... and one is ...

continue a short space ...

... and the beast that was,

REVELATIONS 17:9-11 (KJV)

9 And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth.

10 And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space.

11 And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.

The above verses are a prophetic key to recognizing the antichrist when he comes. In chapter 17:11 (see above) the beast is being described as "the eighth king" who is also one of the seven. Concerning these seven kings (word leaders) it is said: "*five are fallen*" (succeeded). Also of the sixth king is being said "*and one is*" and of the seventh is being said: "*when he cometh he must continue a short space*". Of the eighth king is being said that he is "*of the seven*" and that he himself is the beast! The explanation of these verses is rather simple. The beast (the antichrist) first appears as the sixth king in this prophesy. Afterwards he will shortly make room for a seventh king. But when also the seventh king falls, the antichrist will return as the eighth king. In this way he also fulfills the prophesy of verse 8: "*and they that dwell on the earth shall wonder, when they behold the beast **that was, and is not, and yet is.***"

America the last empire

Interestingly the beast represents both the person of the antichrist and the empire (nation) which he will rule. If we try to explain the above scriptures concerning the seven kings (Rev.17:10-11) with the world leaders of the old Roman empire or perhaps the popes of the Vatican than we cannot solve this mystery. Who are they? Because the old Roman empire is long gone and the current popes have no military or political power. As for Europe, it does not have a clear leader and its military power is weak compared to America. The last great empire, before the Day of the Lord, is the United States of America in my opinion. No other nation so often makes headlines in foreign media and no other president is more quoted than the American president. However since America has turned its back on Gods laws and since it presses Israel to divide their land with their enemies, this powerful empire has changed into the beast with seven heads.

Interpretation of the seven heads

The seven heads of the beast also have a double meaning. The first interpretation (Rev.17:9) refers to the seven mountains of a great city on which the woman sits (see also Rev.17:18). Rome has been known, from of old, as the city build on seven mountains. This also refers to the Vatican church which sits "at many waters" (many nations, verse 15) and is described as "the great harlot". The pope himself is the false prophet who will assist the antichrist (the beast). But the second interpretation of the seven heads is more important (verse 10-11). The seven heads also represent seven kings! We should not take the word "king" literally in the context of today. When the Bible speaks in prophetic language 2000 years ago, it could not use the word "president" since that was an unknown word in the days of the apostle John. However the Bible speaks about the seven last world leaders who will come out of the last world empire (America). These last seven world leaders are: Jimmy Carter, Ronald Reagon, George H.W. Bush, Bill Clinton, George W. Bush, Barack Obama en Donald Trump. But please remember that their successor (the eighth king) is one of the seven. The successor of Donald Trump is one of the previous presidents. Concerning the timing: of the seventh king (Trump) it is clearly said that "*when he comes he must continue a short space (short time)*" This seems to imply that the time given (by God) to Trump is less then the usual four years of a president.

Obama's return

Can Obama become the next president or leader? Many would say: "That is impossible since it is forbidden in the American constitution, a president may serve no more than two terms. However in

a time of great crisis things will change. It is well possible that Trump dies unexpectedly and the vice president would not be able to take his position, a time of disaster or war where Obama would seize power. How this will develop, is still to be seen, but it surely appears that Obama will return to the white house somehow or another. Millions of Americans saw Obama as their savior and would be very glad if he could return to be their leader. This would even justify a change of the law to make it possible. In normal circumstances this wouldn't happen but in a time of a great worldwide crisis or disaster, many Americans would rather have Obama than any other. Therefore the Bible has already predicted this saying, quote: *"...and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is"* The phrase *"they shall wonder"* does not apply to the children of God whose names are written in the book of life, because we ought to watch and pray and not run out of oil like the foolish virgins. The fact that this surprise element is especially to the unbelievers may also refer to the fact that the true church has been raptured at this point and is no longer on earth when Obama returns as leader. So please understand how close this thing is (very short time).

Charmful and charismatic

The Bible contains more interesting details concerning the person of the antichrist. In the book of Daniel he is described as a cunning king who causes deceit to prosper under his rule (Dan.8:25). When the antichrist appears, he will deceive many by his craftiness and charming personality. Please note that at the first appearance of Obama he was abnormally popular in all the world, yes like a celebrity. During an election debate in 2012 Obama said to his political opponent Mitt Romney, quote: *"Before I became president I was a celebrity, can't say that about you though"*.

Mark of the beast

In the period 2009 to 2016, Obama made efforts to perfect a microchip which is to be implanted in the right hand or forehead. These are very small RFID chips (Radio Frequency Identification). The development of this microchip started some years earlier but Obama made efforts to perfect it for every blood type, according to pastor Perry Stone. This pastor (who has connections with politicians and scientists) claims that Obama intended to use the implanted microchip for his health care reform nicknamed Obamacare. However there was such an opposition against the Obamacare that he could not implement it within his first 8 years. Nevertheless the chip is ready for use for the antichrist. Other signs

There are other signs too that Obama will be the antichrist. Many Christians have testified about dreams and visions concerning Obama as the antichrist. You can find many video's on YouTube showing how people received such revelation. But when Obama was succeeded by the next president there was a shock for those who testified what God had shown them. Did we not hear it well? How can this be? But these people did not know the meaning of Rev.17:10-11 (that he will return).

The number 666.

What about the number 666? According to book of revelations, chapter 13:18, the name of the beast must have a connection with the number 666. The Bible says, quote: *"Here is wisdom. Let him that hath understanding count the number of the beast..."* So this is a warning not to disregard this approach. The method of calculating the numeric value of names is called: "gematria". Surely there is a connection between the number 666 and the name Barack Obama as well as his second name which he used in his youth time: Barry Soetoro. A certain man called John Tng, made an impressive list of evidences and connections with the name Barack Hussein Obama and the name Barry Soetoro. I have double checked the numbers and Bible verses and it appears right to me. Please check it out for yourself: http://www.fivedoves.com/rapture/2008/obama_666.htm
