weeks) as I have explained in previous posts, I added 6 days to 1638 = 1644 which is then 234 weeks and 6 days and falls exactly on April 30, 2013. May 1, 2013 starts a new count. [Surely everyone remembers the timeline October 29, 2008 to April, 2012 = 1260 days.]

By the way, 234 hours divided by 24 (hours/day) = 9.75 days. Starting from the new May 1, 2013 time line + 9.75 days fits exactly on the Ring of Fire Wedding Ring Solar Eclipse May 9/10, 2013. Isn't that amazing! We must be very close now to the Rapture and Sudden Destruction.

May 6, 2013 Jesus is Casting the Final Net to Fulfill the Big Fish Catch Number '153'. The following formula shows me that the catch is now

complete and the fullness of the Gentiles has come in. The dividing by 153 gives the fractal 1.53

Vincent Tan's Number 234 divided by 153 = 1.53

We of the Human Genome are tied to Earth time in the following way. Human gestation time = 280 days. There is a male and Female each contributing the haploid number 23 or the complete 46 Chromosomes to create a new man or woman child. Therefore the Lord took $2 \times 280 = 560$ days. 560 divided by 365.2422 (Gregorian Calendar Days/Year) = 1.533

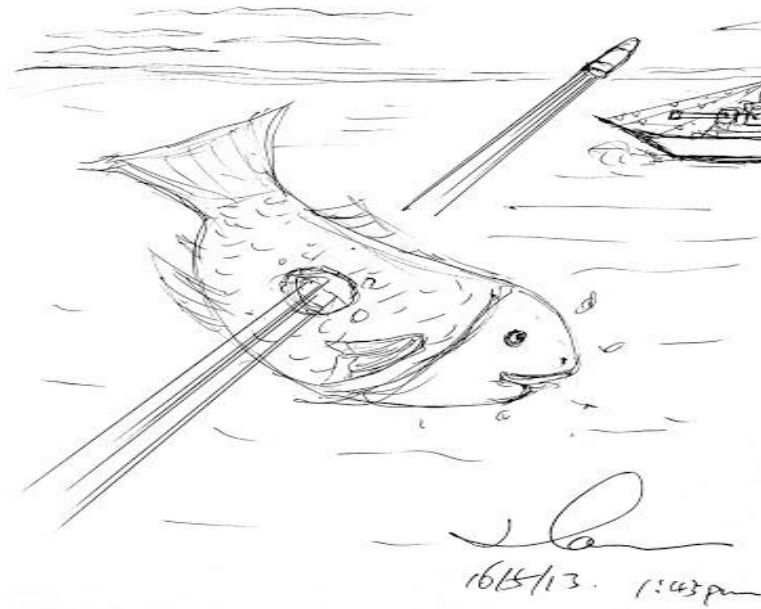

SOLVING A GREAT PUZZLE OF WHO MAN IS:

Psalm 8:3-5 (KJV) ³ When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained; ⁴ What is man, that thou art mindful of him? And the son of man, that thou visitest him? ⁵ For thou hast made him a little lower than the angels, and hast crowned him with glory and honour.

Hebrews 2:5-7 (KJV) ⁵ For unto the angels hath he not put in subjection the world to come, whereof we speak. ⁶ But one in a certain place testified, saying, What is man, that thou art mindful of him? Or the son of man that thou visitest him? ⁷ Thou madest him a little lower than the angels; thou crownedst him with glory and honour, and didst set him over the works of thy hands:

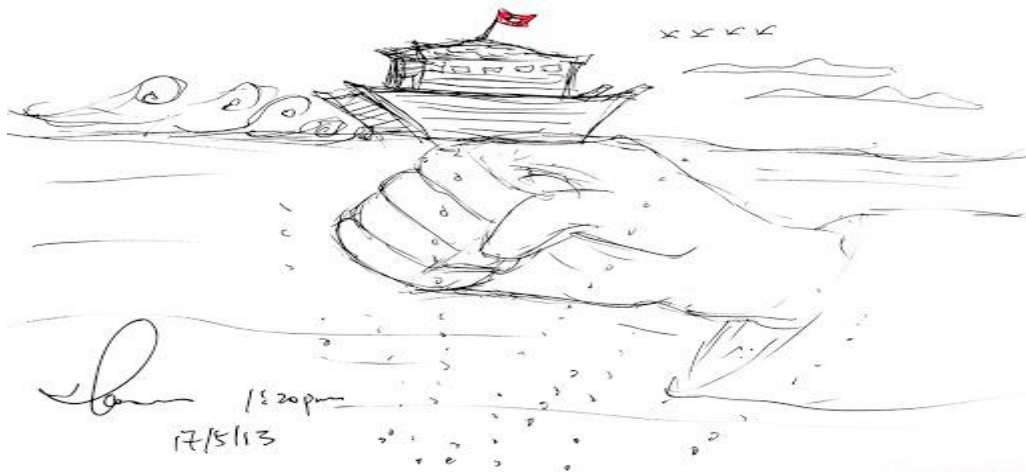

Now the number 381 has permutations or transpositions as follows: 381, 183, 138, 831. Added together these four total 1533. [$1533 = 3 \times 7 \times 73$ OR 21×73] 21 = The Exceeding Sinfulness of Sin. 73 = 70 + 3 and 70 is the length of human's life per Psalm 90:10(KJV) ¹⁰ The days of our years are threescore years and ten; and if by reason of strength they be fourscore years, yet is their strength labour and sorrow; for it is soon cut off, and we fly away.

70 = The Punishment and Restoration of Israel; UNIVERSALITY!!!!!!! The final generation ingathering harvest of souls is all constructed within the 70 Year Generation limit. The number 3 = Divine Completeness and Perfection.

May 16, 2013

Then on May 16, 2013 the very day that news first broke that Assad was training his Tishreen 1100 pound capable warheads at Tel Aviv, the Lord showed the whale of Jonah leaping above the water as whales do; and, the fish is hit 'bull's-eye' by a flying missile.

May 17, 2013

Then the following day on May 17, 2013 the Lord is confirming that what I am saying in this post about counting the repeating slams of Noah's Ark Door per Charity's Vision is absolutely correct IMHO.

March 15, 2013

The Lord has twice shown these Numbers 74 and 96. I found that these numbers added equal 170 (17—Victory x 10—Testimony; Law and Responsibility). The dividing of Israel’s Land by the nations is a deliberate act of disrespect and contempt for the God of Israel through knowingly breaking His everlasting covenant and the law. America is the leader and instigator of this terrible sin and will now pay a terrible price for her rebellion. God will not only divide America land but He will also utterly destroy America with nuclear fire and brimstone just as prophesied.

Right after Obama won his second election, Israel was provoked by large numbers of rockets from the Palestinians and their allies and Israel fought back with Operation Pillar of Cloud which started on November 14, 2012 and lasted eight days until November 21, 2012. I found that from November 21, 2012 to May 10, 2013 (the Ring of Fire Wedding Ring Solar Eclipse) was 170 days (74 + 96). The Lord will soon take Israel back as his wife who abandoned Him and this could be a sign confirming exactly that. Also, it is a signal to America the Babylon that he will shortly divide her land. Was May 10, 2013 a 2-Week Warning? We will soon see.

In addition, I discovered the follow amazing facts about 74 and 96. These two number multiplied [74 x 95 = 7104 days]. There are exactly 7104 days

from September 13, 1993 (Oslo Peace Accord Signing) and February 24, 2013 (Jewish Purim).

This discovery came to my while I was working on another puzzle. I wanted to know if there was a timeline for Vincent Tan's Number 234 in months. I divided 234 by 12 = 19.5 months. I then calculated the number of days as follows:

1) $19.5 \text{ months} \times 360 \text{ days/year} = 7020 \text{ days}$ (Biblical Year days)

2) $19.5 \text{ months} \times 365.2422 \text{ days/year} = 7122 \text{ days}$ (Gregorian Year days)

I then determined that there were 7122 days (inclusive) from September 13, 1993 to March 13, 2013. May 13, 2013 was the day that the new Pope Francis was elected in the Papal Conclave to succeed Pope Benedict XVI. It also fell very close to March 11, 2013 (Adar 29) which marked the end of Jewish Calendar Year 2012.

So again, let me emphasize that here was still another very important Vincent Tan Number 234 'in MONTHS' that we just completed.

Remember, I also showed you the Vincent Tan Number 234 'in WEEKS'. Concerning Vincent Tan's Number 234 given to him by the Angel Gabriel, I discovered the following: Converting 234 weeks into days = $(234 \times 7 \text{ or } 1,638 \text{ days}$. There are 1638 days from OCTOBER 29, 2008 TO APRIL 24, 2013 (Second Passover). Since 234 cannot be exceeded in unit count (in this case weeks) as I have explained in previous posts, I added 6 days to 1638 = 1644 which is then 234 weeks and 6 days and falls exactly on April 30, 2013. May 1, 2013 starts a new count. [Surely everyone remembers the timeline October 29, 2008 to April, 2012 = 1260 days.]

By the way, $234 \text{ hours} \div 24 \text{ (hours/day)} = 9.75 \text{ days}$. Starting from the new May 1, 2013 time line + 9.75 days fits exactly on the Ring of Fire Wedding Ring Solar Eclipse May 9/10, 2013. Isn't that amazing! We must be very close now to the Rapture and Sudden Destruction.

From February 26, 2011 (my miracle motorcycle accident) to May 19, 2013 (Pentecost—Omer Count 50) was 812 days. $812 = (28\text{—Eternal Life} \times 29\text{—Departure})$. Notice the perfect fit to the sequence, 28, 29, 30. I just showed you that on Thursday, May 23, 2013 (Charity Day 5) we will reach the 30th slamming of Noah's Ark Door since November 1, 2012 (Cheshvan 17).

Part 2—Latest Evidence of Imminent Sudden Destruction

Please remember Harvey's Jewish Calendar

Interpretation Rule:

The Jewish Day—Jewish Calendar explained @ Chabad.org

Unlike the civil calendar in which one day becomes the next at the stroke of midnight, **THE TRANSITION FROM ONE DAY TO THE NEXT IN THE JEWISH CALENDAR OCCURS SOMEWHERE BETWEEN SUNSET AND NIGHTFALL.**

Therefore the Jewish date will always overlap with two days in the civil calendar, and the same is true of the reverse.

Surely, all who have eyes that see and ears that hear and who truly know the God of Israel, know that the entire Arab Spring and the long-standing Civil War in Syria were from the onset a cleverly calculated NWO plan to finally overpower and destroy the State of Israel. America, and especially our president, are the most guilty perpetrators of this travesty on Israel. According to Isaiah Chapter 33, our great God wrote about these traitors in the book of Isaiah almost 2700 years ago. The following excerpt is lifted from pages 5 and 6 of my booklet World War 3 and the Destiny of America—Is it Mentioned in the Bible, published in 2002.

Isaiah Chap 33(NIV) ¹Woe to the DESTROYER, you who have not been destroyed! Woe to you O Traitor, you who have not been betrayed (END-TIME BABYLON/AMERICA)! When you stop destroying, YOU WILL BE DESTROYED, when you stop betraying, YOU WILL BE BETRAYED! Isaiah 33:7-8(NIV) (Look, their brave men cry aloud in the streets; the envoys of peace weep bitterly. The highways are deserted, no travelers are on the roads. The

treaty is broken, its witnesses are despised, no one is respected.)

Who is the man who will dwell on the heights whose refuge will be the mountain fortress? (See verse 16—this is talking about the rapture during a great war by fire—read Verses 15-24 and

entire chapter! But first notice verse 6: The fear of the Lord is the key to this treasure!) Isaiah 33:15-24 ¹⁵⁾ He who

walks righteously and speaks what is right, who rejects gain from extortion and keeps his hand from accepting bribes, who stops his ears against plots of murder and shuts his eyes against contemplating evil—¹⁶⁾ this is the man who will dwell on the

heights, whose refuge will be the mountain fortress. His bread will be supplied, and water will not fail him. ¹⁷⁾ Your eyes will see

the king in his beauty and view a land that stretches afar. ¹⁸⁾ In

your thoughts you will ponder the former terror: “Where is that chief officer? Where is the one who took the revenue? Where is the officer in charge of the towers? ¹⁹⁾ You will see those arrogant

people no more, those people of an obscure speech, with their strange, incomprehensible tongue. ²⁰⁾ Look upon Zion, the city of

our festivals; your eyes will see Jerusalem (literally the New Jerusalem) a peaceful abode...verses 21-24)...There the Lord will

be our lawgiver, judge and king. Then an abundance of spoils will be divided and even the lame will carry off plunder. No one in

Zion will say, “I am ill”, and the sins of those who dwell there will be forgiven. (Dear friend, this pictures the Rapture!!!)

Now please compare these excerpts from Isaiah Chapter 17 with Isaiah 33 and you decide if it’s the same topic.

Isaiah 17:12-14(NIV) A Prophecy Against Damascus ¹² Woe to the many nations that rage—they rage like the raging sea! Woe to the peoples who roar—they roar like the roaring of great waters!

¹³ Although the peoples roar like the roar of surging waters, when

he rebukes them they flee far away, driven before the wind like

chaff on the hills, like tumbleweed before a gale. ¹⁴ In the evening, sudden terror! Before the morning, they are gone! This is the portion of those who loot us, the lot of those who plunder us.

Isaiah 33:1-12(NIV) ¹**Woe to the destroyer, you who have not been destroyed! Woe to you O Traitor, you who have not been betrayed (End-time Babylon/America)! When you stop destroying, you will be destroyed, when you stop betraying, you will be betrayed!** ³ **At the uproar of your army, the peoples flee; when you rise up, the nations scatter.** ⁴ **Your plunder, O nations, is harvested as by young locusts; like a swarm of locusts people pounce on it.** ⁵ **The Lord is exalted, for he dwells on high; he will fill Zion with his justice and righteousness.** ¹⁰ **“Now will I arise,” says the Lord. “Now will I be exalted; now will I be lifted up.** ¹¹ **You conceive chaff, you give birth to straw; your breath is a fire that consumes you.** ¹² **The peoples will be burned to ashes; like cut thornbushes they will be set ablaze.”**

Now read the following short article posted by Debkafile Monday May 20, 2013. I picked this article because it so clearly depicts exactly what Israel’s enemies really have on their mind at this exact time. [The stage is now fully set and all players are ready as the Bible has described.](#)

Isaiah 21:6-10 (NIV) A Prophecy Against Babylon

⁶ This is what the Lord says to me: “Go, post a lookout and have him report what he sees. ⁷ **When he sees chariots with teams of HORSES, riders on DONKEYS or riders on CAMELS, let him be alert, fully alert.**” ⁸ And the lookout shouted,

“Day after day, my lord, I stand on the watchtower; every night I stay at my post. ⁹ **Look, here comes a man in a chariot with a team of HORSES.** And he gives back the answer: **‘Babylon has fallen, has fallen! All the images of its gods lie shattered on the ground!’**” ¹⁰ My people who are crushed on the

threshing floor, I tell you what I have heard from the Lord Almighty, from the God of Israel.

The transition from donkey and camel rockets (Katyusha, Kasaam or Qassam, and Grad Rockets) to the real war horse iron chariot rockets has now been fulfilled by Vladimir Putin's delivery to Syria's Assad of 6 Batteries of S-300 Russian state-of-the-art anti-aircraft missiles with accompanying radar and guidance systems, as well as, many ship-killing Yakhont Cruise Missiles. Assad is also well stocked with Tishreen (Syrian version of Iran's Fateh-110) surface to surface guided missile with 1100 pound warheads. Assad has already announced that he has trained these very accurate and deadly Tishreen Missiles on Tel Aviv. Also, the Russians have moved in a sizable Fleet of their Warships off Israel's Mediterranean Sea Coast.

After the al Qusayr victory, Syria and Hizballah plan war on Israel

DEBKAFfile **Exclusive Report** May 20, 2013, 9:58 PM (IDT)

Tags: **Syrian war, Syrian-Hizballah pact, Israel,**

Al-Qusayr laid waste by Syrian-Hizballah troops

Syria and Hizballah, flushed with the success of breaking the rebel hold on **the strategic town of al Qusayr, Sunday, May 19, ARE MAKING NO SECRET OF THEIR PLANS FOR THE "GREAT**

CONFRONTATION," I.E. MILITARY CONFRONTATION WITH ISRAEL after they win the Syrian civil war. Israel's military leaders are taking with the utmost seriousness the words of Ibrahim al-Amin, editor of the Hizballah organ Al Akhbar, and a close buddy of Syrian president Bashar Assad, who wrote Monday:

"The rope is taut. It is taut to the limit. Anyone at either end [Israel at one end, Syrian and Hizballah, at the other] need only flex a finger and it will break, and the great confrontation will take place. This is neither a threat, nor an exaggeration or interpretation. This is the situation on the enemy's northern front. Now means today; it means this hour," al-Amin wrote.

Israeli intelligence experts have no doubt that the writer penned those words at the behest of his master, Hizballah's Hassan Nasrallah, and Bashar Assad.

Israeli spokesmen and media tried hard Monday to play down the scale of the joint force's success in capturing al-Qusayr, which sits on Syria's main road to Lebanon and the Damascus high road to the Mediterranean, by harping on the heavy battle losses sustained by Hizballah – 50 dead and many more gravely injured.

But these losses do not detract from the Iranian Lebanese proxy's pivotal role in the Syrian rebels' resounding defeat and the Syrian army's decisive victory.

It cannot be denied that the fateful setback suffered by the Syrian rebels RESULTED FROM THEIR BEING ABANDONED TO THEIR FATE AT THE MOST CRITICAL MOMENT OF THEIR UPRISING BY THEIR BACKERS, THE US, TURKEY, JORDAN AND THE ARAB GULF EMIRATES.

Syrian and Hizballah forces are getting ready to turn east for their next major offensive, the destruction of rebel strongholds in Homs and its outlying villages. Our military sources report the Syrian army has deployed its 14th Division and an expanded unit of self-propelled artillery for this joint effort. **Rebel spokesmen warn that a massacre is in store.**

Dear reader, there is so much more; but, this is enough. If this does not convince you then nothing will convince you. I hope you

understand the prophecy from Isaiah 21:6-10 (The Desert Storm War(s) Chapter. These verses perfectly describe the process through which the inner circle of Israel's enemies have now finally gained access to the real war horses—the powerful Russian (or Equivalent) state-of-the-art Guided Missile Rocket Systems. They no longer need the donkey and camel rockets.

“FAIR USE FOR INFORMATION AND DISCUSSION PURPOSES”

Please pray mightily for the protection of God's People (Israel) by God Yahweh and His Son Yeshuah HaMashiach, who is King of the Jews. May Michael the great Prince of Israel and all his mighty warriors now stand up to protect the Holy People of Israel from all of their Luciferian enemies! Amen and Amen!
