

Hello John & Doves All.

Really interested in next Sunday, November 9 completion, as it is the only November Sunday where the morn after is WANING GIBBOUS like when Christ (2d Adam) resurrected and when First Adam and Eve were created, and when Israel escaped EGYPT.

=====

CONSIDER THIS... Next resurrection day, Sunday, November 9, is a First Day of the Week, and is day 313 of the Gregorian Year of 2025. We can be interested in this Gregorian Year as we all are convinced that “2025” is often a clue that Watchers find referred to in His Word.

G<225. alethaya> TRUTH [“MY DAY!”

H<225.uth> TO CONSENT, TO BE WILLING

Connection to the New Covenant

Jeremiah 31:33 anticipates a covenant written on the heart, ensuring internal agreement with divine law. This promise culminates in Jesus Christ, whose invitation—“Come, follow Me” (**Matthew 19:21**)—still requires personal assent. Yet unlike the fragile arrangements in **Genesis 34**, the New Covenant is secured by Christ’s blood, empowering believers by the Holy Spirit to live out their consent faithfully (**Hebrews 13:20-21**).

H<226.oth> SIGN [Asking that “oth” be a sign?]

Messianic and Eschatological Signs

The climactic Old Testament promise is [Isaiah 7:14](#): “Therefore the Lord Himself will give you a sign: Behold, the virgin will conceive and give birth to a son, and will call Him Immanuel.” The birth, life, death and resurrection of Jesus Christ fulfill and surpass every previous sign, as the New Testament term σημεῖον repeatedly affirms ([Matthew 12:38-40](#); [John 2:11](#)). Yet Old Testament prophecy also looks forward to cosmic signs that accompany the Day of the Lord ([Joel 2:30-31](#)) and the ingathering of nations ([Isaiah 11:10](#), using synonyms yet rooted in the same conceptual field).

THAT’S MY HOPE FOR NOVEMBER 9, 2025 COMPLETION...

But, also had this thought, you know, about... “the **JDREAM.**”

Joshua’s “9:23/24 **JDREAM**”?

Here is an interesting date that would be **9:23/24** [GREGORIAN Dec14] after the **COMPLETION** at end of 9:22. I don’t want to wait that long but are Saints compelled to hope in this by brother Joshua’s “**9:23/24 JDREAM**”?

That would be Gregorian “December 14.”
