# From Rebellion to Redemption

## Prelude

It had been years since Obadiah, Virginia, Elizabeth, and Stuart had seen each other. They were drawn together because of the death of one of their own, Dave. It was a family reunion of sorts, as members of the family of God. The five of them had called themselves the DOVES, taken from their first names.

*Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves. Matthew 10:16*

Lily, Dave's daughter, was giving the eulogy in front of the hundreds in attendance.

*My Father fought the good fight, shedding his mortal body for an eternal one. He is now a new creature in Christ, no longer bound by physical chains. Dave would not want anyone here to be sad for him, but to rejoice. For it is a far better place he goes, far beyond our wildest expectations. Dave's life hope really was not to be among the dead who rise first. But to be among the living, caught up to meet Christ in the air. Although as cancer ravaged my Father's earthly body, he realized God had better plans.*

After the service, the group of four caught up to Lily and introduced themselves.

Lily said, "I recognize every one of you from the photographs my Dad kept. I grew up listening to him talk about each and every one of you.

Stuart said, "Welcome to our family, forever the DOVES, now with you the LOVES."

*For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. John 3:16*

Elizabeth then said, "Lily, what a lovely name, you will join us of course."

Lily replied, "I can't believe you're asking me, of course I would love to."

## Original Sin

They all had agreed to get together at a coffee shop the next day.

Lily asked, "So with all the amazing prophecies coming true, where should we begin?"

Stuart replied, "I believe you answered your own question, at the beginning, of course."

Obadiah asked, "The Bible begins with, "In the beginning" why don't we start there?"

Elizabeth added, "At the beginning, at the very beginning, time itself came into existence. God created heavens and earth, space and matter, and from that moment, time began."

## From Rebellion to Redemption

Lily said, “I was thinking a little later, more like with Adam and Eve. You know, in the beginning we had original sin which now defines our nature. It’s the foundation upon which man built his cursed life ever since on earth. The one event that shaped our mortal history and created our need for redemption.”

Stuart said, “Ok, sounds like a place to start, let me read the verses.”

*Now the serpent was more subtil than any beast of the field which the Lord God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden? And the woman said unto the serpent, We may eat of the fruit of the trees of the garden: But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die. And the serpent said unto the woman, Ye shall not surely die: For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil. And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat. And the eyes of them both were opened, and they knew that they were naked; and they sewed fig leaves together, and made themselves aprons. **Genesis 3:1-7***

Obadiah said, “If there’s one thing I know about God is He is just. Eating the forbidden fruit had to be heinously evil in the sight of God. I can’t believe God just planted one desirable looking fruit tree as a test. Then waited for the mortal creation He’d created in His own image to fall. Sooner or later they’d stumble across this tree in the midst of the garden.

We accept the Tree of Life as a metaphor for the Word of God. That Word became flesh and was nailed to a tree so we might live. So wouldn’t the Tree of Knowledge of Good and Evil be a similar metaphor?”

Elizabeth said, “God created everything in this universe and saw that it was good. Eating of something forbidden had to go against the very foundation of God’s creation. It had to be rebellion against God’s plan for Man to fill the earth. It had to be a lot worse than touching an apple and then eating. If that were true, every time I pick up an apple, I commit sin. For God is the same yesterday, today, and tomorrow, in how He views sin.”

Stuart said, “Maybe it’s just that we are blinded by our man made traditions. Regardless, there is one thing I have become 100% convinced in my spirit about. Until we grasp the magnitude of Adam’s rebellion we can’t fully appreciate God’s redemption.”

Lily replied, “Exactly, take how animated movies use subtle sexual references for adult appeal. Then all those references are supposed to go right over the heads of children.”

Virginia replied, “Yeah, but then we hit puberty and the hormones start going crazy. They we know exactly what’s being said and no one has to explain it.”

## From Rebellion to Redemption

Stuart replied, “Agreed, our eyes have been opened just like Adam and Eve’s eyes. Except that many times even adults don’t pick up on all the sexual innuendos. These hidden references to all kinds of sex go right over most people’s heads.”

Obadiah asked, “Lily, I’m hearing you say that the sin of Adam was sexual? Okay, the opposite of gaining our inherited sin nature is having it cut away. I’ll agree, God symbolizes cutting away our sin nature with cutting of the foreskin. You can’t get more in your face with the nature of the sin removal. I mean, are we removing the rough cover from the original instrument of sin? It’s like when Israel first crossed the Jordan into the land God had promised. Twelve smooth circumcised stones were taken from the Jordan as they crossed the river. Twelve rough uncircumcised stones were left to take their place in the Jordan river. For the first time, circumcision by water was symbolized, fulfilled through John the Baptist. Twelve stones for twelve tribes, which after crossing the Jordan, all males were circumcised. For we know, the Word of God is sharper than any two edged knife. Only through Jesus Christ’s action can our sinful spirit be circumcised from our soul. And we can be totally baptized, immersed, in a new spirit, the Holy Spirit.”

Elizabeth exclaimed, “Preach it to me brother, I feel the Spirit flowing over me.”

Lily said, “Consider we ARE given opposites so we WILL know the forbidden fruit. God gave Man to eat of every fruit of every plant in the garden. But the CONTRAST is God forbid Man of eating the fruit of any animal. Eating of animal fruit, punishable by death no less, was off limits to eat. If you are not following me just remember that all fruit contains the seed. Plant fruit provides animals nutrition while plant seeds are in fertilizer after being excreted. Animal fruit was not designed by God for consumption and the seed isn’t excreted.”

Elizabeth said, “Oh gross, and if you touched it, then it would stand erect. Can you imagine how big a dragon’s would be, like a tree, I’d imagine. I’m going to have a hard time getting that picture out of my head.”

Lily said, “Exactly, and touching it or worse, would produce its juice and seed. Just let me read another few verses which help prove my point even more.”

*And the Lord God said unto the woman, What is this that thou hast done? And the woman said, The serpent beguiled me, and I did eat. And the Lord God said unto the serpent, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life: And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel. **Genesis 3:13-15***

Lilly continued, “This word “beguiled”, Strong’s says in its moral context means to “seduce”. There should not be any doubt the context we are talking is moral. We are talking about sin, a truly heinous sin, in fact the original

## From Rebellion to Redemption

sin. We are not talking about God just picking a fruit tree to test obedience. We are talking about seed of the serpent and woman seduced into eating it. Okay, let's check another witness to this with these verses from the New Testament."

*For I am jealous over you with godly jealousy: for I have espoused you to one husband, that I may present you as a chaste virgin to Christ. But I fear, lest by any means, as the serpent **beguiled** Eve through his **subtilty**, so your minds should be corrupted from the simplicity that is in Christ. **II Corinthians 11:2-3***

Lily continued, "The serpent beguiled Eve to no longer be chaste but be corrupted. Don't we all know the subject so what other conclusion can we possibly draw? We have a different word translated "beguiled" which Strong's says means, "to seduce wholly".

Elizabeth exclaimed, "Lily, that makes perfect sense and I really can't thank you enough. I can now finally say I realize how Adam and Eve became sexually aroused. Then I realize how they became ashamed of their sexual arousal and hid themselves. Then they covered those parts of their body which had become so sexually aroused. That embarrassment and shame they felt is cause and effect I could have predicted. Not that a tree fruit had ingredients that made them cover their sexual organs. That kind of explanation is only for little kid's consumption and makes no sense!

Obadiah said, "And the serpent could no longer stand erect revealing his erect member. Instead he had the indignity of dragging it through the dust everywhere he went. The punishment fit the crime as it removed his ability to repeat his crime."

Stuart said, "So the woman ate the serpent's seed in the book of Genesis. Then Draco the dragon stands ready to eat Virgo the virgin's seed in Revelation. Wow, the first book of the Bible and the last book of the Bible!"

Virginia said, "Despite what the dragon wanted, God would have had to allow it. God is fair so satan could have argued that turn around was fair play."

*And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night.*

### **Revelation 12:10**

"Which sure didn't stop the dragon from trying to kill Jesus, working through Herod."

*And when they were departed, behold, the angel of the Lord appeareth to Joseph in a dream, saying, Arise, and take the young child and his mother, and flee into Egypt, and be thou there until I bring thee word: for Herod will seek the young child to destroy him. When he arose, he took the young child and his mother by night, and departed into Egypt: And was there until the death of Herod: that it might be fulfilled which was spoken of the Lord by the prophet, saying, Out of Egypt have I called my son. **Matthew 2:13-15***

## From Rebellion to Redemption

“So now we have both the first book of the New and Old Testament. Both are testifying to the war between satan and the seed of the woman. We know there was only one person born of woman of her own seed. That person was Jesus Christ; all others are born of a man’s planted seed.”

Obadiah said, “Wow, this subject has given me a lot of food for thought. Although, I’m sure satan thought he had won with Jesus crucified on the tree.”

Virginia said, “And then he knows his demon seed is going to be antichrist. I’d think satan would also imitate God by calling his seed out of Egypt.”

Elizabeth exclaimed, “I believe you’re referring to the Luo tribe migrating out of Egypt.”

Virginia replied, “Now that you mention it, that sure is some kind of coincidence.”

Stuart said, “I was wondering about how sexual knowledge is both good and evil. Didn’t God bless sex between Adam and Eve so they could fill the earth? But any forms of sex between man and beast corrupts this, so is evil. Once this happened, they knew evil for the first time, instead of only good. They now knew evil, and with comparing it to good, they could recognize good. Which brings me to the subject for comparison which is the tree of life. I already knew Jesus Christ was actually the honest to goodness tree of life. But then we have the two extremes with the tree of good and evil. Why don’t we have the two extremes with a tree of life and death? And then I was thinking of Jesus Christ being lifted up on the cross. Isn’t that cross, which was made out of a tree, a symbol of death? But Jesus Christ overcame death on the cross so we could have eternal life. We, like the thief on the cross near Jesus, can cry out to Jesus. We can ask him to forgive us and to remember us in His kingdom. And we, like the thief on the cross, can be with Jesus in Paradise. We can now eat of the tree of life and live forever with Him.”

*And he said unto Jesus, Lord, remember me when thou comest into thy kingdom. And Jesus said unto him, Verily I say unto thee, Today shalt thou be with me in paradise. Luke 23:22-23*

*And I, if I be lifted up from the earth, will draw all men unto me. John 12:32*

*I am the true vine, and my Father is the husbandman. Every branch in me that beareth not fruit he taketh away: and every branch that beareth fruit, he purgeth it, that it may bring forth more fruit. Now ye are clean through the word which I have spoken unto you. Abide in me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; no more can ye, except ye abide in me. John 15:1-4*

Lily said, “Stuart, how you laid out the gospel, could not be any simpler. What a beautiful way to present the good news of Christ crucified for us.”

## From Rebellion to Redemption

*But we preach Christ crucified, unto the Jews a stumblingblock, and unto the Greeks foolishness; I Corinthians 1:23*

“He was pierced once for our iniquities and out of his side came blood. Blood, his own life, a perfect substitute to pay the penalty for our sins. When he was pierced, also out of his side with the blood came water. Rivers of living water, washing away our sins, making us into a spotless bride.”

“He was the rock that the builders rejected that became the pyramid cap stone. That whosoever would call upon his name would be saved and have eternal life. In the wilderness, Moses struck the rock and out came rivers of living water. Enough to save all of the Israelites, numbering over a million, from certain death.”

“Israel was again dying, but God instructed Moses to speak instead to the rock. For Christ our rock was pierced once and then anyone could call upon him. But Moses disobeyed and instead struck the rock again, breaking the symbolism, the analogy. God had a choice to bring forth the lifesaving water and let Israel live. Or to not bring forth the water from the rock and let Israel die.”

“God chose Israel, but for breaking the analogy Moses died outside the Promised Land. Which brings me to one all important question regarding who we decide to follow. Are we going to choose our own will, even if we’re seduced, over God’s?”

### **Serpent Demon Seed**

Obadiah said, “I sure miss getting together for all this food, fun, and fellowship.”

Lily said, “If you are all game, come on back to my Dad’s house. He’s got some notes I’m sure he would want me to share with you. You must follow the seed of the serpent prophecy and then fulfillment in antichrist.”

With everyone in agreement they all got up and followed Lily to Dave’s house. When they arrived, Lily disappeared and then reappeared with a big box of papers.

Lily began, “Let’s start with this sheet of paper”, as she passed it around. It’s got the English to numbers conversion after the manner of Hebrew and Greek. In other words, base 10 where we count by 1, then 10, then 100. Now, please notice the English to numbers conversion for the phrase, “serpent demon seed.”

Stuart exclaimed, “I’m getting the shivers as I’m sure everyone recognizes the number 793!”

Elizabeth sang, “Mine eyes have seen the glory of the coming of the Lord!”

Lily said, “That was my reaction when I saw “serpent demon seed” equaled 793. Such a confirmation of the lawless one being the fulfillment of the original curse! Of course, “Serpent” and “Demon Seed”, by themselves, are still both divisible by 13.”

## From Rebellion to Redemption

Obadiah said, “I see Dave also has Pastor Carl Gallup’s “blessed handsome leaning” translation.

Lily said, “How true, but wait till you see what my Dad also found. We don’t have to translate to get 666 or the “Left Behind” number 216. Remember, it takes both wisdom and understanding to count the number of the beast. This book series from the 1990’s concluded this meant his number would be 216.”

*Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six. Revelation 13:18*

“Look at this page where my Dad quotes from James Harrison’s excellent 1995 book. That book would be, “The Pattern and the Prophecy”, as found on page 59.”

*Originally, Satan was one of the Lord’s three created archangels, endowed with free will and awe inspiring powers. Being part of the first creation, his triangle number, 666, reflects potent features. When he fell “like lightning from heaven,” he lost his place and his number, but not his strength. In the final years of the coming Tribulation, Lucifer will mock God by somehow associating his original celestial number, 666, with his apprentice, the Antichrist.*

“Then it struck my Dad like a ton of bricks to use triangle numbers. Only by counting by triangle numbers could a deeper level of meaning be revealed. But then, we are triangle or trinity people, having a body, soul and spirit.”

“Mr. Harrison then states satan’s number 666 has been replaced by the number 13. Before his fall from Heaven, 666, after his fall, 13, which stands for rebellion. Mr. Harrison then shows how every single name for satan is divisible by 13. Over 30 different examples with Greek and Hebrew, every single name divisible by 13.”

The one failure was when Dad looked at the word “satan” in English gematria. It didn’t have to be a name or title, just the plain word “satan”. The number of “satan” in English Q=80 was 352 and not divisible by 13. That threw into question the whole using this manner of converting English to numbers. Sure, it was the best conversion system he’d seen, but was it the best? Clearly, the first requirement of any conversion system was it could represent any number. Roman numerals qualified in that regard even though they were rather clumsy to use. However, my Dad almost fainted when he counted by triangle numerals and got 507. Not only was 507 divisible by 13, but its result also, again by 13. It was double divisible by 13 and a double fulfillment to leave no doubt!”

“Catch me now,” cried Elizabeth, “my legs are getting all a wobbly underneath me!”

Lily continued, “A triple fulfillment are the following numbers I believe needs no explanation.”

## From Rebellion to Redemption

	A=1, Q=80, Z=800	A=1, Q=153, Z=351
Text	<b>Adolph Hitler</b>	<b>Hitler</b>
Gematria	<b>515</b>	<b>555</b>

Obadiah exclaimed, “You can say that again and it brings back memories of Chuck. Remember when we were at the first rehearsals for Chuck’s play, “The Lawless One”? He had a succession of antichrists, as it is written, there will be many. The one before the final antichrist called “The Lawless One”, he’d identified as Hitler. Of course, what a perfect fit if Hitler’s number had preceded 666, being 555. It was small consolation that the Q=80 conversion gave 515 which would precede 616. As I’m sure everyone is aware, 616 was a small Greek translation version variant. But by having this variant, the Q=80 conversion gives witness to the Q-153 conversion. And the Q=153 conversion is the full blown expected motherhood and apple pie, 555!”

### A Dragon Seed

Lily began again, “Just look at all these word number pairs using triangle numbers. Take the phrase “A Dragon Seed”, referring to the promise God made the serpent. That phrase sums up using Q=153 triangle numbers to that cursed triangle number 666!”

Obadiah exclaimed, “Wow, and we know the dragon seed becomes the beast of Revelation.”

Stuart said, “Remember when God confused all the languages at the tower of Babel? The book of Jubilees records there were 70 people groups whose language were confused. Actually, there were 69 people groups whose language were confused, one was not confused. That one group were descendants of Shem, chosen by God to protect God’s Word. That group protected God’s spoken Word, God’s spoken language, what we now call Hebrew.”

“That same group protected God’s spoken inspired Word, what we call the Old Testament. That same group protected God keeping His Word, His promise, the seed of woman. That same group protected God keeping His Word regarding the seed of the serpent.”

“The Word of God is also God, who became flesh and dwelt among us. God chose the tribe of Judah to fulfill His word to bring us Messiah. God chose the tribe of Dan to fulfill His word to bring the beast. God repeatedly chose the children of Israel to be the people of His Word.”

Virginia said while busily searching her phone, “Like Tevye in “Fiddle on the Roof”.

## From Rebellion to Redemption

*I know, I know. We are Your chosen people. But, once in a while, can't You choose someone else?*

Everybody laughed and then Lily said, "I found something that really fits with this."

<http://www.british-israel.ca/Dan.htm>

*Revelation 7:4 says that, "all the tribes of the children of Israel." are listed as the 144,000. So why does it say Manasses instead of Dan? The solution is simple. Dan is split into two nations, Ireland and Denmark. Ireland is Catholic, 80% of the Danes are Lutheran.*

*Today, the tribe of Dan in Ireland is still given into idolatry following the traditions of their ancestors. They are as a nation, an integral part of the false mystery system God labels as "MYSTERY, BABYLON THE GREAT" in Revelation 17:5. This is a great false church, a worldly church, which has persecuted God's true servants down through the ages (Verse 6).*

Lily found another paper, "See the word "Babylon" here is divisible by 13, twice."

Text	Babylon	Irish
<b>A=1, Q=80, Z=800</b>	<b>845</b>	<b>216</b>
<b>Divisible by 13</b>	<b>13 13</b>	
<b>Divisible by 6</b>		<b>6 6 6</b>

"And the word "Irish" beside it is six times six times six; reading on:"

*..... It is Denmark that will be part of the 144,000. How can we know? The clue is in the name "Manasses." Back in Judges the 18th chapter the inland Danites who moved to Denmark, when they migrated to Laish and named it Dan after their father. Afterward the children of Dan "...set up the graven image: and Jonathan, the son of Gershom, **the son of Manasseh**, he and his sons were priests to the tribe of Dan until the day of the captivity of the land." (v.30). The Septuagint has "Manasses" just like the book of Revelation. (Barnes Notes). God is telling us that it is Denmark and not Ireland that will have 12,000 that will rule with Christ on Mt. Zion. The Irish will have to go through the plagues, watch the Catholic church be destroyed (Rev 18), and Jesus himself to help them come out of idolatry that they have been steeped into for centuries.*

Obadiah exclaimed, "That convinces me Irish is the heritage of the dragon seed's mother. Since Hebrew has no vowels, DN can be Dan, Den, Din, Don, or Dun. Having a last name starting with one of those is icing on the cake. Just listen to all these Irish place names which have Dan embedded in them."

*In Ireland, today, we find their customary evidence -- their place names -- in abundance. Such names as Dans-Lough, Dan-Sower, Dan-Monism, Dun-dalke, Dun-drum, Don-egal Bay, Don-egal City, Dun-glow and Lon-don-derry, as well as Din-gle, Dun-garven and Duns-more, which means "MORE DANS." It*

## From Rebellion to Redemption

*should be plain that the ancient Danites settled in Ireland, and most of them dwell in that land, today (It is certainly no coincidence that the Irish Gaelic word Dun or Dunn means “Judge,” just as Dan does in Hebrew!).*

Elizabeth said, “Of all names, my money is on the last name of Dunham.”

### Mystery Babylon

Stuart said, “I agree in principle with their labeling of Catholicism as Mystery Babylon. However, isn’t it written the Protestant children are part of the same mystery system?

*And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.*

#### **Revelation 17:5-6**

“Clearly, Catholicism is the mother of Protestantism which makes Protestants, harlots; isn’t that true?”

Lily answered, “From what Dad found, Mystery Babylon goes way beyond Protestantism and Catholicism. Imagine, the whole human race after the flood gathered on the plains of Shinar. They decide to build a massive tower to reach heaven to kill their Creator. The Babylon Mystery Religion was originally practiced by all people and was scattered worldwide. It should come as no surprise these same practices continue to this very day.”

“I just read an excellent post by Luis Vega about the Tower of Babel:”

<http://www.fivedoves.com/letters/may2019/luisv526.htm>

“It was then when I noticed the Tower of Babel was 2717 yards high. It can be no accident the current World’s tallest building is 2717 feet high. The number 2717 is the product of three prime numbers 11, 13, and 19. To really understand this one must know the meanings of everyday symbols and numbers. Don Kistler prophetically left us with these number meanings through the inspiration of God.

## From Rebellion to Redemption

“Mankind had faith (19) they could kill God through sin, rebellion, and depravity, (13). They were united in spending decades building a tower they thought could reach Heaven. Because of this gross rebellion, God brought judgement (11) upon mankind, confusing their language.”

“Remember, it is not the amount of faith, but the object of your faith. You can have all the faith in the world in thin ice and die. Or you can have almost no faith in thick ice and be perfectly safe. Little faith, mustard seed sized, is all you need for salvation through Jesus Christ.”

Stuart said, “Wow, I had realized about the many sexual symbols surrounding this religion. But I had never seen let alone thought of this connection with number meanings.”

Obadiah said, “I know the Roman, Mark Anthony was involved with the Egyptian, Cleopatra. And Cleopatra’s Needles were taken from Egypt to London, Paris, and New York City. These are Obelisks or literally “Shafts of Bel” which is Biblically Beelzebub and Baal. They all predate Cleopatra and their tops are pyramids pointing to a light ray. A single ray, a ray from Ra, the demon seed of the satan himself.”

Stuart added, “Symbolically, once a year on the spring equinox when the sun rose. It would then rise over the tip of the obelisk, the shaft of bel. At that moment it would illuminate the inner chamber of the dome or bell. Inside that inner chamber situated in the center of the bell was an altar. Upon that altar, facing east, was the virgin sacrifice to be impregnated by Bel.”

Virginia said, “Which we know a 40 week gestation brings us to December 25<sup>th</sup>.”

Lily said, “December 25<sup>th</sup> is the traditional birth date for none other than Nimrod.”

Elizabeth exclaimed, “Why am I not surprised, although I thought there were two Nimrods. And if this second Nimrod was part of the effort to reincarnate the first. Well, whew Lordy, but didn’t they all also sacrifice the children that were born?”

Obadiah said, “I’ve also heard that, even practicing cannibalism and eating their own children. But I’ve also wondered about the consequences if they hadn’t sacrificed their own children. Consider legions of demons possessing legions of sperm cells which surround the egg cell. Consider only one sperm cell is getting through and it could be the devil’s.

Elizabeth said, “I will never, as long as I live, eat another deviled egg.”

Lily said, “Let’s not forget all the symbolism around us each and every day. The first day of the week is dedicated to the Sun, appropriately named Sunday. The next day is dedicated to what reflects the Sun, the Moon, in Monday. These symbols together, the star and the crescent, represent Phallicism, the ancient Babylon religion.”

## From Rebellion to Redemption

Elizabeth exclaimed, “Think of how many cultures around the World use those symbols together. And to think I was only thinking about those who use steeples and bells. But then a steeple is better than a spire because a spire is uncircumcised.”

Virginia said, “Funny, but seriously God’s Tabernacle and all His Temples had flat roofs.”

Lily said, “Let’s not forget about Saturn’s day symbolism in Saturday, ending our week. The end is coitus, the crescent expands to form a ring around the star. Such is the picture of the planet Saturn with its ring in the heavens. The same is the picture of birth ending gestation, Rome’s greatest festival called Saturnalia.”

Obadiah said, “I think I finally have a satisfactory explanation to the Giant question. How could these involve Sons of God, which are limited to Adam and Angels? Adam is dead and wouldn’t the only Angels involved have to be fallen angels? We know fallen angels have the ability to possess flesh, but aren’t they non-corporeal? Legions can possess one person and untold numbers can dance on a pin head. Still they can interact with matter and could cause sperm cells to create Giants.”

Lily said, “Excellent point, although I’ve heard that originally Nimrod was not a Giant. I read that it was only through a bizarre sexual ceremony that Nimrod changed. I imagine that ceremony could have involved the seed of bulls, goats, or boars.”

Obadiah said, “Well the Israelites when they first left Egypt built a golden bull. They must have gotten that idea from somewhere; I’d bet money on the Egyptians.”

Stuart said, “I’m thinking boar because of how much the Bible forbids its consumption. Doesn’t the Apocrypha identify a boar on the altar as the abomination of desolation? And I seem to recall Tammuz being gored to death by a wild boar. Maybe the same bizarre sexual ceremony done to Nimrod was being attempted on Tammuz?”

Lily said, “So he could assume kingship and then things went horribly, horribly wrong? Could be, then Semiramis had the world weep and killed the boar on Easter.”

Stuart said, “I just realized SemiRAMis has Ra in the middle of her name. I know Ra means sun and the title RAMesses means literally ‘Son of Ra’.”

Elizabeth said, “So that would be son of the sun, god, sounds sorta confusing. But I get it, with Ra in your name you are now a god. Wonder if that’s why the word PhaRAoh has Ra in the middle of it?”

Virginia said, “Or the word “BaRAck”.”

### Trinity of Evil

Elizabeth exclaimed, “Makes me shiver just thinking about it, but I take refuge in:”

*Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. And then shall they see the Son of man coming in a cloud with power and great glory. And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh. **Luke 21:26-28***

Virginia asked, “So Lily, Did your Dad have any new insight into current events?”

Lily said, “There is the Babylon Mystery Religion’s unholy trinity, Nimrod, Semiramis, and Tammuz. It is a parody of the Holy Trinity, the Father, Son, and Holy Ghost. That would make Nimrod the father, Tammuz the son, and Semiramis the unholy ghost. I know there is a controversy over assigning a gender to the Holy Ghost. Regardless, consider the Holy Ghost is our Comforter which is similar to being motherly.”

*But the Comforter, which is the Holy Ghost, whom the Father will send “in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you. **John 14:26***

Obadiah said, “I see no reason we need to match up gender for gender. How can we compare the Holy Trinity who transcends all time, space, and matter?”

Lily replied, “Point taken, still isn’t the modern equivalent, Barack, Michelle, and Malia Obama?”

Stuart said, ‘I’d like to see their numbers if you happen to have them.’”

Lily said, “Of course, just give me a second to find where those are. Let’s start with “Nimrod Semiramis Tammuz” which for Q=17 totals 273, divisible by 13. For Q=80 the total is 2028 which is amazingly divisible by 13 times 13. For Q=153 the total is 2356 which is divisible by 13 backwards or 31. Doing “Nimrod Semiramis” then for Q=153 the total is 1381 which starts with 13. Amazingly, “Tammuz”, also equals 1381 but for Q=80, while Q=153 is divisible by 13. So we’ve fairly well established this original unholy trinity has some pretty bad numbers.”

Stuart said, “It’s also been fairly well established that Barack has some bad numbers. I mean, for Q=80, “Barack”, “Hussein”, “Obama”, and “Dunham” are all divisible by 13. But the DOVES, I mean the LOVES, have not yet explored Q=17 or Q=153.”

Lily said, “Okay, “Barack” for Q=17 equals 36 which is exactly six times six. For Q=153, wait for it, “Barack” is divisible by 31 which is 13 backwards. Now for “Obama” which is the last name of all three unholy trinity members. This will blow you away, hold onto your socks, “Obama” for Q=153 equals 216.

## From Rebellion to Redemption

Obadiah, Virginia, Elizabeth, and Stuart sat there in stunned silence, not saying a word.

Finally, Stuart said, “Do you realize how many different ways we looked for this? We looked at all the combinations, starting A at a higher number than one. We’d count by one, then two, and sure we’d find some in the mix. But these could be just as easily explained by chance while this absolutely cannot. Just by using triangle, or should I say, trinity, as in Holy Trinity, numbers. I mean, I knew the number of Jesus was 153 which is the 17<sup>th</sup>. And that the number of lucifer was 666 which is the 36<sup>th</sup> triangle number. For that matter 153 backward is 351, the 26<sup>th</sup> triangle and divisible by 13.”

Lily said, “Now we need to tie in the other two unholy trinity members. “Michelle”, for  $Q=17$  is 67 which is 66.6 rounded off while  $Q=80$  is 130. I really don’t need to do the math on that one, do you think? Now for  $Q=153$  the number is 364, a double witness, also divisible by 13.

Virginia said, “I see you have a sheet here for “Michael Robinson”, how appropriate. I see  $Q=17$  sums to 157 which one plus five plus seven equals 13.

Stuart said, “I noticed  $Q=80$  sums to 517 which are the same three digits! And  $Q=153$  sums to 1131 which I see the numbers 11, 13, and 31. No one said anything about embedded numbers but 1131 is also divisible by 13. So 1131 is 13 times 29 times 3 and the number 29 means “Departure”. I pray this is the sign we’ve been waiting to see for our departure.

Virginia said, “So I see the word “snake” with  $Q=153$  is 13 times 29.

Obadiah asked, “Why don’t we look at this sheet on “Barack Michelle Obama” next? I see similarities in that  $Q=17$  sums to 135 which has an embedded 13. It has the same digits as  $Q=80$  summing to 351 which is 153 backwards. Both are triangle numbers, as you know, except 13 divides evenly only into 351. That leaves  $Q=153$  summing to 828, the product of 6 times 6 times 23.”

Stuart asked, “Maybe they like the two eights in 828 represent the eighth king?”

Virginia asked, “Lily, could you look up again what the number 23 stands for?”

Lily replied, “Looking it up right now and the number 23 stands for death.”

Virginia replied, “How dreadful; and we know the wages of sin lead to death. But I think we’re talking about physical death being associated with these two people.”

Lily said, “We haven’t yet looked at the sheet on “Barack Michelle Maliah Obama.”

Obadiah said, “I’m getting overwhelmed with all these numbers that well, it’s all overwhelming.

Virginia said, “It is like drinking from a fire hose but I’m loving it! Lily, all this number evidence is very overwhelming but by all means, please continue.”

## From Rebellion to Redemption

Lily said, “Okay, I’ll try to go slower as it took my Dad years. And here I am dumping it all on everyone in a matter of days. And now for combining all the unholy trinity, the dragon, beast, and false prophet. I don’t want to skip any details such as the number 29 and departure.”

“The Thessalonians thought Jesus Christ was about to return to set up His kingdom. Paul had to correct them that first came the Rapture, then the Lawless One.”

*3 Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; 2 Thessalonians 2:3*

“Can’t you just picture believers falling away from the Earth instead falling towards it? If this just meant people “falling away” from Christianity, this has happened for millennia. No, this must have meant a physical sign that was observable by all Thessalonians.”

“It has been argued that a clearer translation would be using the word “departure”. I’d say quite persuasively seeing the first seven English translations used “departure” or “departing.”

<http://www.fivedoves.com/letters/july2019/rb721.htm>

Obadiah said, “Okay, let’s see the unholy trinity numbers, I’d guess 216 times three?”

Lily said, “As if God was that easy to figure out, but you’re close. No, for Q=80 the total number is only 216 times two for some reason.”

Elizabeth exclaimed, “That’s still simply amazing, simply mind blowing how the numbers work out. Some people could dismiss this all as wild speculation but the numbers don’t lie.”

Virginia said, “Maybe it is two because two means division while three means resurrection? Maybe the lawless one is a clone from Nimrods skin cells from his sarcophagus. In other words, the fabled phoenix coming back to life to rule the world. The technology has existed for some time to create a clone using a surrogate. But in no way does that mean he was resurrected from death like Jesus.”

Lily said, “So let’s go on to Q=153 which the total number is 1044. Now, Obadiah, you were thinking 216 times three but let’s consider 216 times five. Five means grace or undeserved favor which God decided to grant Adam and Eve. The serpent or satan was not granted undeserved favor by God, but fell short. Now 1044 falls short of 216 times five, which is 1080, by just 36. And 36 is the building block which 216 and also 666 are based on. The number 1044 is 36 times 29; the number 1080 is 36 times 30. The number 29 means departure, I hope signifying our soon departure as His Bride.”

### The First Trump

Elizabeth said, "I'm with you sister, just punch my ticket and let's leave now!"

Obadiah asked, "But don't we have to wait until the end of Trump's term? What if he wins another term, that's another four years we have to wait? Granted, that's assuming Trump is the seventh king and Obama will be the eighth. And the World is peaceful to not upset the natural order of the presidencies."

Elizabeth said, "Who knows, the past is history and the future is a mystery. Although Bonny Gaunt thought we should count 2000 years from Christ's death to 2033. Adding another term to Trump's presidency from January 2021 brings us to January 2025. Counting four more years brings us to January 2029 and another to January 2033. Then there's the next sign before the great and notable day of the LORD. We won't have a Passover lunar eclipse right after a solar eclipse till 2033. These next 14 years could be the years in the skull and bones photos."

Lily said, "I think we are getting way ahead of ourselves by 14 years. We should always be watching for signs and never taking any assumptions for granted. I've got a sheet here with the Q=153 numbers for the last 7 kings.

	<b>Q=153</b>	<b>Factor 1</b>	<b>Factor 2</b>	<b>Factor 3</b>
<b>Trump</b>	839	839		
<b>Obama</b>	216	6	6	6
<b>Bush</b>	460	20	23	
<b>Clinton</b>	669	223	3	
<b>Bush</b>	460	20	23	
<b>Reagan</b>	321	107	3	
<b>Carter</b>	574	41	14	

Obadiah said, "Trump's is a prime number, wonder what in the world that means?"

Lily said, "Actually, I was wondering that myself, and then I noticed the following.

	<b>Q=153</b>
<b>Matthew</b>	839
<b>Mark</b>	329
<b>Luke</b>	390
<b>John</b>	316

Elizabeth exclaimed, "Halleluiah, John 3:16 is the most recognized verse in the whole Bible.

## From Rebellion to Redemption

Stuart said, “John’s amazing, but what does Matthew have to do with President Trump? I mean they have the same number and everything but what does that mean?”

Lily said, “Consider that Matthew is where the story of Christ’s first coming began. Consider that President Trump is where the story of Christ’s second coming will begin. Now considering President Trump is the seventh king and the number seven means completion. What does Revelation 17:10 mean when it states “he must continue a short space?” Does it mean he will be one term or does “continue” mean two terms? In other words shortly after his second term begins he will no longer continue? However long “shortly” is, look at Trump as signaling the beginning before the rapture. I think that is why Trump and Matthew both have the same number value.”

Elizabeth said, “But I was expecting something to confirm he’s really the seventh king.”

Lily replied, “Well his Q=80 number might help confirm that as it is 700.”

Stuart said, “I always thought he’s the first trump but not the last trump. Not the trump spoken of in scripture which heralds the return of Jesus Christ.”

*For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first. Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. **I Thessalonians 4:16-17***

*In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.*

**I Corinthians 15:52**

Obadiah said, “Well, at 839 that number is 46 more than Obama’s 793 number. And I noticed that both Bush’s numbers are 460 which is ten times 46. So 46 stands for “second death” which we will escape at the first resurrection. I’m praying I’ll escape the “first death”, death of my body, through the rapture.

*He that hath an ear, let him hear what the Spirit saith unto the churches; He that overcometh shall not be hurt of the second death. **Revelation 2:11***

*Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years. **Revelation 20:6***

*And death and hell were cast into the lake of fire. This is the second death. **Revelation 20:14***

*But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.*

**Revelation 21:8**

## From Rebellion to Redemption

Lily said, “Logically, since half 46 is 23, half of “second death” is “death.” The book, “The Arithmetic of God” shows overwhelming evidence the number 23 means “death”. It states there is more evidence behind this than any other number except “resurrection.”

Stuart said, “Clinton has 23 in 223 and don’t get me started with 669. I mean six followed by six followed by an upside down six, so close. Just look at the last two numbers and see the reason he was impeached. The universal symbol for the sex act which was involved in the original sin. One can also imagine two sperm with tails, one seed serpent the other, man. One seed bruising the head of the other, which is bruising the other’s tail. And to top it all off, the symbol of yin and yang, polar opposites. Opposites as expressed in partaking from the tree of knowledge of good and evil.”

Obadiah said, “I see in 223, Genesis 3:22 backward for as it is written:

*And the Lord God said, Behold, the man is become as one of us, to know good and evil: and now, lest he put forth his hand, and take also of the tree of life, and eat, and live for ever: **Genesis 3:22***

“And I also remember that the Hebrew word for Strong’s number 322 means “backwards.”

Virginia said, “This is giving me the heebie-jeebies, I’m afraid to ask 322’s roots.

Lily said, “322 is divisible by 23, 14 times or 7 times 2 times.”

Stuart said, “So salvation (14), delivers (14) us from death (23) to eternal life. We have partaken of Jesus Christ, the tree of life, and will live forever!”

### Dry Bones

Elizabeth said, “Well I see Obama is six cubed but I don’t see 23.”

Stuart asked, “What about the fact, six is the product of two times three? His name’s an unholy trinity of two times three taken to the third power!”

Elizabeth exclaimed, “Well I’ll be, simply unbelievable, so that only leaves Reagan and Carter?”

Virginia said, “Yes, I suppose it’s a stretch to see 23 in 321 backward. And Carter has no 23, although 574 has symmetrical roots with 41 times 14. Which looking at the meanings of numbers would be deception (41) times deliverance (14).

Lily said, “I know you all know most Presidents belonged to various secret societies.”

Obadiah asked, “You mean the one tracing its roots to the Tower of Babel?”

Lily replied, “I wasn’t specifically referring to the descendants of Tower of Babel masons. Although if you think how many masons it took, most humans are likely descendants. Let me first preface what I’m about to say by reading the following scripture.”

## From Rebellion to Redemption

*Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned: (For until the law sin was in the world: but sin is not imputed when there is no law. Romans 5:12-13*

“We see sin, 13, being imputed through the law, 10, resulting in death, 23. We see death coming into the world through one man, death at number 23. Death, because of sexual sin, particularly noticing that human sex cells have 23 chromosomes.”

“Now consider man was made as a triune being containing, body, soul, and spirit. Let’s represent each by the number 23 which totals 69 symbolizing the original sin. God told Man he would die the day he ate of the forbidden fruit. However, God had mercy on Man’s soul and body, substituting animals in their stead. Man’s body took almost 1000 years to die, like unto one day to God. Death of the soul is the second death, twice 23, in the bottomless pit. And man’s DNA is made up of 23 pairs of chromosomes or twice 23. We though, have hope in Jesus Christ who can cut off our sinful spirit. And we can then accept a new spirit, the Spirit of the Living God. God symbolized this cutting away of our old sinful nature that leads to death. God symbolized this through circumcision, cutting away the foreskin, and now through water baptism.”

*For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart. Hebrews 4:12*

Elizabeth said, “I’ve always had trouble understanding what died that day in the garden. Oh sure, innocence died, and separation from God is like being dead to God. So they hid themselves because they felt guilty, their conscience would be their spirit. It could be as simple as God was going to actually physically kill them. But in God’s mercy, God decided to kill two animals to pay the penalty. We can’t get around the fact that God made man mortal, from the dust. And all his skin, hair, muscle, sinew, and bones will return to the dust.”

Stuart said, “Ezekiel cried, dem dry bones, oh hear the word of the Lord. Halleluiah, we’re witnessing the lost children of Israel being restored to the Promised Land. We are witnessing this and the number 37 means exaltation as in Ezekiel 37. We have death, 23, plus salvation or deliverance, 14, resulting in Jacob’s exaltation, 37.”

Obadiah said, “Let’s not forget our deadly 23 chromosomes combined with one God chromosome. That union totaled 24 chromosomes, 24 meaning priesthood, God becoming flesh in Jesus Christ. Through His death on the cross, Jesus Christ provided a way for our redemption. Paying the price, He is our high priest, interceding for us with the Father. We can now find grace, undeserved favor, after approaching our high priest Jesus Christ. Turning from and laying our sins on the altar, asking Him to forgive us.”

## From Rebellion to Redemption

Stuart said, “Although the flip side is most snakes contain 36 pairs of chromosomes. Seeing 36 means enemy and God put enmity between the woman and the snake. I realize there are over 3000 species of snakes with some not containing 36. But considering the odds, let’s look at the difference between human chromosomes and snakes. Subtracting 23 pairs of chromosomes in human beings from 36 in snakes, leaves 13. The number for rebellion is 13, the number satan was given when he fell. The number separating man from serpent, first deceiving Eve, then, leading Adam to sin.”

Obadiah said, “I’d much rather focus on us leading people from rebellion to redemption. I noticed the word “redemption” is found 20 times in the King James Bible. How appropriate since the number meaning associated with the word “redemption” is also 20. We can go from rebellion (13), adding completion (7) through Christ, to redemption, (20).”

*Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. And then shall they see the Son of man coming in a cloud with power and great glory. And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh. **Luke 21:26-28***

“Amen”, the rest of them all said in unison.
