Dear John Tng and all Faithful and Beloved Doves,

Subj: The Sign of the Cross will Mark the End—A Missed Sign from Nicole Poon's Visions Plus more Signs in Numbers—Truly Amazing!

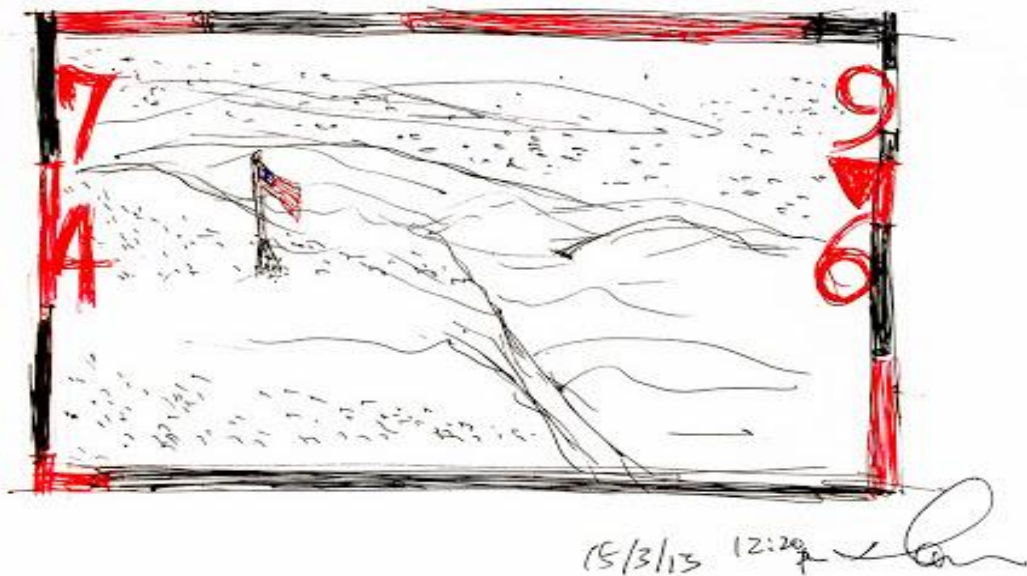

Everyone, please pray and use your best spiritual discernment as you read this article.

While these are very powerful signs, I am not saying for sure that this is the Rapture.

Frank Molver (9 Nov 2013)

"Nicole Poon sketch re 9 Nov 2013?"

Still not sure what this means, **but if the 74 represents the Jewish year 5774 then perhaps the 9>6 represents the Jewish month so that would make it Saturday, Nov 9, 2013.** I guess we will see.
[HT Note: Kislev 6 is Nov 9 on the Chabad Calendar; however, it will be Sunday November 10, 2013 on the Torah Calendar.]

15th March 2013/

This day we studied the scripture about Jacob who took the stone

he had placed under his head and set it up as a pillar and would be God's House. We were so shock that this scripture just described as same as the previous vision shown. We praised God that He is so real.

God showed a picture with red and black frame and red digitals 9>6 74. A American flag was shown in a wilderness. I have asked God for the meaning but there was no answer.

1st February, 2013/I prayed for what we learned this day, but this vision did not relate to my prayer. God showed the half face of the American president with a traffic light on the right and its red light was on, and also a Chinese word, "The end" on it. I think that God is telling something going to the end but I'm not sure what this means.

If the above Nicole Poon Signs are accurate and the 74 is Jewish Calendar Year 5774 and the 9>6 represents the 9th Jewish month (Kislev) and day 6 (November 9/10, 2013 Chabad/Torah

Calendars); then, this truly is a monumental alert warning of the end. Notice that Nicole Poon's caption words with the "Hook in the Jaw" picture. **She says that in addition to the traffic light being on red, she also saw the Chinese word: "The end" on it.** She then naively says that "I think that God is telling something going to the end but I'm not sure what this means."

November 11, 2013 or 11-11-13.

**11 + 11 = (22)—Light +13 = (35)—Hope or the Blessed Hope
(The Rapture)**

**2013→ 20 + 13 = (33)--Promise + (22)—Light = (55)—the Bride
of Jesus Christ**

11 + 12 = (23)—Death + 13 = 36—Enemy

2013→ 20 + 13 = (33) + 23 = 56→ = (2 x 28—Eternal Life)

11 + 13 = (24)—Priesthood +13 = 37—The Word of our Father

These dates have the perfect sequence of numbers to fulfill the 223 < > 322 connection. Gematria 223 on the Bible Wheel is linked to Titus 2:13 the Blessed Hope (the Rapture). Also, 322 is the number of the Brotherhood of Death 322 the Skull and Bones Society which mocks our Lord's words in Genesis 3:22.

What is extremely interesting and remarkable is that 11-11-13 (Monday, Monday) and 11-12-13 (Tuesday) follow directly on the heels of November 9 and 10, 2013 as I showed you above concerning Nicole Poon's vision picture of March 15, 2013.

If the above Nicole Poon Signs are accurate and the 74 is Jewish Calendar Year 5774 and the 9>6 represents the 9th Jewish month (Kislev) and day 6 (November 9/10, 2013 Chabad/Torah Calendars); then, this truly is a monumental alert warning of the end. Notice that Nicole Poon's caption words with the "Hook in the Jaw" picture. **She says that in addition to the traffic light**

being on red, she also saw the Chinese word: "The end" on it. She then naively says that "I think that God is telling something going to the end but I'm not sure what this means.

Please read Ezekiel Chapters 38 and 39 to refresh your memory of what the Lord prophesied concerning when, how, and why he would put hooks in the jaws of Gog of the Land of Magog and his armies (see Ezek 38:4).

Please read the following articles from Debkafile to see how certain the Obama Administration and the Iranians were that the Geneva Meeting concerning a nuclear deal with Iran from Friday November 8, 2013 would be agreed, signed and in the bag.

1. Israel accuses US of deceit on nuclear deal with Iran. Geneva signing drags out as Iran ups its price

So confident is Tehran that the agreement is safe that Reza Najafi, Iran's ambassador to the UN nuclear watchdog (IAEA) in Vienna, **said Saturday that he expects the agency's director Yukiya Amano to sign a new accord during his visit to Iran on Monday, Nov. 11.**

"The Islamic republic of Iran has presented a new proposal that includes concrete actions, **and we foresee that the text will be finalized on Monday,**" Najafi told state television.

I prayed for almost the same, thanked God for giving us messages. God showed a red mail box that was full of letters. With words, "Get message! Please!"

While having the last vision, this vision appeared in 2 sec in the same prayer. God showed a modern western young man with curly golden hair wearing a black hat and black T shirt, turning forward and speaking, that looked like strange. So I asked God for the meaning.

The following video godshealer7 is a huge sign that I was right from the beginning that Nicole Poon's vision picture (above) was America's House of Representatives Stenographer, Diane Reidy. Why else would the Lord tell Barbara @ godshealer7 to republish this "Sign of the Cross Shall Mark the Beginning of the End" video from Jan 7, 2012? Remember Isaiah 18:3 and Isaiah 13:2 about the banner raised on a bare hilltop.

Stenographer snaps, rants on House floor

A stenographer from the House of Representatives was forcibly removed from the floor Wednesday evening during the vote to end the partial government shutdown and raise the debt ceiling after an odd outburst.

Dianne Reidy, 48, made her way to the Speaker's Chair while the vote was taking place, "ranting about God, Free Masons and the inability of the nation to serve two masters," *The Washington Times* reports.

"Praise be to God," she said. "He will not be mocked, He will not be mocked. Don't touch me. He will not be mocked."

She was also heard saying in an audio recording: "The greatest deception here is this is not one nation under God. It never was. Had it been, it would not have been. No. It would not have been. The Constitution would not have been written by Free Masons. They go against God. You cannot

serve two masters. You cannot serve two masters. Praise be to God, the Lord Jesus Christ. Praise forever. "Reidy says the Holy Spirit made her to do it.

Did the Holy Spirit inspire the House of Representative's court stenographer Diane Reidy to warn all of the politicians that God is watching – *them*? Suddenly Diane stands up and begins to shout a message, which I am sure, the politicians were not ready to hear. You can see two men briskly escorting her off the floor. She stops and then rushes to the microphone to continue to warn the people.

**“He will not be mocked. He will not be mocked. The greatest deception here is not ‘one nation under God.’ It never was. Had it been, it would not have been. The Constitution would not have been written by Freemasons. They go against God. You cannot serve two masters. Praise be to God, Lord Jesus Christ.”**

Did Diane say anything inaccurate? Well no! The Freemasons did write the Constitution and history validates this fact. They were also deist. Not many people realize this but it is true. The Freemasons do in fact go against God because their philosophy is deism. It sounds like one of the half truths of Satan himself. Recognizing the Divinity of the Creator but telling mankind He abandoned us all and there is no Son or Holy Spirit.

### **Deism**

**The belief, based solely on reason, in a God who created the universe and then abandoned it, assuming no control over life, exerting no influence on natural phenomena, and giving no supernatural revelation.**

I am actually happy to see this woman shout out the truth to this den of vipers. They quickly escorted her out of the House and we are lucky the cameras were rolling to hear this. Because as she testified about the Kingdom of God she was whisked away to be psychologically evaluated. Meanwhile these politicians can read the “Green Eggs and Ham” on floor and they are not!

**Transcription of Brother Dan's Message from the Lord:** The host is ready; the time is near! Keep thy faith strong!

**Time shall work against the evil doers.** Since power shall be broken, sanctify thyself in front of me!

\*\*Let's take a closer look at this sentence—added by Harvey Troyer!\*\*

**Time shall work against the evil doers. SINCE POWER SHALL BE BROKEN, sanctify thyself in front of me!**

**[(See Daniel 12:7(NIV—1984)** The man clothed in linen, who was above the waters of the river, lifted his right hand and his left hand toward heaven, and I heard him swear by him who lives forever, saying, "[It will be for a time, times and half a time.](#) When the **power** of the **holy people** has been **finally broken**, all these things will be completed."**]**

**The SIGN OF THE CROSS WILL MARK THE BEGINNING OF THE END!** The host shall reign eternal. Woe to those who have turned their back on me! Theirs is utter damnation! **Since the beginning of time I have chosen a few who will serve me!**

Their eyes are open and their hearts are lifted up to praise me. My ways are known to them. **Those who have suffered much will receive great rewards.**

The hand of God protects them. My name is on their lips. **No Father has greater love for his children than I. Rest assured that I hear their prayers.**

**Your path shall be cleared and your road made smooth.** You have been purified in fire and WILL RECEIVE MY GRACE! **Vengeance is mine, for all those who have persecuted thee!**

There is no power on earth that could stand up against me. **My children, take comfort in knowing that I will make things right.** The angels in heaven await my command. The keys to the thunders shall be revealed. The period of tribulation is at hand. The forces of evil will be crushed. My light shall blind the enemies.

**The taste of SULFUR will fill the air!** The chariots of fire shall move swiftly. **My Judgment shall be final.** The door shall be opened and I shall enter. **For your sake, hide your eyes from my wrath!**

All will know that I am the Almighty Father! The face of justice will shine brightly. Know that your good works shall not go unrewarded. All promises made will be kept. **I shall pour out the PEACE OF GOD ON YOUR HOUSE!**

The holy ones are blind guides and the fires of hell await them. Those that hold much will lose much. **Those that profit from misery shall have misery thrust on them!** Know that I see all. Nothing remains hidden.

**Do not expect mercy from me when you have been wicked to your neighbor.** The wick from the lamp shall burn brightly.

**..most 'hair raising' vision..., seen three times! A cross in the sky.**

~~~~~

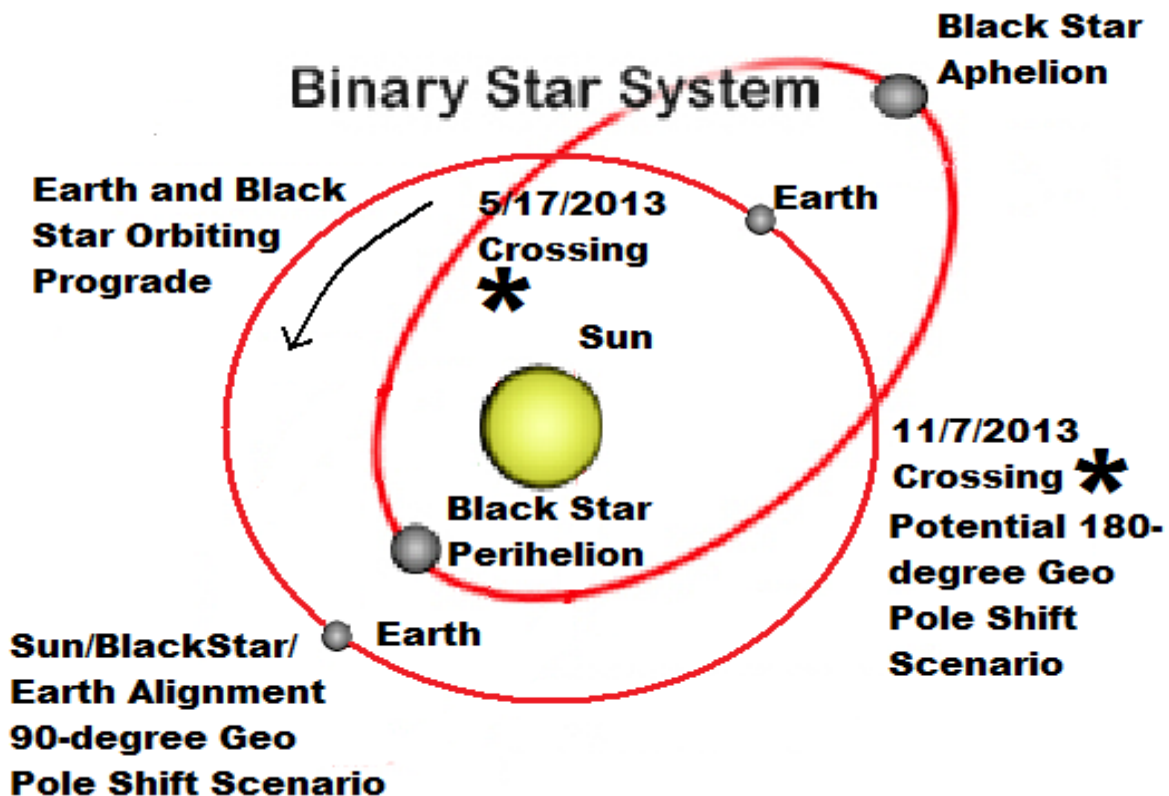

Everyone knows by now that I have been warning about Monday, Monday for the Rapture and Sudden Destruction since December 11, 2011 when the Lord first gave me this very powerful sign as a dream vision right at sunset in the evening. I do not know what will happen on November 11, 2013. It may turn out to be just another warning sign to another date. But I feel compelled to share this information with you. The following has to do with Terral03's Planet X (Black Star/Heavy Mass Object) warnings. Please look closely at the following diagram of orbits of Planet X and Earth. Notice especially how the orbital angles in Terral03's diagram match the angles that the Lord showed to Nicole Poon in her vision of the Midnight Train to Gloryland.

The worst-case SHTF scenario is for Earth to cross black star orbit path at the same time that black star crosses

Earth orbit path creating environmental conditions for a 180-degree geological pole shift that can make Edgar Cayce and Navy Map of the Future our new reality.

Volume 20 May 16, 2013 May 17, 2013 Black Star/Earth Crossing

Warning:

The worst-case SHTF scenario is for Earth to cross black star orbit path at the same time that black star crosses Earth orbit path creating environmental conditions for a 180-degree geological pole shift that can make Edgar Cayce and Navy Maps of the Future our new reality.

Volume 20 May 16, 2013 May 17, 2013 Black Star/Earth Crossing

Warning:

<http://youtu.be/5EMPnYL9Y1Y>

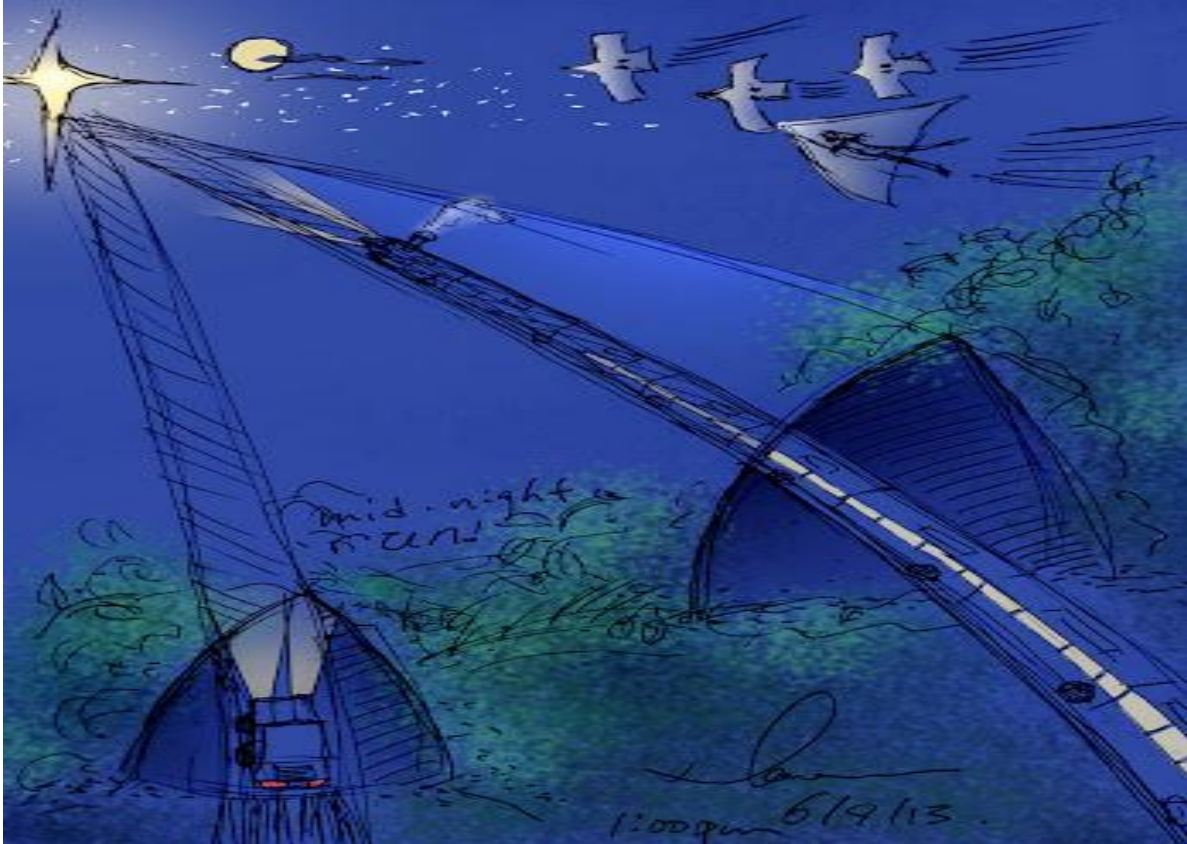

My number one black star model (see above) rises to the top of the others, because of the catastrophic ramifications should a Earth/black star crossing event take place. The large Fukushima-like earthquake event pointing to the Earth passing through the Sun/black star gravity trough has not taken place leading me to believe that the black star location is to the left of Earth on the orbit diagrams. Should this be the case and my calculations for the black star orbit path are indeed accurate, **and the black star is still outside Earth orbit path, then Earth 'MUST' pass between the two stars before Earth crosses the black star's orbit path.**

Dear Reader: did you notice THE BIG ASTERISK in the above diagram? I believe that Terral03 is warning that since we did not see catastrophic events on or close to May 17, 2013; then it is quite certain to happen on (or close to) November 7, 2013! Notice the big black asterisk and it says: **11/7/2013 crossing—potential 180 degree Geo Pole Shift Scenario.**

Precious people, look again at the elliptical angles converging to a point—(exactly matching Terral03's Black Star Diagram above)—in this Nicole Poon picture of the Midnight Train Run (Rapture Train) to Glory Land (below); and, it was given by the Lord to Nicole Poon on 9-6-13 (two days) before Rosh Hashanah 9-8-13 on the Torah Calendar. However, on the Chabad Calendar Rosh Hashanah was Thursday September 5, 2013; and, at sunset became September 6, 2013 the day of the Midnight Rapture Train to Glory Land revelation. This was a major alert to watch this year's Fall Feast Days in Jewish Calendar Year 5774, IMHO!

Strangely, as Frank Molver pointed out in his Five Doves post on November 9, 2013 (see above); that the 9>6 in Nicole Poon's vision picture of March 15, 2013 may very well point to the Jewish Calendar Month and Day while the 5774 points to Jewish Calendar Year. And that time is now!
