

Timeline #3 Repeating Biblical Time Periods In These Ends Days

This study focuses on repeating Biblical time periods of the numbers 7, 21, 40, and 120 in regard to the prophecies in the Bible for the end days we now live in connecting up to date events tied to those prophecies. Please refer to the second page for links to earlier Timelines for more information.

TIMELINE #2: INTERLOCKING DATES THROUGHOUT HISTORY INTO THE YEAR 2015 A.D. IT'S TIME TO AWAKEN!

Many thanks goes to several people who contributed to the information here; Ron Reese, Pasha, Steve, Charles, Walt, Armando, and others. Please consider looking at the two previous publications at Five Doves at these links;

To read my first Timeline go to <http://www.fivedoves.com/letters/june2015/james628.htm>. This Timeline charts long spans of time up to the Second coming of Jesus. It is called **A TIMELINE OF CRITICAL EVENTS PRESENT, PAST, AND FUTURE**

The second Timeline #2 is posted at <http://www.fivedoves.com/letters/oct2015/TIMELINE%202-%20INTERLOCKING%20DATES%20THROUGH%20HISTORY.pdf>,

or <http://www.fivedoves.com/letters/oct2015/james1025.htm>

It is called **TIMELINE #2: INTERLOCKING DATES THROUGH HISTORY INTO THE YEAR 2015 A.D. IT'S TIME TO AWAKEN!**

The second Timeline concentrates on the Feasts of the Lord and the Hebrew holidays that show major events that recur on exactly the same months and days spaced as much as 2000 to 6000 years apart leading to the return of Jesus to earth.

This third Timeline #3 is showing near time events involving critical numbers as 7 days or 7 years, 21 days or 21 years, 40 days or 40 years, and 120 days or 120 years. These are recurring and tend to show major events that happened at those times or dates.

Consider the seriousness of the 8 Blood Moon Tetrads since 1 A.D. Every century has 5 to 7 lunar eclipse tetrads, but ONLY 8 of these Tetrads from 1 A.D. coincided with Nisan 1, the first month of the Hebrew religious calendar. In most of those cases of those 8 Tetrads, there was within the time span of one year before the Tetrad, during, and one year after the Tetrad, a **MAJOR EVENT** in the history of the Jews. The 8th Blood Moon Tetrad finished in September 2015. There will not be a further Tetrad starting on Nisan 1 until the 26th century. This strongly suggests, considering events in 2014 and 2015, that we are about to see a MAJOR EVENT involving Israel. That event could be the Ezekiel 38-39 war.

God bless

James
