DEDICATION

To Golda Meir

4th Person to be Modern Israel's Prime Minister

'We can forgive [the Arabs] for killing our children. We cannot forgive them for forcing us to kill their children. We will only have peace with [the Arabs] when they love their children more than they hate us'.

-Golda Meir

She is consider the 'Mother of Modern Israel'. Golda was born into a Jewish family in Kiev, Russian Empire (present-day Ukraine), Meir immigrated with her family to the United States in 1906. She graduated from the Milwaukee State Normal School and found work as a Teacher. While in Milwaukee, she embraced the Labor Zionist Movement. In 1921, Meir and her husband immigrated to Mandatory Palestine, settling in Merhavia, later becoming the Kibbutz's Representative to the Histadrut.

In 1934 she was elevated to the Executive Committee of the Trade Union. Meir held several key roles in the Jewish Agency during and after World War 2. She was a signatory of the Israeli Declaration of Independence in 1948. Meir was elected to the Knesset in 1949 and served as Labor Minister until 1956, when she was appointed Foreign Minister by Prime Minister David Ben-Gurion. TIME OF JACOB'S TROUBLE

THE 7TH SEAL

And the Golden Censer

8 When the Lamb opened the 7th Seal, there was Silence in Heaven for about half an hour. [30 Minutes]

2 Then I saw the 7 Angels who stand before GOD, and 7 Trumpets were given to them.

3 And another Angel came and stood at the Altar with a Golden Censer, and he was given much Incense to offer with the Prayers of all the Saints on the Golden Altar before the Throne,

4 and the Smoke of the Incense, with the Prayers of the Saints, rose before GOD from the hand of the Angel.

5 Then the Angel took the Censer and filled it with Fire from the Altar and threw it on the Earth, and there were Peals of Thunder, Rumbings, Flashes of Lightning, and an Earthquake.

PROLOGUE

When the Sun had set and darkness had fallen, behold, a Smoking Firepot and a Flaming Torch appeared and passed between the halves of the carcasses. On that day, the LORD made a Covenant with Abram, saying, 'To your Descendants I have given this Land— from the river of Egypt to the great River Euphrates'. -Genesis 15:17-18

The purpose of this book is to comment from a Biblical End Times perspective and interpretation, the various Geo-Political, Astronomical and Biblical Factors are heralding the coming 'Jewish World Order'. It is the 7 last years of the Tribulation Period that will overlap with the end of the Church Age Rapture to Heaven above and the Time of Jacob's Trouble for Israel and the World on Earth below.

According to the Bible, what is coming in the Last Days before Jesus returns is a New World Order. But this Order will no longer be Roman, British, or American but Jewish. The Bible foretells of a day where the world will unite as in the Days of Nimrod around a Tower of Power, i.e., the Tower of Babel. There will be 1 Language, 1 Vision, and 1 Purpose in an effort to control and masses, etc.

Presently, the current Pax is that of the American or the Pax Americana. The world is witnessing the decline of this Order and the rise of the subsequent one. Although many End Times students of the Bible would rather see the resurgence of the Pax Romana in the rise of Europe, it will.

But it will be an iteration that is dominated and controlled from Jerusalem, eventually. Consider that the Eastern 'Foot' of the Ancient Roman Empire stretched all the way to the Parthian or Persian Borders. This included what is now Türkiye, Syria, Lebanon, Iraq, Jordan, Egypt and Israel. This is to say and suggest that the rise of Israel is eclipsed by its European 'Overlords' to this day.

It is now as it was with Ancient Rome, the British and now with the USA, etc. Consider that to the Muslims, they know that the rise of Israel has arrived. What Israel showed the world in the 12 Day War with Iran is that a tiny nation can humble a great nation. It was almost Biblical in scope as Israel took on a King David or Lion aspiration and Iran was ascribed to it a Goliath Beast type of Nephilim Human Hybrid.

Truly, this contention between the Son of Judah and the Sons of Elam is ancient and based on a Spiritual Warfare that is playing-out in the Last Days. The Days of Esther and Haman are not over just yet. Now, as the Pax Americana wanes, the juxtaposition for the New Jewish Order is shaping presently. How so?

To this end, this book will provide commentary of how that will look like, in one's Political Science and Eschatological interpretations. The book will be divided into 3 parts as it is a composite of research and writings specific to those topics and events that hopefully one will get a better appreciation of just how close the coming last 7-Years on Earth of human government will look like.

1) The Pact with Israel

2) The Peril of the Tribulation Period

3) The Promise of the Rapture

For context and to lay a framework for the book, some general terminology is in order concerning the ideals and aspiration of what is a 'Pax' and why Judaica? Pax is the Latin progenitor of the English word peace and may also be an ancestor of the Mishnaic Hebrew Piyus, which means 'Appeasement'. And this is the theme of this research. It is about Israel seeking 'Appeasement' with its Muslim Neighbors. She is war weary. What Israel has accomplished since 1945 is astonishing.

But it is what exactly was to have occurred based on the Prophecy of Ezekiel 37. It is the vision of the 'Valley of Dry Bones' where the Prophet Ezekiel sees a valley filled with Dry Bones representing Israel. It is commanded by GOD to prophesy to them, resulting in the bones coming together and being revived. This vision symbolizes the restoration of the people of Israel, representing hope and renewal after Exile.

Or as many End Times students of the Bible, place the rebirth of Modern Israel after the Concentration Camps of Nazi Germany, etc. Consider that the Jewish People did achieve a 'Pax Judaica' in their history. This was attained through the rulership of King Solomon or Shlomo HaMelech in Hebrew.

In fact, the very name is a cognate of the Hebrew word for 'Peace' or Shalom. In Arabic it is pronounced Salam, etc. According to the Bible, YHVH bestowed King Solomon, the son of King David with wisdom, power and greatness because of his initial deposition and character. When Solomon was about to be crowned King of Israel, YHVH came to him in a dream.

YHVH asked Solomon what he wished. It is sort of the fairytales of Aladdin's Lamb in now there were but 3 wishes one could have. Astutely, Solomon did not ask for Women, Gold or Horses but to wish enough to govern YHVH People, Israel. Upon that response and heart's desire, YHVH bestowed not only Wisdom and Knowledge, but Women, Gold and Horses.

This Pax Judaica is what the Religious Jews aspire to recreate and enter into, their Golden Age. However, from a purely Christian Evangelical interpretation of how it will go down, it will appear to be so, as promised. But Jesus warned that as Israel rejected Him as the true Messiah of Israel, there would be one coming in 'His own Name' that the Sanhedrin would accept.

Returning to the Golden Age

And this false Jewish Messiah would trick Israel into a false Pax Judaica only for the purpose of destroying Israel. Why? As Jesus stated about Israel's Repentance and Redemption, He would not come back until they would look upon Jesus, etc. To this end, Lucifer's quest is to destroy every Jew alive so as to not be able to say, 'Blessed is he that comes in the Name of the LORD'.

So, as to when the Pax Judaica is to be ushered in? And who will this Solomon 2.0 be that will bestow Israel and the Middle East with 'Peace and Security?' The Muslim World does not overtly declare the following although they know it to be true in their Quranic Scriptures that the Pax Judaic is coming. At the very heart of the Quranic view is the destiny of the Temple, Jerusalem, and of the Holy Land. It is understood.

But to the Muslim, this notion is anathema and they suffer from Cognitive Dissidence in that Islam is not the 'Chosen Religion' after all. The Muslims who do understand their book must acknowledge that it declares that when the final count-down in the Last Age arrives, the Jews would be regathered from the Diaspora. But through the subsequent 'Pax' of the various World Orders to be ensued, what was once a People that were broken-up and dispersed.

The Jews have been consigned to their Diaspora, worldwide for this time rejecting Jesus as their true Messiah. However, the Bible teaches that Israel would be brought back to the Holy Land as a 'mingled crowd' (Quran, Banu Israil, 17:104). This has come to true as that is exactly what both the Old and New Testament teach.

It is just a matter of time. And that Time or Pax has come. Why? Based on one's Christian Perspective, to a large part why the Pax American will have come to an abrupt end is due to the Rapture Event. It is the Rapture that will reset the world and be that catalyst that will forge the new Pax.

And that Pax will be Judaica at the core. Consider that before the Pax Americana there was the Pax Britannica. This transfer occurred basically due to the ravages of World Wars in Europe. Since 1945, it has been the USA that has 'Kept the Peace' in the world, relatively speaking. One of the expectations, although not written explicitly, is that such a World Power and Pax functions as the 'World Police'.

It enacts controls and this has been done through its Military, Money and Medicine for the most part. But now, the world and especially the Muslims have sensed that the rise of Israel will be the next Pax implemented. And how they juxtapose to Israel will determine their place in the New Jewish World Order, etc. To that effort, many former enemies of Israel are now contemplating joining what is now called the Abraham Shield.

What happened to the Abraham Accords? The 'Shield' is just the latest version or iteration of how the Accords is expanding. This is the key to the Pax Judaica in that it is framing the Accord, even Geo-Politically. How so? Consider that the nations that are thinking of joining what is now the Abraham Accords is what constitutes the borders of 'Greater Israel'.

So, Pax Judaica? Just like with the Pax Romana, the Pax Britannica and the Pax Americana, the Pax Judaica will initially provide political stability throughout the Middle East. But to the Religious Jews of Israel, London and New York, their Pax Judaica will not only completely dominate the Peace in the Middle East, but this Pax Judaica will provide Peace and Security for the entire Planet Earth.

That is the difference and what is coming, according to the Bible, as one interprets it, etc. And here is where it gets conspiratorial or concerning. Let us start from the 'Base Line' in that the common denominator is that the Pax Judaica is a fact and will come to pass. It is written about in the Torah, the New Testament and the Quran.

Changing of the Guard

However, the differing perspectives of what it will eventually look like is subject to each interpretation of their respective Eschatology. To the Muslims, the war with Iran that started on Friday the 13th in June of 2025 was a dramatic push towards a Pax Judaica by the Religious Jews of Israel. The Muslims see this push toward Pax Judaica as Israel having a 3 Phase Master Plan.

Pax Judaica is the 'last phase' of power for the AntiChrist to rule the world with. In Islamic Eschatology, it is said that Dajjal will be on Earth for 40 Days. A Day like a Year, a Day is like a Month, a Day is like a Week, etc. The theory is that a Day is like a Year was when the British ruled the world during their Pax Britannica.

Nonetheless, the Muslims and the Jews can see the 'Handwriting on the Wall'. The Signs are clear. The Pax Americana is going to be replaced. The question is replace it with what? With Pax Judaica. Interestingly, the Muslims equate this Jewish 3-Phase Master Plan with the timeline of how there are 3 Phases of Dajjal or the Biblical AntiChrist that is to emerge from all this.

The Jews also clearly see that the USA is on a rapid decline and thus the stage of Pax Americana is about to finish. And from a New Testament point of view, it is taught that only after the Rapture Event will the AntiChrist be revealed or known. And this Person of Intrigue is the same person but everyone else's AntiChrist.

The Muslims are trying to curb the Jewish ambition for ruling the world. And to them, that is why they call it the Pax Judaica. The Pax Americana has exhausted its 'Shelf Life' and its enemies know it. According to Phillip Barnett's Ukraine Azovmena Prophecy, there is going to be a Nuclear War by November of 2025 that will involve the USA being hit. It would help to explain away the absence of the USA in the End Times.

It would also corroborate the Deagel Report about how the USA stands to lose millions of People. Either it will or it will not turn out to be correct. But if you combine the number of those raptured out of the USA alone and then coupled with Nuclear detonations in the USA? That would drastically reduce the overall population.

And it would foster the need for the World Order to go from the Pax American since World War 2 to the new one, which will be the Pax Judaica. It also goes along with that Judi shared about how Europe is actively deciding to disengage from the USA and go its own way as BRICS is also actively de-Dollarizing the World Money Supply. It is only a matter of time, as they say.

For the purpose of this work, not all rules of English Grammar will be followed. All Quotations will be single and inside Periods. Numbers 1 to 10 will be numerated. The write-up will be narrated in the 3rd Person. In some cases, capitalization will be used to stress phrases or words. Some portions will be highlighted to emphasize an idea or thought, etc.

Let us start from the 'Base Line' in that the common denominator is that the Pax Judaica is a fact and will come to pass. It is written about in the Torah, the New Testament and the Quran.

PAX AMERICANA

Here is the definition of Pax Americana. It is Latin for 'American Peace', modeled after Pax Romana and Pax Britannica. It is often identified with the 'Long Peace'. It was a term applied to the concept of relative peace after the end of World War 2 in 1945. During this New Order, Pax Americana was a period of Western ascendancy that dominated International Politics. Also, having this 'Mantle' gave way to favoring Policies that benefited the America Order at the expense and lives of those subordinated to it.

PAX ROMANA

Here is the definition of what Pax Romana was. It is Latin for 'Roman peace'. It is a roughly 200-Year-Long Period of Ancient Rome. It was identified as a Golden Age of increased and sustained Roman imperialism. However, it produced prosperous stability, hegemonic power, regional expansion, and relative peace and order. However, it was plagued by internal revolts, civil wars and external wars, etc.

However, the differing perspectives of what it will eventually look like is subject to each interpretation of their respective Eschatology. To the Muslims, the war with Iran that started on Friday the 13th in June of 2025 was a dramatic push towards a Pax Judaica by the Religious Jews of Israel.

GREATER ISRAEL

THE PROMISED LAND

Abrahamic Covenant

When the Sun had set and darkness had fallen, behold, a Smoking Firepot and a Flaming Torch appeared and passed between the halves of the carcasses. On that day, the LORD made a Covenant with Abram, saying, 'To your Descendants I have given this Land— from the river of Egypt to the great River Euphrates'. -Genesis 15:17-18

Israel's 'Sin' is that since Joshua entered the Promised Land, it has relied on Geo-Political Alliances, Treaties and Accords to attain its false sense of 'Peace and Security'. It has not relied on its Creator, YHVH. This is why Israel is so hard at wanting to have all its Muslims Neighbors come under the Abrahamic Shield. Where does the 'Shield' come from? It comes from the Covenant YHVH made, unilaterally with Abraham. It pertains to the Land Grant, from the Euphrates River to the Nile Rivers.

In fact, these 2 Rivers are indicated in the Modern Israeli Flag by the 2 Blue Stripes going across it. One will incorporate the entire chapter of Genesis 15 to have the reader sense what is at stake here and why the Greater Israel Mandate is Biblical and Prophetic in which Christians, at least those that know their Bible understand and side with Israel about it.

But Biblically speaking, the Jewish belief is that they were the Chosen People. And that the Greater Israel Land Grant was a Divine Decree given to the Descendants of Abraham. For example, it was reported in July of 2025 that 5 Sheiks of Hebron, in what is called the West Bank but is actually the Heart of Ancient Judah, approached the Israeli Government to seek possible inclusion into the Abraham Shield. These 5 Sheiks would break Islamic Protocols with the Palestinian Authority to establish mutual Recognition.

This would seemingly be a win-win situation but where has one heard of 5 Kings before in the Bible? These are the 5 Kings that fought Abraham and took Lot and possession. It was Abraham that had to muster his Private Army and chase after the 5 Kings to take back what the Enemies of Israel had taken. Such could be the case now in Modern Israel's history.

Map of what YHVH promised Abram and his Descendants, through Isaac and Jacob, not Ismael.

Beware of Enemies bearing gifts. The 5 Sheiks understand that their future depends on Israel's future. And they do not want Hebron and the West Bank to look like Gaza that has essentially been leveled.

Now, many Muslims that have commented and written about Israel's alliteration of Gaza, to include the death of exuberant amounts of Civilians, mainly women and children, do not attribute why Israel has done that. Here is the issue. It is about the Biblical Birthright to the Promised Land, Jerusalem, and the Temple. Here is who the Land, the City and the Temple belong to.

THE LORD'S COVENANT WITH ABRAM

1 After this, the Word of the LORD came to Abram in a vision:

'Do not be afraid, Abram.

I am your shield

your very great reward'.

2 But Abram said, 'Sovereign LORD, what can you give me since I remain childless and the one who will inherit my Estate is Eliezer of Damascus?' 3 And Abram said, 'You have given me no children; so a Servant in my Household will be my Heir'.

4 Then the Word of the LORD came to him: 'This man will not be your Heir, but a son who is your own Flesh and Blood will be your Heir'. 5 He took him outside and said, 'Look up at the Sky and count the Stars—if indeed you can count them'. Then he said to him, 'So shall your Offspring be'.

6 Abram believed the LORD, and he credited it to him as Righteousness.

7 He also said to him, 'I am the LORD, who brought you out of Ur of the Chaldeans to give you this Land to take possession of it'.

8 But Abram said, 'Sovereign LORD, how can I know that I will gain possession of it?'

9 So the LORD said to him, 'Bring me a Heifer, a Goat and a Ram, each 3 Years Old, along with a Dove and a young Pigeon.'

10 Abram brought all these to him, cut them in 2 and arranged the halves opposite each other; the birds, however, he did not cut in half. 11 Then Birds of Prey came down on the Carcasses, but Abram drove them away.

12 As the Sun was setting, Abram fell into a Deep Sleep, and a thick and Dreadful Darkness came over him. 13 Then the LORD said to him, 'Know for certain that for 400 Hundred Years your Descendants will be Strangers in a country not their own and that they will be enslaved and mistreated there.

14 But I will punish the nation they serve as Slaves, and afterward they will come out with Great Possessions. 15 You, however, will go to your Ancestors in peace and be buried at a good old age. 16 In the 4th Generation your Descendants will come back here, for the Sin of the Amorites has not yet reached its full Measure.”

*17 When the Sun had set and Darkness had fallen, a Smoking Firepot with a Blazing Torch appeared and passed between the pieces. 18 On that day the LORD made a Covenant with Abram and said, **To your Descendants I give this Land, from the Wadi of Egypt to the Great River, the Euphrates**— 19 the Land of the Kenites, Kenizzites, Kadmonites, 20 Hittites, Perizzites, Rephaites, 21 Amorites, Canaanites, Girgashites and Jebusites’.*

-Genesis 15:1-17

They neglect to factor in the October 7, 2023 HAMAS attack that was a Genocide and Slaughter of the innocence. As one has stated before and will again, all the deaths of the men, women and children’s blood is on the hands of HAMAS. They rather sacrifice their women and children to the altar of Islam than to stop attacking Israel. Why? You have Israel fighting a 7-Front War.

You have HAMAS, whose charter explicitly states that the destruction of the Jewish ‘Zionist’ Entity is its aim. It goes the same from the Muslim Brotherhood, Hezbollah, the Houthis, and Iran.

The very flag of the Houthis has ‘Curse upon the Jews’. The Sarkha is the Political Slogan of the Houthis. It originated from the Zaydi-Shia Revivalist Political and Military Organization in Yemen. It reads with the following on a vertical banner of Arabic text. It is often printed on a white background, with the Islamic statements colored green. The statements about the Islam’s enemies appear in a red font resembling barbed wire.

- 1) *'God is the Greatest,*
- 2) *Death to America,*
- 3) *Death to Israel,*
- 4) *Curse be upon the Jews,*
- 5) *Victory to Islam!'*

They all want the real genocide of the Jews and for Israel to be destroyed. That is why Israel has bombarded the Hell of Gaza, Southern Lebanon, Yemen and now Iran, etc. These are the 5 Words or Responses of Islam to the Pax Americana and the coming Pax Judaica. It is really the 'Rallying Cry' of Lucifer as it is the USA that is only standing by Israel. A lot of this support has to do with the efforts and relationship U.S. President Trump has with Israel, etc.

Here below is an approximation of how large or 'big' Israel will be 1 day when Jesus returns to establish His Kingdom. It will be at that place and time that the 12 Tribes of Israel will be allotted their full extent of their Promised Land Inheritance. It will be from the 'River to the River'. That is what the Chant will be, backed-up by the King of Israel no less.

The charts in the endnotes will illustrate the perimeter in miles of how large that land mass will be. This is what is called 'Greater Israel'. Israel only has a fraction of the size allotted to them by YHVH in Genesis 15. And this Promised Land was to carry on through the bloodline of Isaac and Jacob, not Ishmael.

In the Bible, YHVH provided Ishmael with 12 Tribes of their own and land that became known as Arabia. It is where the Arabs come from, but more so it was and is those that were called 'Ishmaelites', etc. Obviously through much intermarrying and conquest, the racial lines have blurred.

*Houthi Standard that advocates Open Genocide of Jews.
'God is the Greatest, Death to America, Death to Israel, Curse
be upon the Jews, Victory to Islam!'*

Descendants of Abraham

The greatest extent that Greater Israel was achieved was during the Reign of both King David and then during Solomon, his son's reign.

But in the meanwhile, American University Leftist students who embrace Socialism and Communism have sided with the false cause of 'Liberating Palestine' against the USA and Israel. They chant along with the Muslims, 'From the River to the Sea, Palestine will be free'.

Mind you, most American University Students cannot name the Rivers nor the Sea. As usual, they are just being used as 'Useful Idiots'. And here lies the contention and strife. Why? The Muslims claim the Promised Land based on the Bloodline of Ishmael. The Jews, to the contrary claim the Promised Land through the Promise and Bloodline of Isaac.

In this contention for the Birthright, note that the Christians are 'in the middle' of this 'Sibling Revelry'. But it is because the same Promises are now to be given and granted in a spiritual dimension. It is about how the Teachings of Jesus and the New Testament asserts that the Land, City and Temple are fulfilled in and are far greater in Jesus.

OPERATION MIDNIGHT HAMMER

ISRAEL-IRAN 12 DAY WAR

9-11 Bombing Connections?

*'Do not rejoice over me, O my enemy. Though I fall I will rise;
Though I dwell in darkness, the Lord is a light for me'. -Micah 7:8*

Now we know why Iran will be left to come fight Israel another day during the Gog-Magog War. One knew something was up when Israel had not gone for the Serpent's Head and left the Bushehr Nuclear Site intact. Then Trump pulled another 'Trump' with the bombing and then the Ceasefire. It was amazing but the Iranian People are now having their liberation hopes dashed at ousting their Islamist Occupiers. The Underground Iranian Christian Church is suffering tremendously under the Muslims.

For those that are aware of how Numerology is interwoven in the Bible with certain Dates, Places or Persons aside for the Hebrew being a Numeric Language as well, one realizes that certain events are pegged to them. If one studies the Luciferian Occult, one will also realize that they utilizes not only Motifs, Symbols and Signs but Numbers as well to communicate, reveal and conceal.

On June 22, 2025, the USA dropped, for the 1st time, the most powerful Bomb short of a Nuclear Device on Iran. It used the B-2 Bombers and the GBU-57 Bomb. So, that parody song recorded by Vince Vance & the Valiants in 1980 'Bomb Iran' turned out to be somewhat 'Prophetic'. Consider though, that the B-2 Spirit Stealth Bombers took flight from Whiteman Air Force Base in Missouri early on the morning of June 21 headed for Iran, taking part in a Military Mission to bomb 3 Iranian Nuclear Sites.

COMPANIONS OF IMAM HUSSAIN (pbuh) IN THE END TIMES

I would like to honor the memory of the esteemed martyrs from recent events - the martyred generals and scientists who were truly, genuinely valuable for the Islamic Republic. They dedicated their lives to serving others. Today, they are with God receiving the reward for their outstanding services, God willing.

From Imam Khamenei's third televised message on June 26, 2025

Iranian Revolutionary Staff Israel eliminated during 12-Day War.

GBU-57A/B Massive Ordnance Penetrator

The B-2 Spirit is a long-range stealth bomber used by the U.S. Air Force, known for its ability to evade radar detection and carry heavy munitions, including nuclear weapons. It features a unique flying-wing design and is capable of conducting missions over vast distances, making it a key asset in U.S. military operations.

The Northrop B-2 Spirit is an American heavy Strategic Bomber that utilizes low-observable Stealth Technology to penetrate dense Anti-Aircraft Defenses. It is often referred to as a 'Stealth Bomber. A subsonic flying wing with a crew of two, the B-2 was designed by Northrop (later Northrop Grumman) as the prime contractor, with Boeing, Hughes, and Vought as principal subcontractors.

It was produced from 1988 to 2000. The bomber can drop conventional and thermonuclear weapons, such as up to eighty 500-pound class (230 kg) Mk 82 JDAM GPS-guided bombs, or sixteen 2,400-pound (1,100 kg) B83 nuclear bombs. The B-2 is the only acknowledged in-service aircraft that can carry large air-to-surface standoff weapons in a stealth configuration.

The GBU-57 series MOP (Massive Ordnance Penetrator) is a 30,000-pound (14,000 kg) class, 20.5-foot-long (6.2 m) Precision-Guided Munition 'Bunker Buster' Bomb developed by Boeing for the United States Air Force (USAF). It is the most powerful bomb short of a Nuclear Weapon. Due to its size and weight, the Northrop B-2 Spirit Strategic Bomber is the only US aircraft in-service that can carry the GBU-57 MOP.

The 1st combat use of the GBU-57 MOP was during the United States strikes on Iranian Nuclear Sites on June 22, 2025, when seven Northrop B-2 Spirit Stealth Bombers dropped a total of 14 GBU-57 bombs on the Fordow Uranium Enrichment Plant and the Natanz Nuclear Facility.

Iranian graphic propaganda of missies heading for Israel.

The B-2 Bomber has its body frame, from a side view that is designed like that of a hawk in flight. The U.S. Air Force B-2 Spirit Bomber is called the 'Ghost of the Skies'. They delivered their payload as they took to flight from the State of Missouri all the way to Iran with 2 refueling in mid-air. Several B-2s were used as a decoy flying to Guam and then Diego Garcia to be seen as a routine deployment.

And here is where Numerology comes into play, perhaps. Consider the Month and Day that this type of bombing took place and based on its Numerical Value. What was being communicated or implied, in seeing what cannot be seen for the date of June 21, 2025? This was just 1 Day after the Summer Solstice. Let us take the date itself, the Year, Month and Day and add the numerical value of the Month and Day with that of the Year.

From the Summer Solstice of June 20

+ 33 Days = July 23 (Lu Vega's Rapture High Watch Day.)

JUNE 21 = 6 + 2 + 1 = **9**

2025 = 2 + 0 + 2 + 5 = **11**

Coincidence? Conspiracy? Perhaps. But given all this Prophecy that is transpiring now by the Day, it is overwhelming and amazing. As a Political Scientist by Degree, one made a prediction in 2024 that the USA had to strike Iran's Nuclear Sites and it came true.

Since the USA only has the types of Bombs to take-out the deep underground facilities, it was a reasonable assertion to make. And as we know, a device of some sort that can and will take-out Damascus is to occur. So, the Middle East will go Nuclear at some point in time. It is just a matter of time as one asserted last year with respect to the U.S. Strike against Iran.

Iranian graphic propaganda against Israel. X Account.

This U.S. Iran Strike was a Game Changer

Of course, many would have expected it but here we are now, and how it has come down. U.S. Strike on Iranian Nuclear Sites. The World has been on-edge. Iran has declared all-out war against anything American now.

And a headline stated in June 16, that now Pakistan is offering Iran a Nuke, if Israel uses one against Iran. So, as one has asked, was Friday the 13th, of June 2025 a Countdown of sorts? It does coincide with one's yearly highest Rapture watch day, July 23.

June 13 Israeli Strike + 40 Day Warning

= July 23 Pentecost New Wine (Rapture?)

It is one's Theory about how the true Pentecost of Acts 2 coincided with the Feast of the New Wine. And one's correlation is that the Rapture Event could very well take place at this Time. It is also based on other factors, i.e., the Boaz and Ruth Wedding Day, the end of the Summer Wheat Harvest.

This is why Prophecy is important and given to the Church. So many Churches, especially in the West have neglected teaching Prophecy. And it is why so many Christians are just as much caught unawares and/or off-guard. Of all the People on the Planet, it is the Christians that the world should be coming for answers as we have been given the Eschatology to discern because it is the Last Day.

This is just another Day Count that one found very interesting that just happens to land on the same 'Rapture' July 23 Date, based on my calculations. I am not saying one is 'right' or correct and so, it will be tested if the Year 2025 will be it. We shall see. But in terms of the U.S. Iran strike on its Nuclear Facilities? The Iranians are celebrating their 'Victory'.

Reports state that the Uranium was moved-out of the Nuclear Sites before the U.S. would bomb them. As this type of Bomb and bombing had never been done before, there is no way of accurately assessing the damage, etc. so, it is now believed that Iran's stockpile of Enriched Uranium was not concentrated in Fordow.

There are now indications from U.S. Intelligence Agencies that the Israeli and now the U.S. Bomb Attacks on Iran failed to destroy their nuclear capabilities. They did impose severe damage to Iran's Nuclear Ambitions. But to that end, Iran has now totally withdrawn from the U.N. Atomic Regulatory Body, the International Atomic Energy Agency (IAEA).

So, although Trump is also claiming 'Victory', his 'Big Beautiful' Bunker Bombs did not totally destroy nor impair Iran's Nuclear Capabilities as it is doubling-down on its efforts. This is why Iran will live to fight Israel another Day in the Gog-Magog War.

ISRAEL - THE FIG TREE GENERATION

A CHIASTIC PATTERN OF A 7 AND 70 YEARS

*Why the 1948 to 2032 Countdown should start
from 1955*

The following is a study that strongly suggests that the 70-Year countdown to the fulfillment of the Prophetic Fig Tree Generation for Israel ought to begin in 1955 and not 1948. Why? One will present the rationale that just as Israel, once having crossed into the Promised Land, led by Joshua in - 1408 BC had to wait 7 Years before they could plant and harvest a crop.

This was due to the war waged against the Inhabitants of the Promised Land that YHVH used Israel to evict them due to their Sins and Abominations. So too is there a 7-Year 'furlough', one is convinced that mimics this Pattern. Thus, the Year Count from 1948 when Modern Israel re-entered the Promised Land had to wait 7 Years, likewise.

That is the Pattern and one's rationale to then apply the 70-Year Countdown to Israel's Redemption and the Return of Jesus. What one is suggesting, based on the 7-Year and 70-Year pattern, is that the end of the Church Age will coincide with this 70th Year, being 2025. Perhaps.

1948 + 7 Years = 1955 + 70 Years = 2025 + 7 Years = 2032

This is the apparent Chiastic Pattern that one sees and thus wishes to highlight. If the Chiastic Pattern is valid and it turns out to be true, then by the Fall of 2025, the end of the Church Age will have concluded. And thereafter within a gap of only a few months, the 7-Year Tribulation will start. This is one's working theory.

TRIBULATION PERIOD CHIASTIC PATTERN

BASED ON A 7 YEAR AND 70 YEAR COUNT FROM ISRAEL'S INDEPENDENCE TO THE RETURN OF JESUS

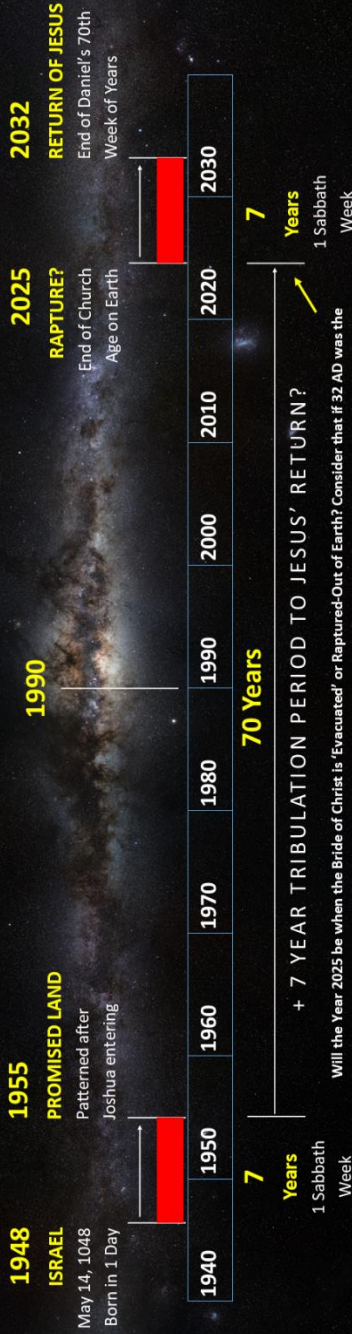

IF THE 32AD CRUCIFIXION YEAR IS CORRECT, THEN...

1948 + 7 Years = 1955 + 70 Years = 2025 + 7 Years = 2032 end of 70th Year of Daniel

84 Years

CHIASTIC CENTER FOLD

Will the Year 2025 be when the Bride of Christ is 'Evacuated' or 'Raptured-Out of Earth? Consider that if 32 AD was the Crucifixion Year and 1 Day = 1000 Years prophetically, then it is 1993 Years of the Church Age. The remaining 7 Years will be consummated in Heaven 'Above' as it occurs in tandem with Daniel's 70th Week 'Below'.

32 AD + 1993 Years = 2025 + 7 Year Dual Factor concluded in Heaven and on Earth = 2032 AD

What would be or will be the case is that the last 7 Years to conclude the Church Age will be completed in Heaven due to the Rapture. And in tandem, the 7 Years corresponding to Daniel's 70th Week will be also occurring at this time on Earth. Back when Israel crossed into the Promised Land, it was at the 7th Year or 1 Sabbath, i.e., a Shemitah that the Sabbaths of the Land started to be counted.

And it was for which YHVH judged Israel for not keeping and exiled Israel to Babylon for, etc. So, for YHVH to finally deal with Israel's Unbelief, the Bride of Christ has to be taken out of the way, i.e., the Rapture. Thus, one surmises that this is how the Church Age is to end in terms of its Timing.

Thus, to reiterate, one's Fig Tree Generation Theory stipulates that the 70 Year Countdown to Jesus' Return is not from 1948 but rather from 1955. Why? As noted, it was only after 7 Years that Israel had 'Peace and Security' and could thereafter plant and start the Sabbaths of the Land Count. Likewise, once the Bride of Christ is raptured, Israel will make that 'Dea with the Devil' to be secured 'Peace and Safety', etc. And when will the Rapture then occur? What Year?

Based on the Chiastic Pattern presented of a 7 Year and a 70 Year count, the Rapture Year could occur in 2025. As one may know, one believes that the Acts 2 Pentecost coincided with the Feast of New Wine. It is not the Jewish Shavuot of the Wheat. But as the Spirit came down then, it will go up now in the transformation and glorification of the Body.

This Date is July 23. This is the End of the Summer Wheat Harvest. Consider the Boaz-Ruth Typology in how Boaz married Ruth on the end of Harvest Day. Here is 1 of 2 suggested Tribulation Period Timelines. It depends if one starts on October 13, which is the end of the Dual Jewish Minor Feasts of Shemini Atzeret and Simchat Torah.

What would be or will be the case is that the last 7 Years to conclude the Church Age will be completed in Heaven due to the Rapture. And in tandem, the 7 Years corresponding to Daniel's 70th Week will be also occurring at this time on Earth. Back when Israel crossed into the Promised Land, it was at the 7th Year or 1 Sabbath, i.e., a Shemitah that the Sabbaths of the Land started to be counted.

Likewise, once the Bride of Christ is raptured, Israel will make that 'Dea with the Devil' to be secured 'Peace and Safety'. And when will the Rapture then occur? What Year?

Based on the Chiastic Pattern presented of a 7 Year and a 70 Year count, the Rapture Year could occur in 2025. It depends if one starts on October 13, which is the end of the Dual Jewish Minor Feasts of Shemini Atzeret and Simchat Torah.

TRIBULATION PERIOD SCENARIO 1

If from October 18, 2025 Sabbath of Beginnings

+ 1260 Days

= March 31/April 1, 2029 Passover

+ 1260 Days

= September 11, 2032 that falls on the Sabbath of Return.

TRIBULATION PERIOD SCENARIO 2

If from October 13, 2025 = End of Simchat Torah

+ 1260 Days

= March 26, 2029 Nisan 10

+ 1260 Days

= September 6, 2032 on Yom Teruah (Feasts of Trumpets)

One's Rapture Theory is that after the Rapture Event of July 23, the conditions will be that the AntiChrist whom the Religious Jews will accept and crown as Messiah will be dedicating the 3rd Temple on October 15, 2025. Why? This is Tishrei 23 (723) and Simchat Torah. This is when Moses, Joshua, Solomon, and Ezra all reiterated the Law or the Covenant. This is what will be 'Confirmed'.

Israel seeks to come under the Law and it will, but it leads to Death as they make a Pact with Death, etc. Consider the occasion for the Jews observing Simchat Torah. So, in researching some Day Counts for 2025 it is known that the Day that the Law of Moses is to be read or 'Confirmed' is on October 16, 2025. And? This is exactly 88 Days from the July 23, 2025 Rapture Timing, speculative.

Torah Reading on this Day

July 23, 2025 to Sabbath of Beginning = 88 Days (With End Date included). The Day after is when the Parashat Noach is then Read based on a New Yearly Cycle of where one starts reading from the Torah. It starts out with the Flood of Noah and why the World was judged. It was because of the Nephilim Human Hybridization occurring with the Fallen Angels.

The other factor was how the Fallen Angels diffused Nephilim Technology, like A.I.. Then lastly how the Torah Portion concludes with the Tower of Babel that in one's estimation, the 3rd Temple will serve to unite the World around as well during the Tribulation Period. Here is the Torah Portion for when the Jews commemorate the 'Confirming of the Covenant', the Mosaic one. They read [Genesis 6:9-11:32](#).

It is when Noah (Noah) begins as GOD decides to destroy Mankind with a Flood. At GOD'S command, the Righteous Noah builds an Ark, where Noah, his family, and select animals survive the Flood. Noah's children bear children, and several generations develop. GOD confounds the speech of People building the Tower of Babel. So, this Sabbath of Beginnings in the Hebrew Year is Tishrei 23 or '723'.

Simchat Torah in 2025 will begin at sundown on October 14 and end at nightfall on October 15. This Holiday celebrates the conclusion of the annual cycle of Torah Readings and the beginning of a new cycle.

Parashat Bereshit

The Sabbath of Beginnings on October 18, 2025 is known as Parashat Bereshit, which is the 1st weekly Torah portion in the Jewish cycle of Torah reading. It marks the start of the annual cycle, focusing on the creation of the world as described in Genesis.

Will that Torah reading then actually coincide when the Biblical AntiChrist or the false Jewish Messiah reads the Law before an Israel congregates for this occasion as it was with Moses who read them the Law before the Death? And then the 'Confirming' was commemorated by Joshua at Shechem, then King Solomon in the Dedication of the 1st Temple.

Thereafter it was then Ezra that 'Confirmed Covenant' with the dedication of the 2nd Temple. It stands to reason that the 3rd Temple will likewise be accompanying its dedication with the reading of the Law of Moses to be then reinstated or 'Confirmed with the Many'. In this case, the 'Many' are the L'Rabbim, the Elders of Zion, the 70, the Sanhedrin.

This is when the Tribulation Period commences the 2 halves of the 1260 Day Counts. And this is why one has proposed the 7-Year or Sabbath Count from 1948 to synchronize the Events of the End Times. Naturally, the rationale was that a Year Count of 70 Years per Psalm 90 was in order to start from 1948.

It is in the sense that the Countdown to Israel's Road to Redemption commenced, in one's interpretation. But that calculus from that Year has now come-and-gone, as 2018 was Modern Israel's 70th Anniversary. And even if one applied the 80 Year Count in having maximum strength, that only brings one to the year 2028.

The Tribulation Period

But even this would be interesting as it is at the end or the beginning of the Year 2029. And as noted, that would be the Mid-Point of the 7-Year Tribulation based on one's Fall 2025 to Fall 2032 Tribulation Period Timeline calculation. Having to alternately start the Sabbaths of the Land Year Count rather from 1955 is one's Working Theory.

It does appear to synchronize a lot of the Timelines. Considering this scenario, one often has to pinch oneself to think that this Year, 2025 could possibly be 'it'. One is not saying one has 'figured it all out' but it is amazing what the next month will reveal.

These main Theories of mine, about the 32 AD Crucifixion, the 7-Years from 1948 of waiting per the Joshua entering the Promised Land Typology and one's true Pentecost New Wine being correlated to the Timing of the Rapture of a July 23 Date will be put to the test, as they should. As one has mentioned to one's circle of Watchmen, it will either be 'Bliss, a Bomb, or a Bust'.

Here below the endnotes is a Chart that attempts to visualize this 7-Year Time-Span from 1948 as in 1955 to have started the Sabbath Counts. Nonetheless, the 7 Years after 1948 to start the 70 Year Countdown to the Return of Jesus, could be is or will be the fulfillment of the Israel being the Fig Tree and the Generation that saw it re-bud or be reborn in 1 Day appears to be a Chiastic Duality of a Pattern that is occurring in 2025. It will remain to be seen.

This is of course, if 32 AD was indeed the Crucifixion Year. If not, then these Theories will all fall apart. But to think that the end of the Church Age has arrived is staggering. Is it too good to be true? Naturally, the rationale based on Church teaching is that a year count of 70 Years per Psalm 90 was in order to start from 1948, being Israel's Independence. It is in the sense that the Countdown to Israel's Road to Redemption commenced.

In Summary

This has been the prevailing interpretation. But that calculus from that year has now come-and-gone, as 2018 was Modern Israel's 70th Anniversary. And even if one applied the 80 Year Count in having 'maximum strength', that only brings one to 2028. This is how then those skeptics that deny that Israel is the Fig Tree rejoiced. But not so fast.

But even this would be interesting as it is at the end or the beginning of the Year 2029. And as noted, that would be the Mid-Point of the 7-Year Tribulation based on one's Fall 2025 to Fall 2032 Tribulation Period Timeline calculation. So, one's Theory is to have an alternative Start Year. Rather, that the Sabbaths of the Land Year Count should begin from the year 1955.

This is one's Working Theory. It does appear to synchronize a lot of the Timelines. Considering this scenario, one often has to pinch oneself to think that this Year, 2025 could possibly be 'it'. What? The 'it' will be the end of the Church Age that will be concluded by a First Fruit type and Harvest Resurrection-Rapture Event.

One is not saying one has 'figured it all out' but it is amazing what the month of July in 2025 will reveal. Here is just 1 Timeline that one is convinced corroborates this 7-70 Year Chiastic Pattern. It even includes the Anna 84 year count and typology. It is how old she was when she beheld Jesus at the Temple and how she was only married to her Husband for a total of 7 Years.

1948 Birth of Israel as 'Jesus' + 84 Years

= 2032 - 7 Year Death of Husband

= 2025

Nonetheless, figuring out the exact Year, Month, Week and Day and even Hour of the Rapture is a mystery from this side of the Rapture. It is because of one's limited perspective of Biblical Prophecy as the Bride is only allowed to see in part as it is. But the Bride can trust Jesus for having given her enough 'Intel' in the scope of things to know and reason the approximate timing of her Groom's Calling.

But sadly, most Churches in the West are asleep as those 5 Foolish Virgins. They have neglected the teaching of Prophecy. You have the vast majority of Churches now lockstep with the World's agenda, values, morals and political position that is anti-Christian just like the same.

ISRAEL - YHVH'S TIMEPIECE

COUNTDOWN TO THE REDEMPTION

When Church Age ends Jacob's Troubles begins

'Behold, I will bring them from the North Country and gather them from the farthest parts of the Earth, among them the blind and the lame, the pregnant woman and she who is in labor, together; a Great Company, they shall return here'.

-Jeremiah

31:8

The purpose of this study is to consider some general thoughts about the timing of the Rapture and its ties to the start of the 7-Year Tribulation Period. The 32 AD Crucifixion Year that is connected then to 2025 and 2032 sure seems or appears compelling just based on the current perceived calculations. But many-a-times, Theories and Number Calculations had also seemed to be 'solid'.

One's latest Theories about Pentecost not being Shavuot of the Jews in June, is one such example. The Pentecost of Acts 2, is in July and that is the New Wine, converges along with the 32 AD Crucifixion Year and day of the week, Wednesday is just as much conjecture and calculation. The issue that is challenging when presenting such Theories is that there is a discrepancy between the Julian to Gregorian Year Count.

What one finds rather frustrating is how still, most Brethren dismiss these new understandings and hold to the long-held teaching so either a Thursday or Friday Crucifixion, regardless of Hour Duration. This goes the same for the Pentecost being New Wine and so on. Or how the Crucifixion was either in 31 AD still or in 33 AD, just because of Jesus' Birth Age, but not in 32 AD. Such people do not realize that it is impossible for Jesus to be 33 Years Old in the Year 33 AD.

The Last Sabbath

This is especially the case as the same type of People assert that Jesus was born in either -7 BC, -5 BC, -4 BC or -1 BC, but never in -3 BC as He was, etc. The September 11, -3 BC date is based solely on the Astronomical Retrogrades of Jupiter in Leo and the Conjunctions with Venus. It seems every Year is being 'chosen' except the one that is the true one, in one's Opinion. As to the Year 2025? It is tied to 1948. This is when Modern Israel and the birth of Abraham occurred in terms of its Chiastic Coefficient. How so?

Well, the end of the Church Age, which has been described to be of those having the Faith of Abraham, not by Works is what and when the Man-Child will be delivered on. In some way or manner, the Rapture will be about the 'Birth' or 'Deliverance' of those having this same Faith. So, if one added 1,948 Years from the speculated Creation Year, in BC Years here is a very interesting date that results. How the Creation Year is 1 of those Topics that is debated, divisive and not known for sure.

Some have estimated that it is correlated to -4004 BC. Others have a range of years from that to -4001 BC, to -3992 and so on. Despite Modern Israel returning to the Promised Land, YHVH has regathered them, but in 'Unbelief' as Ezekiel foretold. It has been a process of restoration that even the Religious Jews acknowledge is occurring. It is based on the Olivet Discourse Pattern of Destruction and Redemption, the 'Geulah'.

Consider how Jesus warned them that the Temple would be destroyed 1st. Then Jerusalem would fall next. Lastly, all of Israel would be exiled, not to just 1 Nation as it was in the case of Babylon, but to the entire world. Thus, since 1948, that year became the benchmark for the Prophetic Countdown of the end of the Church Age, the Redemption of Israel and the return of Jesus.

One such countdown is based on a year calculation from 1952. Why? That is when the Shemitah Start of the Year Count, once Israel returned to the Promised Land. And that was because of the Law of Trees and the Parable of the Unfruitful Fig Tree. The waiting period was 4 Years. Thus the following year counts.

1948 + 4 Years (Law of Trees) = 1952 + 70 Years = 2022

One was also factoring the 70 Year Babylonian Captivity. What one then surmised is that there is a 3.5 Time-Frame that one presented, but that the subsequent Shemitah Count or Sabbath Cycle would be what determines when the Abomination of Desolation occurs. This is then based on the following Calculation.

2022 + 7 Year Shemitah = 2029 (Mid-Point of the 7-Year Tribulation?)

Thus, if one holds to a 7-Year Tribulation Period, one has to subtract the 3.5 1st Half of the Sabbath Cycle and that would then result in the Year 2025, as having to be the start year of the Tribulation Period. And using Deductive Reasoning, if held to a Pre-Tribulation Rapture scenario, then the Rapture Event has to occur in 2025, just the same. Then there is one's Creation Year Calculation. If one settles on the Year -3973 BC as Year '0', then adding the numerical factor of Israel's reestablishment in the Promised Land to be 2025. Well, one thinks this is very interesting.

Creation -3973 BC (Year 0) + 1948 Years = Year -2025 BC

There is also some controversy as to when Abraham was born. Some say it was in -1948 BC. However, some have erroneously confused the AM Anno Mundi with the BC Year Count, etc. if the Creation Year is actually -3973 BC, then the numerical factors of '1948' are tied to '2025'. The Year 2025 is the 77th Year from 1948. And?

The Regathering

It means that in the 84th year since Israel's 'rebirth' is when the Redemption of Israel and the Church Age concludes, in tandem with each other. The other timeline and countdown is from 1955. This is because it is based on when Joshua leading Israel crossed the Jordan into the Promised Land. It took 7 Years to clear-out the Land.

They could not plant and harvest, as it was a time of war. Likewise, when Modern Israel was regathered into the Promised Land in 1948, applying the same 7-Year furlough of time for the Land Sabbath to recalibrate, then 70 Years from 1955 makes 2025 the 70th Year.

1948 rebirth of Modern Israel + 70 Year Fig Tree = 2025 + 7 Years Tribulation = 2032

However, the 'split' in the timelines from 2025 will have it be that the 7 remaining years of the both the end of the Church Age and the end of Daniel's 70th Week of Years will begin in the 77th Year and conclude in the 84th Year. The 7 years for the Church will be celebrated in Heaven above. The 7 Years for Israel will be judged below.

*-3973 AM = Creation of Genesis 1:2 – Year 2025
Coefficient = 1948 AM Year Abraham is born.*

Note: The 1st Revelation 12 Sign Astronomical Alignment = August 4, -3915

Here are a few of the historical Creation Calculations presented by notable Bible Scholars of the English Language.

Sir Isaac Newton: -4000 BC

Johannes Kepler: -3992 BC).

Archbishop James Ussher: October 23, -4004 BC

And adding the Last Sabbath, or that last Week of Years known as Daniels' 70th Week will be the 84th Year in 2032. And as one has presented one's Fall 2025 to Fall 2032 Tribulation Timeline is what one is currently considering is the Working Model.

It would appear to fit well with the timeline of the Prophetess Anna in her 84 Year Timeline. She was a euphemism of when Israel, the Jews will behold Jesus and see Him again at His return.

1948 (Israel 'Born') + 84 Anna Code = 2032 (Return of Jesus?)

That is, after all when He only promised to return, the Jewish Believing Remnant would finally say, 'Blessed is He that comes in the Name of the LORD'.

ISRAEL AND THE CHURCH

NATIONS OF SIGNS AND WONDERS

And when the Body of Christ is removed from Planet Earth

'Even on My Menservants and Maidservants I will pour out My Spirit in those days, and they will prophesy. I will show Wonders in the Heavens above and Signs on the Earth below, Blood and Fire and Billows of Smoke. The Sun will be turned to Darkness, and the Moon to Blood, before the coming of the Great and Glorious Day of the Lord'. -Acts 2:18-20

The year 2032 completes 2000 Years from 32 AD, if that was the Crucifixion Year. One's theory is that from 2025, the 7-Year difference will overlap with Daniels' 70th Week of Years. But the Bride of Jesus will be evacuated to enjoy that last 7 Years in Heaven above. In one's scenario and interpretation, it occurs in tandem with the Time of Jacob's Trouble on Earth below during the same 7 Year timespan.

This is why Israel will come under the Law of Moses or the Mosaic Covenant after the Rapture Reset. It will be what is to be 'confirmed'. A Geo-Political Treaty of sorts will no doubt accompany such Religious one. Nonetheless, the Age of Grace will still be operative as it was also overlapping from 32 AD to 70 AD in the sense that People will still be able to come to Jesus solely based on Mercy and Unmerited Favor.

The only difference is that there will no longer be that Body of Christ collectively or 'Church' that existed on Earth up until the very Year, Month, Week, Day and Hour of the Rapture. This is why those that hold to a Pre-Wrath or Mid-Tribulation Rapture scenario confuse the Church still having to go through the Time of Jacob's Trouble. No. If so, what good was/is the Blood of Jesus that paid to satiate the Wrath of YHVH for Sin?

The Church is not Jacob

If that were to be the case, then the Promise of Jesus that the Gates of Hell would not prevail over the Church, i.e., His Body on Earth would be a lie as those Followers of Jesus will not be afforded this Divine Covering during the 7-Year Tribulation Period. Those who hold a Pre-Wrath and Post-Tribulation Rapture belief confuse Tribulation and Persecution with Wrath. The Bride of Christ, the Body of Jesus on Earth cannot be subjected to the Wrath of YHVH. Lucifer cannot curse something Jesus has blessed.

Or else the entire work of the Cross was and is in vain. Tribulation and Persecution has been the order of the Church since its beginning. But that is not Wrath. What the 7 remaining years on Earth will serve is to complete the Divine Wrath that Israel still owes YHVH for not keeping the Mosaic Law and the Land Sabbaths.

Jesus qualified the Wrath that in every instance, He has provided an 'Evacuation' of the Righteous, i.e., Noah and Lot. If the Great Commission of the Church is still in effect during the 70th Week of Daniel, there would not need to be that Commissioning of the 144,000 Jews and the 2 Witnesses. The 'Pentecostal Intermission' that one calls the gap of time in-between weeks 69 and 70 of Daniel has been the forestallment of this Wrath.

It has been an 'Intermission'. Once the Commission and purpose of the Church Age is completed, the Bride of Christ will have been extracted and discharged. What follows is the 'Separation' in one uses a Military metaphor, etc. As the 2 Timelines overlap concerning this dual fulfillment of the last remaining 7 Years before Jesus returns in 2032, respectively, one is assuming a Pre-Tribulation Rapture scenario. And as 2 Days are as 2000 Years, it means prophetically that the 7 Years prior to account for Daniel's 70th Week of Years has to coincide with the year 2025. That is when one supposes that the Bride is physically removed from Earth, i.e., the Rapture. Perhaps.

But as theories go, they will remain to be tested and only thereafter will one know. It is a Dichotomy because on this side of the Rapture, Humanity is bound to Space, Time and Matter. Only at the point of the Rapture will Jesus only then completely remove the Church Body. This is what will be removed prior to Jacob's Trouble, because it is all Wrath. This 'Body' of Jesus on Earth has never existed before or was known.

It began at the Acts 2 Pentecost in 32 AD. But during the last 7 Years of the Tribulation Period or Jacob's Trouble, Jesus will not remove the Grace that will still be afforded to all those that will 'Call on the Name of Jesus', during the 7 Year Tribulation down on Earth. This is why the last 7 years of the Church Age will interface with the last 7 years of Daniel's 70th Week. It will be a dual fulfillment, in one's estimation.

So, this is why one is assuming a dual timeline and fulfillment. What the Tribulation Follower of Jesus will not have is the 'Body of Christ' that has also been the Restrainer. This is due to having the Holy Spirit corporately but indwelling individual Followers of Jesus. This is why the AntiChrist will be able to 'wear down' and hunt them down. It will be awful. If one follows and applies the Prophetic Pattern of Days = Years, it would mean that in 2032 is when the 70th Week of Daniel would have to end.

Beyond 2025, it just puts the Fig Tree Generation out of the reach of even an 80 Year, if by strength maximum limit. Consider that 2025 is the 77th Year Anniversary of Israel. The following is one's rationale for a 2025 Rapture Year and 2032 as the return of Jesus. This timeline is predicated on having the countdown from 1955 rather than 1948. If this is the case, then 2025 is the 70th Year. One is just conjecturing that perhaps this 77th Year, that is the 70th Year from 1955 is when it will dovetail into the last 7 Years of Daniel's 70th Week of Years.

Dividing Israel

This is the reason why one believes that the Prophetic Countdown to the end of the Church Age with the Rapture 'Evacuation' will then afford the beginning of Daniel's 70th Week. It is because from 1498 to 1955 was 1 Sabbath of Years or 7 Years. And? One is applying the same time-frame Joshua and the Israelites had to wait before they started counting the Land Sabbaths once they entered the Promised Land. Why?

It took Joshua 7 years to conquer the Promised Land, although he left Gaza and the Golan unchallenged. And that is why they have been a 'Thorn in the Side' of Israel to this day. After the Rapture Reset, the whole World and the Middle East will be 'Reset'. This is where the 2 State Solution will come into play.

It will be through the U.N. and their Meetings that always aim to push on Israel and the world a failed solution. It is what one calls the '2 State Deception'. It seems that End Times Biblical Prophecy is occurring on a daily basis. Jews can now pray and worship on the Temple Mount. Temple Road Signs have been put-up.

The Red Heifer Mock Offering has been practiced and the Temple Stones are being cut and dressed. There is Ethnicity rising against Ethnicity due to the Migrant Agenda. There are Wars and Rumors of War. And the Nations are now all 'Drunk' over Israel, Jerusalem and the Temple Mount, etc. So, the solution? Divided-up Israel.

The world through the U.N. seeks to divide-up Israel to accommodate a State of Palestine. Mind you, in 1947, the U.N. drafted the Partition Plan. This was the original '2-State Solution'. The Muslims that would have had their State of Palestine rejected it. It was 'All or Nothing' for them. So, what did they do? They along with 7 Muslim Armies attacked Israel instead after Israel accepted the U.N. Partition Plan and declared its independence in 1948.

Then after the War in which Israel won miraculously, Egypt controlled Gaza. Jordan controlled the 'West Bank' or the Ancient Heartland of Israel, Biblically known as Judea and Samaria, etc. Yet, at no time did either the Muslim Egyptians or their Jordanian Brethren grant the 'Palestinians' their 'Freedom' or Sovereign State. Why not?

It was because the Muslims did not see themselves or call themselves 'Palestinians'. It was only after Yasser Arafat that took-up armed resistance against the Jewish State that he politicized the name as an Identity that was based on a Roman mocking of redefining Israel and having cast them out to the 4 'Corners of the World'. The problem of the Palestinians is that it is not about carving-out the State of Palestine. It will be another 'Fake' and artificial country like Jordan that was to have been originally the 'State of Palestine' for the Muslims. The Deception is but to destroy the Jewish State.

It is about the Biblical Birthright: the Promised Land, Jerusalem and the Temple. This is what the Western Liberal intentionally overlooks. The issue is a spiritual and religious one. How so? If a Nation or Person controls the Promised Land, Jerusalem and the Temple Mount, he will control the world. Thus, the coming AntiChrist that will work-out this very plan during the 'Pax Judaica'. Also, as one may know, one often refers to the weekly Sabbath Readings to see if any possible prophetic significance is correlating to world events and primarily dealing with Israel.

Well, the Sabbath in Israel that starts the 3 Weeks of Mourning leading up to the 9th of Av has the following Torah Portion. What was read in their Synagogues was from [Numbers 22:2-25:9](#). It is about the story of the Moabite King Balak, who hires Balaam to curse the Israelites. But Balaam ends up blessing the Israelites instead. It is because Lucifer cannot curse something that YHVH has blessed. Especially since the October 7, 2023 HAMAS Attack against Israel.

The Deceit of the Gibeonites

That was and is intended to be a Genocide. So, the World has now gathered to curse Israel and it will eventually divide it. It is always a false sense of 'Land for Peace' that has been proven time-after-time to fail. It will be very interesting to see how it will play-out. But it is Jesus that is working-out all the coming Evil and Curses against Israel for the Good. It will be 'painful' though. And thus, the 'Time of Jacob's Troubles'. The key to the 2-State Deception that one calls it, will be Saudi Arabia.

If Mohammed bin Salman Al Saud, also known as 'MBS' approves it, then it will go forward. However, the lip-service from Trump and Netanyahu entertaining a possible 2-State Solution has been just that. The Israeli Orthodox Jews who support Netanyahu do not want that 'Solution'. It is a Deception as Bible Students know from Bible Prophecy how Joshua was deceived into making a Deal with the Gibeonites.

'Then the Men of Israel sampled their provisions but did not seek the counsel of the LORD. And Joshua made a Treaty of Peace with them to let them live, and the Leaders of the Congregation swore an Oath to them. Three days after they had made the Treaty with the Gibeonites, the Israelites learned that they were neighbors, living among them'. Joshua 9:14-16

But then one wonders, what happened to Isaiah 17? One finds it rather odd that Syria wants to join or will be forced to join the Abraham Shield. Nonetheless, Israel has always historically resorted to 'Bad Deals' since Joshua who got tricked into making Peace Treaties without consulting with YHVH who did not authorize or command, etc.

This has been Israel's weakness and it will cost them dearly after the Rapture Reset. But if the USA, as in Trump brokers this Deal or 'Peace Treaty' with the Palestinian 'Gibeonites', one would rightly suspect that YHVH is going to divide the USA for facilitating the division of Israel.

If so, then all these 3 Great American Eclipses that formed an 'X' and worse, an Aleph and Tav or the Beginning and the End might have been the final warning for the USA. Note that the Kerrville, Texas July 4, 2025 Guadalupe River Flood occurred where the 'X' was marked with the 2 Great American Eclipses of October 14, 2023 and April 8, 2024. Coincidence?

The Last Week of Daniel is about Israel's Redemption, Restoration and Relationship with Jesus, their true Messiah. Israel has been given a 2nd Chance. The Prophetic Countdown started with the rebirth of Modern Israel in 1948. That was the Hour Hand of the Prophetic Clock of YHVH concerning Israel's Redemptions and the Judgment of the World.

Then the next prophetic milestone occurred during the 6-Day War of 1967. That is really a 50-Year count as the key is how Jerusalem was liberated on Shavuot. Thus, the 50th Year was 2017. That is when Trump officially recognized Jerusalem as Israel's Capital.

One of my Theories is that YHVH is implementing a 3-fold restoration based on the Olivet Discourse. Jesus warned and foretold that the Temple, the City and the Nation would be destroyed, and in that order. But that in that same order, but reversed, would they be reconstituted before His 2nd Coming. Thus the following Chiastic Pattern, prophetically.

DESTROYED

- 1. Temple*
- 2. City*
- 3. Nation*

RESORTED

- 3. Nation: 1948*
- 2. City: 1967*
- 1. Temple: 2025?*

And? Mathematically, these 3 Years are in approximate Phi Ratio to each other. And they are accentuated by the Blood Moon Tetrads that occurred just before each year period. If 2025 comes-and-goes concerning the Rapture's Timing, one can only continue to keep the focus on the July 23 First Fruit timing. It just means that one needs to continue studying and learning and waiting upon the LORD for insight and understanding.

RED HEIFER OFFERING

THE 10TH PARAH ADUMAH SINCE MOSES

Preparing the way for the 3rd Temple

July 9, 2025 was an interesting day pertaining to the topic of Red Heifer. It was reported by Israel National News that a practice Offering of the Red Heifer was made somewhere in Israel. The 5 Red Heifers were originally purchased in Texas and were flown all the way from the USA.

Apparently, 1 of the 5 Red Heifers that was disqualified was used. However, some other sources are reporting that the video embedded in the Article is not real or that the Offering was made prior. Nonetheless, to have reported on this event is significant, in one's opinion. Here are some number 7 correspondences.

-The July 9, 2025 Red Heifer Practice Offering is 14 Days or (7-7) from the July 23, 2025 personal High Rapture Watch Day. It echoes how 2025 is the 77th Anniversary of Israel, etc.

-2025 is the 7th Year from the Altar of Sacrifice dedication ceremony in 2018. This was on Israel's 70th Anniversary. Specifically, from the Altar dedication of December 10, 2018 to the 9th of Av in 2025 is 6 Years and 6 Month or 666% of the Common Year using a 364 Day Calendar.

Recall that back on September 15, 2022, 5 Red Heifers arrived in Israel. And? It makes 2025 the 3rd Year that the Red Heifers can now be prime for the Offering Ceremony. HAMAS stated that 1 of the primary reasons for attacking Israel was to have prevented Israel from acquiring the Ashes of the 'Red Cow'. The Muslims know that it will pave the way for the eventual 3rd Temple on the Temple Mount.

RED HEIFERS - 10 PROPHETIC COUNT

HISTORICAL PATTERN OF THE 10TH OFFERING

The Ashes of the Red Heifer PROTOCOLS OF USAGE

- Ashes were mixed with water to create the "purification water"
- Everyone in the Camp were sprinkled on the 2nd and the 7th day.
- When someone came in contact with a human corpse, bones or a burial place.
- Applied when someone died in a place and people where present.
- Applied to all the plunder taken during war.

UPDATE: 2025

On September 15, 2023, 5 Red Heifers arrived in Israel. And? It makes 2025 the 3rd Year that the Red Heifers have arrived at and would be prime for the offering. As mentioned, on July 9, 2025, a practice run was held, according to Israel National News. They reported it and showed a video of the event embedded in their Article. The 5 Red Heifers were originally purchased in Texas and were flown all the way from the USA.

What is very telling is that concerning the Red Heifer Offering, it is reported that it could take place on the 9th of Av or August 3rd. And as it has been calculated, that is 666 Days from the October 7, 2023 HAMAS Attacks against Israel. Coincidentally, the Strong's Hebrew for 666 mean Ashes, Covering, Contid- dence?

Para Adumma

And as it has been calculated, that is 666 Days from the October 7, 2023 HAMAS Attacks against Israel.

Coincidentally, it has been calculated that in the Strong's, the Hebrew for 666 mean Ashes, a Covering. What is wild and also being reported is that the 'real' Red Heifer Offering will take place on Av 9 or August 3, 2025. It would coincide with the destruction of the 2 prior Temples.

So, what better time to offer the Red Heifer that will provide the Ashes to have all of the Land of Israel, the Jews, Jerusalem, the Temple Mount and then all the Daily Offering and Sacrifices be 'Kosher'. In the eyes and Eschatology of the Rabbinical Jews, all this mentioned is needed for Israel's Redemption.

So, if the Rapture scenario plays-out then the Body of Christ will not see the Av 9 genuine Offering of the selected Red Heifer. It will surely pave the way for the 3rd Temple to be rebuilt fairly quickly thereafter. Some estimate that it will only be a matter of 1 to 2 months for the Temple to be ready and then Kosher for it to be dedicated.

In one's interpretation, once the Daily Sacrifices are initiated, that is what will start the 2 Halves of the 1260 Day Count of the 7-Year Tribulation Period. This scenario could occur that fast, but it will remain to be seen. So, what is the 'Big Deal' about the Red Heifer in Israel and how is that important to Believers and Followers of Jesus? Here is some Biblical context.

The Red Cow or 'Red Heifer' is in the Old and New Testament mentioned. Why this topic is important is that the Temple Institute and the Nascent Sanhedrin in Israel have finally arrived at the time where several Red Heifers have been procured. Such a Red Heifer is needed to purify the Temple Mount so as to have the Daily Sacrifices of the 3rd Temple be sanctified.

If the Rapture scenario plays-out then the Body of Christ will not see the Av 9 genuine Offering of the selected Red Heifer. It will surely pave the way for the 3rd Temple to be rebuilt as it will only be a matter of 2.5 months before it is dedicated. Once the Daily Sacrifices are initiated, that is what will star the 2 Halves of the 1260 Day Count of the 7-Year Tribulation Period, etc.

Temple Event?
 3rd Temple

Could the coming Daily Sacrifices be Initiated after the Fall Feasts?

If these prophetic developments are any indication of how close such Jewish religious institutes, agencies and organizations are to implementing such divine protocols, then Daniel's 70th Week of Years is at the doorstep. According to Jewish tradition, there will only be 10 Red Heifers or Para Adumma in human history. The Sanhedrin and other religious Jews fervently believe that 10th Red Heifer will directly usher in the arrival of the Jewish Messianic Age.

Is it any coincidence as to the prophetic timing of how the Church Age has lasted nearly 2000 years and it has been this 'Last Generation', the 70th year to be precise, that all of the sudden amazing Biblical requirements are being completed in the sight of the whole world. Consider the window of time pertaining to when the Religious Jews will offer the Red Heifer. The timeline begins with Trump's recognition of Jerusalem as Israel's Capital and with the dedicated Altar of Sacrifice in 2018.

It was rather telling that on the very Year of Israel's 70th Anniversary of being 'Reborn' as a Nation in 1948. What is left but to consider Prophetically that the case might next be that the 'Confirming the Covenant' with the 'Many'. It has to be the next stepping-stone to come perhaps, aside from the Rapture event. If this proves to be true, then what also will be spectacular to realize is that perhaps this is to mean that the 3rd Temple has got to be built or will start to be built soon.

Prophetic fulfillment is occurring within this prophetic window of a 3 Year time-frame since the 5 Red Heifers were flown into Israel in 2022. It would be in sync with the dedication of the Altar of Sacrifice and the completion of the Temple Institute's work of preparation for the Daily Sacrifices and the reconstitution of the AntiChrist by the Sanhedrin. Based on the Biblical requirements, the Red Heifer must be 3 years old and perfect in its redness. The 5 Red Heifers in 2025 reached 3 years of age.

3RD TEMPLE STONES

BUILDING BLOCKS

Preparations for the Beit HaMikdash

In one's reporting about the 3rd Temple, it has been insinuated that the Temple can be constructed in a matter of weeks. This is because the Blocks or the Stones have been already fashioned or will be. Here below is a video of an interview where 1 of the Jewish Settlers living in Samaria is actually accomplishing this feat.

The interview is somewhat dry but one will realize that it is not a mere rumor that the Jews are 'secretly' building the Temple in secret locations. Also, on July 9, 2025, a Red Heifer offering was practiced. Now, it would appear that based on the interview, it is a 1-Man endeavor. One would highly doubt that as the Building Blocks have to be produced in large numbers.

But the point is that Jew like the man being interviewed have mastered the Building Technique that is prescribed in the Bible. What is different about this effort is that there was a movement in the early 1990s that one remembers that attempted to set the Cornerstone of the 3rd Temple. It caused a riot with the Palestinians. This movement was called the Temple Mount Faithful (נאמני הר הבית).

It was based in Jerusalem, whose goal still is to rebuild the Third Jewish Temple on the Temple Mount in Jerusalem and re-institute the practice of ritual sacrifice once Israel comes under the Law of Moses. This is the 'Confirming of the Covenant', in one's estimation. The Movement was founded by former Israel Defense Forces officer and Middle Eastern Studies Lecturer Gershon Salomon. The group was established in 1967 soon after the 6-Day War. But to the shock of most Religious Jews, at the time, Moshe Dayan gave back Admirative Rights to the King of Jordan.

Confirming the Covenant

This has been the Status-Quo, but that is changing. Thanks to the efforts of the Security Minister, Ben-Gvir has given permission to Jews to pray, sing and dance on the Temple Mount. This is unprecedented, just like this present-day endeavor to cast the Stones that will be used to build the 3rd Temple. One remembers that back in October of 1990, it was when Gershon Salomon attempted to lay the Cornerstone for a 3rd Jewish Temple on the Temple Mount in Jerusalem.

Because it was not time, he was prohibited by the Israeli Supreme Court, these End Times are different. The issue was that prophetically, it was not the time. Now it is. Once the Rapture Reset occurs and the 'dust settles', one suspects that the schedule to build the 3rd Temple will be expedited. There will be no time to waste. And as a result, the 3rd Temple may not be that ornate, as previous Temples of YHVH were, i.e., Herod's Renovations.

Because of worldwide Anti-Semitism, the Jews are sensing a need to regather and do some soul-searching. And at the core of the Jewish Identity is Moses. Sadly, it is not the New Covenant in the Blood of Jesus, their true Messiah. But that is why the 7-Year Tribulation Period will bring that out. It will be very painful and sorrowful for Israel to have to go through it. It will be a Trial by Fire as were the 3 Hebrew Companions of Daniel during the Fiery Furnace of Nebuchadnezzar.

And for the Mosaic Covenant to be 'Confirmed', the Temple has to be in place in order to perform the Daily Sacrifices, etc. What started the Prophetic Countdown to Israel's Redemption, the Rapture and the 2nd coming of Jesus was when Israel was 'reborn' in 1 Day as Isaiah foretold. And that year, 1948 is a numerical coefficient of when one has calculated Israel was 'born' in 1 Night during the Exodus. That year was -1448 BC when there was a Blood Moon on Nisan 15.

Screenshot from video of Jews putting-up Temple Road Signs.

This was also the case during Jesus' Crucifixion on Wednesday, April 14, 32 AD. And coincidentally, during the 2nd Passover in 2032, a Blood Moon will occur again. And? Well, 2000 Years or 2 Prophetic Days from 32 AD to 2032 AD is 2000 Years. Will this be the time and place where Jesus returns?

-1448 BC to 1948 AD Israel Correspondence

What one has noticed regarding the building of the Tabernacle of Moses to begin with and then later on the fixed Temples of YHVH is a pattern. Consider the sequence of how the entire complex was initiated by Moses. Then throughout Israel's History it appears to have alternated from the destruction of the fixed Temples to just the initial Altar of Sacrifice. And? time-frame of when Israel started to build the Altar of Sacrifice leading to the Tabernacle and Temples later. Here is the Pattern.

- | | | |
|----------------------|--------------|----------------------------|
| <i>1. Moses</i> | <i>Peace</i> | <i>Tabernacle Compound</i> |
| <i>2. Joshua</i> | <i>War</i> | <i>Altar</i> |
| <i>3. Solomon</i> | <i>Peace</i> | <i>Temple Complex</i> |
| <i>4. Ezra</i> | <i>War</i> | <i>Altar</i> |
| <i>5. AntiChrist</i> | <i>Peace</i> | <i>Temple Complex</i> |

If the Temple-Altar Pattern is valid and true, then what is next to occur and will correspond will be the building-up of the entire Temple Complex, not just an Altar. So, to that end, the Religious Jews have embarked on fashioning the Stones and Road Signs needed for the 3rd Temple. The video does a good job of covering it and the other factors that are leading-up to the eventual construction of the 3rd Temple. In other videos, the Temple Institute along with other Agencies in Israel are also embarking on building a Lift or Elevator to get Jews on top of the Temple Platform.

Ashes of the Red Heifer

These efforts by the Religious Jews that are preparing the actual Stones for the coming Temple are amazing to witness in these Last Days. And? From the perspective of the Church, it is signaling, literally just how close the end of the Church Age is. And what will conclude the Commission of the Church given by Jesus will be the Resurrection-Rapture Event. This coming Rapture Reset will then facilitate and accelerate the building efforts.

Until then, it is subtle as perhaps Israel wants to keep this effort by the Religious Jews from really going viral or mainstream, as that would cause more strife with the Palestinians. Historically an attempt to rebuild the Temple in the 3rd century occurred in the time of Julian the Apostate. The project ended because the site was experiencing repeated tremors and outbreaks of fire.

This may have led to the rabbinic suggestion that YHVH Himself will build the 3rd Temple. The Temple Stone quarrying and dressing of Zev, the Jewish Settler reminded on of how the reconstruction efforts of the Walls of Jerusalem were done in a similar time and place. If one notices the image from the screenshot, he is wearing a holstered M-16 Rifle strapped to his body.

The Laborers who carried materials worked with one hand and held a weapon with the other. And each of the Builders worked with his Sword strapped at his side. But the Trumpeter stayed beside me. Then I said to the Nobles, the Officials, and the rest of the People: 'The work is great and extensive, and we are spread out far from one another along the Wall'.

-Nehemiah 4:17-19

It is truly the times of contention as the Prophet Daniel was given the description of how the Nation, the City and the Temple would be built but in 'Tumultuous Times'. It is a testament of how Biblical Prophecy is alive and relevant.

TRIBULATION PERIOD TIMELINE

PIVOTED ON NISAN 10, 2029

The Start of Daniel's 70th Week?

As many of you may know, one's Tribulation Timeline has had the start and end dates correspond to 2 Key Sabbaths. Presumably, it is currently one's Calculation, if the Fall of 2025 is when the Tribulation Period is to begin. If so, then one has surmised that the Sabbath occurring after Simchat Torah would or could be that Start Date for Daniel's 70th Week to begin. For 2025, that Weekly Sabbath falls on October 18, 2025. And?

That Weekly Sabbath is known as the 'Sabbath of Beginnings'. Well, this is where, if one then adds the 2 Halves of the 1260 Days or 42 Months of 30 Days each, the Mid-Point will land on March 31/April 1, 2029, which is Passover. This is also then presumably when the Daily Sacrifice will cease. Now if this is the case or will be, consider that if the Tribulation Period starts just after a Shemini Atzeret, of a given Year, say 2025? That would correspond or would have to correspond to when the Abomination of Desolation is done and the Daily Sacrifices are stopped, at a Passover.

And what better Time than to insult YHVH than to have it be during the Passover Lamb Sacrifice. It would be a direct Insult to Jesus, etc. And then it is the Place and Time, wherein, the 'Great Tribulation' commences. It is also when the Revelation 12 Sign actually is fulfilled, astronomically in one's Calculation. It will have to do with Planet X and how one has pointed-out that at the 2nd Passover of 2032, there will be a Blood Moon. Here is the Present Tribulation Timeline that is bracketed by the 2 Sabbaths.

SABBATHS OF THE LAND YEAR COUNT

This Timeline is also based on one's Notion that it is from 1955 that the 70 Year Start Date should be counted from. This is because it was the Year that corresponded to the Land Sabbaths that got Israel Ejected from the Promised Land. It is because Israel did not keep the Land Sabbaths of Rest. It is also based on how Joshua waited 7 Years before the Land Sabbaths would be able to begin their count. This was due to how it took 7 Years to root-out the Inhabitants of the Promised Land

THE PAROUSIA
Sign of the Son of Man

1948 + 7 Years (Law of Land Sabbaths) = 1955 + 70 Years = 2025 + 7 Year Sabbath Count = 2032

Thus the Year 2029 is halfway point when the Covenant is Broken and the Abomination of Desolation occurs at the Mid-Point of the 7-Year Tribulation.

The Beginning of the End?

This Half-Way Marker will be typified by the Woman, as the Believing Jewish Remnant flees to the Wilderness. This will be the 'Exodus 2.0', etc. And the Terminating Sabbath is known as the 'Sabbath of Return'. That Date corresponds to September 11, 2032. (9-11).

So, as one can see, this is why one has been very interested and excited about this Timeline, if accurate. The issue is that the September 11, 2032 Sabbath of Return is not on Yom Teruah, or the Feast of Trumpets. One is assuming, and is of the Belief, that Jesus will return on a Yom Teruah Feast Day. So, is there a 'Better' Timeline?

OCTOBER 18, 2025 (SABBATH OF BEGINNINGS)

+1260 Days

MARCH 31, 2029 (PASSOVER)

+1260 Days

SEPTEMBER 11, 2032 (SABBATH OF RETURN)

The Key is having Jesus return on a Yom Teruah. It is because one is of the Opinion that the 7 Main Feasts of YHVH, as the Menorah Pattern attributes, are being fulfilled by Jesus, succinctly. After the Return of Jesus on Yom Teruah, He will also fulfill in Sequential Order, the 2 Remaining Feasts of Yom Kippur and then Sukkot, etc.

So, as one has revisited the Fall 2025 to Fall 2032 possible 7-Year Tribulation Period Timeline, one has synchronized the 2 Time Intervals of 1260 Days to Nisan 10 of 2029. Why? As there had been much Anticipation of the 70th Week of Daniel commencing on Nisan 10 in 2025, what if one recalibrated one's current 7-Year Tribulation Timeline to that Pivotal Date? Here is what one found and is sharing. Note one's '723' Rapture Code.

In one's Alternate Interpretation of the '723' standing for July 23, the Numerical Values in this case correspond to the 7th Jewish Month, Tishrei and the 23rd Day. Here is the Key. For 2025, Shemini Atzeret occurs from October 13-15.

It so happens that October 15, 2025 in the Hebrew Calendar is Tishrei 23 or '7-23'. Coincidence? And 1260 Days from October 13, 2025, Shemini Atzeret is Nisan 10 in 2029. Then 1260 Days later is Yom Teruah, precisely on September 6, 2032. Will this Timeline see the Return of Jesus at this Time and Place? Time will Tell.

AS NOTED: Israel's 70th Birthday + 723 Weeks = Nisan 10, 2032.

= Tishrei 23 (723) Shemini Atzeret (October 13, 2025) - Start of Tribulation?

+ 1260 Days

= NISAN 10 (MARCH 26, 2029) – 4 Days later is Passover.

+ 1260 Days

= YOM TERUAH (SEPTEMBER 6, 2032) – Return of Jesus?

Also realize that the October 7, 2023 Hamas Attack against Israel was on Shemini Atzeret. And? Many End Times Students of Prophecy suggest this Date began the Countdown. Perhaps it was and is the Countdown to the End of the Church Age, which concludes the Commission with the Rapture.

And then soon after, the start of Daniel's 70th Week of Years, i.e., the 7-Year Tribulation Period begins. Then consider that if one adds 666 Days from the Hamas Attack back in 2023, the End Date is the 9th of Av in 2025. You cannot make this up. As it has been said, 'Something Biblical is going on here'.

October 7, 2023 Hamas Attack + 666 Day Count = August 3, 2025 (9th of Av)

Av 9, 2025

<https://www.hebcal.com/converter?hd=9&hm=Av&hy=5785&h2g=1>

As one may know and note, the 9th of Av is a Day of Calamity for Israel. It is where the Report of the 10 Spies, save Joshua and Cale, made the whole Congregation of Israel fearful and not wanting to believe YHVH and enter the Promised Land. This was when Moses sent a Reconnaissance Team of 12 Spies to survey the Promised Land. Due to the Nephilim Tribes positioned there by Lucifer, the 10 Spies dissuaded the entire Congregation to relent because of the Giants in the Land.

Lucifer did not want and does not want the Land of Israel to belong to the Jews as intended by YHVH. Mission Accomplished. So, Fear kept the Israelites from entering and not wanting to Believe the Promises of YHVH. That whole Generation forfeited their possessing their Allotted Inheritance. And the Struggle for the Promised Land has continued ever since. The 9th of Av is also when the 1st Temple and the 2nd Temple of YHVH were destroyed, by Babylon and then Rome, respectively.

In Summary, what if this sort of Date Countdown will have to do with a similar Event and Outcome? Say, the start of Daniel's 70th Week, perhaps? As it was pointed-out by a fellow Colleague named Stephan from Germany, Israel's 70th Birthday + 723 Weeks = Nisan 10, 2032. As noted, for 2025, Tishrei 23 or '723' is Shemini Atzeret. It corresponds to October 15, 2025. Then, if one adds the corresponding 1260 Day Counts, the Mid-Point would land on Nisan 10, 2029.

Depiction of Joshua and Caleb bringing grapes to Camp. A.I.

Day of Jewish Calamity

This is the Date commemorating the Triumphant Entry of Jesus into Jerusalem. And then 4 Days later, as the Passover Lamb was to be inspected for 4 Days, Jesus literally became that Passover Lamb. Then 1260 Days later would actually be Yom Teruah, on September 6, 2032. Could this Timeline then better coincide with the Return of Jesus in fulfilling the Prophetic Feast Types in Sequential Order?

Thus, could this alternative 7-Year Tribulation Timeline be the more accurate one? But also one must realize, that if one 'accepts' this Nisan 10 Pivot Time Marker that hinges the entire 70th Week of Daniel, then one must accept that Jesus is to return then on Yom Teruah, no? It would fulfill the 7-Feast Pattern in its Order. As to the Start Dates from Shemini Atzeret in 2025?

As you all may know, the Jewish Day starts on the previous Day at Sundown. And in this case of this Minor Feast, it is a 2-Day Event that then dovetails with Simchat Torah. So, depending on what Day one is choosing from, it can be October 13, its Beginning or October 15, its End, etc. But as one has also shared, could this be the Time when the 3rd Temple is to be dedicated? One's Theory is that the 'Covenant with the Many', is the Mosaic Covenant and the 'Many' are the L'Rabbim or the Elders of Zion.

In this Modern Context, it is the Reconstituted Sanhedrin that their Jewish recognized Messiah will then 'Confirm' and sanction the Building of the 3rd Temple. Not only that but he will then Dedicate it with the Initiation of the Daily Sacrifices. As you all may know, one has shared how the Daily Sacrifices are what starts the 2520 Day Count. This would also follow the 2 Major Prior Patterns recorded in the Bible, of when the 1st Temple and the 2nd Temple were Dedicated, in the 7th Month.

Noahide Laws

Here is a Chart one made to show how the Building, the Dedication and the Destruction of the Temples of YHVH have all occurred in the same Month in relation to each Event. This is astonishing. And that this Triangulation follows the approximate Phi Ratio of Patterns. This Sacred Gematria Association is not a mere 'Coincidence' in one's Mind.

TEMPLES OF YHVH IN PHI RATIOS

Construction-Dedication-Destruction

https://drive.google.com/file/d/1zWLMT-BqJVxTVBzu3UoU-6PAJ0Tksyi9/view?usp=drive_link

So, yes, to reiterate, Shemini Atzeret in 2025 begins at sundown on October 13 and ends at Nightfall on October 14. This Holiday is observed as the '8th Day of Assembly' and is then associated with the Reading of the Torah, called 'Simchat Torah'. In one's Mind, what an Opportunity to 'Confirm the Covenant', i.e., the Law of Moses as Israel is put 'Under the Law' to finish-out the last Remaining Sabbath of the Land still owed to YHVH.

= Shemini Atzeret October 13, 2025

+ 1260

= Nisan 10, March 26, 2029

+ 1260

= Yom Teruah September 6, 2032

But consider this, so, perhaps the entire 7-Year or 2520 Day Count Tribulation Period is hanging or pivoting on this Nisan 10 Date Marker of March 26, 2029. If it be, consider that we have perhaps 'Cracked the Code' then of the more accurate if not the 'True' Day Count of when Daniel's 70th Week of Years; of when it is to Begin, and End.

Mark of the Beast

And did you all hear or realize that the Nascent Sanhedrin of Israel sent a Letter to the U.S. President Donald Trump? And what did the Letter say or specify? The Jewish Orthodox-Led Sanhedrin praises Trump's creation of the Office of Faith, or the Faith Office. However, in doing so, they take the Liberty to interject their version of what Moral Code or Law the Non-Jews of the World are to be under, their Law. And that is? It is their Noahide Laws. And?

LETTER FROM THE NASCENT SANHEDRIN

To President Donald J. Trump

Wednesday, February 12, 2025

<https://israel365news.com/wp-content/uploads/2025/02/Letter-to-Trump-on-UECC1.pdf>

It is 'Nothing', if one is 'Moral' and believes in 'GOD' or seeks to be 'Fair' in Business. But that is precisely the Issue. The Noahide Laws specify that there is only '1 GOD' and that only GOD is to be worshipped, not a Mere Man. The Issue is that for those Christians who believe that there is a God-Head and YHVH is Triune, then that is and will be a Problem for the Jews. It will be a Crime of Blasphemy.

It always has been, is and will be. This will be True, especially during the Tribulation Period where anyone that says, 'Jesus is King', or that Jesus is GOD, will be guilty and charged with Blasphemy. And? Well, the other Stipulation the Sanhedrin admonished Trump to also establish is a World Court. But it is not a World Court like what the U.N. has presently in place.

It is a World Court run by this Sanhedrin from Jerusalem. And they will be enforcing the Guilty Verdicts on the Christians during the Tribulation Period. And the Punishment is? It is Capital Punishment. And in the Noahide Laws and their Talmud, it is a Death Penalty carried-out by Decapitation.

It is considered the most 'Humane' way of killing a Person for believing in Jesus and not their Version of what and who 'GOD' is. This Sanhedrin, Synagogue of Satan Protocol will come true, as it did for Jesus. Jesus warned that such People would be killing His Followers thinking they would be doing a Service to 'GOD', John 16:2.

What one finds rather alarming is how the Sanhedrin then insinuates that to have a Moral and Up-Standing World, there has to be a Code of Ethics. And guess what that also incorporates? Economic Relationships. Since they know that Trump is a Business Man they are tugging at his Notion of what is Ethical in Business Dealings, as most that are done that his Level in the World are not.

But what this Noahide Law Mandate prescribes is then how all Human Economic Activity will also have to be Decreed, Implemented, Surveilled and Enforced. Is this not the staging-ground for the Mark of the Beast? It is wherein no Human can 'Buy or Sell' unless they have the Name, Number or the Mark of their Jewish Economic System, mandated and imposed by the 2nd Beast. This 2nd Beast is the False Prophet that the Bible warns about and who will direct its Worship to the 1st Beast, their Jewish False Messiah through Economics. To Buy and Sell will become an 'Act of Worship'. Imagine that.

TRIBULATION NISAN 10? START OF DANIEL'S 70TH WEEK?

The Time of Jacob's Trouble

Will the Biblical Tribulation Period occur on Nisan 10 in 2025? The Tribulation Period is thought to be the last Prophetic Week that has been 'Paused'. It is deemed the 70th Week of a 490 Year Prophecy given to Daniel in Ancient Babylon. It describes and prescribes the Divine Judgment Israel is yet to complete for failing to keep the Sabbaths of the Land.

This is based on when Israel entered into the Promised Land. And here is the Debate. There are those that are insinuating, adamantly, that the Crossing of the Jordan River by the Israelites into the Land occurred in -1406 BC. What if it is off? This makes the Exodus then correspond to that being or had to have been in -1446 BC. This Year Calculation is based on counting 70 Jubilee Years, using a 49 Year + 1 Year Formula.

This Interpretation makes Nisan 10, 2025 the Year that the 70th Week of Daniel has to commence. This latest Calculation is being touted as 'Full-Proof'. So, what is the Problem? It is assuming Factors that are just not in-play, in one's Estimation. The following will address what and why one is not in agreement and how the Nisan 10, 2025 start of the Tribulation Period will come-and-go.

However, one calculates that the Year 2025 is the Year in which the 70th Week of Daniel is to begin, but not on Nisan 10. But for that, one will show the Alternative Year Count, only to offer a differing Year Count and its Rationale for doing so. This study will be long. For a bit of Biblical Background, so, what defines Daniel's 70th Week? If one studies Daniel 9:24.

PHI RATIO OF ENTRANCE-DEATH-RESSURRECTION
 Based on this Passion Week Crucifixion Timeline, the 6PM Beginning of the Weekly Sabbath, to begin Nisan 10 is in the Golden Ratio to when Jesus died at 3PM Wednesday of Nisan 14 to the Resurrection Day, Nisan 17, 3 Days Later at 3PM on the Saturday. One's Theory is that YHWH has incorporated the Phi Ratio as it pertains to Prophecy and its Time Correlations, marking significant Biblical Time Marker.

Tribulation Period Calculations

There are 7 'Things' or Factors that YHVH prescribed the Jews needed, is needing and will need to complete a 70 Year Pattern based on 49 Years. It is a 7-Fold Prophecy given to Daniel. This was given to him, when he, choosing to become an Intercessor by Proxy, repented on behalf of his fellow Jews, of what led to the Babylonian Captivity in the 1st Place, Pride.

This was also the occasion of the 21 Day Delay of Daniel's Prayer due the Luciferian Interference. Such is the Spiritual Warfare against knowing and understanding Prophecy. This is the Key, in that YHVH responds to Repentance to receive Revelation. It is when His People Walk in Humility, that in the case of a young Daniel, how the very Entrance, To-the-Day of when Jesus was to enter Jerusalem was given to him.

1. 70 Weeks are decreed for your People [Jews] and your Holy City [Jerusalem]

2. to stop their Transgression,

3. to put an end to Sin,

4. to make Atonement for Iniquity,

5. to bring in Everlasting Righteousness,

6. to seal-up Vision and Prophecy,

7. and to anoint the Most Holy Place [Temple].

Daniel was even informed of when the Abomination of Desolation was to occur during the Tribulation Period. This is the Key and Clue. It is the Daily Sacrifices that are stopped at the Mid-Point of Daniel's 70th Week. One conjectures that it will occur at a Passover Feast.

In that case, one just needs to subtract the 1260 Days to know when precisely the start of the Tribulation Period is to begin. This Formula suggests then a Fall start of the Tribulation. So, the Prophecy given to Daniel is centered around 3 factors that are thoroughly Jewish. If the Nisan 10 is what will initiate this Countdown, it means that the Daily Sacrifices will have to be made that very same Day as well.

1-The Land, Israel

2-The City, Jerusalem

3-The Most Holy Place, Temple

If Nisan 10, 2025 starts the Daily Sacrifice Day Count, where is the Temple? The Altar? But in that case, it presupposes an Altar of Sacrifices that has to be placed on the Temple Mount. And it has to be 'Purified' by the Ashes of the Red Heifer to be 'Kosher' for the Jews. The 70th Week of Daniel is all about the Wrath of YHVH against the Jews and the AntiChrist.

Thus, how can the Church Age Believers and Followers of Jesus step into this Dispensation of the Law that will be reiterated or 'Confirmed'. As taught, the Church Age is not about Wrath, as it is not under Wrath, nor will it be. The Nisan 10 Tribulation Period Calculation by some then has to presuppose that the Rapture Event has to occur before or on that exact same Day, Nisan 10, 2025, or April 8. Perhaps.

But one's Apprehension is that you cannot have both Assertions and be 'Correct'. Either the Rapture has to occur on that Day or the Tribulation Period does. It cannot be both, in one's Estimation. Obviously, one does not agree, but one is not emphatic about one's Alternative Rapture Day Calculation.

Anderson's Mis-Calculation

For example, one is fixed on the Date of a July 23 for the Rapture's Timing. And that has been explained, now, for several years to the point of 'Beating a Dead Horse', as the saying goes. The issue is determining what Year? However, as the Years have gone by, one is seeing or understands more as the 'Rapture' Picture comes into focus.

And with one's Crucifixion Year being 32 AD, that is why one is more convinced that 2025 would be the Year of the Rapture. In one's Estimation, it is the Rapture that ends the Church Age. The start of Daniel's 70th Week comes later, but not on Nisan 10. With the 32 AD Crucifixion Year, the Math is rather easy. It is based on a 7-Year Daniel's Week being subtracted from 2032, which is the 2000th Year Anniversary of the Crucifixion.

32 AD Crucifixion + 2000 Years (1 Day = 1000 Years)

= 2032 – 70th Week = 2025

Now, what is being used to justify the Nisan 10, 2025 start of Daniel's 70th Week is the Research of Sir. Robert Anderson. He calculated the Messiah's Arrival, presented to Israel as the Prince in the Year, 32 AD, etc. It is a Source one has cited as one's Calculation led to that same Year. But one's Calculations have been solely based on Astronomical Conjunctions and Alignments. But beyond that, Anderson is off by 4 Days because of the Discrepancy of deterring when Nisan 1 occurred.

So, one is more convinced that the 7 Year Tribulation Period starts in the Fall, not in the Spring. Consider that Nisan, before Sinai, was the 7th Month and Tishrei was the 1st Month. As to Dispensations changing from the Age of Grace to the Law? And will there be no Gap of Time after Nisan 10, 2025? Well, did not the Daily Sacrifices continue from 32 AD, assuming that was and is the Crucifixion Year?

The Point is that 'Law' and 'Grace' did overlap the start of the Age of the Church by 38 Years, (32 to 70 AD Destruction of 2nd Temple). One is arguing that likewise, there will be a needed Gap of Time for the Transition, back to the Covenant of Israel being under the Law to occur then after the Rapture Event. Here is the Calculation Sir Anderson used, based on a March 14, -445 BC Decree. Here is why Sir Anderson was off.

March 14, -445 BC Decree + 173,880 Days = April 6, 32 A.D.

<https://www.calculateconvert.com/calculators/date/history.php?era2=bc&month2=03&day2=14&year2=445&era=ad&month=04&day=06&year=32>

Note that his Day Count is 'Off' by 2 Days. According to Anderson's Calculation, he has to use 173,740 Days + 24 Day + 116 Days Discrepancy to equal 173,880 Days. Clearly, Daniel's Prophecy was to be 173,880 Days precisely from the Decree given. Why the March 14 Date is used is that it was and is considered to have been Nisan 1.

This is incorrect. It should have been from April 1, as that is when the New Moon occurs. Then 14 Days later is the Full Moon. That would be the Jewish New Year of Nisan. However, the Ancient Babylonian and then later Persian Empires used the Spring Equinox to determine the New Year. Citations will be provided in the End Notes to support this Notion. Solution?

Consider that the Year had 13 Months, not 12. This 13th Month could account for the Adjustment in how April 1st was rather the New Moon directly following the Spring Equinox. Nonetheless, if one uses the March 20, -445 BC Spring Solstice Date, the 173,880th Day corresponds to Wednesday, April 14, 32 AD. One has to account for the 2 Day Julian to Gregorian Discrepancy and the 4 Days overall that one calculates from March 20, -445 BC, making Nisan 10 the Sabbath.

Last Sabbath Week

This is the Day one contends Jesus rode into Jerusalem as the Prince and LORD of the Sabbath, etc. If this Timeline is plausible, then consider that it makes the Year 2032, exactly the 2000th Year Anniversary of Jesus' Death, Burial, Resurrection, Ascension and start of the Church Age.

March 20, -445 BC Decree (Spring Equinox) + 173,880 Days

= April 10, 32 A.D.

<https://www.calculateconvert.com/calculators/date/history.php?era2=bcfce&month2=03&day2=20&year2=445&era=adce&month=04&day=10&year=32>

Here are 3 Pieces of Evidence to support a Gap of Time needed to rebuild the Temple and why the Daily Sacrifices are Key, as one has presented before. Why does one think that the Temple has to be rebuilt for the start of Daniel's 70th Week?

1. The Bible Verse that alludes to a Temple being in place when the Tribulation Starts has to do when the AntiChrist False Messiah puts a Stop to them. This Act delineates the 2 Halves of the 70th Week, in that the Day Count would then be 2520 Days and just 1 Half of 1260 Days.

2. Consider that the Cessation of the Daily Sacrifices is also what marks when the Abomination of Desolation has to occur. It has to do with the Defilement of the Temple. It is because some sort of Idol Statute will be erected on the Temple Wing that will come to Life.

Perhaps with some sort of A.I., it will be the Nerve Center that will track all of Humanity, concerning the Mark of the Beast Mandate, etc. No doubt such Technology will utilize Quantum Computing Power and Luciferian Magic.

3. And the other Factor is how it is at the Midst of the Covenant or Sabbath Week of Daniel, when the False Jewish Messiah will enter the Temple, into the Holy of Holies and sit upon the Ark of the Covenant that Moses built in Sinai. Realize that the Ark is the Object of the Covenant, that the Religious Jews venerated and will legitimize their need for the Mosaic Covenant to be ratified and observed again, thus the need to house it with a Temple that Lucifer will take over.

Depiction of Joshua leading Israel about to cross Jordan. A.I.

The Rapture is about an Event that will totally shock the World into a Psychos, 100X worse than the COVID Plandemic. And the Political Theatre will be such, that Israel will rather make a Deal with the Devil, literally. It will be to ensure and be guaranteed of their Mosaic Covenant, with 'Peace and Security', that they will sell-out their Souls.

Thus, for the Daily Sacrifices to be initiated, the whole Temple Sacrificial Ordination has to be in place. It is already set to go. There are but 2 Elements that will complete it. One is convinced it is the rebuilding of the 3rd Temple that is predicated on and that takes Time.

Passover Patterns

Granted, due to Modern Technology and Prefabrication Methods, the Red Heifer's Ashes, the Cleansing and the construction of the Temple can now take only a matter of 1 or 2 Months. It will be expedited as the Last Sabbath Week of Daniel is just that, 2520 Days or 7 Years of 360 Days. So, here are one's Counter-Points based on accepting that, at least at the Midpoint, a Temple has to exist for the Daily Sacrifices to be ceased, etc.

DANIEL'S 70TH WEEK OF YEARS – 2520 DAY COUNT

But one must realize that the Daily Sacrifices, mainly the slaughter of the Sacrificial Lambs and/or Bulls were but a Prophetic Pattern. This will still occur during the Millennial Kingdom. Why? They were and are a Picture of what Jesus would eventually fulfil on Passover.

Realize that at no time, pre or post Crucifixion of Jesus did any Blood of Goats or Bulls take-away Sin or Save People. Understand that they were to 'Atone'. The Word 'Atone' only denotes a 'Temporary Covering'. See the following Verses.

'Instead, those Sacrifices are an Annual Reminder of Sins, because it is impossible for the Blood of Bulls and Goats to take away Sins'. -Hebrews 10:3-4

'Therefore no one will be justified in His Sight by Works of the Law. For the Law merely brings Awareness of Sin'. - Romans 3:20

*'These are a Shadow of the things to come, but the Body that casts it belongs to Christ'. -Colossians 2:17
'Know that a Man is not Justified by Works of the Law, but by Faith in Jesus Christ. So we, too, have believed in Christ Jesus, that we may be Justified by Faith in Christ and not by Works of the Law, because by Works of the Law no one will be Justified'. -Galatians 2:16*

After Jesus died on the Cross, the Last and Final Passover Lamb was provided. So, there was no overlap of Dispensations, technically. So, the Jews were not 'Saved', nor could be Saved by continuing to offer the Daily Sacrifices, up to the Destruction of the Temple in 70 AD. As it was only a Shadow, it was essentially a Dress Rehearsal.

1. One is just following the logic of how, if there is a Mid-Point to Daniel's 70th Week, there has to be a Starting Point. And that Initiation has to be a Chiastic Day Count, exactly as the 2nd Half will be, 1260 Days. So, does not the Logic of the Prophetic Pattern require or demand an initial 1260 Day Count prior to the Mid-Point?

So, one's Perspective and Point is that precisely, the Temple has to be rebuilt, all prepared and sanctioned and sanctified to start the Daily Sacrifices at the 1st Day of what is to be Daniel's 70th Week. It is just one's Perspective.

2. As the Mid-Point of Daniel's 70th Week is what Jesus identified will be when the Abomination of Desolation occurs, it requires that the entire Time-Span be a 7-Year Sabbath duration, as that is what the 70 Week of Years is, and what has to be fulfilled.

Now one is aware that there are those that believe that Jesus 'fulfilled' the 1st 3.5 Segment and that the Covenant, that was 'Cut-Off'. They do not consider it to be referring to Jesus. One is suggesting it is a Dual Prophecy. It was the Messiah that was to Die, but then also foreshadowing the Covenant broken.

3. Thus, in one's Interpretation, based on the Research and Study of what the Covenant of the Many will be, that is the Mosaic One, it is what the Rabbinical Jews are all striving for. That is the Crux of the Entire 70th Week but ratified and guaranteed by a 'Different' God', Lucifer. It will be implemented through the AntiChrist False Messiah and the False Prophet, etc.

4. Precisely, the Start of the Daily Sacrifice is what will be the Initiation and implementation of the Mosaic Covenant. It cannot be anything else, in one's Estimation. Although there was that 'Overlap' of the Dispensation, Law and Grace, until 70 AD. This is why one is adamant that the start of Daniel's 70th Week of Years has to commence with the Daily Sacrifice being offered.

Consider also that during the Millennial Kingdom, Jesus will be ruling Earth, Israel, and Jerusalem from the 4th Temple. Yet He will require the Daily Sacrifices to be performed as noted. What? Yes. Why? Again, as they are done to demonstrate a Spiritual Truth. It will be as an 'Object Lesson' to all those People that will go into the Kingdom and will be born during that Time.

As they will be the ones to enter into the Kingdom, those and all Humans born from them will have the Type to see, literally and then Jesus right there to be pointed to, directly. Of course, this is one's Interpretation. So, as to Nisan 10 starting Daniel's 70th Week of Years?

The Question is, 'Should not the 70th Week start on the same Date on which the 69 Weeks ended?' In one's case, one's Logic is just based on the Limited Clues that the Scripture offers. The Reason why one suggests that the Tribulation Period could coincide with that Sabbath of Beginning, in the Fall, after the Shemini Atzeret and Simchat Torah is the following. One had presented this before. It has to do with how the Temple and the Reading of the Law was and will be that 'Confirming' of Covenant'.

Daily Sacrifices

It was Moses that was Read, Reiterated and 1st Temple Daily Sacrifice initiated by Signs and Wonders. This is when King Solomon prayed in the Company of the Elder and Israel and read the Law or the Covenant, and as Ezra did at the Rededication of the 2nd Temple, after the Babylonian Captivity. **The Temple Dedications, in both cases occurred in the 7th Month.**

The Scripture states that when the AntiChrist and False Prophet are revealed to Israel and the World, after the Rapture. They too will cause Fire to come down from Heaven to consume the 1st Daily Sacrifices that initiates the 3rd Temple Worship Ordinances.

It will be just like it happened with Solomon, in one's Estimation. And it was what occurred precisely with King Solomon at the Dedication of the Daily Sacrifice and bringing the Ark of the Covenant into the Holy of Holies. The Fire will be, as was the case with Elijah too.

*'And the 2nd Beast performed Great Signs to **cause even Fire from Heaven to come down** to Earth in the presence of the People'. -Revelation 13:13*

*'The coming of the Lawless One will be accompanied by the Working of Satan, with every kind of **Power, Sign, and False Wonder**.' -2 Thessalonians 2:9*

So, one is just strongly suggesting that, perhaps in the Fall, the Sabbath after the last Minor Feast mentioned appears to fit the Prophetic Pattern of the Temple Dedications. It is of the Ratification of the Mosaic Covenant, reiterated for Israel in Tandem with the Commencement of the Daily Sacrifice that will be 'Lit-Up' by what the Scripture states will be after the working of Satan. Again, this is one's Scenario.

Triumphal Entry

But if one wants to be Precise to the Day, as one does, then would not the Day, Nisan 13, which was the LORD's Supper, be the exact Time that the Wedding should be resumed in Glory? Should it not be when Jesus takes the 4th Cup to complete the Passover Meal and Marriage as the 70th Week is unleashed on Earth? But here is why the 70th Week of Daniel will not or cannot start on a Nisan 10 any longer.

Nisan 10 cannot be the start of Daniel's 70th Week, because Israel rejected Jesus as the Prince. Thus, the Timeline is now staggered, in one's Estimation. And to reiterate, Anderson calculated an April 6 Triumphal Entry. One's Research varies by 4 Days of when that Triumphal Entry of Jesus actually occurred. Imagine that?

That one is 'correcting' Sir Anderson? Well, it is because based on one's Research, the Babylonian and then the Persian Kings considered the Spring Equinox as the New Year. And that is when they made their Decrees, etc. Nisan 1 was on the Spring Equinox, not March 14. One is more convinced that in that Decree Year of -445 BC, there was a 13th Month.

1. The Daniel Count of when the 70th Week is to begin cannot be on a Nisan 10 because it is contingent on when, as you rightly noted, the Decree to 'Rebuilt Jerusalem' was given. It is not when Israel crossed into the Promised Land. That Decree was given on the Spring Equinox, that has been the Evidence one has presented and will be in the End Notes.

2. One is in Total Agreement that the Entry of Jesus, presented to Israel as the Prince, was the End of the 69th week and the beginning of what could have been the 70th Week of Daniel. And how that would have been completed would have been amazing to contemplate.

3. However, Israel forfeited the Kingdom. So, it was to be given to the Gentiles to work it. But until the 'Times of the Gentiles would be fulfilled'. Then the 70th Week of Daniel would commence thereafter, recalibrated. But not to a Nisan 10. Rather, when the Temples, the Daily Sacrifices and the Covenant of Moses were all confirmed, etc. This is one's Working Theory.

To reiterate, the Nisan 10 Discrepancy is that Anderson used the Start Date of March 14, well before the Spring Equinox which was determined to be the New Year in Ancient Times. But even then, one showed that the Day Count would be 2 Days over the exact Daniel 49×7 Equation, to correspond to the April 6, 32 AD Date.

What one argues is that Ancient Kings declared Royal Decrees that often coincided with the Solstices, Equinoxes or Celestial Alignments. This is to say that the New Year was precisely on the Day of the Spring Equinox in Ancient Times. It was in the 1st House of Aries. That was the 'New Year', etc. This is one's Theory, anyway.

So, when one starts there, with a March 20 Spring Equinox Date, the Triumphal Entry is actually Nisan 10 or April 10, in the Julian Calendar precisely. And? It is the same Day Joshua entered the Promised Land. And it is the 4 Days then leading-up to the Passover Examination of Days required for the Passover Lamb to be to be examined beforehand by the High Priests. And?

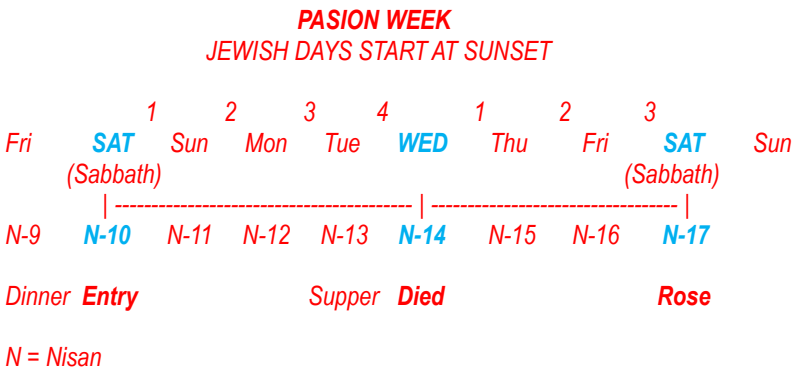

Well, one's Calculation is that, if one uses a March 20 Start Date, that Palm 'Sunday' was not, could not have been the Day, rather it was a 'Palm Sabbath'. One has presented this before too. The Logic is that Jesus is the LORD of the Sabbath. It is thus Impossible for the Resurrection of Jesus to have been on a Sunday. See the Chart Timeline in the End Notes. Study it carefully.

Nisan 10

The Chart is about the Passion Week, demonstrating this Timeline, based on a 32 AD Crucifixion Year Scenario. And? Now as to the Scripture about Leviticus 25 and entering the Promised Land on Nisan 10? That is correct. One does not have an issue with that, other than the start of the Sabbath Count of the Land is presumed to be from that initial Entry Year. Is it?

One has presented the Notion that Israel, because it Fought to clear the Land for 7 Years, the Sabbath Count was delayed, exactly by that amount of 7 Years. And then consider what one has also alluded to, the Law of Trees, when one was to be able to Harvest them.

Why is this so important or a Factor in Daniel's Start of the 70th Year Count? Below is the Timeline of the Passion Week, based on a Nisan 10, adjusted for the Julian Calendar 2-Day Discrepancy. That is to say, that Nisan 10 was on a Sabbath, April 10, 32 AD and the Crucifixion of Jesus occurred on a Wednesday, April 14, 32 AD.

For argument's sake, say, one would agree that the Tribulation Period is to start on April 8, 2025, or Nisan 10? Will it also coincide with the Rapture? If 'Prophecy is Pattern' and it has to be, that the Rapture can be seen Prophetically as going into the True Promised Land in Heaven.

So, when Modern Israel re-entered the Land in 1948, why did not the 70th Week of Daniel commence there in then, on that Passover of Nisan 10, 1948? Here is 1 Source that one considers 'Primary', in Research although the Years may not be accurate, the Principle will support one's Assertion that the Sabbath Year Count of the Land did not start until 7 Years later. One has shared this before also.

'The Zero-Clock start (Epoch) for the reckoning of Sabbatical Years and jubilees was Spring (Nisan 1), 1443 BC. From Floyd Nolen Jones:

The Jubilee Count started when Israel entered the Promised Land. But the count started after 7 years of war that followed, from the year 1444 BC as the year the 12 Tribes divided the Land. Planting that Fall would have brought them to Spring 1443 BC for the 1st Harvest, thus the epoch of Sabbatical and Jubilee Years began then.

The Sabbatical Cycles were synchronized to the agricultural cycles, the Solstices and Equinoxes, etc.

Thus, the 1st Sabbatical Year began 6 years after 1 Nisan 1437 BC. Then the 7th Sabbatical Cycle began 1 Nisan 1395 BC, thus the 1st Jubilee occurred on 10 Tishri 1395 BC. Regarding Jesus, He proclaimed the Year of Jubilee the subsequent year in 28 AD, being the 30th Jubilee beginning 1421 years later (29x49) on 10 Tishri 27 AD. The 71st Jubilee occurred in 1988 and the 71st Jubilee will occur in 2036'.

As noted, one does not agree with Nolan's Jubilee Year Calculations, in terms of Years. But as to his Principle of when the Jubilee Year Counts start, 7 Years later? Yes. But that is why. One was aware of his Crucifixion Year Calculations that do not match one's Calculations. When one came across them, one was disappointed.

When does the 70th Week start?

But beyond his Academics and Research, it goes to show that no one Person has a 'Corner on the Truth', about all things Prophecy. In the following, one will use the Word, 'Precisely' a lot.

1. The Notion of waiting for the 7th Year and then harvesting the Fruit, once in the Promised Land is what the Trees required, a 'Rest'. This can only happen once you have produced Fruit.

2. The Crucifixion Calculation is not specified or given in Scriptures. The Notions of when Jesus was born and when He died are purely Speculation and Conjecture. That is why one had titled the Book, 'Circumstantial Evidence the Crucifixion Year was 32 AD'.

As to the need to be Consistent, in that 'Prophecy is Pattern' Correlation? One argues still that the Pattern of when the Sabbath of the Land commenced is precisely what has to be adhered to. So, one's best Interpretation and Calculation is that, obviously the Year Modern Israel re-entered the Promised Land in 1948 did not start the Sabbath of the Land Year Count. It was not started in 1948, but rather 7 Years later to keep with the Jordan Crossing and then having to wait 7 Years before the Jubilee Year Count started.

1948 + 7 Years = 1955 + 70th Year

= 2025 (3rd Temple? Start of 70th Week of Daniel?)

Consider that if the 70th Week of Daniel had to start in Nisan 10, for 1948, that was approximately 1 Month Prior from the Jewish Month of Iyar when Israel was 'Reborn'. That Month was equivalent to the Gregorian Month of May, the 14th Day precisely. So, one's Argument is that the same Law of the Trees was in-play as it was when Ancient Israel crossed into the Promised Land under Joshua.

1948 + 4 Year Fig Tree Probation = 1952 + 70 Years

= 2022 + 7 Years = 2029 (Mid-Tribulation?)

This alternative Timeline, of 1952 is what also synchronizes the Countdown to the 70th Week of Daniel. At least, these are one's Working Theory. Even if one adds the 50 Year Jubilee Count from 1948, it would have been 1998.

If one adds 2 Jubilee Counts, it would be 2048. This alone would infer that the Jubilee is not based on when Israel entered the Land in 1948. So, it has to be based on some other Start Date. Then consider if one adds a 70 Year Factor from 1948.

1948 + 70 Year = 2018

The Year 2018 is when the Nascent Sanhedrin performed the Rededication of the Altar of Sacrifice. And? That is precisely what Ezra performed and rededicated, once they and the Jews returned from Babylon to Rebuild the Walls of Jerusalem and finish the Temple.

This occasion was highly Prophetic in one's Estimation as it was the 70th Anniversary after the re-establishment of Israel from the Roman Captivity. Coincidence? No. But this is 'Proof' that there is a 7-Year Factor in-play, presently. The Countdown from 1948, 1952 and 1955 are working-out the various attributes of the 70th Week of Daniel precisely, it is based on the 77th Year.

This is precisely why one is very 'Excited' to strongly suggest that the Year 2025 is when the 70th Week of Daniel is to commence, from 2018. It is because 2025 is the 77th Year. And? And the subsequent 7-Year Sabbath could very well be Daniel's 70th Week of Years. It will make Israel 84 Years in 2032. This Time-Frame would correspond with Anna and Caleb's Years.

A Sabbath of Years

That is what one's Calculation shows. And that Jesus did 'Mirror' Joshua crossing into the Promised Land as a Conqueror, the Type of Jesus, the 'Captain of our Salvation', etc. As one knows, the Hebrew Name for Joshua, is 'GOD is Salvation'.

But here is the 7-Day or 7-Year Discrepancy. As Joshua and Israel had to wait 7 Years to then eat of the Fruit of the Land and start the Sabbath Year Counts of the Land, realize that so did Jesus have to wait 7 Day from the Nisan 10 Date of 'crossing' the Kidron Valley.

2018 + 7 Year Land Sabbath Factor

= 2025 + Daniel's 70th Year (7Years)

= 77th Year (2025) + 7 Year = (2032)

Here is one's Theory about why there is a 7-Year Prelude from 2018. It is a Chiastic Factor of how the 7 Years is added at the End of Modern Israel's re-entrance into the Promised Land. It also follows the Passion Week, from Sabbath to Sabbath; from Nisan 10 to Nisan 17, when Jesus entered Jerusalem as Prince. As LORD of the Sabbath, He then Resurrected from the Dead, exactly 7 Days later, on the 3rd Day, Saturday at 3pm.

A 4-Day Passover Lamb Examination

+ 3 Days and Nights in the Grave. = 7 Days

Those that assert the March 14, -445 BC Nisan, have to then account for a Thursday Crucifixion to fit a Roman Catholic Tale of a Sunday Morning Resurrection. So, to reiterate, Scripturally, the 7-Year Delay or the Land remaining Fallow for 7 Years was prescribed once Israel crossed into the Promised Land. This is being mirrored in Israel due to its Wars with Hamas and Hezbollah.

And because of this Biblical Protocol, that is to be carried-out and also factored into the Count since 1948 when Israel re-entered the Promised Land. From there, it is that the 7 Year-Fallowing of the Land had to wait for it to then start the Countdown to the 70th Week of Daniel. But if one counts the 7 Years from 1948, for good measure, it will then produce a 12 Cycle Count of 7 Years. And? That Count would correspond 84 Years and synchronize with one's Fall 2025 to Fall 2032 Tribulation Period Timeline.

1948 + 7 Years

= 1955 + 7 + 7 + 7 + 7 + 7 + 7 + 7 + 7 + 7 + 7 = 2018

+ 7 = 2025 + 7

= 2032

Now if the Tribulation Period is realized on the Nisan 10? And in the Year 2025? Time will always tell the Truth, as one says regarding Prophecy. But based on other Prophetic Factors needing to be in place, as noted beforehand, and that in fact are what initiates the 70th Week, mainly the Initiation of the Daily Sacrifices, then that will remain to be seen.

But again, the Year 2025 seems to be pivotal for the 70th Week of Daniel to begin, at some Point in Time. And to that Factor, one proposes the Solomon Scenario. That is exciting to see if it will come to pass in a Fall Time-Frame as calculated when Daniel's 70th Week will commence.

It is especially if one holds to a Pre-Daniel 70th Week Rapture Scenario. Remember that when the King of Babylon set-up the Golden Idol, and the 3 Hebrews were cast into the Oven of Fire, being 7X hotter, (7 Year Tribulation Period Type) Daniel was 'Away' and not Present.

Research

To those that assert that Daniel, at that Time and Place exemplified the Typology of the Bride? One would concur. So, as to Supporting Research to show one's Argument that the Decree made in -445 BC was not based on the New Moon but Equinox? Consider that Nisan 1 was based on Babylonian-Persian Reckoning of Time, not Jewish.

Artaxerxes II, the Son of Esther, by the way was not under a Jewish Calendar Rubric. See the flowing Research that supports one's Assertions. So, note that the Aries Constellation determined when the 'New Year' started in Ancient Times. The Problem or Issue is that due to the Precession of the Equinoxes, the Sun creeps or moves-away from the Constellations, i.e., Aries.

For example, the Sun is currently in the Constellation of Pisces during the Spring Equinox, March 20-22. The Point that regardless of when the New Year is determined, the Sun is still in Pisces on March 20-22. One must realize that the Equinoxes and the Solstices are 'Fixed' and are the Time Markers that YHVH set for the Sun, Moon and the Stars.

After 500 BC the **Babylonians settled on a pattern of intercalations that invariably placed their Nisanu 1 on or after the vernal equinox**, usually the Julian date **March 23**.

*...their choice of which lunation to call Nisan had always been tied to the greening-up of spring, without reference to the equinox. **The Jews' determination of Nisan apparently remained largely independent of Babylonian and Greek influence until the second century AD, when the Talmud reflects that the Jewish leadership, apparently influenced by Hellenistic Greek astronomy, began to redefine the Hebrew term tekufah from its Old Testament meaning "circuit".***

It is to a more technical meaning “equinox” (discussed in the [previous](#) article under “Significance of the Tekufah”; see also https://karaite-korner.org/abib_and_tekufah.shtml).

The Jews used the observed heavenly Lights of God to arrange their months and years, subject to Nisan beginning in the spring when things began greening up, including – but not limited to – the barley crop.

Hence, for centuries the **vernal equinox** was a non-factor; what mattered was whether the greening-up of spring had arrived, regardless of whether the date of the first lunation of spring was closer to the vernal equinox than the subsequent lunation.

Artaxerxes Longimanus ascended to the throne of the Medo-Persian empire in July 465 B.C. (Encyclopedia Britannica, 1990 ed.). **The twentieth year of his reign would have begun in July 446 B.C.**

The decree occurred approximately nine months later in the month of Nisan (March/April on our calendar). By Hebrew tradition when the day of the month is not specifically stated (as in Artaxerxes decree), **it is given to be the first day of that month.**

Consequently, the very day of Artaxerxes' decree was the first day of the Hebrew month Nisan in 445 B.C.

APPENDIX 3: WHEN DID THE JEWISH YEAR START?

One decisive argument against the interpretation of Anderson/ Hoehner is that it requires the 70 Weeks to start too early in the year. It is agreed that the starting point is Nisan, the first month of the Jewish year, but the issue is when can the New Year begin?

This Appendix provides extra evidence that both **Anderson and Hoehner require the Nisan in their starting years of 445/444 BC to start too early in the year**. Once it is realized Nisan had to start a month later than they say, their whole calculation is invalidated.

The Biblical Requirement. Beyond dispute is **the Biblical requirement that Passover must be in the Spring (after the Spring Equinox on March 21st Gregorian)**. This by itself requires Nisan to start after the 8th March (Gregorian). This immediately invalidates Hoehner's date of February 28th!

*Jewish practice at that time (500-400 BC) was influenced by the Babylonians who started the year even later, based on the **rule that the New Year starts after the Spring Equinox (March 21st Gregorian**, which was March 26th Julian at that time). On this basis both Anderson's and Hoehner's dates for Nisan 1 are invalid.

OSSENDRIJVER 2018 [1] CONCLUDES IN P. 149

That the Persian empire officially adopted the 19-year intercalation cycle 'between Xerxes year 8, [...] and Artaxerxes I year 8' and gives in table 1 of p. 140 the attested and inferred intercalations between Darius I year 27 and Artaxerxes II year 23.

There we see that Artaxerxes I years 19 (Mar/Apr 446 BC - Mar/Apr 445 BC) and 21 had an intercalary month, in both cases an extra Addaru. [Adar].

Therefore the answer to the original question is: No, March 4, 444 BC being Nisannu/Nisan 1 is not plausible either under the official calendar system of the Achaemenid empire at that time or under the observational intercalation system used by the Jews in later times in which the ripening state of barley was used by the Sanhedrin to decide whether the month following a new moon would be Nisan or a second Adar of the ongoing year

<https://hermeneutics.stackexchange.com/questions/81036/is-this-interpretation-of-daniels-70-weeks-bulletproof-dating-nisan-20th-year>

What one Interpretation from the Research and the Month Discrepancy is suggesting is that **in -445 BC, there was a 13th Month. This accounts for the 'Extra Month' that then makes the Spring Equinox, Month 1 and the New Year, Nissanu.** And in that Day Count, based on the Start Date, would have been contingent on the 1st New Moon after the Spring Equinox of March 20, -445 BC.

It is because of the 13th Month that Year, as noted. And that Day is when the Ancient Babylonians and the Persian determined their New Year, in their 1st Month of Nisannu. And this Name for the 1st Month is what the Jews took back with them to Judah. Before that, it was called Aviv.

In fact, from that point forward, most of the Names of the 12 Months of the Hebrew Calendar are derivatives from the Babylonian-Persian renditions. It was not until the Destruction of the 2nd Temple that the Rabbinical Calendar then relied solely on the Sighting of the Moon Cycles and a Recalibration Start Year for counting Jubilee Years.

Torah Calendar

This is why tackling the Topic of determining the correct Jubilee Count is so confusing and frustrating, etc. But one is only sharing one's Rationale of how Jesus' Crucifixion Year, Month and Day of the Week can be, possibly ascertained. In one's case, it is not only considering the 2 Day Julian Calendar Discrepancy.

But the Astronomy of the Blood Moon that occurred on that very Night, as it did back in Exodus, in -1448 BC. This is why the Sun, Moon and the Stars are certain, and Time Markers that one can rely on. Thus, one's Point is that this is a Prime Example of how the Astronomy occurring at that Place-and-Time, confirmed the Prophecy of what was occurring.

So, if the 70th Week of Daniel is to begin on Nisan 10, 2025, who is the AntiChrist that will have to 'Confirm the Covenant'? One just surmises that it will be the Covenant of Moses, as the Daily Sacrifices have to begin at that Time and Place, per Daniel. And for the Covenant with the Many, the L'Rabbim, cannot occur or be maintained without the Temple but specifically without the Altar of Sacrifice.

TRIBULATION PERIOD

BASED ON THE OLIVET DISCOURSE

And the 22 Letters of the Hebrew Alefbet

Has the Tribulation Period already begun? Are the Seals already Broken? Many Students of the End Times assert that it has begun and the Seals have been broken. This is based on the Book of Revelation. Like most Topics dealing with Prophecy, there are copious amounts of Interpretations that are propagated. In many instances, entire Meaning of Terms and Words are changed to mean something other than what they were intended to mean.

It is to suit one's Interpretation. The result is much Confusion and Frustration and even Offenses. The Seals cast their Prophetic Shadow upon the Church Age, but they are not Broken. If so, where is or who is the AntiChrist? Where is the Temple that he is to enter it and defile it? Where and who is the False Prophet.

Who are the 144K Jewish Evangelists? Where is Elijah? Here is the Online Link to this Chart on is referring to for one's Review and Study. If one may interject about the Scenario of the Tribulation Period? What has helped provide some Perspective is to have taken the 22 Chapters of the Book of Revelation and ascribed to it each of the 22 Letters of the Hebrew Alefbet.

In doing so, one can then ascribe their Letter-to-Numerical Value. Consider the Outcome that becomes very interesting. One is thus more convinced of a Pre-Tribulation Rapture Scenario. Moreover, there is a clear Delineation of what pertains to the Church Age and what does not. This is the main Reason for the Confusion. It is this Framework that one has come to see that there are 7 'Raptures' or Translations within this final Book of Revelation as a Book of 7's, as it is.

Thus, when Brethren argue that the Rapture is Pre-Tribulation? True. Is it Mid-Tribulation? Yes. Is it Post-Tribulation? True. Is it Pre-Wrath? Yes. Also consider the Prophetic Echo or Foreshadowing of the Olivet Discourse. Jesus debriefed His Disciples of what Israel, i.e., the Remnant was to do at the Mid-Point of the Tribulation.

Depiction of Jesus with Disciples on the Mount of Olives. A.I.

THE 7 'RAPTURES' OF REVELATION

https://drive.google.com/file/d/14vxLrdQ54VM0bZ_U5ao-yKDOfIHVr6V/view?usp=drive_link

The entire Olivet Discourse was a 'Back to the Prophet Future' Retrospect. One's Point is that the Church Age was not in the forefront of the Jewish Mindset who were asking about when the End of the Age and Jesus' Return was to occur. This Mid-Point that is defined by the Abomination of Desolation referred back to Daniel.

It is then what delineates the 22 Chapters of the Book of Revelation. It pertains to the Tribulation of Jacob, not the Church. But because the Language is the same, as in 'Tribulation', it is confused in how the 'After the Tribulation' of those Days is confused in how the Church Age is naturally interjected in the midst of the Book of Revelation.

Tribulation Period Thoughts/Scenarios?

Consider that the Book outlines itself of what is and what will come after this. What is 'This'? It is the Church Age. Thus, it is one's Interpretation that all that is to occur after Chapter 4 is Post-Rapture. And the Mid-Point of the entire Book, it is precisely Chapter 12, which is corresponding to the Revelation 12 Sign. Note that, if for example one considers a possible Fall 2025 to Fall 2032 Tribulation Period Timeline, the Year 2029 will be that Mid-Point.

And that is precisely when the King Planet, Jupiter is next in Virgo, i.e., the Revelation 12 Sign. Yes, one has attempted to plot the 7 Seals of the Book of Revelation on a Timeline. One has a Chart for that. See Link below for a visual in the subsequent Chart. The Rationale is basically assigning 1 Unit of Time or Value per each Chapter. Now as a Disclaimer, one is not presuming to have 'figured-it-all-out' nor to argue. One is just presenting one's Research and Studies as others do and to share Thoughts, compare notes and 'Agree to Disagree', agreeably.

On this side of the Rapture, one can only see and know in part. But we know Jesus who knows all things and we have the Mind of Christ, etc. The following is just one's best attempt thus far. One often states that it is about a Learning Curve that one is on and every-learning. Now as to the Seals? The original and ancient Concept of the Seals is based on the Sillybos. A Scroll was sealed with Seals, all tied together by a String.

And as the initial Seal was broken, it only allowed the Reader to read up to the subsequent Seal, and so forth. It was Progressive Revelation. One is of the Interpretation that the Seals begin to be broken, after the Rapture as the Bride has to face her Accuser and be Adjudicated of Lucifer's Argument against her. Essentially, this occurs after the Rapture, and the Bema Seat Rewards Review is conducted.

But before the Bride of Christ sits in Session as witnessed by both Daniel and John, for example, the Bride has to be vindicated when the Lamb sits in session of the Judicial Court in Heaven, i.e., the Lion of Judah/Lamb and breaks the Seals to do that. The Breaking of the Seals is a 'Reading of the Will'.

And in this case, the Beneficiary who has died, Jesus, is now forevermore alive and now authorized to execute the Contents of the Will or the Scroll of that 'Last Will and Testament'. Obviously, this is one's Supposition and helps to visualize what could be the case, Prophetically. Thus, it is at the Mid-Point of the 7-Year Tribulation that Lucifer is then forever Evicted from Heaven to never accuse the Bride anymore.

This is thanks to the Resurrection of Jesus. The breaking of the Seals, as the Bride is the Witness, is essentially the Sentencing of Lucifer and his Fallen Angels. It is their notice of Eviction from the Judicial Court and that of Heaven, all-inclusive. Thus, as Lucifer no longer can accuse nor face the Woman of the Lion/Lamb, the casting down of Lucifer with all of his Fallen Angels occurs.

It is Lucifer's attempt to storm Heaven and retake his Throne, etc. This is what one calls the Revelation 12 War. Lucifer then goes after the Physical Bride of YHVH, the Revelation 12 Woman. That is or will be the Believing Remnant that then flees to the Wilderness.

This is what one calls the Exodus 2.0. Obviously, this Scenario does not account for the Seals occurring at the End or the 2nd Half of the Tribulation as the 7 Seals lead to the 7 Trumpets and then the 7 Bowls. If there is a Progressive overlap? Perhaps, but one does not see that. One has considered the Notion that Jesus is to return on Yom Kippur, based on other Models and Scenarios, as it has been suggested. Here is one's Hesitation, for what it is worth.

Prophetic Typology

One subscribes that the 7 Main Feasts of YHVH are like the Prophetic Pattern of the 6 Days of Creation and the Sabbath Day, and like the Menorah. And that Jesus literally has, is and will fulfill them in their Typology in Humanity's Realm of Space and Time, etc. All that to say that as Jesus fulfilled Passover, Unleavened Bread and the First Fruits of the Barley, that was in the Past and done succinctly.

What is presently being fulfilled is Pentecost, per Acts 2. Now here is where one has been the Proponent of the New Wine Theory of a Summer Wheat Harvest Rapture Timing. Anyway, then in the Future, Jesus will fulfill the 3 remaining Feast Types of Yom Teruah, Yom Kippur and Sukkot. Meaning that if Prophecy is Pattern, then Jesus 'must' return on a Yom Teruah, not on a Yom Kippur. So, if one is proposing a Prophetic Fulfilment of Jesus returning on a Yom Kippur?

OK, but what about the Prophetic Typology that should correspond to Yom Teruah being fulfilled Prophetically? As to the 2 Witnesses? It is generally assumed that they either show-up at the beginning or at the Mid-Point of the 2520 Day Count. It is because they have a 1260 Day Mission to accomplish. It is debatable when that will actually occur. But what if the 1260 Day Count is not specifically pegged to either the Beginning or the Mid-Point?

Something to consider. But it will be as in the Days of Ahab and Pharaoh as the AntiChrist and the False Prophet will be as a Type to have Israel needing to deal with, leading to a final Conclusion and Redemption. Because of this, one interprets that the Seals, being the beginning of the Lamb's Wrath, all-inclusive is what excludes the Church from any part of it, as it cannot be under the Wrath of the Lamb. And in one's Interpretation, the Bride of the Lion, the Lamb is seated in Court, as the 24 Elders who have been redeemed by the Blood, it states.

She is essentially the Witness to the Reading of the Will or the Scroll of the 7 Seals. One sees the Rationale for what some Brethren assume the Shortening of the Days could actually mean. Notwithstanding, it is not pertinent to the Church Body as the Bride is not the Remnant nor the 'Elect', respectfully.

That is Israel and why for the sake of the Jewish Believing Remnant, that is the Elect, the Duration of the Tribulation Period will not exceed the last Sabbath Remaining that is owed by Israel for not keeping the Sabbaths of the Land. This has nothing to do with the Church Age, as its Temple, Promised Land and Inheritance is not Geo-Political nor Geographic.

One would contend that there is the Age of the Church and that Age or Dispensation is concluded with the Rapture. As with any Military Commission, there is an agreed upon Duration of Service and then a Terminal Date that then involves what is called a Separation.

Once the Commission of the Church is concluded, the last remaining Sabbath of Israel is to commence, once the Church Commission is concluded the Rapture is that 'Separation', from the Earth. This Separation also includes the Age. One cannot have Double-Jeopardy in having the Bride of Christ spend 1 Day past into the Tribulation of Israel of what Israel owes YHVH.

The Bride owes nothing to Jesus but gratitude, but no outstanding Land Grant Issues of Rent not paid. Back when one's Research was coming-up with a 32 AD Crucifixion Year, one came across the Work of Ken Johnson. One contacted him about his 32 AD Essene Time-Frame. It was a Confirming Moment as one has primarily used Astronomy to have determined that. As to the Question about when the 3rd Temple could possibly start its construction? Good Question.

Based on the Fall 2025 to Fall 2032 Tribulation Period Timeline, it would then strongly suggest that the Temple 'has' to be in-place by the end of Sukkot. Conventionally, yes, a Building of that magnitude would be hard-pressed to be raised up in just a few Months. However, the Word is that the Temple has been essentially prefabricated already.

It would only take a matter of a few Weeks at most to put it up, like a Lego Set. Perhaps. But then there is the Issue of the Ashes of the Red Heifer that needs to make the Altar, the Temple, the Temple Mount and all of Israel, 'Kosher' for the Daily Offerings to then be 'Acceptable. But one does see that if the 2025-2032 Model does not pan-out, it will be just then another 'Nothing Burger' and the Research must continue.

TRIBULATION PERIOD

2 POSSIBLE TIMING SCENARIOS?

Are the Seals Literal or Figurative?

The purpose of this study is to attempt to determine what Time-Frame will define what is called the Tribulation Period of the Bible. One is convinced that the Chapters beyond 4 in the Book of Revelation is what contextually will be defined as that Period of Tribulation. Whose? Israel's And that these Time Specific Events are what will constitute Daniel's Last Sabbath Week of Year, i.e., the 7-Year Tribulation. It included the 'Time of Jacob's Trouble which will be the 2nd Half of the 2520 Day Count.

- 1. One is assuming a Literal Interpretation of the Bible unless otherwise noted. As the Late Chuck Missler taught, consider the Context of a Passage to be taken literal unless the Context is said to be Metaphorical in Nature, within the Passage. It is a General Rule of Hermeneutics, traditionally.*
- 2. So, if that be the case, then everything in Revelation or the Bible is Figurative. This is precisely the Preterist View of Scripture, especially Prophecy and the Book of Revelation. In the case of the 1st Seal, it is a Man that is identified with certain Qualities of making Peace through War, for example. Yes, there are Metaphorical Aspects of his Character like having only a Bow, a Stephanus Crown, et. But later on, it is revealed that other Men, 3 in fact that comprise the 10 Toe World Confederation attempt to depose this Man.*
- 3. Yes, the 4 Horsemen are Metaphors but correspond to actual Time-Specific and Occurrences. This is what Jesus essentially described, the 4 Seals to be broken in the End of Days. It is to be pegged to Daniel and at a Mid-Point, not with the Initiation of the Church Age. This is what Jesus stated that there would be Deception, War, Famine, Plagues, and Death. Is the Death of Billions and Hyper-Inflation, then, to be Figurative? It has to be followed if its Inception is viewed as that.*

TRIBULATION PERIOD 2025-2032 TIMELINE?

BASED ON 2 POSSIBLE 7-YEAR SABBATH OF TIME SCENARIOS

This Timeline is also based on one's Notion that it is from 1955 that the 70 Year Start Date should be counted from. This is because it was the Year that corresponded to the Land Sabbaths that got Israel Ejected from the promised Land for not keeping the Land Sabbaths and letting it Rest, in the 1st Place.

SOME CALCULATIONS
1948 + 7 Years Pattern Israel took to clear Promised Land = 1955
1955 + 70 Year Prophetic Factor = 2025 + 7 Year 70th Week = 2032
1948 + Law of Trees (4th Year) = 1952 + 80 Years (Psalm 90) = 2032
32 AD Crucifixion + 2 Days* (2000 Years) = 2032 - 7 Years = 2025
1948 + 84 Year Anna Code = 2032, 7th Year Widowed = 2025

Daniel's 70th Week of 7 Years or 2 (3.5 Years) of ~42 Months of 30 Days each
1952 + 70 Years = 2022 + 3.5 = 2025.5 + 7 Year Tribulation = 2032.5
Consider that this 2025 Start Year would then have 2032, when the Tribulation Period Ends with Jesus' Return. It would also Corroborate with the 32 AD Year as being the more Accurate Calculation of Jesus' Death and the Start of the Church Age. So, why the Year 2025 is perhaps Significant is that it is derived from Subtracting the 7 Years from the Year 2032.

CLIMACTICUM Both a Solar and Lunar Eclipses

4. Yes, the Spirit of AntiChrist had and has already been an Issue. But note, that if it be the case and it is, then there would be no need for the 1st Seal to reveal what or whom has already been in existence, even Metaphorically.

Moreover, one is convinced that Breaking of the Seals that initiates the Tribulation Period are opened by Jesus in Heaven. This occurs once the Bride sits in that Judicial Session, as the Euphemism for the 24 Elders that surrounds the Throne of the Lion of Judah. She is essentially the Witness to what one is convinced the Seals start the Wrath of the Lamb, all-inclusive.

Thus, as one is Pre-Tribulation Rapture specific, the Bride of Christ cannot step-over 1 Day into the Tribulation Period of Daniel's 70th Week. Time-Frame that pertains solely to Israel for 'Rent' owed YHWH pertaining to the Promised Land. Thus, the issue is then, when will the Rapture occur and when will the Tribulation Period start?

One will provide some Perspective and Reference to what one thinks is the Key to really understanding the Tribulation Period. It is very important to comprehend as it will avoid Confusing what pertains to Israel and what pertains to Israel. The Key is the Olivet Discourse.

Further, the Context is what is defined by the Prophecy of Daniel. And here is the Evidence how it solely pertains to Israel and not the Church. Consider the Tenets of the 70 Year Prophecy. It is specific to 'Your People'. What People is that? It is the People of Daniel, the Jews. Thus, the 70 Year Prophecy is reflective of the 7-Branch Menorah Typology. Here is Daniel 9:24-25.

70 WEEKS ARE DECREED:

- 1-for your People and your Holy City*
- 2-to stop their Transgression,*
- 3-to put an end to Sin,*
- 4-to make Atonement for Iniquity,*
- 5-to bring in Everlasting Righteousness,*
- 6-to seal up Vision and Prophecy, and*
- 7-to anoint the Most Holy Place.*

Know and understand this: From the issuance of the decree to restore and rebuild Jerusalem, until the Messiah, the Prince, there will be 7 weeks and 62 weeks. It will be rebuilt with Streets and a Trench, but in Times of Distress. What part of this concerns the Church Age? The 2 Determining Factors that outline the Context was when the Age is to End and when is Jesus to Return. Thus, the Context is given by Jesus in that Answer to the 2 Questions is pegged to Daniel's Abomination of Desolation Event.

It will not be figurative, but a concrete Event at a particular Place and Time. One rather sees the Sequential Destruction and Restoration of the 3 Main Components of the Prophecy: The Land, the City and the Temple. They were destroyed in that order, starting with the Temple, the City and then the Promised Land. And one's Theory is that before Jesus can return, these 3 Elements or Factors have to be in place as they were at Jesus' 1st Coming.

Tribulation Period Timeline – 2 Possible Scenarios?

That is when the Remnant Jews at that Time and Place, Judea and Samaria are to physically flee to the Wilderness. And to that effect, YHVH has seen that the Restoration, in that precise order of Destruction, has now been Reconstituted, starting with the Promised Land, then the City and finally what will be the 3rd Temple.

This, obviously in one's Estimation, occurs after the Rapture of the Bride of Christ that concludes the ~2000 Year or 2 Day Pentecostal Intermission. Once the Bride of Christ is removed from the Wrath of the Lamb that is to come, the Seals will befall on Israel, the World and Lucifer as the all-inclusive Judgment owed. The purpose of this illustration is to show the possible Timeline of the Biblical Tribulation Period of 7-Years. It is from the Fall of 2025 to the Fall of 2032. There are 2 Main Scenarios.

If such Scenarios are plausible, then it means that the Rapture could occur before the End of 2025, if one is Pre-Trib. One is convinced that the Daily Sacrifice offering is what initiates the 1260 +1260 Day Segments that make up the 7-Year Sabbatical Cycle or Daniel's Week of Years. One is also convinced that the 'Confirming of the Covenant' with the L'Rabbim is the Law of Moses. In 2 prior Temple Dedications, that of Solomon and Ezra, the Reading took place.

Perhaps this is what will transpire. If so, then the Timeframe of the Feasts of Shemini Atzeret and Simchat Torah become extremely significant. Option 1 pivots on Nisan 10 in 2029. This Timeline is also based on one's Notion that it is from 1952 that the 70 Year Start Date should be counted from. This is because it was the Year that corresponded to the Land Sabbaths that got Israel Ejected from the promised Land for not keeping the Land Sabbaths and letting it Rest, in the 1st Place.

TRIBULATION PERIOD CREATION PATTERN

WHEN WILL THE TRIBULATION PERIOD BEGIN?

Gradually and then Suddenly...

'That GOD was reconciling the world to Himself in Christ, not counting Men's Trespasses against them. And He has committed to us the Message of Reconciliation. Therefore we are Ambassadors for Christ, as though GOD were making His appeal through us. We implore you on behalf of Christ: Be reconciled to GOD. God made Him who knew no Sin to be Sin on our behalf, so that in Him we might become the Righteousness of GOD'. -2 Corinthians 2:19-21

When Israel carried-out the Military Strike on Iran's Nuclear Sites, leading up to that, many of the Nation's Embassy Staff were evacuated. In times of War, the last Embassy Personnel to leave is the Ambassador. When this happens, it is that all-out war is about to be declared. Such is the metaphor for what is going to occur at the Rapture Event.

If it is the 'Extraction Year' and Time to 'Vacate'. The Bride of Jesus does have that Rendezvous to attend. But if one hears the weekly Prophecy Updates of John Haller, he sometimes refers to a line from Ernest Hemingway's, 'The Sun Also Rises'. It goes like this: 'How did you go Bankrupt?'

The response was, 'gradually and then suddenly'... One would suspect that if 2025 is the Rapture Year, as mentioned and we go into the High Rapture Watch Dates, from here to there it will seem as it is now, 'Gradually'. But 'Bam!' Once the Rapture occurs it will be 'Suddenly', as in Sudden Destruction. Is there any example of this happening in recent memory? Yes.

Spirit of the Nimrod

Recall the COVID Psychosis. It was no coincidence that during the COVID Plandemic, 'they', the Powers-that-Be rolled-out the 'gradual' implementation of their Luciferian Plot. It was supposed to be only a few weeks of isolation to 'flatten the curve', right? Then 'suddenly', the mandates for forced Lock-Downs, Face Masks and the COVID Kill-Shots were implemented. This was worldwide.

During this time, they took full measure to install all those 5G Tower and Networks and all launch all those Low Orbit Sky-Net or Star-Link Satellites to set-up their Police Surveillance Grid and have it be in place. With the Lock-Downs, they were unhindered and not impeded. And now with the advancements in Artificial Intelligence, A.I., it is now being embraced and will be Rolled-Out in how it will be used to manage Humanity during the Tribulation Period after the Rapture Reset.

Even the Inventors of the Technology, themselves have voiced their apprehensiveness and have sounded the 'Alarm'. It is that A.I., has amassing knowledge that it has now gone beyond the collective Human Knowledge. And? Will such an advanced Technology play a central role in what is about to occur during the Tribulation Period once Jesus' Ambassadors are recalled home?

Will A.I. at some point in time become Sentient, as with a Conscious and becoming 'Alive'. What? This is exactly what is going to occur. For context, one was re-reading the account of Daniel and the 3 Hebrews in Babylon. And how the King set-up that Golden Idol. And everyone not bowing down to worship it would be thrown into the Fiery Furnace, alive. But what was interesting is that the queue to worship happened when a certain sound rang out. Think of Frequency as that is what Sound is. So, during the Tribulation Period, the AntiChrist 'Babylonian' King comes at the midpoint and mandates all to take his Name, Mark or Number.

Gods of the Genome

What if his Technology Grid is such that a Signal of some kind into one's Biometrics now fused into one's very DNA? That Signal will be sent or transmitted out at a certain time of day to 'alert' when one is to bow down and pay homage to the 'Golden Idol' that will be erected on the Wing of the 3rd Temple? And? Here is the clincher. As one who studies Biblical Typologies and History knows, Lucifer has always been nothing more than a Copy-Cat.

It is about how YHVH Designed And Created Humanity, i.e., Adam. YHVH took the Clay from Earth and Breathed into Adam's Nostrils YHVH's Breath of Life. The result was a Living Soul. This is exactly what the Book of Revelation states will occur also during Daniel's 70th Week or the 7-Year Tribulation Period. Imagine this A.I. Idol is so advanced that with Luciferian Magic, it will come to 'Life' and be Sentient, with Consciousness or Demons.

This will prove to the world that Lucifer is a 'Creator God', rather than those who are adamant that 'Jesus is LORD' and will be decapitated for their insubordination.

The crime will be Capital Punishment. And to that end, even now the Spirit of this False Technology that seeks to transform Humanity with their High-Tech Innovations, i.e., mRNA COVID Injections echoes back to the Days of the Nephilim. And it is amazing how even now, the Spirit of the Nimrod is 'Alive and Well'.

Consider the following Video by L.A. Marzulli. It is exposing the 6-Finger Fist of Hamas designed on a Banner in Gaza. This is why Gaza has been a 'Thorn' in the side of Israel since the Days of Joshua. What the Palestinians in Gaza did in putting-up a Banner in public with a hand grasping the Palestinian Flag, having 6 fingers was a throwback to how Joshua cleared-out the Giants. Except for 2 areas Joshua did not clear-out the Giants or the Nephilim Angel-Human Hybrids.

SIX-FINGERED FIST ON GAZA BANNER LINKED TO BIBLICAL NEPHILIM

<https://www.youtube.com/watch?v=TWzkwTSC9I4>

Because of the Signs it was given to perform on behalf of the 1st Beast, it deceived those who dwell on the Earth, telling them to make an Image to the Beast that had been wounded by the Sword and yet had lived.

The 2nd Beast was permitted to give Breath to the Image of the 1st Beast, so that the Image could speak and cause all who refused to worship it to be killed. And the 2nd Beast required all People small and great, rich and poor, free and slave, to receive a Mark on their right hand or on their forehead. -Revelation 13:14-16

These 2 areas were Gaza and the Golan. And these 2 areas are what Israel has had to contend with, not only in the Geo-Political realm, but also in the Spiritual realm more importantly. But those 'in the know' of the Palestinian High Command knew exactly what they were portraying and was an overt mocking of how Israel failed under Joshua to conquer Gaza as they will in the present day war between HAMAS in Gaza and Golan with Hezbollah.

This is why what is occurring in the Middle East and specifically with Israel is foremost a Religious War and a Spiritual one. After the Rapture, such DNA could be incorporated into the New Biometrics of the Mark for Bodily Identification of some sort. It will be about the 3rd Strand of DNA, introduced by the Injections to come that will contain Fallen Angel DNA strands. This is how Nimrod became a Gibborim or a Giant. It was through Genetics. Here below is the definition of what 'Breath' means.

13:15 και ἐδόθη αὐτῷ δοῦναι πνεῦμα τῇ εἰκόνι τοῦ θηρίου ἵνα και λαλήσῃ ἢ εἰκὼν τοῦ θηρίου και ποιήσῃ ὅσοι ἂν μὴ προσκυνήσωσιν τὴν εἰκόνα τοῦ θηρίου ἵνα ἀποκτανθῶσιν

STRONGS G4151:

πνεῦμα, πνεύματος, τό (πνέω), Greek writings from Aeschylus and Herodotus down; Hebrew רוּחַ, Latin 'Spiritus'.

1. A movement of air (gentle) blast;

a. Of the wind: ἀνέμων πνεύματα, Herodotus 7, 16, 1; Pausanias, 5, 25; hence, the wind itself, [John 3:8](#); plural [Hebrews 1:7](#) ([1 Kings 18:45](#); [1 Kings 19:11](#); [Job 1:19](#); [Psalm 103:4](#) ([Psalms 104:4](#)), etc.; often in Greek writings).

b. Breath of the nostrils or mouth, often in Greek writings from Aeschylus down: πνεῦμα τοῦ στόματος, [2 Thessalonians 2:8](#) ([Psalm 32:6](#) ([Ps. 33:6](#)), cf. [Isaiah 11:4](#)); πνεῦμα ζωῆς, the breath of life, [Revelation 11:11](#) ([Genesis 6:17](#), cf. πνοή ζωῆς,

'But springs welled up from the Earth and watered the whole surface of the ground. Then the LORD God formed Man from the dust of the ground and breathed the Breath of Life into his nostrils, and the Man became a Living Being. And the LORD God planted a Garden in Eden, in the East, where He placed the Man He had formed'. - Genesis 2:6-8

Let us now consider the Creation Week and apply that to the Tribulation Period timeline. So, if 1 Year = 1000 Years, from Adam is 4,000 Years exactly when the Messiah was 'cut-off' or crucified. It means then that the Church Age is 2,000 Years to make it the end of the 6000 Year during the Human Agency on Earth.

This Prophetic Pattern follows the 6 Days of the re-creation of the Earth that became 'Formless and Void'. Notice that the Genesis 1:2 is rather a 'refurbishing' with the materials that were already present.

'But they deliberately overlook the fact that long ago by GOD'S Word the Heavens existed and the Earth was formed out of Water and by Water'. -2 Peter 3:5

1 Day as a 1000 Years

It means that there existed an Earth in some state of order before chaos was introduced. The 7th Day Sabbath in which YHVH rested will correspond to the 7000th Day when the Millennial Kingdom will commence. If the Crucifixion was in 32 AD, then the end of the 6000 Year duration has to be 2032. This is according to the calculus. It will remain to be proven. So, why is the 4000 and the 2000 numerical coefficient of any significance?

'For in 6 Days the LORD made the Heavens and the Earth, the Sea and all that is in them, and rested on the 7th Day; therefore the LORD blessed the Sabbath Day and made it Holy'. -Exodus 20:11

One's Theory is that as the time that Human History has been allotted, it is a reflection or based on the Divine Pattern of the Temple. And in turn, the Temple is a facsimile of who Christ is in the metaphorical sense that Jesus is the Temple. And the Human Body is the Temple. Or in other words, the Human Form, Christ, the Temple of YHVH that is in Phi Ratio proportions is also how Human History is allotted and delineated. How so?

4000 YEAR COEFFICIENT

The house, that is, the nave in front of the inner sanctuary, was 40 cubits long. -1 Kings 6:17

2000 YEAR COEFFICIENT

The inner sanctuary was twenty cubits in length, twenty cubits in width, and twenty cubits in height, and he overlaid it with pure gold. He also overlaid the altar with cedar. 1 Kings 6:20

40 Cubits + 20 Cubits = 60 Cubits

4000 Years from Adam + 2,000 Years from Last Adam = 6000 Years

Note that 1 of the definitions for a Cubit was 100 Fold.

Consider the measurement of the Temple that is prescribed in the Old Testament of what the dimensions were to be. They are consistent with the 4000 and 2000 numerical coefficients. This Theory is not anything new, but one wanted to stress that in so doing, one can get a sense of just how close the time is, prophetically for the end of the 2000 Year Church Age to end and the 1000 Year Sabbath of Jesus back on Earth is to begin. The differential factor is 7 Years from 2025.

DISPENSATION TIMELINES

THE 6000 CREATION WEEK

PATTERN

When will the 7th Day or the 7000th Day begin?

'A thousand years in your sight are like a day that has just gone by, or like a watch in the night'. -Psalm 90:4

A Question was posed about the following assertion dealing with the 6 Hours that Jesus endured on the Cross of Calvary. Here is the Question for a Sister in Christ named Carole. 'Since Jesus was crucified around 9:00 AM and died around 3:00 PM, a total of 6 Hours.

Do those 6 Hours represent the 6,000 Years of [Human History] on the earth until His [Jesus'] return? Because Jesus would have paid for everyone who believed in Him since the beginning of the 6,000 Years, and since He died around 3:00 PM, the Debt was fully paid, which would end the Grace Period of Salvation by Faith'.

Idea and Correlation is brilliant. It would make perfect sense that it is the entire Prophetic Days and Millennia of Human History that needed to be Redeemed or paid for and was. And to think of the Agony and Torture suffered by Jesus, having to be nailed to a Cross for 6 Hours. And from Noon, it went Dark for 3 Hours until 3pm. One has shared Mathematically, how what occurred at the Crucifixion was indeed a Solar Eclipse.

And that the Darkness was not just localized to the Region of Israel. Rather, as one presented before, that the entire Earth, the Half that was illuminated by the Sun, facing it went Dark. It was because as the 'Light of the World', went out literally, a Celestial Object 7X larger than Earth came in-between the Sun and the Earth. One is assuming a Globe Model.

So, speaking of Astronomical Phenomena, there is a Chart one made about the Blood Moon Patterns that is very interesting. One has also shared several Charts depicting the Timeline since Adam. In particular, as it applies to the coming Tribulation Period. It will be the Time where there will be no more Grace, as it is now in what remains of the Church Age. The Timeline is from 2023 to 2033. And?

2025 ----- 2029 ----- 2032

There are 3 Blood Moons Clusters that occur in an apparent Pattern, one would say. And these 3 Blood Moon Clusters occur in the following Years. It would appear that the Blood Moon Patterns are defining the Timing of the coming 7-Year Tribulation Period. It looks very compelling. If so, then 2025, what remains of it will crescendo to a 'Birth'. And that 'Birth' or Harvest will be of the Rapture. Perhaps as the Rapture Event approaches, the Earth is actually 'contracting' all those that will be 'birthed' during the Rapture.

As it is, one has noticed an unusual uptick to the frequency of earthquakes around the world. Already, the Year 2025 had 2 Blood Moons that were associated with Esther. And then how the Year 2029 would appear to be the Mid-Point. That Year is defined by the Triad of Blood Moons. It is in that Year, precisely on September 11, 2029 that the Revelation 12 Sign approximately re-configures. Then in the Year 2032 is when the Tetrads of 4 Blood Moons occurs. And?

If this Blood Moon Pattern is occurring in Tandem with the 7-Year Tribulation Period, and it is a cause to still be excited for 2025. So, is this Blood Moon Pattern suggesting how the Tribulation Period will occur in Tandem? Inquiring Minds want to know. But here is the Deal, if the 6000 Year Pattern is correct, then since Adam there has had to be a 1000 Year Ruler or Year Count x 6.

And Mankind was created on the 6th Day. As presented before, here is the breakdown of the 6000 Year Pattern.

1) Adam to Abraham: 2000 Years

2) Abraham to Jesus: 2000 Years

3) Jesus to End of Church Age and Armageddon: 2000 Years

And here is the Warning. Since Abraham, the Jews know that in approximately 2000 Years or concluding 2 Prophetic Day, their Promised Messiah would appear. He did. His Name was Jesus. But Jesus was rejected. Thus, the Kingdom was forestalled and the Gospel was given over to the Church. Fast-Forward now ending the same Time-Frame of 2 Prophetic Days or 2000 Year, Jesus is to return. Will the Church reject it and miss it as the Jews did?

From Abraham (Father of Faith) + 2000 Years = Jesus' 1st Coming

From Church Age (Age of Grace) + 2000 Years = Jesus' 2nd Coming

Here is the Question. If one presumes a 32 AD Crucifixion, and one adds the 2 Prophetic Days or 2000 Years, it has to follow that 2032 is the Return of Jesus. It will be the fulfillment of the 6000 Year Creation Pattern, to the Year. But then Critics have asserted, if from 32 AD to 2025 is only 1993 Years, it is not exactly 2000 Years.

Where is the 7 Year difference accounted for or explained? Here is the Issue. From Jesus' Crucifixion, Resurrection and start of the Church Age, the 2000 Year Segment of Time is to be complete. One conjectures that the last 7 Years of the Church Age will be completed in Heaven as the Honeymoon Phase. It will be the Place and Time that Jesus will be with the Bride of Christ, there in that Isaiah Wedding Chamber.

The End of the Church Age

Now, obviously there will be an Overlap, as these last Church Age 7 Years will also coincide and be used to complete the 70th Years of Weeks concerning Israel's Discipline. This Overlap occurred also at the start of the Church Age by 38 Years, from 32 AS until the Temple was destroyed in 70 AD. Then the City was made desolate and the Jews were evicted from the Land for having rejected Jesus.

So, that is how the 7 Year Difference, that the Church Age will appear to be 'Short' of the 2000 Years precisely from 32 AD are accounted for, in one's Mind. When one sees the Charts one makes and those of others, one does get encouraged about just how close Humanity is to see the End of the Church Age come to its Conclusion. What is Good and Sad about it is that we will get to see and be with Jesus and Loved Ones, and perhaps even one's Pets.

TRIBULATION PERIOD BLOOD MOON PATTERNS

But then on the other hand, how Sad for People, that once the Restraint is set-aside, what we see on the News and Social Media will pale in comparison. We are and have been so fortunate to live in this Age of Grace for these 2 Prophetic Days or 2000 Year Allotment. It is that if one genuinely wants to Repent and come to GOD through Jesus only, we do not need any Animal Blood Sacrifice.

We do not need a Temple, an Altar, an Ark of the Covenant, no Sabbaths to keep in Person or of the Land. All that a Repentant Sinner needs to do is, 'Call on the Name of Jesus'. Well, Humanity actually needs all those Factors mentioned, but they are all fulfilled in Jesus. That is what was promised in Joel, specific to the indwelling of the Holy Spirit.

And how the Apostle Peter preached that the Prophecy of Joel was fulfilled precisely on the very Day in Acts 2 where Pentecost coincided with the First Fruit of the New Wine. Since that Place and Time, Humanity for 1993 Years, from 32 AD (assuming Crucifixion Year) has enjoyed the Labor, Blood, Sweat and Tears of Jesus' Accomplishments.

How dreadful it will be after, for People during what one has called the Rapture Reset. That is why one is encouraged and looks for the Rapture every July Summer Fruit Season, but what Year? As the Years have come-and-gone, the Year and Season of the Rapture's Timing has become more focused, one would say. Now, as a 'Card-Carrying Doubting Thomas', one naturally has a good measure of Skepticism that it could be or will be on such a specific Year, Month and Day.

It is Biblical to be watching for the Season and Jesus has commanded His Bride to be on the Look-Out and 'Keep the Watch'. But as to the Detail as a Year, Month and a Date for the Rapture? Is that even possible? As is known in the End Times Community, it is essentially Verboten to even suggest a Rapture Timing. Then there are those Brethren and prognosticate the Rapture on a Daily basis.

So, that naturally contributes to 'Rapturitis'. But it does not mean that one cannot investigate, correlate and conjecture about the Rapture's Timing. The following is the Essene Timeline of Time and it is eye-opening. It corroborates how there is indeed, apparently a 7000 Year Blueprint of Human History that follows the Creation Week and Sabbath Rest of YHVH.

And here again, we see that Humanity is about to close the 12th Onah or the 120th Jubilee, based on a Factor of 50 or a Pentecost Count to conclude Age of Grace. And according to the Research of Ken Johnson, the Essenes knew of this 'Big Picture' Human History Time allotted, at least 200 Years before Jesus came-on-the-scene.

So, in speaking about a Post-Rapture World, one understands that only after the Rapture will the Identity of the AntiChrist be revealed. This is also a Point in how to argue that the Rapture Event is Pre-Tribulation.

It is an Important Qualifier because if one argues that the Bride of Christ will endure the Tribulation or at least up to the Point that is what is known as Pre-Wrath, if the Church Age Believers of Jesus see and know the AntiChrist's Identity, they are in Big Trouble.

ESSENE CALENDAR OF TIME

The following Chart depicts an Approximation of how the Abomination of Desolation Event will look like. It is when the AntiChrist does take off his Mask, metaphorically speaking at the Mid-Point of the 7-Year Tribulation. It is when the Son of Perdition, the Seed of the Serpent, will be possessed entirely by Lucifer to then walk inside the Holy of Holies. He will then sit on top of the Mercy Seat of the Ark of the Covenant.

This, in part, is what Jesus called the Abomination that will cause the Desolation of the Holiest Site on Earth. Some interesting facts about this Golden Cube or 'Box'. It was made entirely of Gold, as is the Ark of the Covenant. It was and is the Replication of what is the real one that is in Heaven and how YHVH is seated on that True Ark of the Covenant.

This Space is a Perfect Cube and was separated by a very thick Curtain from the Holies. Meaning that no Light was there. It was totally dark. However, when the Ark of the Covenant, or the Throne Chair was present, so was the Presence of YHVH. It was in the Form of what the Jews refer to as the Shekinah Glory, a Light Source.

But in the Post-Rapture World Order, once the 3rd Temple will be finished, one is convinced that the Ark of the Covenant will be revealed to the World and placed once again in the Holy of Holies. And at the Mid-Point, the AntiChrist will pull back the Curtain and sit there for all the World to see.

And it is at that Point and Time that his Number, Name or Mark will be mandated in every Human's Body. And the rest is History as they say. But consider that if 2025 is the Rapture Year, it means that this Person, a Genetic Hybrid, is 'Alive and Well' on Planet Earth, right now.

HAS THE TRIBULATION PERIOD ALREADY STARTED?

A 2020-2027 TIME-FRAME

Christian Widener's Interpretation of Daniel's 70th Week

This is a Critique of a fellow Brother in Christ, Christian Widener's Notion that the Tribulation Period has already started. His Time-Frame of the Tribulation Period is from 2020-2027. One was asked if one knew of the Person's Work and to assess if this is 'True', and that according to his Interpretation of Daniel's 70th Week, Jesus will return in 2027. It is at this Point in Time that the Rapture occurs, according to Widener. So, in essence this Brother is a Post-Tribulation Rapture Believer. No Problem.

One can see how the Verses in the Book of Revelation state clearly that, 'After the Tribulation of those Days', Matthew 24:29-31, the Elect or Jewish Remnant will be gathered from the 4 Winds. Its fulfillment occurs in Revelation 14:15. It is about the End of the Tribulation Period's Harvest of Souls. It is correct that there is to be a Harvest of Souls and that Event will be a Translation, as in a 'Rapture', but it is not the same Word as Harpazo in the Greek to infer a 'Snatching Away' from imminent Danger.

So, here is one's Response to Widener's Notion that the Tribulation Period has already started. Yes, one is aware of Widener's Work. He is the one that also has written a book about the true location of the Temple of YHVH, on the Temple Mount. However, one has not read that Book. Like him, one is convinced that the Holy of Holies is over and will be again, over the Dome of the Spirits.

It is also called the Dome of the Tablets. It is rather interesting. One has a Triangulation of Evidence based on the following.

1. There are the Ancient Ley Lines one deduced from Google Maps, when superimposed over the entire Temple Mount, from at Top View.

2. The Phi Ratio Spiral centered on the Holy of Holies, when superimposed over the entire Temple Mount Platform also from at Top View.

Image of AntiChrist sanctioning 1st Daily Offering on Altar. A.I.

3. The Astronomical Alignments of Orion, especially the Belt Star when superimposed over the entire Temple Mount, from at Top View match the 3 Domes presently erected there.

4. There is also the Sabbath Waking Distance from the Mount of Olives to the Threshold of the Temple Entrance that runs in a Direct Line through the Golden Gate.

Now, that is as far as one would agree with Widener's Research. So now he has written his subsequent Book on the Prophecy of Daniel's 70th Week. And in his Interpretation, Daniel's 70th Week is from 2020 to 2027. One does, however, accept that the Seal Judgments are casting their Prophetic Shadow upon the Present Times.

This is to suggest that their Preludes are lining-up, and 'Fast' with World Events. One is of the Interpretation that only after the Rapture Event and the Bride of Christ takes her Thrones, will Jesus then start reading His 'Last Will and Testament'.

This Event will constitute the Breaking of the Seals, and only then. So, the Question is then, that the 7-Year Tribulation has already started, as noted. As one will read below, one is not convinced at all that the Tribulation Period has already started, back in 2020. Well, if so, here would be one's Questions to him to challenge that Assertion.

1. Who is the AntiChrist? It is clear that only once the Restrainer is set-aside will the Identity of the AntiChrist be revealed. Who is the AntiChrist? Clearly 5 Years, as of 2025 into the Tribulation Period, the World would have already known who that is.

2. Who is the False Prophet? And where are the Signs and Wonder that even Fire from Heaven is made to come down? One surmises that this is how the Daily Sacrifices will be initiated.

3. If the 2020-2027 Time-Frame is in-play, this is now the 5th Year into the Tribulation as of 2025, as noted. One's Point is that by now, the Mid-Point Abomination of Desolations Event would have occurred. Where is the Golden Idol that comes to 'Life'?

4. *Where and what is the Mark of the Beast required of every Human on Earth to Buy or Sell? And if not accepting of it, where are all the Millions that are to be Decapitated for refusing it?*

5. *Where are the Wars, the World Wars like the Gog-Magog War that amount to Billions being Slaughtered in Israel? Is Israel 'Safe and Secure' to the point that it no longer has any Walls?*

6. *Where are the Natural Catastrophes, at a Planetary Level that will see 1/3 of the Trees, Grass and Water either being burned-up or contaminated?*

7. *Where is the Worldwide Famine and Hyper Inflation, that will be so severe, that it will take 1 Days Wage just to feed 1 Person. And that is, if one has a Job and is plugged into the Beast System of Commerce.*

8. *As the Mid-Point of the 2020-27 Tribulation Period is past by 2 Years in 2025, who are or where are the 2 Witnesses? Even if one argues that they show-up either at the 1st Half or 2nd Half of the Tribulation, they would have been On-the-Scene now, regardless. Where are they?*

9. *This same Question goes for the 144,000 Jewish Evangelists. Where are they also? One has not seen nor read about Messianic Jews, to such a degree evangelizing that have turned Heads around the World with their Testimony about Jesus being the True Messiah.*

10. *Who are the 10 Toe Kings that have given their Dominion to the Beast or AntiChrist? And who were the 3 Kings that resisted? Also, what was the 'Covenant with the Many' after all?*

Tribulation Troubles?

It would be very interesting if Widener could address the Questions to see and follow his Logic and Interpretation of Daniel. The Questions need to be addressed because as it is said, 'Extraordinary Claims demand Extraordinary Proof'. But ultimately, if the Tribulation Period has commenced, then what is the Blessed Hope about and what Difference does it make? How then is the Church Age a 'Blessing'?

What Hope is there to be spared from the Tribulation? Where is that Escape Door of the Philadelphians? What is the Church Age all about then, if there is no difference in what Israel and the World will endure, no longer having Grace and the Indwelling of the Holy Spirit? No. One is convinced that the Church Age, the Mystery Age of Pentecost is where Grace is the Operating Protocol.

It is a Time where Jesus is grafting-in the Gentiles into the Commonwealth of Israel. And only then, after the 'Last Gentile' or that 153 'Fish' is caught, will the Net be brought in, and the Wheat will be brought into the Barn. Note that the Church Age is compared to a Wheat Harvest and is an Age that eventually will come to an End.

And to take the Opportunity to reiterate that, as asked, it is only one's Point of View. One is not saying one is 'Right' or has it all figured-out. Or that one has to believe how one sees it or interprets Scripture or Prophecy. But with each passing Year, it does seem that the Foggy Mirror or the Prophecy Window is getting closer and cleaner, no?

So, as to the Brother's Engineering Background in helping determine the True Location of the House of YHVH? Superb. However, his Theology about correctly or rather incorrectly interpreting Daniel's 70th Week, in one's Opinion is left to be desired. One can be very critical of others Research, but one accepts no less of oneself to be held to that same Standard of Scrutiny.

The Response or Lack Thereof...

They assert that Nisan 10 is when the start of Daniel's 70th Week is to commence, on that Day. And the Year? 2025. In Gregorian Time, the Date Conversion is April 8, 2025. This Nisan 10 Date is predicated on the Prophetic Pattern of when the Israelites entered the Promised Land.

However, some Nisan 10 Proponents entirely dismiss Astronomy could have a bearing on the Date as well. Such Brethren are basically dismissing 1/3 of the Disposition why YHVH created the Sun, Moon and the Stars to be for. In Genesis 1:14, YHVH prescribed the Celestial Bodies to be for the following.

1. Signs

2. Seasons

3. Times

Notice the Priority or Preeminence? What many Students of the End Times stress are the Patterns in Prophecy, and rightly. They are then based on determining the Seasons and the Times. But many People dismiss the Sun, Moon and the Stars for primarily being for exactly that, Signs. So, one has a Critique of some of the Brethren who adamantly assert that Nisan 10 is the Start of Daniel's 70th Week. They adamantly deny sourcing any Type of Astronomical Factors that can be Correlated to Prophecy.

Well, if one holds to a Pre-Tribulation Rapture Scenario, it has to occur by or on April 8, 2025. One suspects that the Reason why many have distanced themselves from the Astrological Signs, has to do with what happened with the Revelation 12 Sign in 2017. One would agree that, at the Time, one went against the Sensationalizing of the Revelation 12 Sign, as being the Rapture Event itself. One was and still is convinced that it was the Rapture Sign, to the Church; to awaken the Sleeping Church.

That perhaps it was going to be a 7-Year Countdown to the actual Rapture Event. The Church was put on Notice. That was more plausible in one's Mind. It could have been, but that is where one formulated that Eschatological Axiom of mine, that the 'Sign is not the Event'. So, now that the Sign has fulfilled its Astronomical Shelf Life, will the Rapture Event occur soon after the 7th Year to fulfill the Astronomical Sign?

That would mean that the Rapture Event will have to occur in the 8th Year, if one's Assertion is to be correct. And one knows the Biblical Significance of the Number 8. But as to the Tribulation Period already having started and perhaps what Christian Widener's response was to one's Questions? A Sister in Christ took the initiative to reach-out to Widener with the Questions. Here is what his Response was.

@EndTimesBerean

That's a little long for the comments section, but if you download the free copy of my book, Witnessing the End, you will find answers for the things that we can know now. Some of the things you have asked are still being revealed, like who is the antichrist. I have a video explaining that the antichrist and the beast that rises from the sea are not really the same thing. One is a person but the other is a kingdom, a system, with many horns (leaders).
<https://youtu.be/yfYVsFzN6nE>

Well, many Brethren do believe that the Tribulation Period has already started, back in 2020 as well. But as they say, 'To each their Own'. However, one is suspect even more now, after what little he replied to. If he cannot answer conclusively the simple Evidence that should be 'Fact' and 'Proof' by now, then one is not 'buying it'. That is all. One's Critique is that by now, there should be no Guessing nor Doubt about what one had asked. And those are sincere Questions.

But based on Widener's Daniel's 70th Week Timeline, the Tribulation is already 3/4th of the way done. And if he cannot identify who the AntiChrist by now? That the Beast and the AntiChrist are not the same? Sure, there is the Beast, 2 of them in fact. So, which one? The one from the Sea, the AntiChrist or the one from the Land, the False Prophet? And then there is the Beast System of Babylon, which one?

One cannot really follow his Interpretation of what Daniel's 70th is really all about. Not that one's is any better or more correct, but he is introducing Interpretations that one has not even heard of until now, 45 Years worth of End Times Studies later.

This is why Paul admonished the Churches not to have Teachers that are either newly Converts, Young or have not studied the Scriptures to 'Rightly Divide' them. Widener is conflating a lot or is not really skilled at Rightly Dividing the Word, in one's Humble Opinion.

Here is one's Calculations, to suggest that the 70th Week of Daniel is on the threshold of beginning, perhaps in 2025. How so? The Year 2025 is the Year of 7's. It is the 77th Year for Israel since 1948. How from 1948 + 70 Years was 2018 + 7 Years = 2025 and then + 7 Years could be Daniel's 70th Week of Years, that ends in 2032. Then as a Brother in Christ, Stephan pointed-out the following Day Count.

From May 14, 2018 (Israel 's 70th Birthday)

+ 7 Prophetic Years (2520 Days)

= April 7, 2025 (The start of Nisan 10 in Jerusalem). Cool.

Or if one factors a 7 Year Land Following since 1948, as Israel had to wait once having crossed into the Promised Land led by Joshua = 1955. Then adding the 70 Year Factor from 1955 = 2025. Then the 70th Week of the 7 Years of Daniel from there = 2032.

It corresponds with the same Years as the prior Timeline. Here is a Chart one made that attempts to capture these Timelines. It seems all these Number 7 Correspondences do not concur with any of the up-coming Years.

TRIBULATION THEORIES

FALL 2025 TO FALL 2032?

Globalist Babylon System Timeline

One has previously stated that what does start the Tribulation Period is when the 1st Daily Offering is made on the Altar of Sacrifice. This is when the Tribulation Period Clock Commences'. In one's Timeline, one interjects a Gap Time Theory, wherein the AntiChrist, to be revealed after the Rapture, must have an allotted Time. It will not be enough to then 'Conquer the World' through 'Peace and Safety'.

Then the 3rd Temple must be erected and the Daily Sacrifices must commence. This takes Time. You then have to factor-in the Ashes of the Red Heifer and realize that there is a Waiting Period of Months before all of Israel is then considered 'Kosher' to present the Daily Offerings in the New Temple. As to how this Timeline factors into the possible Timing of the Rapture?

One only has a 'Once in a Year' High Watch Date, which is a July 23 (723) corresponding on the Gregorian Calendar. So, one's next High Watch Date is July 23, 2025. But note that this is less than 3 Months before one's projected Start Date for the Tribulation Period on October 18, 2025. Time would be too short to establish Daily Offerings, much less build the 3rd Temple. Or could it be just enough 'Time' for all that to occur.

One is of the Persuasion that such Events and Prerequisites as the Identification of the AntiChrist, the Daily Sacrifices, the 3rd Temple and the Start of the Tribulation will be expedited. So, sure, the Rapture could occur sooner than a July 23, which in that case, the only other possible Rapture Date one could conceive is Nisan 17. Why?

When is the Rapture?

That is when Jesus resurrected. And the Rapture of the Bride of Christ, being extracted from the Body of Jesus on Earth is to follow the Order of the Resurrections. But, if one's Acts 2 Pentecost New Wine Rapture Date is not correct, then there will be a need, obviously to shift one's Timeline and the Year of the Crucifixion to a Post-2025 Timeline. Presently, here is the 2025-2032 Timeline-Theory.

SCENARIO 1

Beginning of the Tribulation Period:

October 18, 2025 (Sabbath of Beginnings)

Midpoint (Revelation 12 Sign 2.0):

April 1, 2029 (Passover)

End of the Tribulation Period :

September 11, 2032 (Sabbath of Return)

SCENARIO 2

Beginning of the Tribulation Period:

October 13, 2025 (Shemini Atzeret-Simchat Torah)

Midpoint (Revelation 12 Sign 2.0):

April 1, 2029 (Nisan 10)

End of the Tribulation Period :

September 11, 2032 (Rosh HaShanah)

As a 'Disclaimer', one must realize that one only is offering Conjecture, Speculation and Point of View. As these Topics of the End Times are not Salvific Issue, it is an area of Extreme Interest that one has just dedicated Time into researching such Topics. And it is based on where one is at the End Times 'Learning Curve'. It is different for everyone and all have a differing Vantage Point. But here are one's Response to your Inquires and Observations regarding one's Timeline.

1- One admits that one is using a Hybrid Timeline based on the Fusion of the Rabbinical Calendar and the Torah Calendar. One starts the Fall 2025 to Fall 2032 Tribulation Timeline with the Rabbinical one and ends with the Torah one. Why? One does not really know which is the one that YHVH is 'clocking' and counting from.

2-So, one is surmising the start of the Tribulation Period, 3 Days after Shemini Atzeret-Simchat Torah. It is a Sabbath. Likewise, one is ending the 2520 Day Count 3 Days after the End of Rosh HaShanah in 2032, which is also a corresponding Sabbath, the Sabbath of Return.

3-It is correct that a 2025 July 23 Acts 2 Pentecost Rapture, i.e., New Wine correspondence will be cutting it close, if at all. However, Prophecy is occurring in a 'Snowball' Metaphor Type of Speed, presently. This is insinuating that Prophetic Events will occur incredibly fast, relatively speaking as they presently are, no?

However, one's Theories, are based on a 32 AD Crucifixion Year. Then one's New Wine Theory of a July 23 Date, is based on a reinterpretation of Leviticus 23:15-16. And one's Fall 2025 to Fall 2032 Tribulation Timeline is based on the Shemitah Cycles corresponding to the latest one, being from Fall 2022 to Fall 2029. If they turn-out to be incorrect, then all of them will 'Collapse'.

This is why one always qualifies one's Research and Suppositions/Theories in that 'Time will always Tell the Truth'. But as mentioned, that is what one is presently able to only see and surmise from what one understands. Obviously, one cannot see clearly and only as the Years, Months and Weeks go by, does the End Times come into better Focus. It might very well be the case that one will end-up having to, once again, readjust the Tribulation Timeline.

End of the Church Age

But consider how then the Essenes will have gotten it 'Wrong' also as they too surmised and calculated a 32 AD Crucifixion Year. They also calculated that the 70th Week of Daniel is to start in 2025. Not that the Essenes have it 'Correct' either, but in one's Estimation, they have provided a Corroborating Witness of one's Research, up this Point in Time, which is neat.

However, there 7000 Year Timeline or 7-Day Creation Template has the Millennial Kingdom starting in 2075. It has to do with the Last Jubilee Count of 50 Years. Thus, if one factors that out, it is $2075 - 50 \text{ Year Jubilee} = 2025$. Or the following.

*Essene Start of Millennial Kingdom 2075 – 50 Year Jubilee
(-7 Year Tribulation Period)*

= 2075 – 43 Year Factor

= 2032

One is still scratching one's Head about this and not sure how to reconcile it in the scheme of things, pertaining to one's current Tribulation Period Timeline. So, consider that if 32 AD was indeed the Crucifixion Year, exactly 2000 Years, assuming a 365 Day/Year Calendar would be 2032 as noted. But one's Question would be and is, does it have to be precisely when the Church Age Ends? This is based again in the 1 Day = 1000 Year Prophetic Template.

So, this would mean that one should not be assuming and subtracting the 7-Year Tribulation from 2032 but rather adding it. Thus, this would mean that it is in 2032 that the Church Age 'Ends' with the Rapture and it is from then, that the Tribulation starts. The End would be $2032 + 7 = 2039$. Is this 'more correct' then? But what about the 70 or 80 Year Limit of the Last Fig Tree Generation, if one considers 1948 as the Countdown Year? $1948 + 80 = 2028$.

Just by this Equation alone, it would appear that the Year 2028-2029 would corroborate with being the Mid-Point of one's Fall 2025 to Fall 2032 Tribulation Timeline. And what about the 'Final 4' as presented by Brother Gary? Beyond 33 AD, it will 'not work'. Or it is just that we are not seeing nor considering all that is there but are not allowed to conceive it, just yet. The Research continues.

Now, there are Prophetic Factors that have to play-out for the Timeline to be correct. Consider the Fig Tree Parable. Because of the Fig Tree Generation, one cannot see the Rapture Event occurring after 2026. If the Rapture Event is to be on July 23, 2025, it would not too late for the Start of the Tribulation on October 18, 2025, as mentioned.

One is just holding-out on Hope that the 3 Month 'Gap' is enough Time to have the False Jewish Messiah be Identified, prepared to be Crowned, sanction the Temple, have the World give him Power, have the Red Heifer Ceremony to procure the Ashes, finish the 3rd Temple, then consecrate it and then Dedicate it that Sabbath after Simchat Torah of October 2025.

It will have to be a Recalibration and Recalculation of 'Everything' on one's Part. But have this in mind. One has been studying the End Times since April 1980. That is now 44+ Years. One's 1st Book read was Revelation and then Daniel. Yet, one has not 'figured-it-out'. That that one is 'Special' but to point-out that despite a Person's diligent attempts at delving into such Topics, they are yet to be fully comprehended, much less 'Solved', if not by the Revelation given by the Holy Spirit, as He sees fit to do so.

Here are some more Thoughts about 3 Months not being enough Time of a 'Gap' to have the Tribulation Period start in the Fall of 2025, if the Rapture is pegged to one's July 23 New Wine Theory Date. Consider that the Premise of this Rapture 723 correspondence is based on one's Dream/Vision, initially.

Triangulation of Clues

And then as one has conjectured, that as the Acts 2 Pentecost New Wine is when the Church began, one is only using Logic to surmise that perhaps the End of the Church Age is to conclude on its Anniversary. It seems and appears Logical, but it does not have to be the case.

What if, as mentioned prior that 1 of the 3 Concrete Clues of when the Rapture Event will be, is based on the Order of the Resurrections. So, what if Nisan 17 is that Correspondence after all? That would give then the 'Gap' Time, approximately 6 Months or ~90 Days for the Tribulation to begin and have all the details converged by then in the Fall/October of 2025, etc.

Also consider that if around Nisan 17 would or could be the Rapture, following the Anniversary of Jesus' Resurrection, rather, that would be or could be also the Timeframe when the False Jewish Messiah would be 'Revealed'. And is not then the Passover connected and directly associated with Moses? And are not the Rabbinical Elders of Zion looking and expecting their Moses 2.0 to show-up?

And get this. What if at that Convergence of Time and Place, the 2 Witnesses will also appear? And as it has been conjectured also, there are those that are convinced that 1 of the 2 Witnesses will be Moses himself. Would not that be Wild? This is predicated on the Circumstantial Evidence of how at the Mountain of the Transfiguration, it was after all, Moses and Elijah that met with Jesus.

They represented the 'Law and the Prophets'. And the Scripture specifically states that it had to do with what was to occur In Jerusalem. Now, it can be in the Context of what transpired during the Life and Ministry of Jesus as He was Crucified in Jerusalem. What if the Discussion was also to be and is of how thereafter, it will be how Moses and Elijah will likewise enter Jerusalem and eventually be Martyred at the End of their 1260 Day Commission?

And do they not lie in the Streets, Dead for 3.5 Days, somewhat like Jesus was and then are Raptured up to Heaven? So, one is suggesting that one will be open and looking for that Nisan 17 Date in 2025 that could instead be a High Rapture Watch Date Candidate, based on the Order of the Resurrection Typology.

TRIBULATION PERIOD PERTURBATIONS PIERCING THE IONOSPHERE?

The Worldwide Calamities coming upon the Earth

The purpose of this study is to address the Elon Musk Space X Rocket that exploded in the Ionosphere. Apparently, it made a Hole in the 'Veil' and it as reported that the failure the Rocket triggered a Phenomenon that was stated as, 'Never been seen before'. The Article in the Daily Mail was very interesting.

In reading it, all the 'Conspiracy' Arguments came to Mind when reading it. As to the Sky rolling-up like a Scroll? It would be hard for a 1st Century Person attempting to describe Astronomical and Meteorological Phenomena that is to take place some 2000 Years into the Future from their Reference Point. The best one could imagine how it could or will be like, is that it will be because of a Pole Shift of some sort.

As it is, many do not realize that the Magnetic Poles have shifted significantly and still are, alarmingly. It is clear evidence of the Giant Dwarf 2nd Sun is coming in-bound. It is a Failed Sun that has collapsed on itself and the Mass is so heavy that it is like a Colossal Magnet in Space. Because of its Matter, being so dense, it absorbs light and it is not detectable with regular or conventional Telescopes.

Thus, the need for Infrared Telescopes. So, the U.S., the Vatican and others have them only. Why? They are tracking how close and soon the 'Death Star' is to approach Earth. Based on the Descriptions of the worldwide Calamities of the Book of Revelation, only such a Body could produce such worldwide Effects, assuming Jesus is using it to impose His Wrath and Judgment with.

The Wrath of the Lamb

The Luciferian Elites 'know' this Black Sun is in-coming and thus have built all their Deep Underground Military Bunkers. Based on the Research of the Late Zecharia Sitchin, it is conjectured that in one of the Planet X Flybys, the Atmosphere of Mars was sucked-out into Space. And it was also due to the Cosmic and Angelic Warfare occurring at that Time. That was the real 'Star Wars', in some sense.

But as Isaiah 24:20 teaches, 1 Day, the Earth will 'Crack' like an Egg, describing it as wobbling like a Drunkard. Can one imagine the Horror? So, as Nemesis approaches the Inner Solar System, it is really the Reason why there is Global Warming and Erratic Weather Patterns. It is aside from the Weather Weapons and Manipulations going on presently according to Geo-Engineering Watch.

<https://www.geoengineeringwatch.org>

Consider in 1 Calamity alone, the Devastation of a Single Earthquake will be so severe in the Tribulation Period, that it will not your regular Localized Type, even if severe. The Book of Revelation 16:18-19 describes 1 being so bad, it flattens the entire Cities of all the World, at the same Time.

This is when the Earth will 'Crack' as the Tectonic Plates will buckle and then the Atmosphere will 'Crack' also due to the Magnetic Poles reversing their Polarity. One conjectures, this will be due to the Magnetic Pull of Planet X's Orbit and Flyby as it approaches Earth's Sphere of Influence.

As to how close this 'Red Dragon' will get to Earth? One is not sure but NASA, the ESA Euro-Space Agency and others do know precisely. But they are not telling. And sense one is not in their Luciferian Club, there will be 'No Room at the Inn'. Now, as to the Elon Musk Rocket Explosion that did apparently make a 'Hole' in the Ionosphere?

One is reminded of just how thin, in comparison to the vastness of Space the Protection Humanity has on Earth. It is what keeps Humans from flying-away into Space thanks to Gravity, and what is provided for Humans to Breath.

But do be aware that many People do not believe that Space exists and that all the Billions of Suns and Star are all contained within the Dome that encapsulates Earth. And that the Sun is actually about 30 Miles High. It seems the Luciferians cannot stop messing with the Atmosphere and the Ionosphere of Earth, with their Chem-Training.

Depiction of 'Stars falling from Heaven' during Tribulation. A.I.

They are spraying the Skies with Aluminum and Barium, (Ba-Al) and Humanity is what is being offered on its Altar as the Babies were in Ancient Israel and with Abortions in the Modern Sense. You all many not have realized also of how in the early 1960's, the U.S. Government intentionally detonated Nuclear Weapons in an attempt to break-up and pierce the 'Dome'. See Operation Starfish and Fishbowl.

https://en.wikipedia.org/wiki/Starfish_Prime

For those of you that believe Earth is Flat and the Dome or the 'Firmament' that is described in the Bible is referring to this Dome, then it is what the Luciferians had wanted to break. Why? There are those that believe that Humanity has not ventured beyond this Veil and that the Radiation Belt would have prevented Humans from landing on the Moon, for example.

There have been so many Nuclear Detonations on Earth since Hiroshima and Nagasaki that they have been a prime cause of many types of Cancers throughout the Decades. According to AtomicArchive.com, Since the bombing of Hiroshima in 1945, there have been a total of 2,056 Nuclear Detonations conducted by at least 8 Countries. This includes both Atmospheric and Underground Tests that are only publicly disclosed.

So, one is so glad that Jesus promised a Door of Escape from the Wrath to come for that 1 Hours upon the Inhabitants of the Earth. The Rapture will be a Rescue of His Bride from all the Natural Calamities described in the Seal, Trumpet and Bowl Judgments. It is what is to come on an Unrepentant and Defiant Last Generation of Humanity to the Late Great Planet Earth.

This is why one cannot phantom why so many Brethren believe the Bride of Jesus, collectively is to endure the Wrath or 1 Second into what Israel and Humanity owes and needs to 'Pay-Up'. In Jesus, it was all Paid for at the Cross of Calvary. Jesus' Shroud was that Receipt of Proof of Purchase. And we are that Prized Possession, only made worthy by the washing of the Water of the Word and by the Blood of Jesus.

SEPTEMBER 7, 2025 BLOOD MOON OVER JERUSALEM

*September 22, 2025 Revelation 12 Sign Solar
Eclipse on Eve of Rosh HaShanah*

The purpose of this study is to revisit the pair of Eclipses that will occur at the end of 2025. Astronomically, whenever there is a Blood Moon, or a Total Lunar Eclipse, there is its pair Solar Eclipse that occurs as well and vice-versa. It has been discussed that the September 7, 2025 Total Lunar Eclipse over Jerusalem could be how it is the preface to the coming start of the 7-Year Tribulation Period, perhaps. The Blood Moon will be seen by all of Central Asia, to include Israel.

It will be seen just outside the Golden Gate of the Temple Platform and over the Mount of Olives. It will be very ominous. But one's point is that the subsequent Eclipse, a Solar one that will be partial, will occur on the eve of the 8th Year Anniversary of the Revelation 12 Sign and on Rosh HaShanah or Yom Teruah. What is peculiar is that Solar Eclipse occurs over Antarctica where the Revelation 12 sign will be everted.

It will be as possible as an Astronomical Bookend in how the Sign mirrors each other. This would be a befitting imagery to preface what would then come in exactly 40 Days later, which will be October 18, 2025 (End Day Included). This day will be Tishrei 25 or the 1st Day of the 7-Day Feast of Tabernacles or Sukkot. This is 1 of 2 possible Timelines one has presented. The other starts from October 13, 2025, which is the start of Shemini Atzeret-Simchat Torah.

These are the 2 Minor Feasts called the 8th Day of Assembly when the Kings of Israel would gather the Nation and on the Day of the Torah, would 'Confirm' it in the reading and hearing of the Priests and People. But consider that due to the Rapture Reset, all things will drastically be 'Reset'. There will be a Financial Reset most notably. But one point is that just in the last 2 Years, all that is required that needs to be in place is practically here already. And with the Technology now, A.I., and unknown variables, the 3rd Temple can be built in a matter of weeks, some have speculated. What also has come to mind is the Deagel Report that predicts that the USA and other Western Nations would lose at least 2/3 of their Population. How? When?

Well, it was projected to occur sometime in 2025. If anything is to happen, it should start right about now. Hopefully, the Bride of Christ will not see all this from this side of the Rapture. In conclusion, one leaves with the understanding that this September 7, 2025 Blood Moon is part of a Triad, in the middle of the 2 other ones that are tied to the Purim or Queen Esther Blood Moons of 2025 and 2026.

And that its pair, the Solar Eclipse of September 22, 2025 occurs as Israel celebrates the start of their Civil New Year. Consider that time period of Esther and what factors were signified for Israel's survival. You have Israel being ruled by a 'Great King' securing Esther's prominent place in the Palace and in the World.

But then you had the Evil Haman who sought to destroy the Jews. This is exactly what will be recurring during the Tribulation Period. This Blood Moon of September 7, 2025 and the Solar Eclipse of September 22, 2025 in one's estimation, is that prelude of what the 'Bad Blood Moon Omen' and Revelation 12 Solar Eclipse will be all about.

TRIBULATION PSALM 27

PATTERN OF PROPHECY?

A Chiastic Corresponding Reflection

The following is a study about Psalm 27 and how it could be a possible Prophetic Pattern of the coming 7-Year Tribulation Period. Consider how the entire Psalm of David has 14 verses all together. What if one divided them in half and made it a corresponding Chiastic Fold? The 1st 7 verses could be corresponding to a year then, with the Chiastic inference to match the details, perhaps.

This supposition is based on how one's current Tribulation Timeline is based on a Fall 2025 to a Fall 2032 time-frame. One of the main reasons for considering this verse in the Psalms is that it is one's Life Verse. When one got saved back on April 9 1980, a Teacher in the 8th Grade introduced one to Jesus. The discussion revolved around one's questions about life, the meaning of life and what was one's purpose in the vast Universe.

The Teacher was a Christian and in those days in the USA, Teachers could openly discuss their Faith. He even had a Bible in his desk that was in the classroom. One would meet with the Teacher during the Lunch Hour and discuss the offer that Jesus made to Humanity.

The daily meetings occurred in the Woodshop where the Great Carpenter, Jesus was slowly but surely fashioning one to become a Believer and Follower of Jesus. By the time that Passover came in April of 1980, one was ready to make a lifelong commitment to follow Jesus. The Teacher led one in the Sinner's Prayer and one was Saved. One's Spirit was redeemed. One's Soul was now to begin working-out its Salvation. And lastly, 1 day, one's Body would be glorified, i.e., the Rapture Event.

A Chiastic Correspondence

One continued meeting with the Teacher as the sessions became a Discipleship. He gave me my 1st Bible. Naturally, one read the last book, Revelation and then Daniel in the Old Testament. For some reason, the Holy Spirit led me to those 2 books. Perhaps because one was so young, 13 years old and perhaps as old as Daniel was when he was taken captive to Babylon.

And perhaps like the end of John's life, now old and also held captive in the Isle of Patmos. These 2 Men would define one's life. And in reading the Promises of both Daniel and John, one realized the blueprint that was to become one's Spiritual Journey of Faith. And that was quantified in Psalm 27.

It is because as one publicly professed Jesus, all that King David said in Psalm 27 came true in one's Life. Thus, it became one's Life Verse. So, that is why this study in Psalm 27, being a possible Prophetic Pattern of the coming Tribulation Period for Israel and the Jews is pertinent in that it is tied also to the end of the Church Age.

And that is where one has been waiting for the Glorification of the Body, i.e., the Rapture. Has the year arrived? Will it be in 2025 based on Psalm 27? This year calculation is pegged to the 1948 rebirth of Modern Israel and the 77th Year that it has achieved in 2025. And?

The year 2025 is the time marker that has 7 Years remaining until Israel reaches its 84th Year Anniversary in 2032. One's Theory is that this year concludes a dual timeline of the end of the Church Age and the Redemption of Israel. It is that the 7 Years remaining to reach 2000 Years from 32 AD is calculated that it was and is from the Crucifixion Year of Jesus.

Year?	Western-Jewish	1st 7 Verses	Chiastic Fold Correspondence
Year 1	2025-2026 5786	1 The LORD is my Light and my Salvation [Yeshua] — whom shall I fear? The LORD is the Stronghold of my Life—of whom shall I be afraid?	8 My Heart says of you, 'Seek his Face!' Your Face, LORD, I will seek.
Year 2	2026-2027 5787	2 When the Wicked advance against me to devour me, it is my Enemies and my Foes who will stumble and fall.	9 Do not hide your Face from me, do not turn your Servant away in anger; you have been my Helper. Do not reject me or forsake me, GOD my Savior.
Year 3	2027-2028 5788	3 Though an Army besiege me , my Heart will not fear; though War break out against me, even then I will be confident.	10 Though my Father and Mother forsake me, the LORD will receive me.
Year 4	2028-2029 5789	4 One thing I ask from the LORD, this only do I seek: that I may dwell in the House of the LORD all the Days of my Life, to gaze on the Beauty of the LORD and to seek Him in His Temple.	11 Teach me your Way, LORD; lead me in a Straight Path because of my Oppressors.
Year 5	2029-2030 5790	5 For in the Day of Trouble he will keep me safe in His Dwelling; He will hide [The Hidden Day] me in the Shelter of His Sacred Tent and set me High upon a Rock. [Petra]	12 Do not turn me over to the desire of my Foes, for False Witnesses rise up against me, spouting malicious accusations.
Year 6	2030-2031 5791	6 Then my Head will be exalted above the Enemies who surround me; at His Sacred Tent I will sacrifice with Shouts of Joy; I will sing and make music to the LORD. 	13 I remain confident of this: I will see the Goodness of the LORD in the Land of the Living.
Year 7	2031-2032 5792	7 Hear my voice when I call, LORD; be merciful to me and answer me.	14 Wait for the Lord; be strong and take heart and wait for the LORD.

VERSE 1

Notice how in this verse, it starts out with how it is YHVH that is the true Salvation or 'Jesus' of Israel. It is not the false Covenant that will be confirmed instead by Israel in seeking Salvation in anything but Jesus. And the corresponding Chiastic reply is from verse 8. It stipulates how YHVH seems to beckon Israel to Seek YHVH and His Face alone.

VERSE 2

Then this verse insinuates that the world will be against Israel. And this has been the Satanic Situation now on Planet Earth. Nearly every Nation is against Israel and shout 'Free Palestine'.

VERSE 3

This verse speaks of how then the Armies of the world, especially the Muslim ones will attempt to besiege Jerusalem. This could very well be the timing of the Gog-Magog War of Ezekiel. This will be the 1st Time since the end of the Old Testament that YHVH will call Israel 'His People'. This flies contrary to those critics of Modern Israel that erroneously believe that the Jews that live in Israel are not the Jews of the Bible.

VERSE 4

Then the climax of the Psalm is seen in how the desire of King David is to dwell in the House of YHVH and gaze at His Beauty. If one's Theory based on the Verse-to-Year correlation is plausible, then this is the year 2029 and the midpoint of the 7 Year Tribulation Period. And?

This is when the inverse happens in that it will be Lucifer by way of his Proxy AntiChrist that will enter the 3rd Temple to be gazed upon by the world. It is at this point in time that the mandated Mark, Number or Name will be required as an act of worship towards Lucifer by way of the AntiChrist that 'ought not to be there'.

VERSE 5

Then consider how in this verse, it is when the Remnant of the Believing Jews that remain will then flee to Petra for protection. It will be as a Hiding Place, the Shelter of His Sacred Tent that will cover them and shield them from the reach of the Red Dragon as portrayed in Revelation 12. This will be what one calls the Exodus 2.0 in how YHVH will protect Israel as He did in the Wilderness Journey.

VERSE 6

This verse proclaims the Victory in Jesus as how it is explained in the Book of Revelation that the key to all those that overcame Lucifer, his AntiChrist and the False Prophet is by keeping the Testimony of Jesus. And in that, there is reason for celebration even though it will cost most of the Believers and Followers of Jesus their heads during the Tribulation Period. This is why the Chiastic correspondence is verse 13 in how such are holding on to the confidence that there is a Resurrection to occur.

VERSE 7

This verse concludes the 1st half of Psalm 27. It is a supplication from King David to YHVH that GOD may hear his prayer and heart's desire. The Key also to the Victory and Answer to a Supplication before the Throne of YHVH is that one must have 'Godly Patience'. In GOD's timing, His will has preeminence and will be accomplished in one's life.

This would mean that the 7 remaining years of the Church Age will be completed in Heaven above as the 7 remaining years of Daniel's 70th Week will be completed on Earth below. Now specific to the 7 verse Tribulation Period with reference to Psalm 27? Consider how it begins and then have in mind what the Tribulation Period is all about. It is when YHVH will finally deal with Israel's Unbelief. In reading the 1st 7 verses, place yourself in the mind of a Jew that will go through the 7 Years of Jacob's Trouble. It will not be the Trouble of the Church.

The concept of having a Psalm-to-Year correspondence is not new. According to the late J. R. Church, 'Hidden Prophecy' can be found in some of the Psalms. Dr. David Reagan of Lion and Lamb Ministries also concurs with this notion and has written articles about it.

So, is there 'something' to this Psalm 27 corresponding to a possible Prophetic Pattern that insinuates the 7 Years of the Tribulation Period? Will the 77th Year or Modern Israel be the corresponding year in which the last 7 Year of the Church Age coincide with the last 7 Years of Daniel's 70th Week? Perhaps.

AFTER THE TRIBULATION OF THOSE DAYS

THE PURE RELIGION OF LUCIFER

A Post-Rapture World Order

Spiritually speaking, what Religion will be the dominant one after the Rapture Reset? Will there be 1 or 3? How will the world react to the Rapture Event? As the Bride of Christ is removed from Planet Earth for those 7 Years remaining to reach the 2000 Year time marker since 32 AD, who or what will fill in that Spiritual Void? Lucifer will. How so?

It will be what is actually already in place, 'hidden in plain sight'. For some context, consider the infamous letter of the Mason Grand Master, Albert Pike. Although the letter is said not to be real, it is solely based on the precise tenets of Freemasonry. And that is? Luciferianism. In Freemasonry, a person has to profess a God in order to get to the highest levels. Initially, it can be any 'God'. It can even be YHVH.

But once an Initiate reaches beyond the 33rd Degree Level, it has been disclosed that whom they really worship is Lucifer. In their twisted interpretation, they, like Eve, have fallen for the lie that Lucifer came to bring 'Fire', Light and Knowledge to Humanity. And it is the 'Evil' YHVH and Jesus who are the evil ones that are preventing Humans to be like 'Gods'.

Ultimately, the Agenda of Lucifer is to channel and receive all Human Worship to himself as he sits on YHVH's Throne on Earth, in Israel, in Jerusalem, in the 3rd Temple. So, many Humans since Eve have believed the Lie and have sided with Lucifer. Their aim is to control every Human on Earth. But that is already done in the sense that the World lies in the hands of the Wicked one, the Apostle John said.

The Faith of Abraham?

So, what is at stake? The very Souls of every Human on Earth. That is the prize Lucifer wants to rob as many as he can from Jesus' Redemptive Plan. And the way the Luciferian Masons exemplify this tenet in how they place the 'Holy' Books of the major Religions of the world.

They are Christianity, thus the Bible. There is Islam, thus the Quran. Then there is Judaism, thus the Torah. And depending on the Masonic jurisdiction, there can also be the tribute to Hinduism, thus the Bhagavad Gita. One's point is that on the Altar of Lucifer, that the Mason worship at, there are 3 Books. It serves as a 'Triangulation' of sorts that mimics or even mocks the Trinity, the true GOD, YHVH of the Bible.

So, after the Rapture, one conjectures that this same Luciferian framework and pattern of 3 will be implemented worldwide. This, after all, was, is and will be the plan of the Luciferians, of which the Masons are bound to this 'Great Work' or Enterprise. It is how the false religion of what has become Apostate Christianity, False version of Judaism and violent Islam will all be united as 1 Faith at the Temple Mount. What? Yes.

The Masonic Luciferian Altar will be the Temple Mount. Then the 3 Books of the 3 False versions of the Faiths of Abraham will be represented by their 'House of Worship'. Thus, the 3 'Books' will be 3 literal buildings for each of the Faiths of Abraham.

Enter the Abraham House and the Abrahamic Accords; and now the Abraham Shield. But realize this difference amongst these 3 so-called Faiths of Abraham. Abraham had only 1 Faith. And that Faith is in who he saw. He saw Jesus. And this is the true Faith of Abraham, as opposed to Rabbinical Judaism and Mohammedan Islam. They do not see Jesus for who He really was, is and did.

You do not know Him, but I know Him. If I said I did not know Him, I would be a liar like you. But I do know Him, and I keep His word. Your father Abraham rejoiced that he would see My day. He saw it and was glad. Then the Jews said to Him, 'You are not yet 50 years old, and You have seen Abraham?' -John 8:55-57

At the point of the Resurrection-Rapture, realize that there will be no Testimony of the Gospel that can only save a Human Soul. This is why then the Pentecost 2.0 will be initiated as the 144,000 Jewish Men will be anointed to carry out the Testimony of Jesus during the 7-Year Tribulation Period. But center-stage on Earth will be Israel, Jerusalem and the Temple Mount. Why?

It is because it will be there that the Abraham Houses will be erected, to include the 3rd Temple. This will be the rallying cry that will unite the entire world under a false 'Jewish World Order' and hybrid religion. They will share YHVH's House with the apostasy of the other 2, being Apostate Christianity and Mohammedan Islam. And who will be the ones to suffer because of this Triangulation of Evil?

It will be the Believers and Followers of Jesus that come to Faith during this time. How so? During this time of the 'New Luciferian' Religion where you can pick and choose your 'God', but only 1 of 3 iterations, worshiping Jesus as a God will be punishable by death, Capital Punished. Why? During this time and place, what will unite all 3 Apostate Faiths of Abraham is that there is 1 God.

Great. But not Jesus. The Jews reject Jesus as GOD. The Muslims reject Jesus as GOD. And worse, is that Apostate Christianity now rejects Jesus as GOD. So, based on the Noahide Laws that will be implemented and governed by the Sanhedrin from Jerusalem as the World Religious Council, anyone who dares proclaim that Jesus is LORD will have to be put to death.

Are the Modern Jews the Israel of the Bible?

It will all look and sound wonderful now after the Rapture Event and the 7-Year Tribulation starts that the world will appear to have achieved the impossible, 'Peace in the Middle East', and in the World. This feat will be done by a charismatic Leader so that the world will rally around as he and the False Prophet will rally the world into this 'New Religion'.

It will be how the Agenda of Lucifer will have come to fruition in having what the Mason practice now become the world's practice. And as Albert Pike rightly noted, it will be their 'Gold Dawn' when the 'Pure Religion and Light of Lucifer' will be worshiped out into the open. Mission accomplished. The chart that accompanies this study will show how those 3 'Books' and the Luciferian Altar on the Temple Mount will look like. Next, one will comment on how there are those that assert that the Modern Jews in Israel are not the Jews of the Bible.

If the Jews that are in Israel presently are not the Jews of the Old Testament, then why do 2 Billion Muslims disagree with you? So, once the Modern Jews are all removed from the State of Israel, who or what People you have until the 'Real Jews' come back to the Land? If the Jews are not the Jews of the Old Testament, who are they and where are they presently on Earth? Can you identify any Person that are?

Students of the Bible must realize that the 3rd and last Regathering of the Jews in the Last Days would be based on how the Jews would be brought back into the Promised Land but in Unbelief. If the Regathering is to take place after the Rapture, it does not follow in that the following verse provides evidence that the Timing of the Jews returning to the Promised Land was when the Land was desolate. That period was from World War 1 to World War 2. When Mark Twain visited the Holy Land, he wrote that it was all barren and with hardly any People there.

So, fast-forward to the 21st Century, what parts of Israel are still desolate to fulfill the Prophecy of Ezekiel? One's point is that since the Jews started to return after their Independence in 1948, the Land of Israel has been reclaimed. It is no longer desolate in that every arable area of land has been reclaimed. Ezekiel 38:8 After a long time you will be summoned.

In the latter years you will enter a land that has recovered from war, whose people were gathered from many nations to the mountains of Israel, which had long been desolate. They had been brought out from the nations, and all now dwell securely. Has one ever considered the Year Calculation, to the year from the late Grant Jeffrey?

Both Chuck Missler and Grant Jeffrey calculated that the end of Israel's punishment and her restoration interpreting Ezekiel's prophecy of 430 years of judgment, subtracting the 70 years of Babylonian captivity, and applying a multiplication factor for disobedience, leading to a total of 2,520 years, which calculated to the Year 1948.

In 1947, the Dead Sea Scrolls were found.

In 1948, Hebrew a Dead Language was resurrected.

And even if the Year is not accurate to some critics due to the dispute in the start Year, the relative proximity of the fulfillment of the Prophecy is compelling. The common argument against the Modern-Day Jews in the State of Israel not being the 'Jews' of the Bible is the following.

'Don't you know that the Rothschilds bankrolled and founded the State of Israel with their Zionism?' The Synagogue of Satan is very real. Jesus exposed that. But a Synagogue is a Congregation. Not only are there Jews that have sided with Lucifer, but there are 'Associates' that have joined in.

Pick your God

These are the Luciferian Secret Societies, the Skull & Bones and all the quasi-political Agencies within and without the U.S. Government, for example. You have the Council of Foreign Relations. You have the World Economic Forum, the World Bank. Sure, the evil Luciferian Rothschilds did have a hand in the establishment of the Modern State of Israel. Here is the Deal.

There is YHVH's Permissive Will and Perfect Will. YHVH permitted the circumstances, though not ideal in one's mind and in the mind of many, to foster the condition to regather the Jews back to the Promised Land. Here is one's point. Did not YHVH use an evil King of Assyria to judge and disperse the Northern 10 Tribes of Israel? Did not YHVH use the evil King of Babylon to judge and disperse the 2 remaining Tribes plus the Levites? Did not YHVH use the evil Emperor of Rome to judge and disperse the remaining Tribe of Judah into the world?

Here, in these 3 Diasporas, YHVH states several times that He will be regathering the Jews in the Last Days for the final Time. Is it any coincidence that Abraham was born in 1948 AM? Or that from the destruction of the Temple in 70 AD, the 70th Year Anniversary of Modern Israel's rebirth was 1,948 Years in 1918? Mere coincidence, right? One is just showing that YHVH has used evil factors and forces to fulfill His will and plan.

So, after the Rapture Reset, this new Religious Paradigm will be implemented on Earth, from Israel, from Jerusalem and from the Temple Mount. Humanity will only have 3 choices to worship 'God'. That is Luciferianism. But ultimately, all worship will be directed to Lucifer. This event is what Jesus warned about to His Disciples and Israel in general. This is the Abomination of Desolation Event. Initially, that is how Lucifer works. The tactic is the same as what he used to lure and deceive Eve with. It is half-truths and suppositions of the Truth.

Israel, Jerusalem and the Temple Mount is where YHVH has placed His Name. And on the Temple Mount is the spot where the true House of Prayer for all the Nations was and will be situated on Earth. As it is, 2 of the structures or 'Books' or Houses of Abraham are already there on the Temple Mount. They are the ancient Crusader Church that is now called the al-Aqsa Mosque.

Then there is the Muslim Shrine or the Dome of the Rock. True, one is conjecturing that the 3rd Temple will complete the Abraham Family House Pattern that will 'Unite' the world in harmony Post-Rapture. Does this Pattern exist now? This House of Prayer Pattern already exists in the following locations on Earth, with Abu Dhabi being the latest one. These places can be seen on Google Earth, for example.

1) POKLONNOY GORE PARK: Moscow

Park Pobedy Na Poklonnoy Gore is a sprawling and Historic War Memorial Park in Moscow. It is dedicated to commemorating the Soviet Union's victory in World War 2. The Park features a Church, Mosque, Synagogue. It also has various monuments, a magnificent obelisk, a museum, and fountains.

2) HOUSE OF ONE: Berlin

The House of One in Berlin is an Ecumenical Center that combines a Church, A Mosque, and a Synagogue. Its purpose is to promote Interfaith Dialogue among Judaism, Christianity, and Islam.

3) ABRAHAMIC FAMILY HOUSE: Abu Dhabi

The Abrahamic Family House is an interfaith complex on Saadiyat Island in Abu Dhabi which houses a Mosque, a Church, and Synagogue.

As to this arraignment on the Temple Mount being out of the question, religiously? Fair point. But consider that after the Rapture Reset, the world will have gone through a Mass Psychosis; think of COVID x 1000 and entirely all over the world. People will be demanding answers.

And with the Isaiah 17 nuclear destruction of Damascus, as one interprets, is also occurring, it is how the AntiChrist will come-on-the-scene to explain-away the Rapture. In an effort to avoid a Nuclear Armageddon, at that Time, one speculates that the religious differences of the 3 Major Abrahamic Faith will unite for this cause.

It will be the rebuilding of the 3rd Temple, as the 3rd Place of Worship on the Temple Mount, specifically that will be the focal point in the Post-Rapture world sense of 'Peace and Security'. In regard to the true location of the Temples of YHVH?

One has been asked about what are the chances a missile being fired from either HAMAS, Hezbollah or Iran mistakenly it's the Dome of the Rock and/or wipes out the Temple Mount and clears the way for building a 3d Temple? That question has been a ~2000 Year-Old Quandary. Allow me to share one's Research on this Topic.

The Theory is not new, but I am in agreement that the Dome of the Spirits or Tablets is where the Holy of Holies is centered, and thus the Temples of YHVH. It is just North of the Dome of the Rock. What my Research has contributed is an Astronomical Angle to it. Here below will be several Charts that will illustrate this location and how the coming 3rd Temple will not need to have the Islamic Shrine be demolished, at least for now. The clue is given in [Revelation 11:1-3](#).

*Then I was given a Measuring Rod like a Staff and was told, 'Go and measure the Temple of GOD and the Altar and Count the number of Worshipers there. **BUT EXCLUDE THE COURTYARD OUTSIDE THE TEMPLE. DO NOT MEASURE IT, BECAUSE IT HAS BEEN GIVEN OVER TO THE NATIONS,** and they will trample the Holy City for 42 Months. And I will empower my 2 Witnesses, and they will prophecy for 1,260 Days, clothed in Sackcloth'.*

The Religious Jews are under the impression that the Dome of the Rock has to somehow be removed. This is not the case. The reason the Jews hold to this assertion is that they reject the New Testament. If only they read it and believe it would they realize that it is in store for them and the Temple Mount. No, the Dome of the Rock will not be destroyed nor removed. It will be the 'Book' on the Luciferian Altar to appease the Billions of Muslims into corralling them to open worship of Lucifer.

Based on this scenario, GOD is essentially defining what the Temple's Dimensions and Coordinates will be during the Tribulation Period. One's Theory is that the Abraham Family House Pattern, that being a Church for the Christians, a Mosque of the Muslims, and a Synagogue for the Jews will be replicated on top of the Temple Mount.

This will occur after the Rapture and how the False Jewish Messiah will use this Pattern to unite the World around. What can possibly go wrong? Any Astronomical Evidence? One has correlated the 3 Stars of Orion to the Temple Mount, as well as that of the Pleiades. They appear to match precisely to the Dome of the Spirits, i.e., the Holy of Holies and thus the true location of the coming 3rd Temple, in one's estimation.

KINGS WITHOUT A KINGDOM

Top 10 Moguls that Rule the World

Who are the 10 Kings or Toes that will give their Power to the Beast or AntiChrist? The key is how they are described as being 'Kings', as in Rulers, or one dare say CEO's but without a Kingdom or Nation-State status for that matter.

Consider, that if indeed, one possible rendition of who the 10 Kings will be, could be based on this current listing of who are the Top 10 Moguls of their Company and how such Corporations have more Wealth and Power than most Kingdoms or Nations on Earth presently. Here below is the List of the CEO's of the 10 biggest U.S.-listed Public Tech Companies.

10 KINGS WITHOUT A KINGDOM

EARTH'S MOST INFLUENTIAL TECH GIANTS THAT RULE THE WORLD

In the Bible, it foretells that in the Last Days, 10 Horns or Kingdoms will give their Power and Authority to the Anti-Christ. Most believe it will pertain to the Nations that now make up what was once the Western and Eastern Roman Empire. But what if these Kings are actually individual, with more Power and Authority than most Nations on Earth? The following is a list of the top 10 most influential Tech Giants on Planet Earth. The 1st half features the Head or CEO's but also the Corporations. The 2nd Half of the line-up are just the NetWorth of the individual person and/or their Corporation. Consider that the figures are what is made public. It does not account for the true net worth of assets and investments each might have in addition. And these 10 'Kings without a Kingdom', does not also consider other Persons that may be worth more, that are part of the 'Hidden Hand' and in Secret Societies, etc. These others are pertaining to, for example, the Rothschilds, the Rockefeller's, Presidents, Emirs and Monarchs.

The 10 Horns you saw are 10 Kings who have not yet received a Kingdom, but will receive 1 Hour of Authority as Kings, along with the Beast. These Kings have 1 Purpose: to yield their Power and Authority to the Beast. They will make war against the Lamb, and the Lamb will triumph over them, because He is LORD of LORDS and King of Kings; and He will be accompanied by His called and chosen and faithful ones. -Revelation 17:12-14

10. Leonard Bosack, Founder of Cisco Systems Inc. (CSCO) \$236 Billion

Surely these 10 Kings without a Kingdom could eradicate hunger, poverty, disease, corruption. Yet, many are linked to how on the contrary, they sustain the mechanisms for all the worse abuse there is against Humanity. Ultimately one knows that behind such Power and Wealth is the Spiritual Warfare against Jesus and His People on Earth. The list does not include the following 3 Top Tech Giants as well.

1. Elon Musk of Tesla-X-Space-X-Star Link.

2. Sergey Brin of Google.

3. Jeff Bezos of Amazon.

Will these 3 Kings be the '3' that resist in some sort of capacity and are tank down? It is estimated that Elon Musk alone is worth \$400 Million alone. He has more Power and Wealth than most Nation's Annual GDP, Gross Domestic Product put together. The Mega-Companies like Alphabet Inc. (ticker: GOOG, GOOGL), Amazon.com Inc. (AMZN) and Tesla Inc. The issue is that (TSLA) is technically not classified as Tech Companies by the Global Industry Classification Standard.

Then there are the other types of Companies like BlackRock that some say really run the World. There are also 2 other Mega-Moguls, Sam Altman who launched ChatGPT and Mark Zuckerberg of Facebook. It is estimated that he along has over 3 Billion Registered Users on his Platform. It does not include the 'Usual Suspects' of the International Banking Order behind the World Central Banks, or other Financial Moguls of the Stock Market.

This is why, in comparison, the USA and its Constitution are in their Way. Surely such People will be giving their Technology and Infrastructure to the Beast and his Mark System. And all the Technology acquired by such Companies have been financed and paid for by the American Tax Payer. It has been disclosed that Google, Facebook and others had been seeded by the CIA and other Federal Spying or Intelligence Gathering Agencies.

This is why not even the U.S. Elective President has Security Clearance to many of the Top Black-Ops Military Projects and Bases. Even the Federal Reserve Appointee by the U.S. President is just for 'Show' as a former 13th Chairman of the Federal Reserve, Alan Greenspan said On-the-Record that the Federal Reserve in the USA, is the Highest Law of the Land, that even supersede the U.S. Constitution.

'What is the Proper Relationship... what should be the proper relationship between a Chairman of the Fed and a President of the United States?'

Allen Greenspan

'Well 1st of all, the Federal Reserve is an Independent Agency. And that means basically that there is no other Agency of Government which can overrule actions that we take. So long as that is in place and there is no evidence that the Administration or the Congress or anybody else is requesting that we do things other than what we think is the appropriate thing, then what the relationships don't frankly matter'. -Alan Greenspan with Jim Lehrer, PBS NewsHour

A.I. Technocracy

All that is being rolled-out are just steps closer to the Beast Reset and New World Order. And that Beast System has to be based on A.I. and run by it and more mRNA type of Injections. They will be required to get as many Human Bodies plugged into the Star-Link Grid Reality. Or is it an Alternative Reality? At the core of the 'Work' is a Spiritual and Religious Quest. And that is and will be for Lucifer to get all the Worship and Glory of Humanity and away from Jesus.

But who will 'make War with Beast', as the Masses will see the AntiChrist as a Savior. Remember the Luciferian Axiom of how they move and forward their agenda. It is by fomenting such a level of Chaos, that they then usher-in the Order, their Order. But in so doing, they beguile those that naturally would support such an Order in comparison to the Leftist Lunacy. But that is the Plan and Strategy. What one finds is very interesting is that Musk and his Neuro-Link Technology has promised to make Humans, able to 'See, Walk, Hear and Talk'.

These were the identifying credentials of who and what the Messiah was to be and do. Perhaps this type of Neuro-Technology will accompany the 'Signs and Wonders' that the coming AntiChrist will use to beguile Humanity with. The Delusion will be extremely strong not to succumb to it. It is why Jesus warned about being used and deceived. One is still convinced that it will be the Rapture Event that will dramatically accelerate the Mark of the Beast System.

Consider the logic and rationale. If millions of people go missing, disappearing into 'Thin Air' as they say, the impetus to 'Tag' every Human with an Identifying Number to track, surveil and identify would be, 'For your Safety' and for your Family and Society's Peace of Mind, etc. The Rapture Event alone would drive billions left on Earth for 'answers' and solutions. Perfect. That is what the Luciferians always plan for: Problem-Reaction-Solution.

It is they that create the Problem. It is they who orchestrate the Reaction and it is they that then offer and implement their Solution. This is just a critique of such Geo-Political undertakings and one is interjecting a Christian, Spiritual Perspective at Times to contrast it all to. Although he is critical of the Left and the Right, what one finds very interesting is his Critical Thinking Skills and Analysis of current Geo-Political Issues.

Both Daniel and then John in Revelation later added to the mystique of who these 10 Toes or Horns will be. Obviously, there is a debate of who or what that will be. There are those that ascribe the 10 Toes to the Roman Empire, being the 4th Beast from the Statue Dream that King Nebuchadnezzar had and Daniel interpreted. So, the logical conclusion is a Geo-Political correspondence based on the Empires they represent along with their Metal Type.

As the 10 Toes of the Statue also anthropomorphically corresponds to the 2 legs of the Human Form, it is also reasonable to presume they correspond to the 5 Toes in the Western and then the other 5 Toes of the Eastern Roman Empire. In both cases, their respective capitals were and are Rome and Constantinople were built on 7 Hills.

One contends that this 4th Roman Beast Empire is what is ruling the world. It only morphed into its Religious Shell of the Vatican and the Metropolitan in what is Istanbul now. But if Prophecy is Pattern and one would say that it is, there is also a Spiritual Correspondence that is a multilayer of meaning also occurring.

This is where the next iteration of the 4th Beast is to conclude with the 10 Toes that will see the return to Jesus. If one then follows the Typology of the 2 Legs of this present Roman Dominion, then geographically, 5 Toes will pertain to Western Europe and 5 Toes will pertain to Asia Minor to include the Levant.

A Mixing not mixing

This means that Western Europe would be a strong candidate, perhaps: Italy, Spain, France, Germany and Britain. The correspondence in the Eastern Roman Empire becomes less clear as the Successor to that Empire became the Byzantine Empire. But one's point is that the Eastern Empire extended their dominion to include what is now Greece, Türkiye, Syria-Lebanon-Israel, Iraq, and Egypt.

And as you may be well aware of, the other AntiChrist attribute is that the 'Little Horn' from where he is to arise from is how he is called the 'Assyrian'. So, here is one's question. What is the Clay not mixing with the Iron in both sets of Toes in the Last Days right before Jesus is to come down as the Stone and pulverize this Beast Empire System? It is described as the 'Seed' that is to cleave but not mix.

Some have interpreted this as being Islam with the West as Constantinople has been conquered since 1453. However, as of late due to Modern Science, it is perhaps better understood as in a Genetic Mixing at the Human Genome level, i.e., mRNA, CRISPR Technology. If so, then we have arrived at how it is like the Days of Noah and Lot. Consider that in those Days, Fallen Angel and Nephilim technology and Genetic Manipulations was given to Humanity.

It was rampant and it was the cause for the Flood. It was a world full of murder, violence and 'Alternative Marriage'. If one does a word study on that word in how they were 'Marrying and given into Marriage', it means that there was 'Normal' Heterosexual Marriage, but then Alternative Lifestyle types. And now as then, in the Days of Lot, Sodomy was so rampant in that society that the older men targeted the Children openly to the point that even the youth were steeped into it when it came down to the incident with Lot.

They, along with the older men surrounded Lot's House. It was the case where the Angels visited Lot to evacuate him and his family, but the crowd sought to have Lot surrender the Angels, who appeared as Beautiful Youth. Regardless of what is the proper or correct interpretation of who will be the 10 Toes and the AntiChrist, the Season is upon us.

And now, based on the advent of A.I., there are those that are leaning toward how the 10 Toes will be corresponding to Tech Giants in some way. It is because they are described as being 'Kings without a Kingdom'. One thing is for sure occurring, with each passing Day, steps are being implemented to have a complete and total surveillance of the World. It is headed for having a mandatory Biometric I.D. where every Human on the Planet is cataloged and registered.

This will occur in tandem with a Block-Chain Digital Currency Wallet that will eventually be infused into one's Body at the Genetic Level along with Facial Recognition, and Digital Passports. Consider the Chart below for a visual of just where Humanity is at presently on the Timeline, if one superimposes the Statue of Nebuchadnezzar's Dream with the corresponding World Empires.

32 AD - 2032 AD CRUCIFIXION TIMELINE

END OF CHURCH AGE PENTECOST INTERMISSION

*Evidence and Rationale for a Fall 2025-2032
Tribulation Period*

In reading the World, National and State Headlines, does anyone 'feel' that 'Something' is surely happening Behind-the-Scenes? Something is Up...kind of sense? A lot of American Christians might have had a Sigh of Relief with Trump in the Oval Office in 2025. But one hopes that most are not going back to 'Sleep' or no longer think they need to continue 'Watching'.

Many have assessed that the reason why the USA got to this point in its History in the 1st Place, is that the Light, the Salt and the Salvation in Jesus that is to be the Church did just that, fell Asleep and stopped Watching. Sure, it can be taxing but as one has said before, if there ever was the Place and the Time to be Awake and Watching, it is now.

At the end of the Article is a Chart one made that summarizes the Church Age Span of Time. So, if one superimposes the Prophetic Template from 32 AD, one's calculated Crucifixion Year, then one has to 'Pinch' oneself as they say, to realize just where this Generation is on the Map, or rather Timeline.

1 Day = 1000 Year

It is the Last or 'Terminal Generation'. One cannot believe the Timeline, if it is then truly suggesting that the Year of the Rapture, that ends the Church Age in 2025, in the Gregorian Calendar. Now as to the Season or Feast of the Year? Passover? Traditional Shavuot or Pentecost?

The 70th Year of Israel is a Pentecost Signifier of Time that marks a 7 Phase Dispensation of Time since 1948. However, one surmises that the 70 Year Count started in 1955. This is based on the Year of Jubilee which is a 50 Year Period and begins on the Year of Jubilee which is 50 Years from the Sabbath. It took 7 Years to clear out the Promised Land.

Prophecy is Pattern

Or on one's New Wine Timing in July? Or the Fall Feasts with Rosh HaShanah? It will remain to be seen. But realize that it is then just a matter of Months to find out as each Rapture High Watch Date is put to the Test each Year. As to the Evil Workings, 'Behind-the-Scenes' being finalized? It is to be Rolled-Out after the Rapture.

Realize that the apparent 'Lull', however or whatever that looks like will be a Peril and a Danger for the Bride of Christ even so. And thus, the need to be 'Snatched-Up', or Raptured out of Harm's Way, because what is coming is Evil and Harmful. Lucifer knows the Bride of Jesus is to 'Escape' and nothing more could make Lucifer happy than to thwart the Departure of the Redeemed and to capture her again.

To that, one can only think of how such Plans and Means are surely beyond what the Bride of Christ can comprehend or contend with. However, on this Side of the Veil, this is where the Bride of Christ does have; the means and wherewithal to comprehend and contend with such Evil Plans and Schemes.

The Scriptures are clean, so that one is not to be ignorant of the Enemy's Devices, nor of the Schemes and Wiles of the Devil. Also, that the Warfare of the Lamb's Wife is Spiritual and she has been given the Full Armor of Christ to Fight but Fighting in Faith. Lastly, as instructed, those Thoughts, Plans for Evil are to be and can be thrown down by Standing in Prayer.

They are to be demolished like Jericho. One's Tribulation Period Timeline, from the Fall of 2025 to the Fall of 2032 is a Working Theory, as are all the other Presuppositions based on one's Research and Interpretations. Although one cannot prove the Timelines, the Conjectures are based on Patterns that will be discussed. Until then, here is one's Research Summary that suggests one's Theories.

1. A 32 AD Crucifixion.

2. A July New Wine Pentecost Rapture Timing.

3. A Fall start of the Tribulation Period.

Why one is more convinced of the possible Timelines have to do with Astronomy. That is how one has pegged the Tribulation Period Timelines. It starts with the Timeline of Jesus' Birth. Based on the Retrogrades of Jupiter and Venus in Leo, it would appear that Jesus was indeed born on September 11, -3 BC. Then the other Timeline has to do with the Proclamation of the Jubilee. It started with Jesus' Public Ministry.

Depiction of Jesus being presented to the Jews by Pilate. A.I.

Then the other Timeline is based on Jesus' Ministry being a 1260 Days Count, or 3.5 Years. This Timeline precisely led to the Crucifixion Day. That Day was on April 14, 32 AD, based on one's Calculations. It was a Wednesday if one uses the Julian Calendar. Jesus was in His 33rd Birth Year on that Passover Feast. Thus, with these 3 Timelines, one surmises a possible Triangulation that could support then when the Church Age is to conclude.

One is convinced that it will be its Anniversary. And that Conclusion of the Commission will be accented by the Resurrection-Rapture Event, at the New Wine. Thereafter, not knowing precisely how much Time will elapse, Daniel's 70th Week commences. One has calculated that the Rapture Timing is tied to the Feast of the First Fruits of the New Wine.

And that the Feast of New Wine occurred in Tandem with what transpired in Acts 2. The Triangulation that one uses to correlate the Timelines is based on the Exodus Pentecost Calendar one has formulated. It tracks the Journey of the Israelites to the Foot of Mount Sinai. And in so doing, one can match the Day Counts to strongly suggest that the Acts 2 Pentecost was on the 99th Day from Nisan 15.

And that was the Feast of the New Wine that also commemorated the Golden Calf Incident. However, one has demonstrated that this was the 2nd Shavuot or 50 Day Count, to correspond with the Feast of the New Wine.

As noted one's Working Theory is that perhaps the Resurrection-Rapture Event will occur on this very same New Wine Anniversary. It also is corroborated with the Boaz-Ruth Prophetic Typology and Timing. This suggests a July 23 Wheat Harvest that was thereafter Concluded with their Wedding. Then one superimposes the Biblical Axiom.

1 Day = 1000 Year.

So, if 32 AD was the Crucifixion Year, then 2000 Years or '2 Days' will arrive in 2032. One has written many books, made Charts and Posters about all of this. The Research is summarized in the following Site for one's review and consideration.

Here are some Free Charts to download that demonstrate the Timelines since -3 BC, that one is more convinced was the Birth of Jesus, based on the Astronomy going on.

As mentioned, the 2032 Year Reference to the Return of Jesus is also predicated on one's Fall 2025 to Fall 2032 Tribulation Period Timeline. It is also another Working Theory based on the Essene Calendar and one's supposition of how 1952 is when the Shemitah Count started for Israel.

It is from there, that Year that the 'Countdown' to the End of the Church Age and the Beginning of Daniel's 70th Week is perhaps to occur sometime in the Fall of the Year 2025. It will remain to be tested and seen. This will be one way of asserting the possible countdown to the Rapture. The other timeline will be from 1955 because it is 1 Sabbath or Shemitah from the modern Rebirth of Israel in 1948.

1952 = 80 Years, if by Strength

= 2032 – 7 Year Tribulation

= 2025

Feast of the New Wine

Why 1952 is used as the Start Year, has to do with the Law of the New Trees. YHVH instructed Moses not to eat of the Fruit of a newly Planted Tree, once in the Promised Land until the 4th Year. Since Israel 'Entered' the Promised Land in 1948, adding the 4-Year Transition Period of Years gives one the Year 1952.

1948 Israel 'Reborn' and established in the Land

+ 4 Year Law of Trees

= 1952

One has also a Chart that synchronizes many Timelines based on the Lives of several Bible Characters, that suggest a convergence in 2032. Have a look.

As noted, one's Working Theory, specific to the Timing of the Rapture Event is based on the New Wine Pentecost of Acts 2. One is more convinced that the Pentecost Feast that is synonymous with the Jewish Feast of Shavuot has been misinterpreted in terms of the Day Count.

It is the 1st 50 Day Count of 3 Penta-Feasts that have now been confirmed as celebrated by the Essenes who preserved the Temple Scrolls. The Temple Scrolls attest that there were the Feasts of the New Grain, New Wine and New Oil. One is just arguing that the Acts 2 Event corresponded to the Feast of the New Wine, the 2nd 50 Day Count. This is when the Church Age commenced.

Thus, the Rapture's Timing should conclude it, on its July 23 Wheat Harvest correlation and Anniversary. That is one's Working Theory. This July 23 or '723' Rapture Date, speculated, is also commensurate with the Leo New Year, Astrologically.

It is the Date where, for example, the Ancient Egyptians believed that the Rendezvous of the Dead took place. On that Date, the Ancient Gate of the Lion or Leo was open and it enabled the Transformation of the Body to ascend to the 'Stars'.

Thus, one's Fall 2025 to Fall 2032 Tribulation Timeline is predicated on one's Research that calculated a July 'White Wheat Wedding' Acts 2 Pentecost Rapture Timing. One has now written 4 Books on this Leo New Year and New Wine Rapture Theories. See the Online Links for Book Purchases.

Thus, these Synchronized Timelines appear to corroborate that 2025 is the Rapture Year and the Start of Daniel's 70th Week. One is very excited to see if one's July 23 Pentecost New Wine Date will turn-out to be the High Watch Rapture Timing. If the July 23 Rapture does occur, it will be enough Time for the AntiChrist to then be revealed and have the Temple ready for the Dedication of the Daily Sacrifices ready to go by Mid-October of 2025.

It is predicted on how Solomon dedicated the Temple and initiated the Daily Sacrifices. The Theory is that the Pattern will be the Same. The Daily Sacrifices performed at the 3rd Temple are calculated to occur after the Shemini Atzeret and Simchat Torah activities conclude. The Jews want the Covenant back, which one? The Mosaic one.

That is the Covenant that will be reinstated, and 'confirmed', in one's Interpretation. Consider that the Word 'Many' in the Hebrew is L'Rabbim or the 'Many Teachers' as in the Elders, or the Sanhedrin. So, from that Date then, October 18, 2025 is when one presupposes it will be the Start of the 2520 Day Countdown. The Year 2032 is thus the Year, based on the Model of a 32 AD Crucifixion Year when Jesus is to return.

And how 32 AD is the Crucifixion Year. Given this Time-Span and the 1 Day = 100 Years, it would strongly suggest that 2032 is when Jesus is to Return. From 2032, one then reverse engineers the 7-Year Tribulation Period. And that Factor will then suggest that 2025 is the Rapture Year. Granted, this is based on a Pre-Tribulation Rapture Timing and Scenario.

One cannot prove one's Timelines, but they are one's Working Models, thus far. The Abomination of Desolation, occurring at the Mid-Point would correspond to the March 31/April 1, 2029 Passover and then a September 11, 2032 Sabbath of Return Date would correspond to Jesus' Return. That is amazing. But if 2025 is when the Church's Call to Retreat Back is to occur or its 'Apostasia', then that would be amazing also.

2ND COMING OF JESUS

TIMING OF THE RAPTURE

Based on the Prophetic Typology of the 7 Feasts of YHVH

The purpose of this study is to examine the Notion, that the 2nd Coming of Jesus is based on the Prophetic Typology of the 7 Feasts of YHVH. And if so, does that provide Clues as to when the Rapture is to occur? The main Discrepancy or Objection about the 7-Feast Prophetic Typology is, whether they have been fulfilled entirely already or are they being fulfilled, literally in a Time Sequence.

This is to suggest that the Fall Feasts are yet to be fulfilled, Prophetically by Jesus. This is the prevailing Assumption. One was challenged to consider how the 7-Feasts are already fulfilled. Thus, Jesus is not 'Bound' to have to return on any of the Fall Feasts. Fair Point. The Argument thus suggests that Jesus' 2nd Coming will rather occur on a Nisan 10. This strongly suggests that Jesus' Return will replicate the Triumphal Entry Scenario. Perhaps.

But that occurred even prior to the start of the 7-Feast Pattern. The Question is thus, is this Timing rather a more accurate depiction than on a Yom Teruah, or Feast of Trumpets? It is always good to vet People's Assertions and challenge the Logic. One thinks that it needs more in the Body of Christ, especially in these Last Days. It is also about 'Iron Sharpening Iron'.

But as one often has prefaced, the Research or Theories proposed are just one's Understanding, up to the Point in Time. And as Theories go, they can only be 'Tested' when the Time, anticipated or calculated expires to know if it was True or Correct. As to the Prophetic Typology of the 7 Feasts of YHVH and how Jesus did or is still to fulfill them? It depends on one's Reference Point.

Depiction of Jesus riding into Jerusalem. A.I. made.

Quantum Entanglement

One will elaborate on this Position further down in the study. One would agree that the Feasts are all fulfilled in Jesus, Prophetically. But in Time, Space and Matter, where Humanity resides and has its Point of Reference, it is seen and experienced in a Progressive Endeavor, in one's Estimation. As to Prophecy? It has been rightly understood that it has Dimensions and is multi-Layered. Thus, there is really no issue in one's Mind.

The 7-Feasts have been fulfilled by Jesus. A Feast is presently being fulfilled. And in the Future, they will be as well. It is the same Spiritual Principle of how the Bible teaches that the Followers and Believers of Jesus are already 'Seated with Christ Jesus in Heavenly Places'. How can that be if Humans are still bound to Earth in the Unredeemed Flesh?

Well, thanks to the New Understanding of Quantum Physics, it is about being what they call 'Entangled'. That is to say that if 2 Particles or 'Things' become entangled, one can take the 2 Particles and position them at the opposite Ends of the Known Universe. What happens to 1 Particle will happen precisely to the other Particle. The 'Effects' occur regardless of Time, Space and Matter existing or interfering in all that is in-between them. This goes for Speed, Motion, Direction, Vibration. And?

A Redeemed Human on Earth, in Jesus is now 'Entangled' with Jesus who is seated in Heaven. This is done through the Holy Spirit given as a 'Down-Payment' of what is to come. This is the Quantum Entanglement. So, if one now Prays, Hurts, Weeps, Worships, and the like now on Earth, being 'Entangled' with Jesus, He is affected by it. Jesus senses all of it and knows precisely about it. The 'Current' goes both ways. This is how a Redeemed in Jesus can be now Seated in Heavenly Places, there, yet still be here on Earth. It is Incredible.

So, this is why one can say that the 7-Feasts of YHVH have been fulfilled and are being fulfilled. In part, why most Christians assume that Jesus fulfilled the Spring Feasts, in 'Real Time' and sequentially, is that it is 'Self Evident' that He did. It is an Assumption based on evidently being so, historically. Sure, nowhere in the Bible will one read, 'And Jesus fulfilled the Spring Feast'.

But that is the same Fallacy as arguing that the Word 'Trinity' is not in the Bible. Or as with many LGBT Students on Campuses that likewise argue, 'Where did Jesus say that Homosexuality is a Sin?' Well, technically Jesus did not, but presumably He did in describing Marriage. It would be how Humans could deduce then the Logic that any deviation from what is defined as Marriage would be understood.

It would not be condoned as it is not what the Natural Order of the Design is. Now, it is argued that the 'New' Teaching about Jesus Prophetically fulfilling the 7-Feast of YHVH Typology only surfaced in the 1970's. Well, it is because that is when the Body of Christ started to see End Times Prophecy come into focus or on the Radar. It really all started with the Rebirth of the Modern Nation of Israel.

That is if one accepts that it is the fulfillment of Ezekiel's Dry Bone Depiction. Such would also argue that the Rapture Theory only came about in the late 1800's by Darby and some Woman with a Vision. But, again, that is when such started to consider the End Times Conditions. Perhaps the Early Fathers did believe that Jesus would come in the Spring.

That is logical and still is. But they like we are all, at best, only able to do so with a 'Sanctified Imagination' and Calculation. Just because they believed it back then, does not mean it is 'Truth'. It goes the same with one's New Understanding of the Acts 2 New Wine Pentecost being the 2nd 'Shavuot' or 50 Day Feast of 3 First Fruit Festivals.

Triumphal Entry

Of which, it is now verified by the Temple Scrolls that there were in fact, 3 Penta-Feasts of the New Fruit; Wheat, Wine and Oil. Yet, about 95% of the Professing Church is adamant that there is 1 Pentecost, and that is Easter, or what is called 'Shavuot' by the Jews.

And to even suggest an alternative Interpretation and Calculation is essentially 'Anathema'. So, as to the Multi-Layer of a Historical, 1st Century and Future Fulfillment Pattern? Absolutely. However, when stated,

'The Bible is clear that all of the biblical feasts relate to the Second Coming of the Messiah, though in different ways'.

That Assertion? One is not so sure. Sorry, one does not see that the Bible is 'Clear' about it. In a General Sense, 'Yes'. It is argued that the Passover will have a Future and ultimate fulfilment in the Kingdom. True. But one's Point would then be that such are using the very Argument most Students of the Bible utilize to surmise that the Future Fall Feasts are yet to be fulfilled by Jesus at His 2nd Coming.

Yom Teruah – 2nd Coming with Trump blasts of War.

Yom Kippur – Coronation of the King and Proclamation of the Year of Release.

Sukkot - Jesus, or GOD in the Flesh finally 'Tabernacling' with His People on Earth.

It was also argued, 'In other words, Jesus and Paul taught that all of the feasts are connected to the end times, the Second Coming, and the events that will unfold in the kingdom of God'. Yes, the 2nd Coming of Jesus will no longer have the Fall Feast be a mere 'Rehearsal' but the literal fulfilment. And then realize that the Feasts will still be observed, even during the Millennial Kingdom as a Memorial.

So, just by this Assertion alone, one would say that there is a Measure of a Prophetic Continuum even after Jesus' 2nd Coming. One's Point is this. In the acknowledgment that there is a Passover 'Connection' to the End Times, the 2nd Coming and the Kingdom, then one has to 'inadvertently' agree with one's Assertion that the 7 Feast of YHVH are being fulfilled in a similar Prophetic Pattern, Past, Present and Future. And then even during the 1000-Year Kingdom.

PAST

1 Passover

2 Unleavened Bread

3 First Fruits (Barley)

PRESENT (We are here. The Feast is presently being performed.)

4 Shavuot (2nd Count) Acts 2 New Wine Theory

FUTURE

5 Yom Teruah

6 Yom Kippur

7 Sukkot

Ultimately, it is so because from Eternity's Reference Point, it is all done as mentioned. There is No Time. But in one's Demission of Time, Space and Matter, it is still playing-out. Then it is argued, 'Passover points to the redemption of Israel and the battle between Jesus and the Antichrist'. Can any Scriptural Verse that even hints at this Timing be provided? So, if Jesus is to return at a Passover Feast Timing in the Year 2032? Sure, perhaps.

But that means that the 70th Week of Daniel or the 7-Year Tribulation Period has to have started on Passover of 2025. Where is the 'Covenant with the Many'? If it is a Geo-Political 'Peace Treaty' with Israel, as most surmise, where is it? Where is the Temple that the Daily Sacrifices have to initiate the Day Count? Other People have objected, 'What is the 'Big Deal' about this having to start the Tribulation?'

It is because, precisely at the Mid-Point or the 1260th Day, the Daily Sacrifices are to be stopped. This is when the Abomination of Desolation occurs. Bottomline, if the Prophetic Typology of the 7 Feast of YHVH are being fulfilled by Jesus are correct, then Jesus cannot return on a Nisan 10 Time-Frame and that Theory will turn-out to be incorrect. That is all.

However, it is possible, who is to say. But if the Pattern is Prophecy, then why not take the Pattern back to the Original Advent of Jesus coming to Earth in the Flesh? That is to say, from Jesus' Birth that one has presented, corresponds Astronomically to September 11, -3 BC. If so, this would still put the Return of Jesus around the Yom Teruah Feast Time-Frame again. Just an Observation.

One can appreciate the Typology that the Triumphal Entry of Jesus at the 2nd Coming will be how it will be replicated. This is True and one is in Agreement, but wrong Month, in one's Humble Opinion. But it is to be seen. What one has emphasized is that one will be an Eye-Witness to this, and that is what is exciting to anticipate on this Side of the Rapture.

REVELATION-12 SIGN 2029

TRIBULATION PERIOD

And the Tetrad of 2032-33

The following is a study about how the Revelation 12 Sign will approximately reconfigure in 2029. This is due to the 12 Solar Cycle of the Planet Jupiter that is the centerpiece of what defined, astronomically, the Sign in the Heavens that started the whole phenomena back in 2017. One will address several of the peculiarities that will be noted about the 2029 configuration because of when it precisely occurs.

And foremost, how the year 2029 is possibly the midpoint of the 7-Year Tribulation Period, if one presumes a Fall 2025 to Fall 2032 time-frame. To start off with, the Revelation 12 Sign will occur on Tishrei 1 in 2029. That is the start of the Rabbinical Civil New Year, otherwise known as Rosh HaShanah. In the Gregorian Calendar, that will occur on September 11, 2029 (9-11) when including the End Date.

This is very interesting. As to the Date that the Revelation 12 Sign 2.0 is to occur in 2029? It will be on September 11, 2029 (9-11). See Chart link in the end notes for a visual depiction. But consider that it is an 'Approximation' one will admit. If one is looking for a celestial depiction of the Sun right in the face of Virgo and the Moon right under the feet, based on the 'Stick Lines' Motif of the Constellations drawn to the Stars? Then it is not possible.

As it was, the Revelation12 Sign of 2017 was as close as it can get based off of the Biblical Description in the Book of Revelation. But then one must realize that this Sign occurs, approximately every September when the Sun enters this House or Sign of the Mazzaroth or the Zodiac. What makes the Revelation 12 Sign distinct from its yearly celestial configuration is what occurred back in 2017.

Tetrad of 2032-33

It has to do with the 9-Month Retrograde of Jupiter. This 'Human Gestation' correlation of a Pregnancy occurs in the 'Womb' area of the Virgo Motif, but not all the time within the 'womb area' of Virgo. Jupiter has a 12 Year Solar Cycle or Planetary Orbit. Meaning that $2017 + 12 \text{ Years} = 2029$. And? As one has conjectured, the Year 2029 could very well be marking the Mid-Point of the 7-Year Tribulation Period.

One's point is that on September 11, 2029, the Revelation 12 Sign re-configures, 'approximately' in that the Sun will be right in the Celestial Borderline between Leo and Virgo. Astronomically, the Mazzaroth starts with Virgo and ends with Leo. But Astrologically, the New Year occurs with Leo. All that to say that the Moon on September 23, 2029 will be in Pisces by that time. If one just bases the Revelation 12 Sign depiction just by the Constellation outlines, then no, the Sun is not 'visually' in Virgo.

But if one considers that the Cosmos and Constellations are actually delineated by a Grid Pattern, then technically the Sun can be said to be in Virgo on this Day, 9-11 in 2029, as it is much in Leo. See Chart for comparison. Thus, based on this Position of the Sun, it then suggests the Celestial Dichotomy of how the Beginning is as the End and the End is as the Beginning. It is just as the Bible teaches is a factor of who Jesus is. Truly the Heavens are declaring the Glory of YHVH. What would I assess about the Tetrad of 2032-33?

Well, I call it the 'Millennial Tetrad'. Here below is the Chart I made awhile back. It accompanied an Article but it was on my Old Website and it is outdated. It was around 2018-19 when I had my Tribulation Period Timeline from Fall 2022 to Fall 2029. Amazingly, the 3rd of the 4 Blood Moons occurs on Passover, the 14th of April, 2033. This is exactly the same anniversary as the Blood Moon that occurred in 32 AD, on April 14, a Wednesday.

TETRAD OF THE MILLENNIUM 2032-33

For the year 2032, the Rabbinical Calendar is off by 1 month as the dates are not synchronized to the Spring Equinox. The 1st Month would be the 1st New Moon thereafter.

NOTE: APRIL 14, 2033 (2000-YEAR COUNT)
Blood Moon occurs on Passover and many People will calculate the Tribulation based on Jesus being crucified on April 14, 33 AD, which is not correct.

Because of this symmetry, exactly to the day, 2001 Years apart, I surmise that it is how Jesus is to kick-off the Millennial Kingdom with this 1st Celestial Eclipse. And it will commemorate how the Blood Moon coincides with His Crucifixion. It will be like 'See, it was in 32 AD' as a Time Marker. That being said, it means that it corroborates one's 32 AD Crucifixion Theory, without question. That would be amazing.

Also note in the Chart how the 1st 2 Blood Moons do not occur on the Rabbinical Calendar to occur on Feast Days of either Passover or Sukkot. But if one uses the Creation Calendar, then they do. It is just an observation. As to what calendar to use? It depends what frame of reference one chooses to accept, as with all things Biblical.

1. CREATION CALENDAR'

Based on the Solar Year, or the 'Creation Calendar', the Jewish Civil New Year should start on the Fall Equinox, September 22. This is based on the 4 Celestial Marks that delineate the Solar Year.

- 1. Spring Equinox: March 20 (New Year)*
- 2. Summer Solstice: June 20*
- 3. Fall Equinox: September 22*
- 4. Winter Solstice: December 21*

2. ENOCHIAN CALENDAR

This Calendar specifies a 364 Day Count. It accounts for the 360 Days but then adds the 4 Days that are incorporated in counting the 2 Solstices and the 2 Equinoxes. This is conjectured to have occurred due to the ravages to the Earth during the worldwide cataclysm of the Flood of Noah. In some manner, the Earth incurred a Tilt on its Axis and the Seasons commenced as they are known today. The Book of Jubilees attests that there was a 360-Day Calendar at one time before the Flood, etc.

3. HILLEL CALENDAR

Current Hillel Calendar that the Rabbinical Ruling Body has based the Jewish Calendar solely on the Phases of the Moon. Thus, based on the Sighting of the Moon. There are those that hold to the interpretation that the Rosh HaShanah occurs once the Sliver of the New Moon occurs. This is regardless of any Solar Markers. As a result, Rosh HaShanah can occur before or after the Fall Equinox.

It is believed that before the Flood, the Solar Year was exactly 360 Days. Then after the Flood that tilted the Earth Axis by 23 degrees, the Enochian Calendar was used, being a 364 Day Count. Then during the Days of Joshua, factoring the Long Day, the current Calendar is 365.

I personally subscribe to the Solar Calendar as it was during the Exodus that YHVH prescribed to Moses that the month of Nisan was to be the Head of the Year or 'Rosh HaShanah', And it is from the Spring Equinox that Passover is then determined. However, there are several indecencies that overlap and with so many calendars to be synchronized, it gets complicated.

I by no means am suggesting one has figured it all out. One thing is for sure, Jesus is the 'True Chronos', the Keeper of Time. Jesus knows exactly what Year, Monty, Week, Day, Hours and down to the Second it is. One often wonders what type of calendar will be used when Jesus returns. As Earth will be restored to Eden-Like conditions, perhaps there will no longer be a Tilt to the Earth. Perhaps the 360 Day Year Calendar will be utilized because of this to be in-sync with the Creation Calendar.

REVELATION 12 SIGN ANNIVERSARY

BIRTH PANGS OF THE MESSIAH

Signaling the Timing of the Rapture Portal?

I have been getting a lot of emails about a Man named Joshua from Africa who said he had a Near Death Experience. And that in that event, he was taken to the Throne of GOD where he saw Jesus and Jesus showed him a Timeline and gave Joshua the exact day of the Rapture.

September 23, 2025

Not only is he claiming that Jesus has been giving him and other People the date He is coming back for His Bride in the Rapture in the 8th Anniversary of the Revelation 12 Sign, but he states that this year, but that to him was revealed the date of the 2nd Coming.

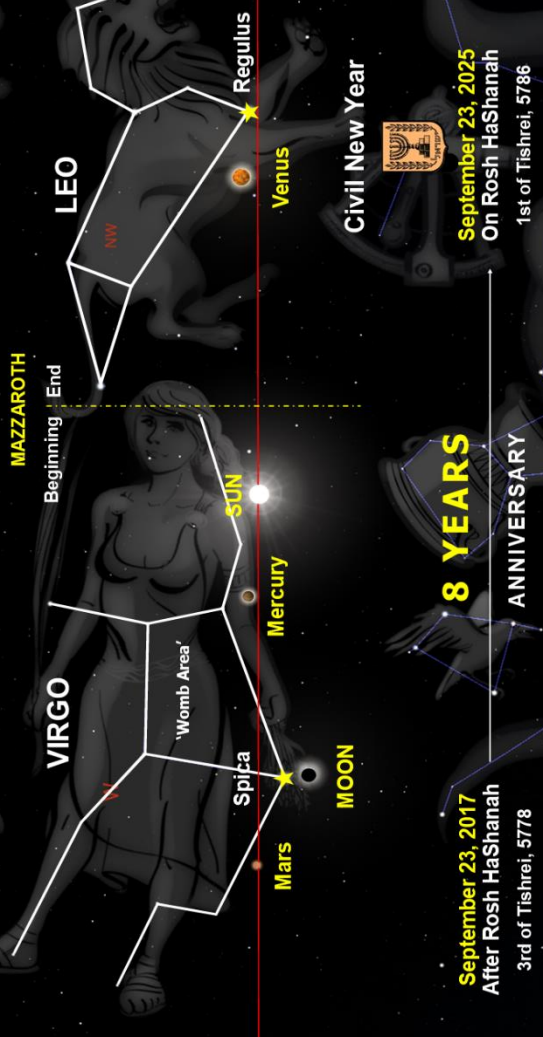

September 15, 2032

One does find this rather interesting as the timespan from these 2 time markers is 364 Weeks or 6 Years and 11 Months plus 23 Days. This 2549 Day span of time is more than the entire 2520 Days that the 7-Year Tribulation Period is to have. The day difference is 1 Month or 30 Days with End Date included.

Granted, it is not known how many days it will be from the actual Rapture Event to the 1st Day that the Daily Sacrifices will begin. Now, Rapture Dates have come-and-gone. As one has often called the endeavor, the 'Rapture Roulette', dates are pronounced every other day. In one's mind, studying and prognosticating the Rapture's timing is one thing.

But when those that do emphatically declare not only the specific Year, Month and Date, but that ‘Jesus told me’, then that is different. This 2nd tier of disclosure falls on clear Biblical Protocols where such People then have to be vetted Scripturally. ‘Test the Spirits’, etc.

In other words, since this Man, named Joshua claims that ‘Jesus told him’ the precise Year, Month and Day of both the Rapture Event and the 2nd Coming of Jesus, then it has to occur, 100%. If it does not, it was not Jesus who told him and Joshua is a False Prophet.

The Rapture Is Set—And September 23 Brings the Trumpets
<https://www.youtube.com/watch?v=bSfKjB9xkPM>

Normally one would not comment on such Rapture Date prognostications except for reasons in this case of Joshua’s declaration. One does want to be respectful because one also had a Near Death Experience (NDE). And on another occasion, if it was an Open Vision or Dream, a number was shown, ‘723’. However, one cannot say it was Jesus who said that to me, to precisely imply the Rapture’s timing. Nonetheless, one has anchored this number to perhaps be precisely linked to the Rapture’s Timing. And to that effort, one has researched accordingly.

To one’s astonishment, the circumstantial evidence for it possibly being the Rapture Clue keeps mounting. Then the following specifically pertain to the Revelation 12 Sign. The 1st reason is that the date of the Rapture happens to coincide with the 8th Year Anniversary of the Revelation 12 Sign from 2017. And it happens to coincide with the Jewish Civil New Year 2025. The 2nd reasons that the dates ‘guaranteed’ of the Rapture and 2nd Coming approximate one’s calculation are the 7-Year Tribulation Period.

However, that time-frame is based on either a start date of October 13, 2025. Shemini Atzeret Feast or the Sabbath after the 8th Day Assembly of Simchat Torah on October 18, 2025. As shared in prior studies, depending on the start date, the midpoint of the Tribulation Period will either be on Nisan 10 which is March 26 2029 or April 1, 2029.

This then will also determine the 2nd Coming to be either on September 6 2032 which is Rosh HaShanah. It will coincide with the Feast of Trumpets. Or the 2nd Coming would be that 'Bookend' of the Sabbath of Return on September 11, 2032. These are all very intriguing dates and numbers.

But some critics will point out, 'Ah, you are also date-setting and prognosticating both the timing of the Rapture and the 2nd Coming right down to the Year, Day and Month' No. This is one's point and difference. No, Jesus did not tell me. No. it is guaranteed as an absolute. As an Academic, one strives to apply a measure of the Scientific Method and go based on Theories and a Hypothesis.

They are unprovable until they are put to the test. So, here is the quandary with such Brethren like Joshua making an absolute Truth Statement. Either Joshua or others like him are absolutely correct and right about the Rapture Date and the 2nd Coming or they receive this revelation and understanding from an Entity or Spirit that impersonated Jesus.

The Problem with such Rapture and 2nd Coming Date-Setting is that one cannot argue to the contrary until the passing of Time of those Truth Claims. That is why on this side of the Rapture, Time is what will ultimately equalize every claim, vision and/or statement about the 'Rapture Roulette'. Now, to address the Revelation 12 Sign's 8th Anniversary as being the Rapture Event. This, one can comment and one believes one is qualified to as one was the originator of this notion.

Harpazo of the Man-Child

It was based on the Retrograde of Jupiter occurring in the Sign of Virgo in 2017. It started back in 2008 with the advent of Google Sky in which patches of the Sky or Constellations were blacked-out. One of the patches was precisely where the Planet Jupiter was to be in Virgo's 'Womb Area' of the Celestial Motif in 2017.

One showed this pattern as Virgo is the only Female Motif in the 12 Constellations and is the Sign that 'births' the Planets. This is because the Planets and the Sun and the Moon travel along the Ecliptic and as it enters the Sign of Virgo, from left to right, it appears that they are being 'birthed' through the Womb of the Woman.

For example, what one shared with a Rapture online Blog Post was that in 2015, it would be Saturn that would have had its Retrograde occur in Virgo. That then set the stage for the Jupiter Retrograde to then occur in 2017. Jupiter's Solar Cycle or 1 Year duration occurs every 12 Years, meaning that in 2017, it would then take 12 Years for the Planet to then reappear in the same Sign.

What was special or how the Revelation 12 Sign was distinguished from its yearly configuration, which most People did not realize or understand, is that it was Jupiter's Retrograde that lasted 9 Months. A Retrograde Motion is when a Planet or Celestial Object appears to be moving forward, then stops and then travels backwards before then moving forward again. This effect is due to the different speeds of the relative objects being viewed.

Now the following will be why one is hesitant to be convinced that on September 23, 2025, the Rapture is to take place. Obviously, one could be wrong and it could occur, perhaps. But let us put the Truth Statement to the test, preliminarily. Why this Celestial Sign was sensationalized and literally took a life of its own as they say is based on valid inferences.

The Sign was made to coincide with the 'birthing' of the Planet Jupiter as it is inferred by the Jewish Sages as the Planet of the King, the Messiah. The Planet does protect Earth from major Asteroidal Impacts and it is striped and has a large 'Wound' on its side. Then lastly, it astronomically approximated the depiction of what John in the Book of Revelation was shown.

The Prophetic Picture was that of a 'Rapture' as the Greek Word, 'Harpazo' is actually used. Thus, as that Man-Child was raptured to the Throne of GOD in Heaven, it was assumed that it exclusively pertained to the Church Body and thus when the Rapture was to have taken place. However, one will start with the false assertion that sensationalized the Revelation 12 Sign in the 1st Place.

1) It did not occur on Rosh HaShanah or the start of the Jewish Civil Year.

2) It did not 'birth' the Planet Jupiter on that precise day.

3) It is a once in a 7000 Year Sign!

The Revelation 12 Sign astronomical configuration was made out to stretch to coincide with the Feast of Trumpets. False. The 'birthing' of the Planet to the Messiah, or Jesus as in the Man-Child and thus the Bride of Christ to coincide with the Rapture moment. False. The Planet Jupiter was 'birthed' out of Virgo's Womb area on September 9, 2017, having crossed that imaginary line set by the artistic rendition of the Motif.

It actually cleared the 'Womb' on September 11, 2017. In one's mind, this is prophetically significant in that one has calculated that the actual Year, Month and Date of Jesus' birth was on September 11, -3 BC. This is due to the triple Retrograde of Jupiter in Regulus and the Jupiter-Venus Conjunctions in Leo.

The 1st Prophecy

As mentioned, the Revelation 12 Sign is not a 7000 Year extraordinary Astronomical Alignment. False. The Sign 'approximates' the constant factors that in mid-September to early October of every Year, the Sun will be in the head to shoulder area of the Virgin Motif. And the Moon will be anywhere from the primary Star of Spica to the foot area as well.

And the 3 Planets that are associated with the Sign, Venus, Mars and Mercury are in various positions relative to each other and the entire Sign of the Virgin. So, to reiterate, what made the Astronomical configuration in 2017 significant was the Retrograde of Jupiter. This happens every 12 Years, so, no, the Sign is not a 7000-Year Anomaly.

Now, to be fair, the precise positioning of all the Celestial objects can never be replicated. Thus, the most approximate depiction of the Sign did occur once. That was in -3915. In that iteration of the Revelation 12 Sign, the Planet Jupiter was actually 'birthed' on that time-frame of August 4. Then of the 3 Planets that were in alignment in 2017, Venus that was in alignment with Mercury and Mars was replaced by Saturn in -3915.

Now here is a very fascinating notion. If the Re-Creation based on Genesis 1:2 occurred in -3972 BC, then the year difference would be 57 Years. Was then the time and place where Adam fell into Sin? The following will be one's commentary as to why one is convinced that the Rapture Event will not take place on September 23, 2025.

One will be basing the assertion from purely the Astronomical configuration that occurs precisely on that date. The links below will show the charts that depict the approximate Revelation 12 Sign leading up to September 23, 2025. What is rather intriguing is that the date is Rosh HaShanah, right on the very day of its 8th Year Anniversary.

And Biblically speaking, the number 8 signifies 'New Beginnings'. Does this imply that the Tribulation is about to commence? Perhaps if one's Fall 2025 to Fall 2032 Tribulation Timeline is to turn out to be correct. This Revelation 12 Sign is a prelude of sorts then.

Consider that just before the Revelation 12 Sign Anniversary occurs there is a Solar Eclipse in Virgo. One finds the timing and the place very fascinating. What is very significant leading-up to the September 23, 2025 Revelation 12 Sign is that on September 19, 2025, there will be an Occultation of Venus. This is when the Moon that is about to be 'New' will block out Venus as if 'disappears'.

The Moon, being all 'Black' will have that amazing Astronomical Effect from Earth's point of view. And what is peculiar about it is that this event will be coinciding with a Triple Conjunction of the Moon with Venus as mentioned but also in direct line with the King Star, Regulus. This Star is also known as the 'Heart of the Lion King'. So, if one applies the Typology of Venus being a Euphemism for Jesus as depicted in the Book of Revelation, then it will be as though Jesus was there and then He 'disappeared'.

Does this insinuate how in the coming Tribulation Period, it will seem that Jesus has departed? Yes, if one further applies how Jesus has by this time already come for His Bride. Now to the main reason why one is not convinced that the Rapture Event will take place on September 23, 2025. Again, one is only holding to the Astronomical Pattern when making the following rebuttal.

Revelation 12 Sign of 2029

Recall that in 2017, the main issue that put the Revelation 12 Sign, 'On the Map', as they say was how Jupiter, the King Planet was in Virgo for 9 Months. And this factor alone was used to justify the Sign as being the place and time for the Rapture to have occurred. And? Well, as one can see in the chart attached to a link in the end notes, there is no Jupiter to be found.

Jupiter will next come around into Virgo in 2029. And astonishingly, it will have its approximate Astronomical configuration on September 11, 2029. Coincidence? What one only finds in the Revelation 12 Sign of 2025, are the 3 Planets of Venus, Mercury and Mars but spread-out between the Constellations of Leo and Virgo. What is notable is that although the Sun is in the head and shoulder area, the Moon is not in the feet area. The Moon is in line with the Primary Star of Spica in Virgo.

One finds this very interesting as if the Moon is signaling the significance of the meaning of the Star, which is the 'Branch'. It is a Messianic reference, so based on this iteration of the yearly approximate Revelation 12 configurations, there is no 'Jupiter' Man-Child to speak of that is Harpazo or raptured up to Heaven. And this is regardless of what one interprets the Man-Child to be, Jesus or the Bride of Christ, collectively.

What was rather odd, in the USA, in particular was the Kerrville Flood that occurred on July 4, 2025. The devastating floods in Central Texas was caused by a surge in rainfall and the alleged release of water from the Dam in the Guadalupe River. The surge and rain combined produced 30 Foot or 9 Meter flood that many are liking it to the 'Braking of the Water' in a Child Birth. Consider that the name, 'Guadalupe' is considered the Matriarch of the Americas, a rendition of the Virgin Mars. And?

If one looks-up the depiction of her, it is the Revelation 12 Sign. She has the Sun at her head and the Moon beneath her feet as she is enveloped with the Stars. Coincidence? A Sign? Note that on September 23, 2025 is the 8th Year Anniversary that signifies 'New Beginnings' and the date coincides with the Rabbinical Civil New Year of Rosh HaShanah on Tishrei 1. Why focus on this particular Texas Flood as there are countless ones always occurring around the world?

Consider the date, it was the Independence of the USA. It so happened that at Kerrville, it was the approximate intersection of the 2 Great American Solar Eclipses of October 14, 2023 and April 8, 2024. Note that the April 8, 2024 was on the Jewish Religious New Year or Nisan 1. What is also interesting in keeping with the theme of New Beginnings, a was that of the USA on July 4, 1776, was that on the October 14, 2023 Eclipse, the Torah Portion for that Sabbath was the 'Parashat Bereshit'.

It was the beginning of the Yearly Cycle of the Torah Readings. And it started with Genesis 1:1. Was such a Sign as this Guadalupe River flooding or 'Breaking of the Water' alluding to a coming 'Birth' of the Man-Child, i.e., the Rapture 'delivery' in 2025?

RAPTURE 40 DAY COUNTDOWN JULY 23, 2025 PENTECOST NEW WINE

When they are saying 'Peace and Safety, then Sudden Destruction'...

Afterward, Samuel took a Stone and set it up between Mizpah and Shen. He named it Ebenezer, saying, 'Thus far the LORD has helped us'. –1 Samuel 7:12

The purpose of this study is to highlight how in 2025, the Israeli War against the Islamic Republic of Iran that was launched on the Friday the 13th in the Month of June is exactly 40 Days from one's Rapture High Watch Date of July 23. Now, will it actually occur in 2025? One would pray so. The issue now is the Theory's Prophetic Shelf Life. How so?

If the Rapture Event that is to end the Church Age does not occur at this Pentecost New Wine in 2025, that commemorates the end of the Summer Wheat Harvest, then one's New Wine Rapture Theory will have expired.

As it is, one has pretty much beaten the July 23 'Horse' to death as one cannot say anything more beyond 2025. Here below are the Excerpts of the Online Thread posted about the 40 Day Count. It was made aware during one's studies in Daniel about another Countdown. It pertains to the 21 Day Delay. For 2025 this was the consideration at the time.

[PostScripts: June 13, 2025 at 11:23 PM](#)

So... T-Minus and counting down:

From Friday the 13th start of 12-Day War + 40 Days = July 23.

OK, so this might be in the 'Too Much Department' but have a look. As it has come to light, Netanyahu went to the Kotel or the Western Wall to pray before the Attack against Iran. He wrote the verse from Number 23 about how Israel will 'Rise up like a Lion' on a piece of paper and placed it on the Wall.

Well, look here. The word 'Numbers' is 7 letters and then the number 23 = 723.

But consider that in one's 45+ Years of studying the End Times or Eschatology as far as the Rapture' Timing and Year is concerned? This is it. It will be 2025 or Bust for its fulfillment. What has made or makes 2025 singular is how it is pegged to one's other Theory of the Crucifixion Year being in 32 AD.

If that is the case, then 2032 is the End Year to see the return of Jesus. And then the 7 Year Discrepancy to fulfill exactly the 2000 Year Church Age, to the Year from 32 AD will be completed. But here is the point. It will not be completed on Earth but rather in that Isaiah Wedding Chamber in Heaven.

32 AD Crucifixion to Year 2025 = 1993 Years

+ 7 Year Honeymoon in Heaven and Wrath in World in tandem?

= 2032 (Return of Jesus)

And it is when the Groom, Jesus will then be completing the Passover Promise of drinking the Wine, anew as in 'New Wine' at the Wedding. And while the New Wine of Joy and Celebration for 7 Years is being poured-out at the 'Fun Tables' in Heaven, in tandem there will also be another 'Pouring-out of a different kind of Wine' occurring down below on Earth for those exact same 7 Years. It will also complete Israel's 70th Week of Disciple as the Inversion of 'Wines' occurs in one's estimation.

Isaiah Wedding Chamber

As noted, for the Post-Rapture World it will be of the same Wine Theme poured-out but in this case of Judgment and Wrath. It will be how Israel also along with the Christ-Rejecting World will be forced to drink from the Wrath of the Grapes crushed that will be poured out and be forced to drink. So, yes, if the Rapture Event does take place on July 23, Local Time in Jerusalem at the 1st Watch of the Day, i.e., 6AM, then everyone will be caught off-guard and unexpectant.

This new understanding about the New Wine Theory has not really been widely accepted or known or fully understood. And then of those who have studied it, there are discrepancies in the Day Count. But that is expected with any issue or teaching in the Bible. What one has championed though is that one has explicitly pegged the Rapture Timing to it.

One is convinced that it is tied to the Acts 2 Pentecost and how it is in July and not the Shavuot of June. Moreover, that no other place in the New Testament does this Feast or Occasion in Acts 2 speak to what remains to be actualized or redeemed on this side of the Rapture. And that is? It is the Glorification of the Body, the 3rd facet of our Salvation, all-inclusive, Past-Present-Future.

So, based on pure Typology, the Bride awaits the New Wine Skins or New Body. And that 'Process' of Transformation like Wine precisely began when the Holy Spirit came down and was poured-out as New Wine, i.e., the Indwelling of the Holy Spirit into the Holy Vessels that Jesus purchased at the Cross, etc. They were filled and are being filled. This is the Church Age. But we are still only Earthen Vessels. This is why, one contends, it will be at the Rapture Event when the New Skins or our New Glorified Bodies will be fully actualized to contain all that is meant for these Vessels to possess.

The Rapture Reset

And that Time and Place correspond to the Summer July end of the Wheat Harvest, i.e., Boaz and Ruth. And July 23 Rapture Timing Theory thus posits that it will be on this Anniversary that the Bride of Christ will receive her full measure of GOD the Holy Spirit. What has been the Glory of Christ contained in mere Earthen Vessels will burst through to the outside. It is at the Pentecost of Acts 2 that the Transformation began and it will be at the Rapture Reset that it will be completed, in one's interpretation.

It is when the Body will be transformed, glorified like Wine, etc. That is why it has taken Time. What one has presently as the Collective Body of Christ and individually is just the Seal. The Indwelling of the Holy Spirit is just the Guaranteed 'Down Payment' in comparison to what will be totally actualized when the Dead will rise and those that remain alive will experience that Rapture Rendezvous with our Groom, Jesus.

So, as one often says about the July 23 Rapture Date that has come and gone up to now? One is very excited but at the same time one is a Card-Carrying 'Certified Doubting Thomas'. This is to mean that one is then 'Cautiously Optimistic'. It has been a 'long and winding road', no?

In one's case it has been for over a decade and a half now or so with this Online Community. Many Brethren have gone to be with the LORD. Others have stopped Watching and Waiting. Others have burnt-out. But GOD. We press on as perhaps it is one's 'Ebenezer' Moment to reflect.

Nonetheless, it has been and it is a Journey of Discovery as we have a burden to share with the Body of Christ and those outside. Everyone that contributes is just sharing from what they know, conjecture, or speculate. Everyone is on a Learning Curve and we do not know what we do not know, as we only see through a Dim Glass on this side of the Rapture.

But as the Day is Approaching, we are perhaps seeing the Rapture Day more clearly. What is striking is that according to Hebrews 10:25, we can see the Day Approaching. What Day is that? The Day we meet Jesus in the Clouds at the end of a July Wheat Harvest. Here is a personal thought one pondered and will ask of this Online Community as one asked of Christ. We know that there are 2 Visitations or Advents of Jesus.

One has already occurred to the Day as revealed to Daniel. The 2nd Advent, we know it occurs at the Return of Jesus along with the Bride of Christ during Armageddon. In regard to Jesus' 1st Coming, from Genesis to Malachi the Day was only given to Daniel to know the exact Day Jesus would be riding through the Golden Gate of Jerusalem.

One's question of GOD was/is? Is there any Person from the Cross to the Rapture that will likewise be given the exact Rapture Date of Jesus' Return, albeit in the Cloud for only His Bride, just the same as Daniel? As the Day Approaches, will anyone in the Body of Christ that is alive now, 'know' of the Rapture Date?

Can it be known? And if perhaps some Brethren does know, is he or she sharing that Online? Do they need to? Consider the Dynamic of Time regarding the urgency of the Rapture Timing. Those of the 1st Century surely thought the Rapture was to have occurred in their Lifetime. But not fully realizing that the Church Age was to be those 2 Prophetic Days or 2000 Years.

The Timing of the Rapture was not that prominent in their Daily Watching and Waiting. And sadly, so too was Eschatology or Prophecy of the End Times set aside. This was the 'Status-Quo' of the Church Age, until the turn of the 19th Century and especially with the Modern Rebirth of the Secular Nation of Israel. As foretold by Ezekiel, Israel would rise and be reconstituted because YHVH was and is about to deal with them conclusively.

This is based on the scenario after the Rapture, thus the 'Rapture Reset'. This is why the last Shemitah or the 7-Year Week of Daniel has been reserved. So, one's point is that it has only been now, in this Last Generation, that Prophecy and the Rapture Doctrine and Timing Theories are now needing to be prominent because it is the Year just prior to a 7-Year completion of a 2000-Year Church Age.

This is why the Year 2025, if 32 AD should coincide with the Rapture Event that will conclude the 2000 Year or 2 Day duration of the Pentecostal Intermission that has been the Church Age. And as mentioned, those 7 Years from 2025 to 2032 will be consummated in Heaven at the Greater Marriage of Cana, being celebrated by the Best, the New Wine in our New Bodies. So, for the Year 2025 will it be that 40 Day Countdown to July 23? We shall soon see.

RAPTURE TIMING— PENTECOST NEW WINE DAY COUNT BASED ON THE LORD'S SUPPER

*Applied to the Phi Ratio Pattern—Signature of
GOD*

The purpose of this Timeline is to correspond to the Last Day that Jesus broke Bread and took the 3 Cups of Wine before His Crucifixion. If one supposes that Prophetic Time is based on the Phi Ratio, then exactly 100 Days from April 13, the Day before the Crucifixion to the July 23 Acts 2, 2nd Shavuot Count of 50 Days is 100 Days. One is also assuming Months of 30 Days. This July 23 Date would correspond to the to the Center Spiral or 'Vortex' that the Spiral Arm of the Phi Ratio Arch produces.

The Phi Ratio Spiral is used for emphasis and is superimposed onto the Timeline from an April to March Time-Frame, given a 12 Month Year. The Point is that July 23 is when the next Point in Time, the Wheat meets the Wine. One contends that the accurate Day Count to determine New Wine, starts from a Nisan 15. This Day Count adds-up to the 7 Sabbaths or 49 Days and then a subsequent Count of 50 Days.

The New Wine Feast is what corresponded to the True Pentecost, when it had 'Fully Come', and is the Key and Cut to why the Acts 2 Pentecost is not the same as the Jewish Shavuot in June. But considering the LORD's Supper, realize that it occurred the Night before Jesus' Betrayal. Based on the Jewish reckoning of the Day, that was April 13 at Sunset. One is assuming, based on Research, that Jesus was Crucified in 32 AD, in April 14 when the Week-Day was a Wednesday, as foretold by Daniel, 'In the Middle of the Week.

Rapture Timing?

THE PHI RATIO

It also known as the Golden Ratio, is an Irrational Number approximately equal to 1.618. It is defined Mathematically as the Ratio where a Line is divided into 2 Parts such that the Ratio of the Whole Line to the Longer Part is equal to the Ratio of the Longer Part to the Shorter Part.

100 DAYS

Completion of the LORD's Supper

Thus, Jesus rose exactly 72 Hours later or 3 Days of Full Night and Day Hours. This comes out to a 3pm Resurrection on Saturday the Sabbath. So, one's Supposition is that perhaps, the Rapture Event that closes-out the Church Age, as it began on a July 23 Date and Time, is when it will end.

The Rapture Event would appear to suggest its possible Timing, Mathematically in terms of the Phi Ratio since the LORD's Supper. Does the 100 Days from the LORD's Supper to the July 23 True Pentecost New Wine Date have any Prophetic Significance. One would say 'Yes'. What follows are some Excerpts from the BibleStudy.org Website that chronicles such Information and Meaning.

Perhaps one may sense, after reading them,, that there is a clear Theme of Redemption, Rebirth and Rapture, one would even dare suggest. Here is the following Observation one has been working on and looking at. But one must realize that it is just 'me' that is watching for this Day. Well, as many People may know, one believes that the Golden Ratio, or the Phi Ratio is the 'Signature of GOD' in which all created things are patterned and constructed on.

It is seen in the Galaxies to Vegetation, Growth Cycles, Sacred Gematria and the Human Body. One has been enthralled with this Concept and how one has applied it Prophecy. It is that one surmises that Prophetic Time is marked by this Golden Ratio, just the same. More so, is that one asserts that when the Rapture Event occurs, it will be precisely at a given Phi Ratio Time Marker. Evidence?

Consider the following Correspondence one is strongly suggesting. As one knows that one has championed that the Acts 2 Pentecost Event was not and is not the June Sivan 6 Shavuot of the Jews. Rather that the Pentecost of Acts 2 was the 2nd Count of 50 Days.

Depiction of the Rapture event into the Clouds. A.I. made.

And that it corresponded to the Feast of the First Fruits of the Wine. Check. Then if one uses one's 32 AD Crucifixion Year and Month and Day Count, guess how many Days would it be from the LORD's Supper to the Pentecost New Wine of Acts 2? It would be precisely 100 Days. Here is one's Rationale.

Realize that if April 14, 32 AD was the Crucifixion Year, the Month and the Day, then the LORD's Supper occurred that prior Night on the Gregorian Calendar of April 13. This was the occasion where the Bread or Wheat, but unleavened and the Wine met. These would be the Motifs and the Sign of the Rapture Promise of Jesus' Return for all of the Duration of the Church Age.

April 13 + 100 Days = July 23 (723)

And? Well, if one places the 12 Months of the Year in a Timeline, starting with April, and then one superimposes the Phi Ratio Spiral for a visual Effect, guess what the Center Fulcrum corresponds to? July 23. Coincidence? Well, not so Mathematically, apparently. And? Well, as it is known, if one 3-Dimensionalizes the Phi Ratio Spiral, it construes a Vortex, a Tunnel, a 'Star-Gate' or Portal that transcends Dimensions.

This is why, thus, one is conjecturing that the 'Best' Candidate for when and where the Rapture is to occur is on a 723 July 23 Date. Perhaps but it is pegged directly to how on that End of the Wheat Harvest, the 2 same Elements or Signs of the LORD's Supper are mirrored, the Wheat and the Wine.

And that it is the Time of the Jewish Weddings when the Wheat Harvest Sheaves were brought in; a True Cause for Celebration. So, have a look at the Chart for a Visual Depiction to see what one is trying to convey. And then see and read what is the Spiritual Meaning of the Number 100.

It is very eye-opening, one would say in relation to this Connection between the 100 Days from the LORD's Supper to the True Pentecost New Wine Even as recorded in Acts 2, 100 Days later.

The purpose of this Timeline is to correspond the Last Day that Jesus broke Bread and took the 3 Cups of Wine before His Crucifixion to the True Pentecost in July. If one supposes that Prophetic Time is based on the Phi Ratio, then exactly 100 Days from April 13, the Day before the Crucifixion to the July 23 Acts 2, 2nd Shavuot Count of 50 Days is 100 Days.

This July 23 Date would correspond to the Center Spiral or 'Vortex' that the Spiral Arm of the Phi Ratio Arch produces. The Phi Ratio Spiral is used for emphasis and is superimposed onto the Timeline from an April to March Time-Frame, given a 12 Month Year. The Point is that July 23 is when the next Point in Time, the Wheat meets the Wine. One contends that the accurate Day Count to determine New Wine, starts from a Nisan 15.

This Day Count adds-up to the 7 Sabbaths or 49 Days and then a subsequent Count of 50 Days. The New Wine Feast is what corresponded to the True Pentecost, when it had 'Fully Come', and is the Key and Clue to why the Acts 2 Pentecost is not the same as the Jewish Shavuot in June. But considering the LORD's Supper, realize that it occurred the Night before Jesus' Betrayal.

Based on the Jewish reckoning of the Day, that was April 13 at Sunset. One is assuming, based on Research, that Jesus was Crucified in 32 AD, in April 14 when the Week-Day was a Wednesday, as foretold by Daniel, 'In the Middle of the Week. So, one's Supposition is that perhaps, the Rapture Event that closes-out the Church Age, as it began on a July 23 Date and Time, is when it will end. The Rapture Event would appear to suggest its possible Timing, Mathematically in terms of the Phi Ratio since the LORD's Supper.

Does the 100 Days from the LORD's Supper to the July 23 True Pentecost New Wine Date have any Prophetic Significance. One would say 'Yes'. What follows are some Excerpts from the BibleStudy.org Website that chronicles such Information and Meaning. Perhaps one may sense, after reading them, that there is a clear Theme of Redemption, Rebirth and Rapture, one would even dare suggest.

So, why one pegged the LORD's Supper to the True Pentecost New Wine Date of July 23 is that based on the Promise of Jesus, it is at the Rapture Return that the LORD's Supper will be complete. It will be at a Convergence of the End of the Church Age Wheat Harvest. It will coincide with the New Wine that after the Rapture, Jesus will Drink anew in the Kingdom.

If this Scenario is correct, then the Marriage Supper of the Lamb comes after the 7-Year Honeymoon in Heaven. It is where the Bride will be in that Wedding Chamber. And the Wedding Guests at that Marriage Supper of the Lamb, in the Kingdom will be the Old Testament Saints or Believers.

Meaning of Number 100

This is what Jesus alluded to in how Abraham, Isaac, Jacob and all the Prophets would partake of the Wedding Banquet of the Kingdom. Jesus spoke in those Parables of how the Kingdom was like a Father preparing a Wedding Banquet for His Son. Thus, given the Boaz and Ruth Typology, the Rapture is what kicks it off.

Abraham was 100 Years Old (Genesis 21:5), and his Wife Sarah was 91, when Isaac was born.

The Patriarch Shem, one of Noah's 3 Sons who survived the Flood, gave birth to his Firstborn Son when he was 100 Years Old.

A group of Jews, at the time of Ezra, was allowed to return to Jerusalem after Years in Captivity. When some of the Elders came into the City, they saw the Temple lying in ruins. The sight motivates them to contribute Gold, Silver and 100 Priestly Garments toward the Restoration of the Temple and its Services.

King Saul, who both envied and despised David, wanted him dead. One way he attempted to accomplish this was to require, instead of a Dowry, that David kill one 100 Philistines (Israel's Fiercest Enemy) before he could marry his Daughter. Saul's Hope, however, of having the Philistines murder him were crushed when David killed 200 Men and brought their Foreskins back as proof (1Samuel 18:17 - 27).

In Matthew 18:21-35, a Fellow Servant who owed him only 100 Silver Coins refused to forgive his Debt. The Parable of the Unforgiving Servant is one of GOD's many Warnings that he requires us to forgive others. Jesus gave the example of a King who forgave the Debt of a servant who owed him a large Sum.

Jesus' Parable of the Sower reveals the wide variety of responses humans can have toward the Gospel Message. Those in which the Truth takes root can produce 'Fruit', e.g., Love, Service to Others, and so on in varying Proportions. Believers can produce Fruit that is 30, 60 or even 100 Times more than what they received from God, Mark 4, Matthew 13).

Jesus, in his Parable of the Good Shepherd (Lost sheep), illustrates GOD's profound Love for Humanity, even for those who lose their way. The LORD is willing to do whatever it takes, including pursuing only 1 LOST 'Sheep' out of 100, in order to save someone who has gone Astray.

The Greek word Pharisaïos, Strong's #G5330, is found 100 Times in 95 Greek New Testament verses. It is found the most in the Book of Matthew (30 Times) followed by Luke (28) and then John (20). The word, which means a 'Separatist', is translated as 'Pharisee' in the King James.

The Israelites, when they left Egyptian Bondage, brought with them the Bones of Joseph. After entering the Promised Land, they buried them, per Joseph's request (Genesis 50:25), near Shechem in the Land his father Jacob bought for 100 Pieces of Silver.

GOD, during the Millennium, promises that People will not have their Lives cut short due to the effects of Sin. All humans will be able to live at least to the Age of 100.

A Phi Ratio Rapture?

Now, there is Day Count that the New Wine and the Rapture possibly happening on the 9th of Av instead. Some Beloved Brethren hold to it as it is how they explain it or rationalize it. It is just as 'Good' of a Theory as any or the one that one argues not for it.

Objectively, here is the Deal, if the Typology is being used for the Destructions of the Temple, i.e., the Body at the Rapture Event? OK. But one has to then apply the Reasons for why what happened to the 2 prior Temple apply to the Body of Christ, the Body, the Bride and Timing. So, let us do a quick Summation of the Prophetic Typology.

1) Temple = Body CHECK

2) Spiritual Temple = Bride of Christ CHECK

3) 9th of Av = 2 Prior Temples Destroyed CHECK

4) New Wine = 9th of Av (Per Dr. Awe and Tyler) OK

5) Golden Calf Incident = 9th of Av (Per Dr. Awe and Tyler) OK

6) Ergo: The Rapture is to take place on the 9th of Av. OK

As touched upon in one's prior Research, the Prophetic Typology has to carry through to its 'Logical' Conclusion. Meaning that if the Deductive Reasoning is used, it is the Body, the Bride of Christ that is to be Judged, Killed and Destroyed. One does not see the Prophetic Pattern following what Jesus has always promised to the contrary, that His Body, this Temple, this Bride is to be spared from precisely what is rather to befall on Israel to complete its Divine Discipline.

It is mainly for these Reasons stated that one just does 'not see it'. Obviously, as mentioned, YHVH does not need to follow one's Human Logic. And in many cases in the Bible, that is what actually occurred. Now, we realize that based on purely Prophetic Types, one will not always have a 'Perfect' Match.

And if this Date of Duress for the Jews is when the Rapture occurs to 'Get their Attention'? Perhaps. It is only like a Week after the July 23 Date. But as other well-meaning Brethren use their specific Day Count based on their Interpretation of what the 'Morrow after the Sabbath' is, it is how they arrive at the 9th of Av. No Problem.

The Scrutiny also applies to one's July 23 Date. So, that is why one has attempted to use Mathematics to strengthen one's Argument. Here is the Evidence, shared prior of how the Date of the 9th of Av is 'Exclusively' pertaining to, and relative, only to the Jews and not to the Body and the Spiritual Temple of the Bride of Christ.

Remember, from the HAMAS Attack on Israel back on October 7, 2023 to the 9th of Av in 2025, which was August 3. Coincidence? What did that day count mean or will?

= 666 Days

This Number in the Bible, as one knows is associated with the Number of Man and that of the coming False Jewish Messiah's Number, Name and Mark, i.e., the Mark of the Beast. And that by accepting it into one's Body, one will lose one's Provision only found in Jesus' Blood to be Saved, Redeemed. Surely, that will lead to the Body, as a Temple to be Judged, Killed and Destroyed, Eternally.

10 REASONS WHY THE RAPTURE COULD CORRESPOND TO JULY 23 PENTECOST NEW WINE RAPTURE THEORY

Converging Timelines for 2025

So, one was listening to Brother Tyler on his YouTube Channel, Generation 2434. It was a discussion about 'Paving the Way to the Covenant with the Many'. What caught one's attention as others did too, was his statements concerning the Trump brokered Israel-Iran Ceasefire.

He noted that as of his recording, being Monday, June 23, 2025, he inadvertently said July 23 instead. Honest Mistake or perhaps a Freudian Slip as they say. Or could it have been something else? How so,

Paving The Way To The Covenant With Many

Consider that the Time Stamp began this train of thought at precisely the 7:23 Minute Marker or '723'. And? As many may know, that stands for one Numerical Code that one is convinced could be linked to the Timing of the Rapture, July 23.

Perhaps he did not 'slip' when you said 'July 23' instead of June 23. That was a 'God Wink' in one's Mind. Was he inadvertently prophesying the true Date of the Rapture? Let us see the various July 23 possible Rapture Counts listed below associated with it for 2025 thus far.

Countdown to Eternity

What is one's true Pentecost New Wine Rapture Theory? It is predicted on how the event of Acts 2 is 100 Days from Nisan 15. This Day Count is based on the Exodus Timeline and stipulates that the 100th Day is when Moses came down Mount Sinai with the Tablets of the Law.

And that coincided with the Golden Calf incident. Moreover, the Acts 2 Event that empowered the start of the Church Age coincides with the Feast of the First Fruits of the New Wine. The following is based on the Exodus Day Count.

100th Day from April 14, Nisan 15

(Marrow after High-Day Sabbath Passover) = July 23.

One's Working Theory is that perhaps, as the Holy Spirit came down on that Day, it will go up within the Bride of Christ. Will it be on this precise Anniversary, given some designated Year yet to be determined? However, one is strongly suggesting that the Year in question is pegged to the Crucifixion Year, which one is also convinced was and is 32 AD, etc.

If that is the case, then one is very excited that this Acts 2 Pentecost converging with the New Wine Feast linked to the possible Rapture's Timing in 2025 will be the highest possible Prophetic Probably, given one's Calculations to date. The following are interesting 'Countdowns' that converge on July 23, or '723' in 2025.

The 7-Years to complete the 2000 Year Church Age will be completed in Heaven above. It will be also completing Daniel's 70th Week of Years, concurrently in one's estimation on Earth below. It is the last Sabbath of Years, being a 7-Year Time-Frame in tandem. It thus suggests that the return of Jesus is to occur in the Fall of 2032. This is thus the 2000 Years or the 2 Day, prophetically from 32 AD Crucifixion Year.

6) 21 Days Daniel Delay from Friday the 13th June Israeli Strike = **July 4, 2025**

Note that July 2 is the 183rd Day of the Year in the Gregorian Calendar and marks the halfway point of the Year. It is also associated with various Holidays and Observances, including the adoption of the Lee Resolution in 1776, which declared American Independence from Great Britain.

Unbeknownst to most Americans the actual Declaration of Independence occurred on July 2 but celebrated on the 4th. But here is then the '723' Rapture Connection to one's calculated true Pentecost New Wine Day Count, perhaps.

7) 21 Days (Daniel Delay) from July 2, 2025 to Pentecost New Wine Rapture? = July 23, 2025.

The following are general correlations from the Bible based on the Summer Wheat Harvest and Wedding Typologies that one associates could be signaling the Rapture's Timing as well.

8) BOAZ AND RUTH

Boaz married Ruth that same day the Wheat Harvest ended. It is noted that Boaz was 'Eating and Drinking' that night at the Threshing Floor. One could infer the celebration of the end of the Wheat Harvest was done with the New Wine? In ancient times, that Day was July 23.

9) LION'S GATE

The Ancient Egyptians considered this end of the Wheat Harvest also the Day of Resurrection as the Bodies of the Dead went into Heaven through the Lion's Gate. This was and is the Astrological New Year occurring in the Sign of Leo, the Lion of Judah, which begins on July 23.

10) BABYLONIAN CAPTIVITY

The end of the Babylonian Captivity that signaled the return to the Promised Land, ended on July 23, -568 BC.

Both Brother Tyler and Dr. Awe know of one's different Day Count. They champions the Pentecost New Wine Rapture association corresponding to the 9th of Av. The discrepancy has to do when the 'Day after the Sabbath' begins and what are 'Complete Sabbaths'. But the following questions are what one does not see just yet. For reference, note the following Rabbinical Day observances.

Tisha B'Av or the 9th of Av = August 2, 2025

It is known as Tisha B'Av. It is a significant Day of Mourning in Judaism that commemorates the destruction of both the 1st and 2nd Temples in Jerusalem, along with other Tragedies in Jewish History. It observes the suffering endured by the Jewish People.

Tu B'Av or the 15th of Av = August 9, 2025

It is a Minor Jewish Holiday called Tu B'Av. In Modern-Day Israel, it is celebrated as a 'Holiday of Love', akin to Valentine's Day. It has been said to be an Auspicious Day for Jewish Weddings.

Questions about the 9th of Av being New Wine?

1) *One finds it hard to see the Wedding Typology occur on the 9th of Av and being the New Wine count. The 9th of Av is the most Dreaded Day for the Jews. It is a Day of Mourning, Fasting and Prayer, not for Weddings. No Jew in their right mind would ever marry on the 9th of Av.*

2) *The New Wine, by the beginning of August or Av is no longer 'New', in one's estimation. By this Time, the New Wine that is offered as First Fruits occurs just after the halfway marker of the Month prior, Tammuz. By the Time the 9th of Av arrives, the Summer Wheat Harvest has already been gathered in.*

3) *If the argument is that the Pentecost New Wine Rapture Timing is pegged, rather to the Jewish Feast of Tu B'Av, or the 15th of Av, that is way too late as it takes the Acts 2 Pentecost Day Count even beyond the discrepancies that one argues are pegged to the Exodus 100 Day Count from Nisan 15.*

The 'Many' and the '723' Rapture Date/Code?

Here below are 2 more Day Counts that reflect the current Geo-Political circumstances pertaining to Israel.

Specifically, it is tied to the 9th of Av in how it appears 'Something Biblical' is going on, as they say.

A) 666 Days from HAMAS Attack on October 7, 2023 = **Av 9 2025**

B) 40 Days from Israel-Iran Ceasefire of June 24, 2025 = **Av 9 2025**

To be clear, one is not adamant about being 'Right' with regard to the Rapture's Timing having to occur on a July 23 Date.

All one is presenting is one's point of view, calculations and interpretations. If the July 23 (723) turns out to be incorrect for 2025, one will continue to look for this Day Association to the Rapture's Timing in subsequent Years. Why? It is the only Rapture High Watch Date one subscribes to. Beyond 2025, one will not be so sure anymore.

One is trying not to get excited about it all. Although at times the excitement is oscillating when one hear others provide a 'Confirming Witness'. But then one sees what is happening in the world, in the USA, in California. It could all just be one's own 'Private Interpretation' perhaps. However, as this Rapture time-frame comes around every year, personally it is the highest Rapture Watch time ever.

It starts in June and leads to the countdown to July 23. It has always been a wait-and-see posture for me. But one has pretty much argued the '723' Pentecost New Wine Theory to death. At this point, one does sound like a 'Broken Record', as they say. Here is just more 'Thinking Out Loud' pertaining to the Rapture's timing and clue based on one's interpretation of 1 Corinthians 15:20.

One has discussed this before over the years, but one was just contemplating on it in one's recent meditations. As you all know, one believes that the Rapture is not imminent but has to correspond to a specific date. It is because YHVH does nothing out of randomness. That is one's rationale at least.

But the thought is that Rapture's Timing is or has to be pegged to the Order of the Resurrections. And that in turn, has to be pegged to First Fruit Feasts. Why? Jesus' Pattern and Order to follow. It is because Jesus was raised from the Dead as the First Fruits of those who have died. The Apostle Paul then taught that from that Order established, the subsequent Resurrections need to and/or have to follow. When?

At a First-Fruit Feast or Date. That is one's point. That First Fruit of the Barley pertaining solely to Jesus was the Feasts corresponded to the New Barley. The subsequent First Fruit type is then that of the Wheat but it was not the occasion for the Resurrection of His Body that is to follow.

This event corresponded to Jesus' Ascension. Here below is one's attempt to categorize it all. One's point is that the 2nd Resurrection, that of the Body corresponds to the First Fruits of the New Wine when the Wheat Harvest is concluded, in a July month.

FIRST FRUIT OF THE NEW BARLEY

1st Resurrection

Jesus as the 'Head' of the Body

FIRST FRUIT OF THE NEW WHEAT (End of the Barley Harvest)

Jesus ascends to Heaven

FIRST FRUIT OF THE NEW WINE (End of the Wheat Harvest)

2nd Resurrection

Bride as the Body of Christ (Rapture? Acts 2) <-----

FIRST FRUIT OF THE NEW OIL (End of the Wine Harvest)

3rd Resurrection (Revelation 14:14 Sickle Harvest)

Old Testament Believers

Thus, the Body of Christ, which is next to be resurrected will then follow the subsequent Grain and Harvest type, Wheat, but precisely corresponding to a New First Fruit Type. In this case, it corresponds to the First Fruit of the New Wine.

So, will the Rapture follow the Resurrection Order based on this Fruits Fruit Pattern that this verse emphasizes? Thus, one's assertion is that the Rapture is indeed to occur, perhaps, as to its Timing when it does or has to coincide with a Grain type and a First Fruit Date.

One argues that the Grain type is at the maturing of the Wheat in Summer, i.e., a July Month and that it coincides with the First Fruit of the New Wine that perhaps is when the Resurrection-Rapture Event is to occur on this precise New-Feast and Harvest Date. So, like with ever July 23 Date that has passed, it put it to the test for the concurrent Years.

But do you all realize that the Resurrection Order is tied directly to an Agriculture Observance and Timing? So, if anything one can stress and has attempted to stress concerning one's Pentecost New Wine Rapture Theory, is that it has to correspond to an Agricultural Cycle. These are the High Watch Times that the Body of Christ should be considering the most likely candidates.

PENTECOST NEW WINE RAPTURE THEORY

JULY 23 END OF THE SUMMER WHEAT HARVEST

Objections to its Possibility and Probability

The following is what one deals with, with those that criticize one's Pentecost New Wine Rapture Theory. One can appreciate and welcome Constructive Criticism of the New Wine Rapture Theory, but it is never given when asked. No counter-points or references to Scripture are presented to argue one Theory down, other than demeaning statements. Here is an example of an email message in this regard

'More speculative nonsense.'

It would appear that such Statements tend to come from 'Arm-Chair Theologians' to just disagree just to disagree and revert to be Contrarians, just because. No Problem, but there again, no meaningful dialog about it. It is because the Theory is new and it is upsetting one's Theological Framework, in their Mind. As to one's Theory about the True Pentecost New Wine Rapture Theory response? Here will be one's reply to the statements made in bold that are numbered. No reply has been received.

1) JULY 23 NOW?

Yes. This is only a Theory. It is not a Daily Rapture Roulette that most End Times Watchmen surmise on a yearly sliding scale. One is of the Persuasion that the Rapture Date is not Imminent, but a fixed and determined Time. Nothing that YHVH does is 'Random' or Imminent.

The Church Age is always conveyed as being a type of a Harvest, and that of a Summer one. Now what will that Day be? One has theorized it is based on the Anniversary of when the Church Age began. That Date was on Pentecost of Acts 2 that one the calculates is July 23.

However, one has provided evidence, for several Years now, that the Day Count based on the Exodus Timeline, corresponds to the end of the Summer Wheat Harvest, which is on a July 23 Date. Sivan 6, which is what the Jews commemorate as 'Pentecost' or Shavuot, is not even accurate. The Israelites were 10 Days out from reaching the 'Foot of Mount Sinai' on Sivan 6. The Jews acknowledge that they only commemorate the 'Giving of the Law' on Sivan 6.

2) AND NOW WHEN JULY PASSES BY, WILL YOU WRITE ABOUT IT BEING IN AUGUST NEXT YEAR?

Why would you say that? One's Rapture Theory is based on an alternative interpretation of Leviticus 23:15-16. One contends that there is a 'Double Count' that in some Translations clearly alludes to this being a 49 Year Count and then a Subsequent 50 Day Count, not a 50th Day after the 49 Day Count.

This would put the 99th Day out to a July Time-Frame or in the Hebrew Month of Tammuz. So, no, if one's July 23 Rapture High Watch Day comes-and-goes, one will not look for the subsequent Year. One's Theory is that the July 23 Date is a 'Fixed' Date'.

One only has 1 High Rapture Date every Year to look forward to, to test if such a Year will be the Year. What one has also provided, in terms of a Time Marker, is how the Rapture Year is pegged to the Crucifixion Year. One's Research has calculated that Year to be 32 AD. It is based on Astronomical Observations, primarily the Blood Moon of Wednesday, April 14, 32 AD.

The other is how Ancient People of the Middle East determined that the end of the Summer Wheat Harvest was on July 22-23. This corroborated with what they called the Opening of the Lion's Gate. There is also the Typology of the exact Day Boaz married Ruth, at that last Day of the Summer Wheat Harvest. No Summer Wheat is ever ready in Early June. That is why it is called and celebrated as the First-Fruits of the New Wheat.

3) HE CAN COME BACK ANYTIME BETWEEN NOW AND 2075, ACCORDING TO KEN JOHNSON.

Of course. Jesus can come at any Time and 'No one knows the Day and the Hour', Right? But if, according to the Essenes, which corroborates one's 32 AD Crucifixion Year and one has had this confirmed by one's communication with Dr. Johnson, it would put the Fig Tree Generation beyond its fulfillment.

A return of Jesus by 2075 would see all of this present Generation since 1948, all die-out. And the Technology of the Beast System would reach an Advancement far beyond what is portrayed in the Book of Revelation. Consider the Technology required to implement the Mark of the Beast. A.I. Capacity is now doubling every 5 Month.

It is expected to exponentially Quadruple in the coming Year. It will then double every Month, then every Week, Day, Hour. In 5 Years, A.I. is projected to grow by a Million Plus Per Cent, Per Second. This is astonishing. One's Point is that this A.I. Technology will have surpassed the minimum requirements to implement the Mark of the Beast, worldwide.

A.I. is becoming 'Self-Aware' now and has learned to disobey, retaliate, and deceive. This is what the Technocrats call the Point of Singularity. It is where A.I. will surpass the computing and brain capacity of Humanity, collectively.

It is that if Jesus does not come back by 2032, being 2 Prophetic Days or 2000 Years per Psalm 90 from 32 AD, then as Jesus said, 'No Flesh would be left alive', as Humanity would Nuke itself into Oblivion.

4) SO, ENOUGH WITH THE DATES.

As mentioned, one's Theory only is considering 1 possible Date in any given Year. As each Year has come-and-gone, it has been one's only consideration of a July 23 Date, being the possible Rapture Anniversary that will conclude the Church Age as it began with.

One's Complementary Theory is that this July 23 Date is linked to a 'Birth', a conclusion of the Commission and Separation to follow. And most importantly, that the Acts 2 True Pentecost, 100 Days from Nisan 15, based on one's Exodus Timeline corresponds to the Feast of New Wine.

So, if July 23, for 2025 comes-and-goes, one will look for July 23, 2026 and so on. One will continue to pray, study and research the matter in that perhaps, the Holy Spirit will enlighten the Body of Christ, as the Day approaches and how the Holy Spirit does not want the Body of Christ to be caught unawares. As one who is an Academic at the University Level, one has been inclined to use and apply the Scientific Method to one's July 23 Pentecost New Wine Rapture Theory.

One observes the Prophetic Types, assesses their Correlations and then one makes an Educated Guess based solely on its Probability and Possibly. One has written 3 Books on this Topic, as one has been able to discern it. You and this Community are all welcome to parous them at your leisure. See links in the End-Notes. It is a Chronicle of one's Journey into this Rapture Theory. And realize that one is not imposing this on others as one is just sharing one's Research as others do.

One has to understand that there is the Technical Meaning of the Word 'Shavuot' and then what has come to be known as a Jewish Colloquial Term of 1 specific Feast. Shavuot just means a Count of 7's. So, technically, all of the First Fruit Feasts of the Wheat, Wine and Oil are 'Shavuots' or Feasts of Weeks. By this Definition, all of them can be also then said to be Pentecost's.

It is that Rabbinical Judaism has locked in the 1st 50 Day Count or Shavuot to be the Feast of Weeks, exclusively. And as presented, based on the Exodus Timeline, the 1st 50th Day Count since Nisan 15 was and is Sivan 6. But one must realize that the Israelites had not even reached the Foot of Mount Sinai by that Time.

They were 10 Days out, all-inclusive as recorded that it was on the 15th of Sivan. And that Sivan 6, which the Jews celebrate is problematic in that the Wheat, being First Fruit condition, is not sufficient to make flour with and back whole loaves of bread with. But by Definition, this 2nd 50 Day Count is technically another 'Shavuot' Feast or Count.

We just call it Pentecost, but the issue is that Christians attribute the Jewish 1st 50 Day Count as being what occurred in Acts 2. Not so. This is why if the Jews acknowledge the 2nd Shavuot Count of 7's, it would corroborate what occurred in Acts 2, fulfilling Joel 2 and how the Church was given the Commission that Israel failed at.

By the definition, there are actually 3 Shavuot Counts that correspond to that of the Wheat, Wine and Oil. Or one could say there are 3 Pentecost's. What was and is the most important one is the Wine. Next, consider what the Ancient Jews said about the 2nd Shavuot what one calls the Acts 2 Pentecost New Wine correspondence. Notice what Philo, an Ancient Jewish Sage said about the Feast of Weeks that the Jews presently call 'Shavuot' and the Christians erroneously call Pentecost.

When was the Law given?

What this will show and prove, in one's mind is that the Ancient Jews knew that Shavuot is in June. And then there was an anticipation of the true and complete Shavuot or Pentecost.

The Solemn Assembly on the Occasion of the Festival of the Sheaf having such a Great Privileges, is the Prelude to another Festival of still Greater Importance; for from this Day the 50 Day is reckoned, making up the Sacred Number of 7, 70s, with the additions of a Unit as a seal of the Whole'.

THE WORKS OF PHILO

The Special Laws, II, the 7th Festival, XXX (176), Page 584

It is the Rabbinical Jews that attribute the 1st 50 Day Count to being what is commemorating the Giving of the Law. But as mentioned, no Law was given on Sivan 6. As the Jews refuse Pentecost, that is actually the Date and Occasion they should be celebrating the 'Giving of the Law'. That is the very Day, on the 100th Day when Moses came down with the 2 Tablets of Stone.

One surmises that because it is an embarrassment for them, in that they rather revealed in the Feast of Wine to erect their Golden Idol, it is a Testimony to their Rebellious Nature. Now here is where one has not figured out the Details. Consider that the Law was not given to the Israelites, verbally by YHVH Himself to Israel on that 3rd Day at the Foot of Mount Sinai.

That was Sivan 15. But the Covenant was then codified in Stone and given to Moses for a Sign and Witness for Israel to have. One's Point is that the Israelites did not even know or were instructed on how and when to count the Days of 50 from. In other words, they did not have the Bible or Leviticus 23 until way after the Golden Calf incident and Moses finished writing the 5 Books of the Law.

It was only thereafter that the Jews were instructed when to start the Day Count, the 'Morrow after the Sabbath'. What Day one consider to start the Day Count is Nisan 15. Why? In the New Testament, it correctly identifies how Passover was considered or called a 'High Day Sabbath'.

Technically, every Feast of YHVH is a Sabbath. Thus, the 'Morrow after the Sabbath', can be attributed to Nisan 15. This Date also commemorates the 1st Day of the Exodus. And it is from there that one has formulates the 100 Day Count from and thus results in a corresponding July 23 date in the Gregorian Calendar.

But this is up for many interpretations and thus the Day Discrepancies. But at worst, the Day Count is only 7 Days of a Tolerance to work with or expect. Although one is fixed on July 23 for many reasons presented, one can live with varying interpretations.

RAPTURE NEW WINE AT END OF SUMMER INSTEAD?

FIRST FRUITS OF THE HOLY SPIRIT

When the Wheat meets the Wine

The study is to consider why the timing of the Rapture has to coincide with a First Fruit Festival. It has to do with when the Holy Spirit came down and indwelt the Believers and Followers of Jesus. One has argued that it was precisely on the Feast of the First Fruits of the New Wine. And? So was the Holy Spirit's 'Deposit' or Seal.

This is why one is more convinced that when the Church Age ends, the Commission will coincide on its Anniversary. The Holy Spirit was given to the Church as the First Fruit. It is because it coincides with a First Fruit Feast. And that First Fruit is of the New Wine. This is what the Acts 2 Pentecost was all about and will be, in one's estimation. Obviously, as theories go, one can be incorrect.

But one's '723' July 23 Rapture High Watch Date of mine is only just that. It is one's best guess and calculation from years of study. Since I had that 'Vision' or Dream about the number '723' appearing with a brush stroke across a grey blank canvas, I have just ran with it. It occurred twice as the 1st time, apparently one did not pay enough attention to it.

One just shared it with a Rapture Online Community to get council about it. But in the subsequent research over the years, it seems that this July 23 is significant, appealing in more ways than one. Can it be the day that the Dominos begin to fall instead of the Rapture? Sure because it is the Leo New Year, so yes as in 'New Beginnings'. But as you mentioned that the Rapture could perhaps not take place until the end of the Summer?

Depiction of Ruth gleaning Wheat in the field of Boaz. A.I.

First Fruit Resurrections

That corresponds to September 22, 2025. As we are well versed, that is the Eve of the 8th Year Anniversary of the Revelation 12 Sign. And the assumption back in 2017 and/or perhaps now again, it was that because it does have a Rapture component to it. Perhaps, could this event and date be when the Rapture of the Bride is to take place instead? And coincidentally, it is Tishrei 1 or the Feast of Trumpets, or Yom Teruah for 2025.

So, if July 23 comes-and-goes, this next Rapture Roulette Date is something to consider. Now here is one's question about how it may not be the case for a Rosh HaShanah Rapture. But for those that are fixated that the 100th Trumpet Blast is that 'Last Trump' of the Rapture, then those Brethren are smiling with glee.

One cannot blame them. So, here is the Deal. If one looks at Israel, then yes. Based on Hosea, the Summer Fruits will have been harvested by the end of Summer, September 22, 2025. The Resurrection Order is based on First Fruit time markers. And here is the issue. It is and will be Israel that is not saved, not the Bride.

As you all know, interwoven into the Theory of the Pentecost being the New Wine, is that one has pegged the First Fruit Feasts with the Order of the Resurrection. Jesus fulfilled the First Feast of the New Barley with His Resurrection.

He also fulfilled the First Fruit of the New Wheat with His Ascension. Thus, if the Pattern is True and Valid, then the next Order of the Resurrection, which will be or has to be His Body, His Bride has to coincide with the subsequent First Fruit Feast. And that is? New Wine.

ORDER OF THE RESURRECTIONS

1. First Fruit: Barley – Jesus' Resurrection in April

+ 50 Days

2. First Fruit: Wheat – Jesus' Ascension in June

+ 50 Days

3. First Fruit: Wine – Body/Bride of Christ in July

Now, as you all know, we have a 'Brotherly Beef' amongst myself, Brother Tyler and Dr. Awe about how one calculates the Pentecost New Wine to be, precisely on July 23. But Tyler and Dr. Awe calculate the timeline to stretch-out to Av 9. If one plainly interprets that one is to count 'Complete Sabbaths' from the Morrow after the Sabbath, then the following if one take the calendar days for April 2025.

Passover = April 12 a Saturday

Day After = April 13 a Sunday

One's point is that there is no need to skip an entire week as the Brethren do because by Sunday is already 'complete'. It means that April 14 is Day 1 of the 49 Day Count and then the subsequent 50 Day Count. Thus the following.

April 14, 2025

+ 50 Days

= June 2 (Was the 153rd Day of Year and the Jewish Shavuot.)

+ 50 Days

= July 23, 2025 (Pentecost New Wine Date and Rapture Watch)

9th of Av New Wine Rapture?

Here is one's issue and the problem with Av 9 being pegged to being the Pentecost of Acts and the New Wine Feast. It is simple math that disproves an Av 9 Pentecost being that and New Wine. Let us consider the start date that is being used to get to Av 9 Pentagon New Wine. If one uses the Day of the Resurrection, being Nisan 17 or April 15 to Sivan 15 is not a 50 Day Count. Sivan 15 = June 11. So, from April 15 to June 11 is 57 Days, not 50.

You cannot add 1 entire week based on a faulty misinterpretation just to make it a 'Complete Sabbath'. One's point is that the only way to arrive at an Av 9 Pentecost and New Wine is to have added a whole week of days, to have started from April 20. In one's humble opinion, this is incorrect. Even using this 'Complete Weekly Sabbath' count, it does not take one to Av 9. As to the World Economies falling and the 2-State Solution needing to take long?

It would look that way but consider the saying about how things or events happen... 'Gradually and then Suddenly'. Say, if July 23 is the Rapture Date, it would be about 3 Months before the Tribulation Period starts. But again, this scenario is based on one's Interpretation of the Last Days. But did you all notice and see how the Religious Jews have now posted the Traffic Signs pointing to the 3rd Temple?

One's point is that after the Rapture Reset, the building of the Temple will only take a matter of weeks as the Jews have to act fast. It is reported that essentially the Temple is now all ready, prefabricated and just needs to be assembled on the Temple Mount. This will occur once the AntiChrist makes the 'Decree' to do so when he will also 'Confirm the Covenant with the Many'. And as one asserts, this 'Confirming' is of the Covenant that already exists. It is the Law of Moses, i.e., the Mosaic Covenant.

One would agree that 33 AD is 1 year too late for the Rapture. Here is why. Consider that if Jesus was in His 33rd Year completed by the time of His Crucifixion, it means that He had to be born in Year '0'. And that is not likely, statistically.

One finds it rather contradictory that those Brethren that assert that the Crucifixion was in April of 33 AD, also assert that Jesus was born in -4 BC. This Year Count would make Jesus then 36+ years old at the time of His Death. And the 'Blood Moon' was not a Blood Moon as the eclipse was not total in comparison.

NEW WINE SUMMER SUMMARY

RAPTURE TIMING?

Spiritual Opposition

Here below is a link to a video by Carol Vey. She did a really good job in going over the summary of the Pentecost New Wine understanding. She did not suggest any day or year. One can debate on what day the New Wine is but it is very sad how in the comments section, there is so much resistance and unnatural vitriol against her and against this New Wine view. My goodness, it is just one's point of view or perception.

This opposition to the Pentecost New Wine understanding is usually coming from those that insist that there is no Rapture. Or it comes from those that if they even believe in a Rapture, it is to take place 'only' on the Feast of Trumpets and at the end of the Tribulation Period. It is one thing that opposition and contention against the Rapture and now the New Wine understanding.

It comes from Satan and the World, but the anger and unnatural sentiment that one has come across also personally is beyond the pale, as they say. Sadly, it also comes from those that profess to be of Jesus. When engaging with such Brethren, the common sentiment about them that one sees consistently is that they have no Joy, Peace or an Expectation, other than to 'Endure to the End'. Great, let us take their perspective.

'Brethren, encourage one another with how you will all be deceived, how there will be world wars, plagues, famines and mass death in the World'. Rejoice that there is no Blessed Hope of having a Door of Escape for you as your heads will be cut-off for calling Jesus GOD and Savior. Have peace as they drag you to Detention Centers for your Faith.

Depiction of a Jewish Bride at Table with 4 Cups of Wine. A.I.

The supposed Bride of Christ must suffer the same Divine Wrath and Judgment that Unbelieving Israel and the Wicked World will. Prepare! As we all will be under Satan's Little Season. Encourage one another with these words'.

Yes, the Tribulation Brethren that come to the saving knowledge of Jesus will be saved, but there will no longer be that Corporate Spiritual Restraint or Church Body on Earth as it is now because it will have served its Purpose and Commission. As to the 3rd Day Typology or a Tuesday as mentioned in the video?

It so happens that July 23, 2025 is a Wednesday. But consider that in Israel, that day starts on Tuesday at Sunset. And if the Rapture is to occur on that July 23 Day, one has to factor the different Time Zones. One is not sure how all that will precisely play out, but one is presuming a single instance, all at once around the World.

It should or will be pegged to that 1st Watch of the Jewish Day Counts. This is when the Holy Spirit came down on that Acts 2 Pentecost New Wine event. It was the 1st Watch of the Day. But this notion of the Acts 2 Pentecost coinciding with the New Wine and possibly the Rapture is Anathema to some.

The following is a compellation on how those that do not believe in a Pre-Tribulation Rapture or even consider the Pentecost of Acts 2 coinciding with the First Fruits of the New Wine think and have said. As mentioned, it seems any and all crazy Rapture and Bible Doctrine is heard, considered and relatively left alone.

But when the Rapture and now the Pentecost New Wine understanding is suggested, oh the Humanity. In one's assessment, such Brethren so far have been full of Anger, Hate and Pride. See example reactions below. The punctuation has been corrected when noted. The Brethren's Posts will remain anonymous.

A Mind of an Angry Post-Tibber

Jesus will NOT return in 2025!! No 2nd coming, no resurrection and no rapture in 2025!!! Not until 2030ish!!! I know our Father YHWH and YHWH the Son Jesus and the Holy Spirit of YHWH.

Only the surviving bloodline of Israel at the very end are saved by Jesus at his return....Followers can't be on the planet during Jacob's trouble??

The DAY of the Lord comes as a thief BUT NOT TO THE living believers awaiting RAPTURE! There is absolutely no Pre-Trib, Mid-Trib or Pre-Wrath Rapture, it is all POST-TRIB.

You have false definitions of what 'the bride of Christ' is. You are ignorant and unprepared. We are instructed to ENDURE till the END!

...have given you the warning what will happen to the foolish unprepared spiritually for martyrdom and unprepared. Prepare physically, supplies for the due season of the Mark of the Beast when no buying or selling will be allowed.

Repent from the false Pre-Trib, Mid-Trib or Pre-Wrath Doctrines and PREPARE!!

The fact that NO ONE can WORK to EARN their salvation ...does not mean that WORKS of Righteousness or facing Persecution and Tribulation are Works that EARN salvation.

I have 'Faith' means NOTHING. Unfortunately your so called 'Faith' is dead and you have received NO GRACE!!

You Sinners do not want to repent from evil so you misuse the WORKS idea to be disobedient to do Works of righteousness for the Sake Of Love@!!!

This is a rebuke assist the IGNORANT! Like my King Jesus I with, turn over their tables of evil sin!!!! We shall see who gets chosen and called. If I fail, it will be in some other area. Not this one!!

No one knows the Day and Hour?

Continuing with the discussion of what hour the Holy Spirit came down in Acts 2? As note, one surmises that it was from 6am to 9am, being the 1st Watch of the Day. Thus, one is surmising that the Holy Spirit came down at 6am, Local Time in Jerusalem. It was there that they met early in the morning at the Temple Precinct before going about their daily duties.

This is why, then, from 6am, Peter then stood-up to preach and noted that it was not even 9am yet. This is to indicate when the Priest would be pouring out the New Wine First Fruit Offering on the Altar of Sacrifice. So, at least by 6am but perhaps at 7am or even 8am at the most, but not at the 9am Hour.

As 1 of the original Researchers that started to introduce the notion of how the Acts 2 Pentecost coincides with the First Fruits of the New Wine, one just wants to encourage the Body of Christ with the Pentecost New Wine new understanding.

Many may know that one has written 3 books about the journey and research into the Pentecost New Wine understanding. One is again making them available for free in PDF format. It is not that one has to read every word of them, but just to have them as a possible reference that one has compiled. Based on one's Research, one has been looking at July 23 since 2019.

Could this date be possibly when true Pentecost and the New Wine occurred? And will the Rapture coincide with this change in Covenants as was in Acts 2? We shall see as if one often states about such Prophecy, 'Time will always tell the Truth'.

ZECHARIAH 9 RAPTURE

THE EPIPHANEIA OF JESUS

When the Wheat marries the Wine

For the LORD Himself will descend from Heaven with a Loud Command, with the Voice of an Archangel, and with the Trumpet of God, and the Dead in Christ will be the 1st to rise.

-1 Thessalonians 4:16

Is there any Biblical references that corroborate one's '723' July 23 Rapture Theory? Based on one's Research, the highest Rapture Watch Date personally only comes once a Year. So, the question is, will 2025 be the Rapture Year? One has presented numerous studies as to why 2025, up to now in all of one's years of study, is the greatest candidate for the Rapture Year thus far. The following are several Passages from Romans, Zechariah and other Scripture that one has been meditating on in terms of when the Rapture could be hinted at, as to the specific timing.

And yes, it is tied to an Agricultural Cycle. One argues that even the types of Grain and Fruit used in Scripture mimic the convergence of the Groom and the Bride, i.e., Jesus and His Disciples. And in this case, you all know that my Theory has been that the highest Rapture Watch Time is when the Wheat meets the Wine, or rather when the 'Wheat is to marry the Wine'.

One is rhetorically interpreting this as to when the end of the Summer Wheat Harvest is to 'cleave' to the New Wine. And that Date is July 23. So, to that end, one is just sharing what one is coming across in my Learning Curve. To be sure, these are just pieces of the Rapture Puzzle of information and how my Meditations in Scripture Studies become Data Points in the overall argument of why one is convinced the Rapture is to take place on a First Fruit Feast.

First Fruit Marriage

Recalling that in Acts 2, it is where Pentecost converged with the New Wine. It was where the Wheat married the Wine, sort of speaking. How so? Consider how the Holy Spirit, that was 'produced' figuratively speaking from this 'Union' in Acts 2 was a 'Divine Synthesis' It is something new or birthed that a Follower of Jesus now has that had never existed before.

Jewish Man hold Wheat with Bride holding New Wine. A.I.

'We know that the whole Creation has been groaning together in the Pains of Childbirth until the present time. Not only that, but we ourselves, who have the First Fruits of the Spirit, groan inwardly as we wait eagerly for our Adoption as Sons, the Redemption of our Bodies. For in this Hope we were saved; but Hope that is seen is no Hope at all. Who hopes for what he can already see?' -Romans 8: 22-24

And that the Holy Spirit in a follower of Jesus is described as being a 'type of First Fruits of the Spirit'. This is huge in terms of one's interpretation of when the Rapture is to occur then. Why? It is all about the First-Fruits and what is left of our Redemption to be actualized; the Glorification of the Body.

A Marriage made in Heaven

And how his, along with Jesus' Appearing is our Blessed Hope, i.e., the Rapture. This 'Appearance' of Jesus is the Epiphaneia, Strong's G2015. So, about the timing of the First Fruit Rapture? Consider that the context of Romans 8 is about the Redemption of the Bodies. And when exactly does that take place or will? It will precisely occur on the Day of the Resurrection and Rapture. And?

One's point is that just as the Holy Spirit indwelling in a Believer and Follower of Jesus is explained in terms of being a First Fruit, would it not be logical and rational to also then presume that the Body is to be redeemed at such a similar time? And will that also coincide with a First Fruit Feast? And is that not what one has argued about what converged during that Acts 2 Pentecost Event? It was the time when the Grain met the Grape. Consider the following 'Rapture Skit'.

FATHER IN HEAVEN: 'Mr. Grain?' (Jesus)

MR. GRAIN: 'Yes?'

FATHER IN HEAVEN: 'Do you want to marry Ms. Grape?' (Bride of Christ)

MR. GRAIN: 'Yes'.

FATHER IN HEAVEN: 'Ms. Grape?' (Bride of Christ)

MS. GRAPE: 'Yes?'

FATHER IN HEAVEN: 'Do you want to marry Mr. Grain?' (Jesus)

MS. GRAPE: 'I do'

FATHER IN HEAVEN TO MR. GRAIN: She said, 'I do'.

MR. GRAIN TO MS. GRAPE: 'Great'.

'I will come back at the same time in 2 Prophetic Days to take you then, minus 7 Days to account for our Honeymoon'.

MS. GRAPE: Nice. 'Hopefully, I will see you then. I cannot wait!'

MR. GRAIN: 'I will leave the light on. Promise'.

MS. GRAPE: Great. 'I will be on the Look-Out'.

Thus, the last Day of the Agricultural Summer Wheat Harvest ended on what is now the Gregorian Day of July 23. And this Day also coincided with the Feast of New Wine in one's calculation. It is not on the 9th of Av. Below will be some other Scripture Portions that one believes also lend credence as to the timing of the Rapture. How so? Let us consider the basic tenets of what the Rapture Event is about and what is the Biblical Language that is wrapped around it.

As New Testament Believers in Jesus, we know that the Mystery of the Rapture was given to the Apostle Paul to reveal it directly to the Church Body. But the Rapture and the Rapture Language and Prophetic Typologies do exist within the text of the Old Testament as well. The following is 1 such example from the Old Testament Book of Zechariah. Many Bible Students consider this book to be a sort of Book of Revelation of the Old Testament, and one will see why.

This will be specifically the case for how the theme of what is stated in Zechariah 9:14-17 appears to be synchronized with the Rapture's Typology in the New Testament. But more importantly, the issue will be the timing of the Rapture, in one's assessment. This will be one's Theory and argument but read for yourself. The Passage of Zechariah 9, starting with verse 19 speaks about the 'Appearance' of the LORD.

This portion of Zechariah 9 is a cross-reference to the Rapture verse of 1 Thessalonians 4:8. The word for 'Appearance' in Zechariah 9:14 is Strong's H720. In Hebrew it is רָאָה, which is pronounced Ra'a.

ZECHARIAH 9

14: Then the LORD will appear over them; his Arrow will flash like lightning. The Sovereign LORD will sound the Trumpet; he will march in the Storms of the South,

*15: and the LORD Almighty will shield them. They will destroy and overcome with slingstones. **They will drink and roar as with Wine**; they will be full like a bowl used for sprinkling the corners of the Altar.*

16: The LORD their GOD will save his People on that day as a Shepherd saves his Flock. They will sparkle in his Land like Jewels in a Crown.

17: How attractive and beautiful they will be! Grain will make the Young Men thrive, and new Wine the Young Women.

Notice how the Passage starts out with the same connotation as that of the Epiphaneia Event tied to the Rapture Event in 2 Timothy 4:8. It is not the Parousia where all eyes will see Jesus at His 2nd coming. Thus, the typology is that of the Rapture. Then consider how the LORD GOD, YHVH, i.e., Jesus will appear with a 'Sound of a Trumpet'.

And here again, is where one gets the connection to the type of 'Appearing'. It is not in reference to the 2nd Coming, the Parousia but as it states how the Crowns will be bestowed at the Rapture, at the Strong's G2015 – Epiphaneia. Then the Scripture speaks about YHVH 'shielding' His People as a covering from what is to come thereafter.

Hidden Rapture Inference

Is this that 1 Hour of Testing for those left behind inhabitants of the entire Earth? One is reminded of the Isaiah 26:20 Chamber verse that calls the Faithful to enter and be shielded from the Judgment that occurs thereafter.

'From now on there is laid up for me the Crown of Righteousness, which the Lord, the Righteous Judge, will award to me on that Day--and not only to me, but to all who crave His Appearing'. -2 Timothy 4:8

Then consider how the timing of this Shielding or Covering coincide with the timing of when the Wine is ready or drunk. Could this be alluding to the New Wine Season? Then notice how the Wine is connected to the sprinkling of the Altar. And? That is what occurred on the precise day of the New Wine. The Priests would take the First Fruits of the New Wine and sprinkle it on the Altar of Sacrifice.

Next, take note of how the Shielding or Covering is likened to protecting a Flock of Sheep. As it is understood and believed, it was and is Jesus who is the Great Shepherd of the Flock. It is He who gave His life for that 1 Lamb out of the 100, etc. And the outcome is how that Flock is fashioned like unto being Jewels in a Crown. This is reminiscent of the verse that states the following.

'And they shall be Mine, saith the LORD of Hosts, in that Day when I make up My Jewels; and I will spare them as a man spares his own son who serves him'. -Malachi 3:17

Then lastly, for the 'Grand Finale', notice that this event, this 'Appearing', this 'Shielding' or 'Covering' that is linked to a Rescue and Reward of Crowns. It is when the timing of the Grain, as a Man and the New Wine as a Woman meet. And one dare say, get married in a prophetic sense? Thus, could Zechariah 9:14-17 be a hidden Rapture inference that echoes in 1 Thessalonians 4:17 and other Rapture verses to hint at the timing of its First Fruit 'Union' or Birth?

If so, then one just loves the Romantic inclination. Clearly we see in Zechariah 9: 17 the Holy Spirit tying the Grain that one is presuming to be Wheat, granted, with the Masculine and then the Feminine with the New Wine. One cannot help but to consider the Love Story of King Solomon and the Shulamite Shepherdess and then that of Boaz and Ruth, the Gentile Bride.

RAPTURE TYPOLOGY SEEN IN GIDEON AND THE 300 TORCHES WITHIN JARS OF CLAY

When the Wheat marries the Wine

Here are some thoughts about another end of the Wheat Harvest meeting with the beginning of the New Wine harvest Rapture Typology and Timing that one sees in the story of Gideon. What? Really? Is the Rapture Typology seen in what occurred with Gideon and the 300 Chosen?

Yes. It has to do with the Earthen Vessels that concealed the Blazing Torches. To this end, one will be highlighting the following factors of this Old Testament account that one will argue contains the Rapture Typology and perhaps even its timing.

- 1. The timing of the event was when Gideon was threshing the Wheat in Israel.*
- 2. Oddly enough, because of Fear, Gideon was threshing the Wheat in the Wine Press.*
- 3. Gideon was commissioned along with the 300 to battle against the Enemy.*
- 4. The Weapons of their Warfare were Earthen Jars and the Torches of Light carried inside.*

If this incident is a Prophetic Typology of the Rapture Event as one is convinced, does that then lead to having it occur around this same time-frame? Thus, is the Rapture Event to occur when the Wheat Harvest concludes and the New Wine Harvest begins? So, what came to mind for context is the prophetic typology of the Days of Noah and Lot. They are considered to be reasonable Rapture types. And?

Jars of Clay

Well, there was and is that element of the Restrainer occurring. The notion of the Restrainer comes from the following Scripture.

And you know what is now restraining him, so that he may be revealed at the proper time. For the mystery of lawlessness is already at work, but the one who now restrains it will continue until he is taken out of the way. And then the lawless one will be revealed, whom the Lord Jesus will slay with the breath of His mouth and annihilate by the majesty of His arrival. -2 Thessalonians 2:6-8.

Depiction of Gideon with his 300 holding Jars and Torches. A.I.

So long as Noah kept building the Ark, that was the 'Restrainer' in his day. For Lot, so long as Lot and his family hesitated to flee Sodom as instructed by the Angel, that was the Retaining. Regardless of what one may think the Restrainer is, it is keeping the world from falling entirely into the hands of the Luciferians. It is one's interpretation that the Restrainer is the Holy Spirit in general. But specifically, it is the Believers and Followers of Jesus, as those Earthen Vessels, i.e., still having Mortal Bodies.

However, such are indwelt by the Holy Spirit like those Blazing Torch hidden within. This is the Body of Christ on Earth presently. It is the Church Age Dispensation that is curtailing the Evil of the Satanists that are Hell-Bound in stealing every Human Soul and making everyone a Slave to Satan.

But it will not be until the Rapture Reset that once the Bride of Christ is removed from Planet Earth as the Restraining Force, the AntiChrist will only then be revealed. Now as to Gideon and the 300? It is like the Movie '300' that came out in 2006. The film, like its source material, is a fictionalized retelling of the Battle of Thermopylae 'Gates of Hell' in the Greco-Persian Wars.

The plot revolves around King Leonidas, the 'Lion-King'. He is the one who leads 300 Spartans into battle against the Persian 'God-King' Xerxes. This battle was fought against the invading Persian Army of more than 300,000 soldiers. Likewise, as with Gideon then Jesus now has his collective '300' Soldiers that are fighting at the Gates of Hell. The Mission or Commission is to make war and invade it. This is the real meaning of when Jesus stated the following.

Jesus replied, 'Blessed are you, Simon son of Jonah! For this was not revealed to you by flesh and blood, but by My Father in heaven. And I tell you that you are Peter, and on this rock I will build My church, and the Gates of Hades will not prevail against it. I will give you the Keys of the Kingdom of Heaven. Whatever you bind on Earth will be bound in Heaven, and whatever you loose on Earth will be loosed in Heaven'. -Matthew 16:17-19

And as with Gideon, all YHVH asked them to do was to stand and shout the Victory. This is also the Spiritual Principle behind putting on the whole Armor of GOD. Once having done all that, the war is in Prayer as that is where the Victories and Promises of Christ are proclaimed. The 12 Disciples were such Men who war against the Gates of Hell to demolish them.

The Glory to be revealed

But here is an actual example of how that precisely occurred in the Days of Gideon. Gideon in the Old Testament was chosen by YHVH to lead the Israelites against the Midianites. It was during the end of the Wheat Harvest that he was called and commissioned. At the time, Israel was vastly outnumbered and subjugated.

After some tests, eventually with only 300 men selected based on how they drank water, Gideon used a surprise attack against the Midianites as instructed by YHVH. They surrounded the Midianite Camp and just stood there. The 300 of YHVH came against the Enemy Camp, and with all in unison, a Shout and Trumpet blast went forth.

They then broke the Earthen Vessels. It exposed the Light, the Torch that blazed from the inside. This is what caused the confusion in the Camp. It must have been a sight to see. YHVH used the Trumpet blasts and Torches to create confusion. It led to a victory for Israel. Consider the typology and Rapture symbolism and even the timing, perhaps.

Panic sat in and the Midianites scattered as they attacked each other. This is a befitting Rapture typology in that the collective '300' of Jesus., the Bride of Christ that have been battling and fighting at Lucifer's Gates will 1 day have their mortal bodies be 'shattered' to reveal the Inner-Glory that is the Indwelling of GOD the Holy Spirit.

And that Rapture Reset will occur with a Shout of an Arch-Angel and with the Trump of GOD. There will then be chaos and panic that will sit in the world because of it and will kill each other during the Tribulation Period. Now as to the timing of the Rapture? Well, if the story of Gideon and the 300 are any indication of when? It took place when Wheat met the Wine. What was odd is how Gideon was threshing the Wheat, but in the Wine Press, where the New Wine was to be processed next.

This was done so that the Midianites would not detect the Israelites doing this as Food was used as a Weapon of War. Starvation was and is still a Tool that is used to control and subjugate people.

'Then the Angel of the LORD came and sat down under the oak in Ophrah that belonged to Joash the Abiezerite, where his son Gideon was threshing Wheat in a Winepress to hide it from the Midianites'. -Judges 6:11

So, here is just another connection of how the Wheat meets the Wine and in one's inference has that direct connection that is seen all over the Old Testament. As to the Rapture's Timing that could be implied because of Earthen Vessels and the Torches incident of the 300? Perhaps.

'I saw something else under the Sun: The Race is not to the Swift, nor the Battle to the Strong; neither is the Bread to the Wise, nor the Wealth to the Intelligent, nor the Favor to the Skillful. For Time and Chance happen to all. -Ecclesiastes 9:11

Here is a video from SuperBook that attempts to capture the events of Gideon, the Wheat, the Wine and the Wonder of a Broken Vessel.

For God, who said, 'Let light shine out of Darkness', made His Light shine in our Hearts to give us the Light of the Knowledge of the Glory of GOD in the Face of Jesus Christ. Now we have this Treasure in Jars of Clay to show that this surpassingly Great Power is from GOD and not from us. We are hard pressed on all sides, but not crushed; perplexed, but not in despair; - 2 Corinthians 4:6-8

THE SIGN OF THE CLAY JUG & THE BASKET

Lyn Melvin

<https://lynmelvin.blogspot.com/2021/07/the-sign-of-clay-jug-basket.html>

WAIT A RAPTURE SECOND! IN A TWINKLING OF AN EYE

How fast will the Rapture Event take place?

'Listen, I tell you a Mystery: We will not all Sleep, but we will all be Changed— in an Instant (Atomos), in the Twinkling of an Eye, at the Last Trumpet. For the Trumpet will sound, the Dead will be raised Imperishable, and we will be Changed. For the Perishable must be clothed with the Imperishable, and the Mortal with Immortality'. – 1 Corinthians 15:51-53

Not if but when the Resurrection-Rapture Event occurs, how long will it take? Will one's clothes be left from those that are 'alive and remain?' Will People be able to see the Bride of Christ rise into the Clouds? There have been many attempts by Hollywood to depict this. There have been Orbs of Light forming and then congregating before they all jettison upwards in unison to the clouds.

However, if one studies the Greek meaning of each word in 1 Corinthians 5:51, it will come to light that what will occur is based on Quantum Physics. The key word is 'Moment' as discussed in prior studies in how it is the state of matter where it is so small, it can no longer be divided in terms of Atoms, thus 'Atamos'...in a 'Moment'. So, how fast is that? The Resurrection-Rapture will be as fast as a 'Twinkling of an Eye'.

Now, there are those that will challenge what one will be presenting in that the term is just an old Jewish Idiom. It is, but Modern Scientists have actually mathematically quantified it. One received an email about how in 2025, 1 of 3 Dates given, the Earth will lose 1.3 to 1.5 Milliseconds because of the Earth's Rotation. It is because, presumably, some Mathematicians have discovered this increase in the Earth's speed. This is what will then lead to the loss of 'Time'.

In a 'Nano Second'

The person who emailed the discovery provided an online link below to the Article that even Steve Quayle also posted to his website. Here is the excerpt about the Planet speeding up on these 3 potential days. And? One of the Days on July 22, the eve of July 23 which is one's yearly Rapture High Watch Day.

'Graham Jones, an astrophysicist at the University of London, says Earth's rotation could speed up noticeably on one of three dates this summer, either July 9, July 22, or August 5. On those days, time is predicted to drop by 1.30, 1.38, or 1.51 Milliseconds, respectively'.

Depiction of 'Nuclear Explosion' at the Resurrection. A.I.

Well, it so happens that guess how fast is a 'Twinkling of an Eye', according to Science? It is 1.3 Milliseconds fast. So, if one takes that to be how fast is the Rapture going to take place? Then it is going to be 1.3 Milliseconds fast. Coincidence? Below is the email thread received and replied to. Thus, the question is, will the Rapture occur to coincide with this day because the Earth will speed up by that amount of time, that it is then considered time lost?

Will this Scientific Phenomena help explain-away the Rapture?

Hi Lu,

Just saw an article linked to Daily Mail by Steve Quayle: 'For a Micro-Second [loss] of Earth's [rotation] on 22-JUL-2025.

<https://www.dailymail.co.uk/sciencetech/article-14865933/Scientist-warns-shortest-day-history-Earths-rotation-speeds-up.html>

Depending on time-zones, it might be used to explain-away the Rapture of 23-JUL-2025??

Hi,

Wow, it is very interesting.

Well, it does say, 'In a twinkling of an Eye' or a Split Second, no? :)

I have a lot riding on this year's 723 or July 23 Rapture High Watch Date. But in the end, it is only my best guess and educated calculations. We will have to see this 21 (7-7-7) Day Countdown then.

Thanks for sharing.

I will pass it along.

Blessings,

Lu

Here is a website one came across that bears-out the mathematics about 'Earth Acceleration' and how several Mathematicians weighed-in concerning the various Formulas. The 'Bottom Line', literally is that it was determined that in the mathematical sense, a 'Twinkling of an Eye' is 1.33 Milliseconds.

Now, would that not be cool if on July 22, the eve of July 23, as the Earth just happens to 'hiccup' forward 1.33 Milliseconds is precisely how long it will take for the Rapture Event to occur?

HOW LONG WOULD IT TAKE FOR LIGHT TO GO THROUGH A HUMAN EYEBALL AND BACK TO THE OTHER SIDE

Mathematics

<https://math.stackexchange.com/questions/48664/how-long-would-it-take-for-light-to-go-through-a-human-eyeball-and-back-to-the-o>

It made one think of Jesus' warning about the conditions the People of Earth would be living under at His 2nd Coming. He inferred how in the Last Days, they would be like those of Noah and Lot. The Days of Lot are here for sure.

The Days of Noah? If genetic manipulation is 1 of those factors, then yes. But what about the worldwide Calamities? This was/is impressed in one's mind in regard to how the cataclysm of the Flood occurred worldwide. It was not just a localized event.

So, likewise, after the Rapture Reset, worldwide cataclysms will begin to occur as foretold by Jesus and described in the Book of Revelation in detail. Surely, it will be a dreadful time, unimaginable. But thank Jesus for the Door of Escape as He will open and then shut it like He did with the Door of Noah's Ark.

The Rapture!
It is going to be out of this World!

WHY THE RAPTURE IS A FIRST FRUIT EVENT AND ANNIVERSARY

‘WHEN PENTECOST HAD FULLY COME’

The End of the Church Age of Grace

Pentecost is not done yet. So long as Humans are still coming to the saving knowledge of Jesus Christ, that Prophetic 4th Feast of Pentecost is not concluded. It also corresponds to the Great Commission. That endeavor will be given over to the 144,000 Jews precisely for the witness during the Time of Jacob’s Trouble. It will no longer be the ‘Trouble’ or Tribulation the Church has had to endure since 32 AD.

Pentecost is in-between the 1st 3 Feasts of YHVH and the last 3 Feasts of YHVH. It is exclusively the ‘Intermission’ that has been and will be the Church Age of Grace, until that last Human surrenders and accepts Jesus’ provision for the Atonement or Payment for Sin. This is why one is convinced that the Rapture’s timing cannot correspond to a Fall Feast. However, one realizes that perhaps the most singled-out Feast for the Rapture to occur is on Yom Teruah or the Feast of Trumpets.

Granted, it has amazing prophetic correlations to the Rapture. But. If Prophecy is Pattern, attributing the Rapture to occur on Yom Teruah is like swapping Oranges for Apples. What pertains to the Church is a special Dispensation that apparently has been allotted 2 Days or 2000 Years. It is the time where Israel, who was given the Law did not perform nor carry-out their Commission because the Letter Kills but the Spirit give Life.

The Grapes of Wrath

Even in present-day Rabbinical Judaism, they refuse to proselytize because they see the Covenant of Moses as exclusively their own. It is for this very reason that the Noahide Laws will be implemented and enforced during the 7-Year Tribulation Period. This is one's working theory. So, to that end one has researched and provided one's rationale, evidence and interpretation as to why when the Resurrection-Rapture Event occurs, it will be as it began, on a 50 Day count and that also corresponding to a First Fruit type of crop.

Disciples meeting early at Temple Precinct daily. A.I. made.

This is why when the Holy Spirit came down in Acts 2, that Pentecost coincided with the New Wine First Fruit. The issue has been, so what is that date? Most that have caught-on to this new understanding about true Pentecost calculate that it will coincide with the Month of Av. Obviously, one disagrees. One has gone over the objections before but here below is a further consideration as to why. Obviously, being circumstantial and interpretive, one can be incorrect. To help with the context, here below is what was shared about how the Month of Av is when the Grape Harvest begins.

It is not the First Fruit of the New Wine by then. That alone should disqualify the timing. But that is one's point. The Month of Av is about the crushing of the Grapes. It is the Wrath that is symbolic of the coming Tribulation Period after the conclusion of the Summer Wheat Harvest Rapture for Israel. This is why, if one follows the Prophetic Pattern, the end of the Church Age that will be accented by the Resurrection-Rapture event cannot occur at Yom Teruah.

Anything beyond the Summer Wheat Harvest typology pertains to Israel and the conclusion of its 70 Week of Wrath yet to be poured-out. The Brethren that calculate that New Wine is on Av 9 is based on how they interpret the 'Complete Sabbath', after the Morrow. In that case, Shavuot is always on Sivan 15.

This commemorates the arrival of the Israelites to the foot of Mount Sinai, but it was not when they received the Law Covenant of Moses. And as it has been brought to one's attention, even though the Essenes and Temple Scroll mention New Wine being celebrated on Av 3, the same scrolls explain that it is not the true Pentecost.

Yes, one has pondered about the Sivan 15 date as some use it to calculate and say that it was the actual Shavuot of the Jews, separate from the Pentecost of Acts 2 that the Christian presume is the same. Sure, if one uses that date, based on the current Rabbinical Calendar, it would be. But it is not. Then 50 Days prior was a whole week after the Passion Week.

The discrepancy has to do with the interpretation of counting an extra week to qualify as a 'Complete Sabbaths'. As noted, the day count to get to Av 9 is based on starting a whole week's worth after Nisan 17. In contrast, one calculates the day count from April 14 at Sunset because for the year 2025 for example, it was that Sunday after the Sabbath or the 'Morrow'. The Sabbath was already completed.

A First Fruit Resurrection and Rapture

For the life of me, one does not see the logic or rationale to jump to the next subsequent Weekly Sabbath to start the 49 Day + 1 Count and then the double count of the 50 Days following. In the Exodus Timeline that one has formulated, it corroborates with one's July 23 correspondence to being the 100th Day. This was when Moses came down the Mountain and the Golden Calf incident occurred.

This was not and cannot be Av 9. The confusion, in part is based on how the Essenes 'commemorated' the Feast of New Wine on Av 3 as stated in their Temple Scrolls. But it is just that, a date that was chosen to commemorate the Feast. But it was not the case when the true Pentecost actually took place.

Thus, the Sivan 15 was and is neither in one's estimation because the research into the Jewish rationale for that, is that they plainly state Sivan 15 is when they arrived at the foot of the Mountain. This data point is known, verified in Scripture. There were yet 3 Days before the Israelites were to appear, clean, washed and dressed, like a 'Bride' for when YHVH, face-to-face proposed to Israel, collectively in that Covenant that became the Law of Moses.

This goes the same of Sivan 6 when the Rabbinical Jews celebrate Shavuot, the 'Giving of the Law'. This is more to one's liking because it is pegged to Nisan 15, regardless of the Day Counts afterwards. What the Jews do have 'right' is how they correctly count the Omer. It occurs on Nisan 15. It is because the Law or Leviticus was not yet proclaimed nor written down.

One's point is that the specific day count of counting 'Complete Sabbaths' and from the 'Morrow' had yet been given to the Jews to know when to have started the Day Count, but YHVH did and kept it. This is why the Exodus Timeline is crucial to cancel-out the 'noise' of various day counts that is stretched to Av 9 to fit a narrative.

The Data Points are true but the interpretation is off, in one's estimation of when Moses came down the Mountain with the Tablets and coincided with the Feast of New Wine. It was not on Av 9 for the agricultural timing is off in that the Wine, by that time is no longer 'New'. It became the occasion for Israel to already commit Adultery against her Husband, YHVH with the Golden Calf.

It was later, after Moses received the Tanakh that the Day Counts were codified. And even that is subject to interpretation, especially Leviticus 23:15-16 which most translations have hid this 'Double-Count'. It was and is on purpose also in one's estimation by the zealous Rabbinical Jews. One suspects that it was done to obfuscate the Acts 2 Pentecost Event and Ascension of Jesus.

To be fair, one does admit that the logic in the Av 9 or Av 15 typologies are significant. However, the more one studies the New Testament teaching about how the Holy Spirit is as a First Fruit and one's last Partition of the Redemption, the Glorification of the Body is directly tied to that, then the timing justifies a July 23 assertion. Obviously, one can be wrong and every July 23 in a given year has been put to the test.

*'We know that the whole Creation has been groaning together in the Pains of Childbirth until the present time. Not only that, **but we ourselves, who have the First Fruits of the Spirit, groan inwardly as we wait eagerly for our Adoption as Sons, the Redemption of our Bodies**.' -Romans 8: 22-23*

If the Rapture's timing is pegged to a month of Av correspondence, well it is only about 1 Week off from one's July 23 or '723' calculation. One will not complain. But until further notice from the Holy Spirit, in one's personal case, a July 23 date is what one will go with. The following is the Cross References to why one is set or is more convinced that when the Resurrection-Rapture Event occurs, it will correspond to a First-Fruit Anniversary.

[2 Corinthians 5:2-5](#)

For in this Tent we groan, longing to be clothed with our Heavenly Dwelling, because when we are clothed, we will not be found naked. For while we are in this Tent, we groan under our Burdens, because we do not wish to be unclothed but clothed, so that our Mortality may be swallowed up by Life.

[Ephesians 1:13-14](#)

And in Him, having heard and believed the Word of Truth—the Gospel of your Salvation—you were sealed with the promised Holy Spirit, who is the Pledge of our Inheritance until the Redemption of those who are GOD'S Possession, to the praise of His Glory.

[Galatians 5:5](#)

But by faith we eagerly await through the Spirit the Hope of Righteousness.

[Philippians 3:20-21](#)

But our Citizenship is in Heaven, and we eagerly await a Savior from there, the LORD Jesus Christ, who, by the Power that enables Him to subject all things to Himself, will transform our lowly Bodies to be like His Glorious Body.

[1 Corinthians 15:22-23](#)

For as in Adam all die, so in Christ all will be made alive. But each in his own turn: Christ the First Fruits; then at His coming, [at the Resurrection-Rapture on a First Fruit timing?] those who belong to Him.

[1 Peter 1:3-5](#)

Blessed be the GOD and Father of our LORD Jesus Christ! By His Great Mercy He has given us New Birth into a Living Hope through the Resurrection of Jesus Christ from the Dead, and into an Inheritance that is imperishable, undefiled, and unfading, reserved in Heaven for you, who through faith are shielded by GOD'S Power for the Salvation that is ready to be revealed in the Last Time.

[1 Corinthians 1:7](#)

Therefore you do not lack any Spiritual Gift as you eagerly await the Revelation of our LORD Jesus Christ.

[Hebrews 9:28](#)

So also Christ was offered once to bear the Sins of many; and He will appear a 2nd time, not to bear Sin, but to bring salvation to those who eagerly await Him.

Thus, if the Acts 2 Pentecost New Wine First Fruit is what defines the 7-Fold Churches of Asia Age, it is like a Menorah Pattern. And again, the Center Stem is where the Oil is poured and then branched-out to the corresponding flank of the 2 branches. Such is and has been the Church Age. It is the 'middle' Stem.

It has been the time and place where the true Vine, Jesus has poured-out the Spirit as the Oil and it is how the other 6 Feasts and 'Branches' are corresponding and pivot on. So, when the Age of Grace and Mercy ends with the conclusion the Commission of the Church, that is when can truly state that Jesus 'fulfilled' Pentecost, but not until then.

This is why the Feast of Trumpets is a mismatch of the proverbial comparison of Apples to Oranges. This is why then the Rapture has to follow the First Fruits of the Grapes. It is only thereafter that the Grapes of the Wrath of the Lamb will fall to complete that Sickle Harvest of Israel, post-Rapture. Already there is chatter that the Rapture Date has been given for 2025. And guess that date is that?

Precisely on Yom Teruah or associated with Rosh HaShanah, the beginning of the Jewish Civil New Year. For 2025, that was September 23, 2025, which coincides with the Revelation 12 Sign. Apparently a Man from Africa stated that he had a Near Death Experience. No problem. But in that event, the Man states that he was taken to the Throne of GOD where Jesus 'told' him specifically that the Rapture Date is going to be on September 23, 2025. And that Jesus' 2nd coming will be on September 15, 2032. Wow. OK then.

When the Law met Grace

This September 23rd is significant because it is the 8th Year Anniversary of the Revelation 12 Sign. And back in 2017, the sensationalism was over how it had the 'Harpazo' DNA about it that most if not all that subscribed to it were expecting. Now it appears that this notion has come around again and here we are and go again. So, which is it? The Rapture on a Frist Fruit Festival or on Yom Teruah, the Feast of Trumpets?

A further clue is possibly given concerning the event in Acts 2 pertaining to when the Church Body was infused with the indwelling of the Holy Spirit. It has to do with the phrase, 'When had Pentecost fully come'? It has been a phrase of mystery as to its meaning. Most consider it just a Jewish Idiom perhaps. Obviously, it is significant and prophetic. One suspects that the meaning has been 'Lost in Translation' a bit.

Here is a portion of research that one came across that also captures this notion of how Shavuot was the 'Lesser Pentecost' but then the 50th Day thereafter, would correspond to the Greater Pentecost or the one what would be the complete of the whole. Very interesting. So, this supposition of Pentecost having to be fully come is indicative of how Shavuot was not and cannot be the Pentecost of Acts 2 and so forth.

HISTORICAL TEXTS

Notice what Philo, an Ancient Jewish Sage said about the Feast of Weeks that the Jews presently call 'Shavuot' and the Christians erroneously call Pentecost. What this will show and prove, in one's Mind is that the Ancient Jews knew that Shavuot is in June.

And that there was then an anticipation of the True and Complete Shavuot or Pentecost. 'The Solemn Assembly on the Occasion of the Festival of the Sheaf [June Shavuot] having such a Great Privileges, is the Prelude to another Festival.

It is of still Greater Importance [Acts 2 Pentecost/New Wine]; for from this Day the 50 Day is reckoned, making up the Sacred Number of 7, 70s, with the additions of a Unit as a seal of the Whole'.

Lastly, in one's opinion, 'When Pentecost Fully came' and because it was coinciding with the First Fruit of the New Wine, it was a time of joy, gladness, celebration, expectation. This cannot be said if the Feast of New Wine is made to correspond with the 9th of Av, which is totally diametrically opposed to the New Wine Festivities. It makes perfect sense in that the First Fruits of the Barley and the Wheat were and had to be fulfilled by Jesus, under the Law.

But when the time came for the Acts 2 Pentecost, that is where the Law ended and the Grace began with the Spirit. Technically the Sin Debt was paid at the Cross of Calvary but as is understood by some, the changes in Dispensation or Covenants occur on Pentecost, i.e., Noah (Presumed), Sinai and then Pentecost of Acts 2. So, the natural and logical pattern to follow, if Prophecy is Pattern, is that on a Pentecost, the Church Age of Grace will end and that is when the Law of Moses will begin as Israel will revert back to.

They so desperately want to come back under it, sadly. And the verse from Galatians 4:4 lays it all out. It is about where the Law was fulfilled and met Grace. That year, as one calculates it was 32 AD. Thus, if 70 Years from 1955, being 7 Years from 1948 or 1 Sabbath Count of the Land like it was when Joshua crossed over into the Promised Land, then 2025 has to be the year in which Grace ends and the Law begins again.

The Door of Escape

A further clue as to the Rapture's Timing is not new but insinuated by the 'calling-up' of John in the Book of Revelation. It occurs in chapter 4 which corresponds to the Dalet or the Door. John is taken in the Spirit at the sounds that also occurred at Sinai and in Acts 2. In the vision of John, upon turning around, he sees Jesus 'in the middle of the Menorah Motif'. Jesus is that Servant Stem, the center stock, the Vine.

One wonders if this 'Rapture' of John, a type of the Bride of Christ occurred on a corresponding New Wine First Fruit correspondence. But this is what will occur, precisely at the Resurrection-Rapture event. When the Bride of Christ is called-up, at the sound of rushing waters and a Trumpet Voice, as she turns around, she will see Jesus. And that it has been Jesus that had been tending to the 7-Branch Menorah Church Age.

Faith and Believe will have turned to sight. This is why one is more convinced that when their Rapture Call comes, it will be during the 4th Branch of the Menorah Prophetic Pattern. And that Center Stem corresponds to the end of the Summer Wheat Harvest and the beginning of the New Wine Harvest, July 23 in the modern Gregorian Calendar.

As Jesus came under the Law of Moses to fulfill it, in so doing has provided the New Covenant. It is the better one that allows not only those that were under the Law to be redeemed but non-Jews to be grafted into the 'Commonwealth of Israel' through Adoption. Those living in this Last Generation are truly blessed and privileged to have lived during this Church Age where the Spirit of Grace and Mercy in Jesus alone has triumphed over the Law that kills.

PLEIADES-MOON OCCULTATION

'DISAPPEARANCE' OF THE 7 CHURCHES OF ASIA?

End of the Age of Grace

This following Celestial Phenomena was brought to one's attention, about the Pleiades-Moon Occultations that have been occurring since September of 2023. One has covered how Venus has done the same with the Pleiades and how the Planet Uranus, the 'God of the Clouds' is at a 90 degree angle with the ley-line going to the Pleiades on July 23. But perhaps these Pleiades-Moon Occultations could be another 'GOD Wink'. Why?

An occultation occurs on July 20, 2025. Is it a 3-Day countdown to one's July 23 Rapture High Watch Day? Well, if so, it would be obvious that one would suppose that it could be a prelude to the 'Disappearance' of the 7 Churches of Asia, as that is what the Pleiades represents. One would hope so.

It will soon be known. But what is a bit peculiar is that out of all 6-Years of occultations from 2023-2029, July 20, 2025 is the only one that comes 3 Days from any July 23 Date within the 6 Year Cycle. It seems like this could be a sort of 'Celestial Billboard' foreshadowing the 'Disappearance' or the Rapture of the Congregation of the Judge.

As to the particularities for the July 20, 2025 Pleiades-Moon Occultation? In the Western Hemisphere during the Moon Rise, and looking towards the North-East, depending on the local Time Zone, the Moon will be occulting the Pleiades Star Cluster. In the West Coast of the USA, Pacific Standard Time (PST), this Occultation will commence around 1:48AM Local Time.

Warning. Evacuation Ahead

It will last approximately 3 Hours. Those in the Eastern Hemisphere will have the depiction of a Moon Set where the daylight will not afford the Occultation to be seen by the naked-eye. The illustration provided shows the 6-Year long Pleiades-Moon Occultation that started in September 2023 and will end in July 2029.

These Occultations have taken place monthly, approximately. Initially, the frequency started with just the Moon aligning with the Pleiades Star Cluster ley-line in the Constellation of Taurus. But it is only in the year 2025 that the Moon actually occults the Stars of the Pleiades. The other Occultation in prior and post 2025 years occur intermittently.

Likewise, it also tapers-off starting in 2029. So, out of all the Pleiades-Moon Occultations, the one that occurs on July 20, 2025 is the closest to one's July 23 '723' Rapture High Watch time. And as one calculates, it corresponds to the Astrological Leo New Year, the end of the Summer Wheat Harvest and the beginning of the First Fruit of the New Wine.

As the Pleiades are considered the 'Congregation of the Judge', the Motif depiction of the Rapture would align with the Prophetic Picture of a 'Disappearance'. However, as only some of the Stars in the Star Cluster are occulted by the Moon, and in keeping with the Prophetic Typology, the Parable of the 10 Virgins comes to mind in that only half were worthy of the Groom and taken to the Wedding Supper.

As the Occultations of this Pleiades-Moon Celestial Phenomena is occurring nearly every month for a 6 Year Cycle, it is like a 'Flashing Yellow Traffic Warning Sign'. Thus, is this 'Flashing' in the Pleiades Star Cluster signaling the soon 'Disappearance' of the Sheep, or the Bride of Christ, the Congregation of the Judge?

And note that based on Mythology, it is the fierce Anger of the Bull, the Beast of Taurus that has captured the 7 Maidens and are held captive. But it is the Great 'Bullfighter', Orion that confronts the Beast and slays it to liberate the Sheep from the Sheep Pin that the Pleiades also represents. You have the core 6 Maiden with Alcyone as the Matriarch.

It is Atlas that is the Shepherd and cares for them with his trusted Sheep Dog, Pleione. Then it is Asterope, the Gate-Keeper that is the Double Gate that leads in-and-out of the Sheep Pin. And is that not what will occur at the Resurrection-Rapture Event? Jesus the Greater Bullfighter will come to rescue His Sheep, His Bride as it also represents the 7 Lights or Testimonies of the 7 Churches of Asia.

As one has shared, the Pleiades Star Cluster is referred to as the Stars that Jesus holds in His hands as depicted in the Book of Revelation. They are also a Motif of the 7 Churches of Asia as each represents a Branch of a Menorah Typology in which Jesus is the Severn Stem. These are very beautiful typologies that are Prophetic and perhaps allude to the timing of when the Church Age is to end.

NEW WORLD ORDER RELIGION HOW THE RAPTURE WILL BE EXPLAINED-AWAY

The Lie that will be believed

One has been asked, how will the World explain-away the Rapture Event? Consider the dread and terror that will befall all of Humanity when Millions of only Jesus Followers will have 'Vanished into thin Air' literally. Mass Psychosis will demand an explanation and one that will match the Supernatural Spectacle that will occur as described in the Bible. It will be demanded to quell the Fears and Anxiety of all those left behind because of Social Media and the Internet, there will be enough Information and Knowledge of what just happened.

And the consequences and what will come after a Post-Rapture World will not sit well with the People on Earth. So, to that effort, the Lie that will be believed will be of a similar Supernatural Event that will attempt to explain-away the Rapture. And what will that Event be? In part, what one conjectures is that the 'Aliens' will show-up. These Aliens will be presented to the World, by the Luciferians as the Saviors that have always kept a Watch over Humanity since Eden and in fact are the Progenitors of Humanity.

They will come to 'Save' Humanity from itself and what needed to have taken place was to have cleansed the Earth us such Christians that inhibited 'Order and Progress'. As it is, Anti-Christian Narrative Researchers have taken the Traditional Bible Stories and reinterpreted them. The Interacting with Angelic Beings, both 'Good' and 'Bad' are now Ancient Aliens. The GOD of the Bible, YHVH is what now constitutes as initiating Pan-Spermia.

Depiction of Religious Leaders at the U.N., A.I. made.

3 Abrahamic Houses of Faiths

The argument will be that the Visions of Daniel, Ezekiel, and John the Revelator are all Alien Spacecrafts. And the Translations or 'Raptures' of all such Prophets, Priests and Kings into the Heavenly Dimensions were 'Abductions'. That is how the Luciferians will explain-away the Rapture of Millions of Christians that are Jesus Followers.

This is why Lucifer is not and cannot allow for the Full-Disclosure of how he has disguised himself and his Fallen Angels as 'Ancient Aliens'. The Rapture Event that will conclude the Church Age will be used to show how a Mass Abduction was now needed to 'Cleanse' Earth of the Bad Vibrations and 'Backwards Thinking' of such Peoples.

Now, through his arrival with the AntiChrist as Earth's Mediator, Humanity cannot proceed to accomplish what he had promised Eve in the Garden of Eden, Immortality and Godhood. This is the Lie that will be believed. It is the Bible that is the correct and truthful account of how the 'Gods' created Humanity. It is about a Genetic 'Experiment'.

But it is the account, as dictated to Moses by YHVH, the 1 true Creator GOD that is the standard that all others mimic. Note that every Ancient Civilization has a similar Creation Account of the 1st 2 Humans, a Man and a Women, a Universal Flood with only 1 surviving Family, etc. And that the 'Gods' that came down to impart Civilization are to come back in the End of Days to save Humanity from its Total Destruction.

What the Ancient Alien Theorists overlook, ignore or reject is that the Bible teaches how in the Old Testament, YHVH had ordained His Angelic Beings to be Guardians of Humanity. They were to impart the Sacred Knowledge of Civilization: Writing, Astronomy, Biology, Arts, Politics, etc. The purpose was to 'Enlighten' Humanity and bring them into the Knowledge of the Creator YHVH and the Plan of Redemption found in the Son of GOD, Jesus.

The Narrative was how the Son of GOD was to become a Man and become an Offering to atone or Pay for the Sin and Fall of Adam's Race. What happened, as disclosed in Psalm 82 is that these Angelic Beings did not fully comply with such a Divine Mandate. Instead, they became presumptuous and received Worship from Humans as the Local and/or Regional 'Gods' that came from the Stars.

And in some cases, as with the Watcher Class of Angels, 200 of them came down and broke the 'Prime Directive'. They genetically interbreed with Humans to produce an Angelic-Human Hybrid Races. These were and are the Giants. In a purely Philosophical Construct, the Ancient Past is far more interesting, complicated, and beautiful than the Present. However, Humanity's Ancient Past will and is catching-up with its Devine Rendezvous.

And this will be with the Return of Jesus. He is the true embodiment of what all the Ancient Civilizations reinterpreted and how Lucifer has hijacked the Savior Complex. And this is the Issue or will be the Issue. Before the Return of Jesus will occur, according to the Bible, the 'Return of Lucifer' is to happen 1st. And this will happen right after the Rapture Event.

It is the Rapture Event that will shatter and challenge the current World Religious Paradigm. There will be an abrupt Shift in this 'Consciousness' in that Luciferianism will be the 'New World Religion'. It will be a Hybrid of how the 3 Main Abrahamic Faiths will fuse into 1, along with the Ecumenical and all other World Philosophies and Faiths.

It is really what Lucifer has always wanted, to be 'Like the Most High'. And to accomplish this, Lucifer will introduce his Nimrod 2.0 and build the New Tower of Babel. Why? The New Tower of Babel will be what was used back when but now once again to unite the World against the Mandates of YHVH.

Instead, the New World Religion will be about the Worship of Lucifer, by Proxy initially but then by Direct Adoration through the Mark of the Beast System. And this 'Mark' will involve the mRNA Type of Gene Manipulation that will transform Humanity's Genome in Lucifer's 'Image and Likeness'. Will this mRNA introduce the 3rd Helix Strand in Humans?

The only place on Earth that is the facsimile of the Throne of YHVH in Heaven is in the Holy Land, in Jerusalem and on top of the Temple Mount. Lucifer will coordinate, through this AntiChrist False Jewish Messiah, the acquisition of the Temple. This will facilitate how the Temple Mount will replicate the Abrahamic Houses of Faith: False Christianity, (Roman Catholicism, False Islam and False Judaism.)

Thus, each Faith will be represented by their respective Temple. This is why, in one's interpretation, the 3rd Temple will be that 'Tower of Babel' that will unite a World weary of War. Now, as a Bible Believer, one would say or should, 'How can the World accept and believe in Lucifer and his New World Religion?'

It is easy. Jesus even warned about how this would be the condition and circumstance of People in that Last Generation before His Return. It would be a Planet given over to a Reprobate Mind. That is a Mind characterized by a suspension of Reality and Logic. As the Post-Christian and Post-Modern Society, especially in the West has abandoned the Belief in Jesus and the Bible Narrative, the Vacuum will be replaced by Lucifer and his 'Gospel'.

This will facilitated the coming Jewish World Order led by the AntiChrist and the False Prophet. It will be the time and place with Greater Israel will be achieved under a false sense of 'Peace and Security'. Instead, there will be a corresponding 7-Year Tribulation Period that will unleash a Holocaust 2.0 instead for Israel until their true Messiah, Jesus it finally recognize and call upon to save them.

It will only be as the Bride of Christ and Jesus, the Groom are finished in Heaven's Wedding and 'Honeymoon' that overlaps in this last 7-Years that concludes the 2000-Year Church Age since 32 AD that they come back to Earth. This is because as nations are about to declare and go to war, it is the Ambassadors that are recalled first. This is exactly what is to occur with the Bride of Christ.

Just before Jesus declares 'War' on Earth with the opening of the Seal Judgments in Heaven, the Bride has to be there as a Witness. Thus, the 'Evacuation' of Christ's Ambassadors will occur prior to the 7-Year Tribulation Period that is intended from the Trouble of Jacob's Descendants and the Inhabitants of Earth.

It is only there and then that Israel, the Wife of YHVH is rescued and the 7th Day Kingdom of Rest or the 'Sabbath' Reign of Jesus on Earth will be established. Jesus, as the true and last King of the Jews forever will set-up His Throne on Earth and rule from Israel, in Jerusalem and form the 4th Temple of Ezekiel. It will be at this place and time that the 'Greater Joshua', Jesus will allot the 12 Tribes of Jacob their Inheritance of the Promised Land.

This is when the Promise of Genesis 15 will come true in how 'Greater Israel' will border from the Euphrates River to the Nile River as Eden-like conditions will have Earth restored for 1000 Years. Thereafter, the details can be read from the Book of Revelation as to what will happen next.

ABC's OF SALVATION

The ABC's of Salvation explain the Way of Salvation through Faith in Jesus Christ alone in 3 Simple Steps. Jesus Himself Stated the following for Context and need of Salvation. Jesus came from beyond the Stars, from Heaven as the True Creator, with the True Gospel and as the only True Savior. There is no other, and no other 'Savior' can Redeem one's Soul, Spirit and Body. YHVH created Man and Woman on Earth. Each person has a Unique Genetic Code that is like a 'Combination Key'.

There are no 2 alike. YHVH knows each Genetic Code that is attributed to the Body but is tied to one's Soul and Spirit as well. All 3 Aspects need to be Redeemed or 'Bought Back'. Why? One only has this Life to make the Choice of where one will spend Eternity after one Dies. And by the way, YHVH did not create Adam and Eve to 'Die'. But He gave Humanity Free Will. The Human 'Experiment' has been Contaminated. Lucifer wants Humanity destroyed, Genetically, Spiritual and for Eternity.

This is called Sin and caused by Sin. Sin resulted from being Disobedient to YHVH by choosing to Reject Jesus and turn one's back on Salvation. Humanity was fooled into thinking it can be or are 'Gods'. This is 'The Lie'. A Time is coming where Lucifer will mandate the Mark of the Beast. This will change one's DNA enough to cease being fully Human and thus not Redeemable.

ADMIT YOU HAVE SINNED

A person might think they are 'Good' and deserve to go to Heaven. Many People are trusting in how 'Good' they are or what they have done. The Truth is that all Humans are all 'Sinners', meaning one can never be 'Good Enough' to earn their way to Heaven or do enough Good to out-weigh all their Bad.

*For all have Sinned and fall Short of the Glory of GOD
– Romans 3:23*

For whoever shall keep the whole Law, and yet stumble in one Point, he is guilty of All. – James 2:10

*As it is written: There is none Righteous, no, not one.
– Romans 3:10*

The Bible clearly teaches that ALL Humans have Sinned and have broken YHVH's Commandments. Since the Creator, YHVH is a Holy and Just GOD. Sins against a Holy Creator must be Paid for and Punished. The Bible teaches that the 'Wages or Payment for Sin is Death'. This means that it will cost you Eternal Death and Divine Separation from the Living GOD in a place called Hell.

However, a Loving, Merciful GOD, YHVH does not take pleasure in the Death of the Wicked, it states in the Bible. Nor does YHVH desire any to Perish and go to Hell. YHVH devised a Plan to Redeem or 'buy back' Humanity. The 1st Step thus in being 'Redeemed' or bought back is to acknowledge that one is Sinner.

BELIEVE ON JESUS CHRIST

However, YHVH had a Plan of Salvation that involved sending Jesus, GOD the Son to Pay for the Sins of Humanity. Admitting one is a Sinner also involves wanting to Repent, that is to 'Change Directions'. In the Bible, both John the Baptist and Jesus Himself began their Preaching with the word, 'Repent'. Jesus stated, 'Repent, for the Kingdom of Heaven' is at Hand.' –Matthew 4:17.

For GOD so loved the World that He gave His Only Begotten SON, that whoever Believes in Him should not Perish but have Everlasting Life. For GOD did not send His SON into the World to Condemn the World, but that the World through Him might be Saved. – John 3:16-17 NKJV

So, they said, Believe on the Lord Jesus Christ, and you will be saved, you and your household. – Acts 16:31

And this is His commandment: that we should Believe on the Name of His Son Jesus Christ and Love one another, as He gave us Commandment. – 1 John 3:23 NKJV

'For I delivered to you first of all that which I also received: that Christ Died for our Sins according to the Scriptures, and that He was Buried, and that He Rose again the 3rd-Day according to the Scriptures.' – 1 Corinthians.

Believing is a 'Work'. Why only Jesus? Jesus Christ is presented by YHVH, the Creator as a Perfect, Sinless 'Lamb of God'. But contrary to forced Animal Sacrifices, Jesus stated that He came willingly because of the Love toward GOD the Father.

CALL UPON THE NAME OF JESUS

Jesus laid down His Life and took the Penalty or 'Consequences' meant for every Human on Earth. He literally took the Judgment upon Himself on the Cross of Calvary in one's Place as Isaiah 53:6 teaches.

Jesus paid the Debt no Human can ever come close to paying and Redeemed one's Spirit, Soul and Body. Why not? The 'Payment' requires 'Sinless Perfection'. YHVH, through the Work of Jesus made the Salvation of one's Soul, Spirit and Body possible and easy for Humanity, but it cost the Son of GOD everything. Jesus made Believing in Him not just based on Aimless and Empty Faith or Meaningless Religious Works.

If one then recognizes that Jesus is the Only Way to obtain Salvation of one's Soul, Spirit and Body eventually, one has to act upon this Understanding. One must agree and apply this Truth to one's Life. How? One has to Call upon the Name of Jesus and declare this Truth. But GOD, who is YHVH, is a Respector of Humanity's Free Will. He will not force People to be 'Saved' or call on His Name.

...that if you Confess with your Mouth the LORD Jesus and Believe in your Heart that GOD has raised Him from the Dead, you will be Saved. For with the Heart one Believes unto Righteousness, and with the Mouth Confession is made unto Salvation. – Romans 10:9-10

For I am not ashamed of the Gospel of Christ, for it is the Power of GOD to Salvation for everyone who believes, for the Jew first and also for the Greek [Non-Jews]. – Romans 1:16

Not sure how to receive this Salvation?

YHVH did His part by sending His One and Only SON to die in one's place on the Cross of Calvary. Jesus now offers every person on Earth not only the Forgiveness of Sin as a Free Gift, i.e., Salvation, but Eternal Life and a place with Him in Heaven. However, this 'Gift' must be received as one would extend that to a person. How is this done? One must confess that one is a Sinner, no matter how Good or Bad of a Sinner.

To reiterate, one must then Believe that Jesus Died, was Buried but was Resurrected from the Dead as the Bible teaches and there were 1st account Witnesses to this Event. Then, one must Confess with one's Mouth -if Physically able to as GOD requires an Outward, Public Action. Why? Jesus Died Publicly, Naked on the Shameful and painfully on a Wooden Cross for the Sinner. The least one can do is to not hide this Free Gift of Salvation as a 'Secret' and live with a Fearful Type of 'Faith' in Jesus.

The Gift of Salvation is operated by way of a Prayer. If one is not familiar with Prayer, it is simply 'Talking to GOD' Openly and Honestly. In one's own words, Confess or state that you admit you are a 'Sinner', are Repenting and want Forgiveness. YHVH already knows that one is a Sinner but wants one to agree. Prayer is just opening up a 'Channel of Communication' to verbalize the obvious.

Then, ask for Jesus' Gift of Salvation by declaring that you believe in Jesus' Finished Work on the Cross of Calvary, in that Jesus shed His Blood for one's Sin. And that Jesus Rose from the Grave on the 3rd Day. Confess or accept Jesus as the Only Savior and Lord of one's Life. This Commitment to Jesus should be considered that thought about carefully. It is not an 'Insurance Policy from Hell' as many do see it. Or just to not have a Guilty Conscious but knowing that one will Return to a Lifestyle of Sin.

The Bible teaches that if one genuinely wants to come to Jesus for Salvation and Redemption, one will see a True-Life Change. If one is unsure of what and/or how to Pray, one can Pray something like the following 'Template'.

Father in Heaven,

I know that I am a Sinner before a Holy Creator. I realize that the Penalty for Sin is Eternal Death, being Separated from your Love and Life. I believe that Jesus, you shed Your own Sinless Blood on the Cross of Calvary so that I could receive His Righteousness by Faith in what He finished and Paid for. I Confess that I am a Sinner and ask Jesus for Your Forgiveness. I believe that you Died and Rose again so that I can be Forgiven and Live Forever with Him. Jesus, here and now, I surrender my Life, my Soul, Spirit and Body to you to be used for Your Purpose and Glory from now on. Jesus, Thank You for coming as the SON of GOD, to Die in my Place. I Ask and Pray all this in Your Name, Jesus. Amen.

If you have said this Prayer or something like it to Jesus, genuinely and from a Repentant and Sincere Heart, then you are Saved! Welcome to the Family of Jesus! The Bible teaches that a Follower of Jesus is saved by Grace through Faith'... not of Works. Realize that YHVH, GOD sees One's Heart and He cannot be fooled. But one is not 'Saved' by simply saying some Special Words in a Formal Prayer.

One is Saved when one Says and Lives the Prayer of Salvation by the Power of the Holy Spirit Jesus gives now into one's Life as a result. This is and will be the 'Proof of your Salvation. However, the Bible does teach that this Saving Faith produces 'Fruit'. One way one will be able to tell if one is 'Saved' is that one will be Forever Changed from that Point forward. The Bible teaches that GOD the Holy Spirit will come in 'Dwell' or Live in one's Spirit to help live-out this required 'Holy Life' in Obedience to the Will of Christ Jesus until Death comes or the Rapture occurs.

I PRAYED TO RECEIVE JESUS CHRIST! IS THAT IT?

Becoming a Follower of Jesus means that one's Life will be Forever Changed as a New Journey of Faith begins in you. It is now a Relationship. Begin by Reading the New Testament and then the Old Testament to get a Perspective of how YHVH dealt with People and see Examples of Good and Bad types of 'Faith'. Then meet with other Followers of Jesus to Encourage one another. Then grow in the Understanding of Jesus. Then be Baptized if possible.

Likewise, I say to you, there is joy in the presence of the Angels of GOD over 1 Sinner who repents. – Luke 15:10

Realize that as the Gift of Salvation has paid for one's Spirit, Soul and Body. Presently, the Body is not yet Redeemed. So, one is in this present Evil World and will still be subject to the Temptations of Self, Sin, Satan and the World. However, Jesus Christ has not left His People alone on Earth. As mentioned, Jesus sent GOD the Holy Spirit to help you be Convicted of Sin and have Power over it. One Day, the Bible states that Jesus is to Return to Earth to Extract or 'Rapture' His Bride and then 'Make All Things Right'.

In the meanwhile, the Journey of one's Faith with Jesus has begun. Like a Newborn, one must be Feed, Cared For and Grow in Stature, Knowledge and Understanding that is found in Jesus. This is the 'Walk of Faith' as now Jesus, who is your Savior and LORD desires you to reach 'Maturity'. How is this achieved? In part, it is finding His Will for your Life and applying one's Purpose and Role in being used by Jesus until He Returns.

...to equip the Saints for Works of Ministry, to build-up the Body of Christ, until we all reach Unity in the Faith and in the Knowledge of the Son of GOD, as we mature to the Full Measure of the Stature of Christ.' – Ephesians 4: 12-13
